9 HISTORY.

Following upon the great popularity of the original Ping-Pong in the early part of the present century, the Ping-Pong Association was formed in 1902, to organise championships and tournaments, chiefly in London. The "boom" year was 1904 but it was only a temporary craze, as, although the P.P.A. was still in existence in 1905, it appears to have collapsed during that season. Whilst the game seems to have died out in the home counties, it was apparently still being played in the provinces but without any governing body.

In 1921-22, the P.P.A. was resuscitated by Messrs. P. Bromfield and J. J. Payne, who were joined by Hon. Ivor Montagu, Mr. J. M. Rose and Mr. A. F. Carris. The National Championships were run that season, and entries received from all parts of the country. Difficulties soon arose, however, not only in regard to the title, when it was discovered that Ping-Pong was a registered trade name, but also through the Association being unrepresentative of the provincial centres. The old Ping-Pong Association therefore dissolved and re-formed under the title of "The Table Tennis Association." The new body was hampered by difficulties, and as their energies were devoted to formulating standard rules, popularising the game, etc., no attempt to form a democratic governing body could be made.

At the Annual Meeting in 1925, an emergency committee, with Mr. Montagu as President, and Mr. W. J. Pope as Secretary, were authorised to redraft the constitution. In 1926, revised regulations were circularised in the provinces and a National Delegate Conference was held in London, on April 24th, 1927. The new constitution, which confirmed the provisional appointments, and provided for the new title, "The English Table Tennis Association," was adopted.

The first Chairman and Secretary were, of course, Mr. Montagu and Mr. Pope, respectively. They stayed in office for some years, and were together primarily responsible for establishing the new national body on sound foundations. They worked prodigiously hard until Mr. H. M. Bunbury, of Manchester, assumed the Chairmanship in 1929, Mr. Montagu being appointed President. Mr. D. W. Poupard became Secretary one year later, after Mr. B. J. Hookins, of Pontefract, had had a brief term. Mr. H. Oldroyd, also of Manchester, was elected President in 1931, and still retains very worthily the dignity of his office. Mr. Montagu returned to the chair in 1932, with Mr. G. W. Decker as Secretary; these two being succeeded in September, 1933, by

Mr. C. Corti Woodcock, of London, and Mr. J. Siddron, of Manchester, respectively. The last-mentioned appointments were renewed in April, 1934, together with that of Mr. A. K. Vint, of Hastings, Hon Treasurer since 1931. In April, 1935, Mr. Woodcock and Mr. Vint were re-elected and Mr. W. J. Pope displaced Mr. J. Siddron as Secretary, and in 1936 Mr. Woodcock resigned and was replaced by Mr. Montagu. Interesting names appearing on the list of thirty Vice-Presidents include Messrs. Bunbury, Bromfield, Perry (father of our ex-world champion, Fred J. Perry), Swann, of Manchester, and Sir Leonard Lyle, Bt. (one-time Chairman of the L.T.A.). In the last groups recently elected, were further valuable additions in the persons of the Dowager Lady Swaythling, Mr. A. F. Carris and Mr. P. E. Warden.

The progress of the E.T.T.A. dating from the inaugural congress has been very rapid as the following figures reveal. 1927-28, 19 Leagues; 1928-29, 21; 1929-30, 23; 1930-31, 32; 1931-32, 38; 1932-33, 52; 1933-34, 71. In the season 1934-35, we jumped to 99 Leagues, 1,654 Clubs, and approximately 30,000 individual registered members, and in 1936, 121 League Clubs with approximately 40,000 members. Of the 22 National Table Tennis Associations comprising the International Federation, ours is by far the largest, as indeed it is also the biggest of all indoor sports organisations in this country at the present time. The game is now part and parcel of the life, interest and exercise of English men and women of all ages.

In 1935, after an interval of eight years, the World Championships Congress returned to England. The E.T.T.A. was faced not only with a gigantic task, but with a vital responsibility to the visiting foreigners, the players and the public. The result is now history, and the great crowds which thronged the London University and Imperial Institute and the huge assembly of over 8,000 people which packed the Empire Pool & Sports Arena, Wembley, proved that the game had won its place in public favour as a thrilling spectacle.

In 1936, the Empress Stadium at Earl's Court housed a crowd of 7,000 people for the Finals of our National Championships and in February, 1937, the Empire Pool and Sports Arena was again filled. The fact that during that season there was an increased affiliation of 52 Leagues, with approximately 500 Clubs shows that the appeal is permanent and progressive and the details in this handbook will show that in 1937/38 season there is another record jump forward.

8. The administration of the Rules and Regulations of the Association shall be vested solely in the Executive Committee who shall:

- (a) Decide all questions of laws and other matters relating to the game save those involving an alteration in the Rules of the Association.

9. All applications for membership of the Association shall be submitted to the Executive Committee for confirmation.

10. A bi-monthly report of the activities of the Executive Committee shall be forwarded to each member of the General Council.

(b) The application shall be considered by the League Committee which shall submit a recommendation thereon to the English Table Tennis Association within one month of the application.

(c) In the event of a player not being a member of a League, the application (and all other matters relating thereto) shall be made to the Association, which will refer it for comment to the League to which the applicant last previously belonged, prior to considering the application.

(e) The registration shall be considered to be in force for the currency of the E.T.T.A. year (1st July—30th June) or for a less period. (j) Registered players shall not receive any remuneration other than bare expenses (return fare, hotel accommodation, and reasonable meals) for playing in a competitive event in any circumstances. A competitive event is defined as a representative match or an open tournament, sanctioned by the E.T.T.A.

2. **PRIZES.**—No single prize or reward of more than £3 in value, shall be given or received without the sanction of the E.T.T.A. Prizes up to this amount may be given for Invitation or Open Competition without specific permission, provided the event itself is authorised.

4. **PENALTY.**—Any infringement of these regulations will render the players and/or organisers of events at which players appear liable to suspension for a period to be decided by the Association.

WARNING.—Players who play abroad under auspices affiliated to the International Federation are subject, as far as payment and other matters are concerned, to the regulations of the Association governing the country where they play. In addition to observing the regulations of the E.T.T.A., therefore, every player is advised to ascertain that his Table Tennis activity abroad conforms to the regulations of the governing body of the country concerned. Further, every player is advised to ascertain that the auspices under which he plays are properly affiliated to, and acting in accordance with the decisions of, an Association in membership with the I.T.T.F. Finally, every player is advised not to enter into any contract in this country which may oblige him or her, whether by distribution thereof of goods marked by his or her name or in any other manner, to be the participant in infringement of the regulations of the governing body of any Nation in membership with the I.T.T.F. Disregard of this warning may render a player liable to penalty of another Association, confirmed by the E.T.T.A. at its request.

4. The order of play in a Wilmott Cup match shall be as follows: where the three players on one side are numbered A. B. C., and the three players on the other side are numbered X. Y. Z. :—

10. The draw for each round shall be made separately, and shall be circularised immediately to each surviving entrant.

11. The first of the preliminary rounds shall be played prior to and each succeeding round shall be played with 21 days thereafter.

12. Each league shall be responsible for paying its expenses as Visitor or Home league, but, on the gross receipts of each tie (a) the first charge shall be 75 per cent. of Visitors' expenses, (b) the second charge shall be 25 per cent. of Visitors' expenses and the whole of Home expenses in proportion.

Any profit shall be divided 75 per cent. to the Home League and 25 per cent. to the Visitor League.

18. The account of its expenses, and the gross takings, shall be forwarded by the responsible official of the League concerned to the E.T.T.A. Secretary within one week of the playing of the tie. 20. A league having the right to play a tie at Home (see Rule 10), shall notify the E.T.T.A. Secretary and the Visitor league of its acceptance or non-acceptance of responsibility for the tie at Home, not later than three days (not including Sunday) following circularisation of the draw for that round, on penalty of disqualification for that season. In the event of non-acceptance, the right to play at Home shall then pass to the team originally drawn as Visitor, who shall notify its acceptance of responsibility for the tie at Home to the E.T.T.A. Secretary and the team originally drawn at Home, not later than one week following circulation of the draw for that round. In the event of neither team accepting responsibility for conducting the tie at Home, the tie shall be awarded to the team originally possessing the right to play at Home, on receipt of its claim by the E.T.T.A. Secretary.

To the Manufacturers of Umbro Sportswear.

Dear Sirs,

I have been instructed to inform you that my Committee have appointed you the Sole Official Makers of Table Tennis Sports Shirts as standardised by our Association. You are, therefore, solely entitled to use the Official Clothing Tabs as, of course, no garment is genuine without these.

I may say that all International Teams during the coming season will wear E.T.T.A. Umbro Sports Shirts, and my Association hope that all members throughout the country will support this effort to standardise the designs and colours approved by the E.T.T.A.

Yours faithfully,

W. J. Pope
Hon. General Secretary.

REPORT OF THE EXECUTIVE COMMITTEE FOR THE YEAR ENDED 30th APRIL, 1937

LADIES AND GENTLEMEN,

The Executive Committee have pleasure in presenting the following report on the work which has been undertaken on behalf of the Association since the last Annual Meeting.

1. MEMBERSHIP.—The present membership of the Association is as follows:—

	1936-37	1935-36
Leagues and Associations	158	121
Directly Affiliated Clubs	73	76
Special Affiliations	9	5
Individuals	26	24

There are still a number of Leagues which have not yet affiliated, and we would urge members to do their best to persuade any such Leagues known to them to become attached to the Association.

2. MEETINGS.—The Executive Committee have met on five occasions and the General Council twice. The following members were co-opted to the Committee in accordance with Rule 12 (a): Miss P. Anderton (Manchester), Mrs. D. L. Bunbury (Manchester), Mr. H. M. Bunbury (Manchester), Miss R. Smits (London), Mr. C. Corti Woodcock (London). Mr. A. S. King (Exeter) was elected to the vacancy caused by the resignation of Mr. L. E. Forrest (Liverpool).

3. SELECTION COMMITTEE.—A Selection Committee, consisting of Messrs. Montagu, Woodcock, Swann, Pope and Haydon was appointed at the commencement of the season and they have carried out their exacting duties with great thoroughness. A system of trials for players was again introduced. The country was divided so as to provide six areas, and as a result of games played in these districts 25 players took part in a final trial in London.

4. INTERNATIONAL MATCHES. — The following International Matches have been played during the past year:—

Country.	Result.	Score.
v. Hungary (Bristol) ...	Loss ...	3-6
v. Hungary (London) ...	Loss ...	1-8
v. Hungary (Manchester) ...	Loss ...	9-0
v. Hungary (Blackpool) ...	Loss ...	9-0
v. Hungary (Birmingham) ...	Loss ...	9-0
v. Wales (Men) (Newport) ...	Win ...	7-2
v. U.S.A. (Birmingham) ...	Loss ...	2-7
v. Irish Free State (Liverpool) ...	Win ...	10-1
v. Wales (Women) (Swindon) ...	Win ...	7-2

New International players appearing in these matches were: Miss G. Beazley (Swindon), E. Bubley, E. J. Filby (London), W. Atkinson (Leeds), L. Cohen (Manchester), C. Dawes (Bristol), and P. U. Rumjahn (Liverpool).

5. WORLD CHAMPIONSHIPS. — A men's team and a women's team journeyed to Baden for the Swaythling and Corbillon Cup Competitions and the World Singles and Doubles Championships. In the Swaythling Cup we gained 7th place out of 13, and in the Corbillon Cup we were placed 5th out of 9. Miss Osborne and Miss Woodhead reached the Final of the Women's Doubles and the Executive Committee has extended to these players their congratulations on this well-merited achievement. Mrs. Hutchings reached the Quarter-finals in the Singles.

Teams: Men—A. A. Haydon (Captain), M. B. W. Bergl, K. Hyde, A. G. Millar, S. Proffitt. Women—Miss M. Osborne (Captain), Miss D. Jordan, Miss C. Wheaton, Miss W. Woodhead.

6. NATIONAL OPEN CHAMPIONSHIPS. — The National Open Championships were again organised on a large scale. The preliminary rounds were held at Paddington Baths, and the

finals at the Wembley Stadium. The results of the Championships were as follows:—

Men's Singles ...	V. Barna.
Men's Doubles ...	Schiff and Berenbaum.
Women's Singles ...	Miss R. Aarons.
Women's Doubles ...	Miss M. Osborne and Miss W. Woodhead.
Mixed Doubles ...	Miss R. Aarons and Blattner.
Veterans ...	A. Melnick.
Junior ...	K. Stanley.

7. OPEN TOURNAMENTS. — Thirty-six Open Tournaments were sanctioned by the Committee. Owing to the large number of Tournaments taking place a great deal of difficulty arises in fixing dates so as to avoid clashing. The tendency on the part of Tournament Committees to arrange their events in the latter part of the season causes some of this confusion, and it is felt that if an attempt were made to arrange more events in October, November or December it would greatly ease the situation.

8. NATIONAL LEAGUE. — A Sub-Committee consisting of Messrs. Swann, Goldstein, Batty and Rowlandson was appointed to operate a National League.

The Empress Stadium offered to present to the Association a trophy for National competition, and it was decided by the Committee to award it to the champions of the League. The report of this Committee will be dealt with in the recommendation which is being made to hold a Summer Conference.

9. FOREIGN PLAYERS' TOURS. — Two very successful tours of foreign players were arranged. The players taking part were Barna, Bellak, Kelen, Liebster and Szabados, and they visited no less than 50 centres, and it is estimated they played before 50,000 spectators.

10. PAID PLAYERS.—The paid player has received the attention of the Committee, and regulations governing their activities have been drawn up and published. Up to the present 22 players have registered.

11. WOMEN'S DRESS.—Inquiries have been made with regard to Women's Dress, and it was decided to recommend Tournament Committee to insist that the following regulation should be included in their entry forms: Shoes—Rubber soled, any colour. Skirt, shorts or trousers—Grey colour. Sports shirt or blouse—Single colour, not too light or bright. Cardigan—If worn in play it must be of the same colour as the sports shirt.

A resolution will be submitted to the Annual Meeting to cover this regulation in the rules.

12. WILMOTT CUP COMPETITION.—Thirty-six entries were received for the Wilmott Cup Competition. The semi-finals and final are due to be played on the 1st May, 1937.

13. TRAINING OF PLAYERS.—At the beginning of the season Messrs. P. Bromfield and A. A. Haydon were appointed as official coaches to the Association. A circular was sent out offering their services to the Leagues, and offering details to any Leagues interested and the Executive Committee express their regret that more advantage was not taken of the facilities placed at their disposal.

14. SUSPENSION OF PLAYERS.—During the season it has been necessary to suspend the following players: Miss Ruth Aarons and Mr. M. Glickman, Messrs. Steer, Waite, Newman, Joyce and Lisle.

The resolutions passed by the Executive Committee will explain the charges made against Miss Aarons and Mr. Glickman:—

Miss Ruth Aarons—"The Executive Committee of the E.T.T.A. has examined the case of exhibitions given in this country for remuneration and on unaffiliated premises by

Miss Ruth Aarons, subsequently to permission for these exhibitions having been refused. The Executive Committee accepts the statement and notes the fact, not in dispute, that a contract for these exhibitions was entered into by Miss Aarons in good faith and in ignorance of the fact that the prior permission of the E.T.T.A. should have been obtained; it accepts her assurance that, subsequent to refusal of permission for these exhibitions she endeavoured, unsuccessfully, to secure release from the pertinent contract. At the same time it is obliged to note that it is the duty of players, whether resident or visiting, to make themselves familiar with the regulations governing their activity and it suspends Miss Ruth Aarons from all participation in Table Tennis from 20th April to 30th June, 1937. This decision will be communicated to all nations affiliated to the I.T.T.F."

Mr. Glickmann—"The Executive Committee of the E.T.T.A. has, at the same time examined the case of similar exhibitions given in this country by Mr. Glickmann, without permission having previously been requested. The Executive Committee accepts his statement that a contract for the Exhibitions was entered into in good faith and without the knowledge that any procedure which might be necessary in respect to permission, had not been carried out in order. For the same reason as that noted in the ancillary case of Miss Aarons, it suspends Mr. Glickmann from all participation in Table Tennis from 20th April to 30th June, 1937. This decision will be communicated to all nations affiliated to the I.T.T.F."

Mr. Steer was suspended for playing at a dance hall in an unaffiliated premises for remuneration without permission, and Messrs. Newman, Joyce and Lisle were suspended for not paying their registration fees as paid players. Mr. McGregor, the ex-Secretary of the Bristol League, has been suspended at the request of the League for financial reasons.

15. COUNTY CHAMPIONSHIP.—The Yorkshire Association applied for permission to organise a County Championship and this has been granted.

16. "CHISELLING."—The Committee has been very concerned with the type of play which has become known as

"chiselling," and, after consideration, it was decided that at any closed tournament or any open tournament the championship committee shall be authorised in extreme cases to disqualify any player guilty of deliberate unenterprising defensive play. In the event of a tournament adopting such a policy an indication of the regulation is to be given on the entry form.

17. BRITISH SPORTS AND GAMES ASSOCIATION.—The Association has been represented on the British Sports and Games Association by Mr. C. Corti Woodcock, and a donation of £10 has been made to King George's Jubilee Trust Fund.

18. CENTRAL ADMINISTRATION.—Your Committee has given very careful consideration to the general development of the administrative side of the game and at their meeting in July last they appointed Mr. L. E. Forrest as a full-time Assistant Secretary. The Committee desire to place on record their keen appreciation of the loyal and efficient service that Mr. Forrest is rendering to the Association. Mrs. M. A. Carrington, as a volunteer, has been of great assistance in the office and the committee very much appreciate her services.

19. FINANCE.—The accounts for the year ended the 30th June, 1936, revealed a surplus of £369 16s. 4d., which was disposed of by transferring £250 to the World Championships (1935) Account and paying off a deficiency of £43 4s. 9d. from the previous year.

A receipts and payments account for the period ended 21st April, 1937, will be submitted by the Hon. Treasurer.

20. OFFICIAL HANDBOOK.—The Official Handbook was again published. The general growth in the game makes the production of the Handbook increasingly difficult, and serious consideration will have to be given to the possibility of revising the present form so as to enable it to be published earlier in the season.

21. MAGAZINE "TABLE TENNIS."—"Table Tennis" has had eight issues during the past year. The circulation figure is over 3,000, and it is hoped by the end of the current financial year that a profit of £50 will have been made on this account.

The Committee desire to thank Mr. W. C. Charlton, Miss R. Smits, Misses G. and B. Capper for the work they have done in connection with the publication.

22. WORLD CHAMPIONSHIPS, 1938. An unofficial intimation has been given to the Committee that the World Championships will be held in London in 1938. Your Committee has appointed a sub-committee to commence the preliminary work.

23. COMMITTEE ATTENDANCES.—The Committee attendances of members of the Executive Committee have been as follows:—

ADDENDUM.

The Executive Committee feel that no report of the activities of the Association during the past year would be complete without reference to the unremitting and capable work performed by Mr. W. J. Pope as Hon. General Secretary. It is no exaggeration to say that the volume of work he performs in the interests of all Table Tennis players is enormous. It could only be done by one animated by the finest possible spirit of unselfishness, and the Association are fortunate in securing the services of such an Hon. General Secretary on whom the brunt of the work falls.

I. G. S. MONTAGU, Chairman.

A. K. VINT, Treasurer.

THE LAWS OF TABLE TENNIS.

(As adopted by the International Table Tennis Federation.)

Singles.

1. The Table.—The table shall be in surface rectangular, 9ft. in length, 5ft. in width; it shall be supported in such a way that its upper surface shall be 2ft. 6ins. above the floor, and shall lie in a horizontal plane.

It shall be made of any material and shall yield a uniform bounce of not less than 8ins. and not more than 9ins. when a standard ball is dropped from a height of 12ins. above its surface.

The upper surface of the table shall be termed the "playing surface"; it shall be non-reflecting, of a dark colour with a white line $\frac{1}{2}$ in. broad along each edge.

The lines at the 5ft. edges or ends of the playing surface shall be termed "end lines." The lines at the 9ft. edges or sides of the playing surface shall be termed "side lines."

2. The Net and its Supports.—The playing surface shall be divided into two courts of equal size by a net running parallel to the end lines and 4ft. 6ins. from each. The net shall be 6ft. in length; its upper part along its whole length shall be 6 $\frac{1}{2}$ ins. above the playing surface; its lower part along the whole length shall be close to the playing surface. The net shall be attached at each end to an upright post 6 $\frac{1}{2}$ ins. high; the outside limits of each post shall be 6ins. outside the side line on the same side.

3. The Ball.—The ball shall be spherical. It shall be made of celluloid, pale in colour; it shall not be less than 4 $\frac{1}{2}$ ins. nor more than 4 $\frac{3}{4}$ ins. in circumference; it shall not be less than 37 grains (2.40 grammes) nor more than 39 grains (2.53 grammes) in weight.

4. The Racket.—The racket may be any material, size, shape, or weight.

5. The Scoring of Points.—A game shall be won by the player who first wins 21 points, unless both players shall have scored 20 points, when the winner of the game shall be he who first wins two points more than his opponent.

6. The Choice of Ends and Service.—The choice of ends and the right to be server or striker-out in every match shall be decided by toss, provided that, if the winner of the toss chose the right to be server or striker-out, the other player shall have the choice of ends, and vice versa, and provided that the winner of the toss may, if he prefer it, require the other player to make the first choice.

7. The Change of Ends and Service.—After five points the striker-out shall become the server, and the server the striker-out, and so on after each five points until the end of the game or the score 20 all. At the score 20 all the striker-out shall become the server, and the server the striker-out, and so on after each point until the end of the game. The player who served first in a game shall be striker-out first in the immediately subsequent game, and so on until the end of a match.

The player who started at one end in a game shall start at the other in the immediately subsequent game, and so on until the end of the match. Where the match consists of only one game, or, where it consists of more than one game, in the deciding game of the match, the players shall change ends at the score 10.

8. Out of Order of Ends or Service.—If a player serve out of his turn, the player who ought to have served shall serve as soon as the mistake is discovered, unless a group of five

services shall have been completed before such discovery. when the service in the subsequent groups of services shall continue, in the same order, as if the sequence had not been discontinuous. In any circumstances, all points scored before the discovery shall be reckoned.

If the players shall not have changed ends when ends should have been changed, the players shall change ends as soon as the mistake is discovered, unless a game shall have been completed since the error, when the error shall be ignored. In any circumstances, all points scored before the discovery shall be reckoned.

9. The Order of Play.—The server shall first make a good service, the striker-out shall then make a good return and thereafter server and striker-out shall each alternately make a good return.

10. A Good Service.—The service shall be delivered by the server projecting or dropping the ball by hand only, without deliberate deformation of the surface, into the air. The ball shall then be struck so that it touch first the server's court and then, passing directly over or round the net, touch the striker-out's court.

At the moment of the impact of the racket on the ball in service, both shall be behind the end line of the server's court and between an imaginary continuation of the side lines.

11. A Good Return.—A ball having been served or returned in play shall be struck by the player so that it pass directly over the net or round the net and touch directly the opponent's court; provided that, if the ball, having been served or returned in play, returns with its own impetus over the net or round the net, it may be struck, while still in play, by the player so that it touch directly the opponent's court.

12. A Let.—The rest is a let :

(a) If the ball served in passing over the net touch it or its supports, provided the service either be otherwise good or be volleyed by the striker-out.

(b) If a service be delivered when the striker-out is not ready, provided, always, that he may not be deemed to be unready if he attempts to strike at the ball.

(c) If either player be prevented by an accident, not under his control, from serving a good service or making a good return.

(d) If either player lose the point, as provided in Law 13 (c), (d), (e), or Law 14, owing to an accident not within his control.

13. A Point.—Either player shall lose a point :

(a) If he fail to make a good service except as provided in Law 12.

(b) If a good service or a good return having been made by his opponent, he fail to make a good return, except as provided in Law 12.

(c) If he, or his racket, or anything that he wears or carries, touch the net or its supports while the ball is in play.

(d) If he, or his racket, or anything that he wears or carries, move the playing surface while the ball is in play.

(e) If his free hand touch the playing surface while the ball is in play.

14. A Point.—Either player shall lose the point :

(a) If before the ball in play shall have passed over the end lines or side lines not yet having touched the playing surface on his side of the table since being struck by his opponent, it come in contact with him or anything that he wears or carries.

(b) If at any time he volley the ball, except as provided in Law 12 (a).

15. In Play.—The ball is in play from the moment at which it is projected or dropped from the hand in service until :

- (a) It has touched one court twice consecutively.
- (b) It has, except in service, touched each court alternately without having been struck by the racket intermediately.
- (c) It has been struck by either player more than once consecutively.
- (d) It has touched either player or anything that he wears or carries, except his racket or his racket hand below the wrist.
- (e) On the volley it come in contact with the racket or the racket hand below the wrist.
- (f) It has touched any object other than the net supports or those referred to above.

16. Further Definitions.—The period during which the ball is in play shall be termed a rest.

A rest the result of which is scored shall be termed a point.

A rest the result of which is not scored shall be termed a let.

The player who first strikes the ball during a rest shall be termed the server.

The player who next strikes the ball during a rest shall be termed the striker-out.

If the ball, in passing over the net, or round the net, touch it or its supports, it shall, nevertheless, be considered to have passed directly, except as referred to in Law 12 (a).

If the ball in play come in contact with the racket or racket hand, not yet having touched the playing surface on one side of the net since last being struck on the other side, it shall be said to have been volleyed.

The racket hand is the hand carrying the racket ; the free open hand is the hand not carrying the racket.

Doubles.

17.—The above laws shall apply in the Doubles Game except as below.

18. The Table.—The surface of the table shall be divided into two parts by a white line $\frac{1}{2}$ in. broad, running parallel with the side lines and distant from each of them 2 ft. 5 $\frac{1}{2}$ in. This line shall be termed the service-line. The part of the table surface on the nearer side of the net and the right of the service-line in respect to the server, shall be called the server's right half-court, that on the left in respect to him the server's left half-court. The part of the table surface on the farther side of the net, and the left of the service-line in respect to the server, shall be called the striker-out's right half-court, that on the right in respect to the server the striker-out's left half-court.

19. A Good Service.—The service shall be delivered as otherwise provided in Law 10, and so that it touch first the server's right half-court or the centre line on his side of the net, and then, passing directly over or round the net, touch the striker-out's right half-court or the centre line on his side of the net.

20. The Choice of Order of Play.—The pair who have the right to serve the first five services in any game shall decide which partner shall do so, and the opposing pair shall then decide similarly which shall first be striker-out.

21. The Order of Service.—The first five services shall be delivered by the selected partner of the pair who have the right to do so, and shall be received by the selected partner of the opposing pair. The second five services shall be

delivered by the striker-out of the first five services and received by the partner of the server of the first five services. The third five services shall be delivered by the partner of the server of the first five services and received by the partner of the striker-out of the first five services. The fourth five services shall be delivered by the partner of the striker-out of the first five services and received by the server of the first five services. The fifth five services shall be delivered as the first five services. And so on, in sequence, until the end of the game or the score 20 all, when the sequence of serving and striking-out shall be uninterrupted, but each player shall serve only one service in turn until the end of the game.

In a one game match, or the deciding game of the match of more than one game, the pair that served the first five services has the right to alter their order of striking out or that of their opponents at the score 10.

22. Out of Order of Striking-out.—If a player act as striker-out out of his turn, the player who ought to have acted as striker-out shall be striker-out as soon as the mistake is discovered, unless a group of five services shall have been completed before such discovery, when the order of striking-out shall continue in the subsequent groups of services as if the sequence had not been discontinuous. In any circumstances, all points scored before the discovery shall be reckoned.

23. The Order of Play.—The server shall first make a good service, the striker-out shall then make a good return, the partner of the server shall then make a good return, the partner of the striker-out shall then make a good return, the server shall then make a good return, and thereafter each player alternately in that sequence shall make a good return.

APPENDIX TO LAWS. KNOTTY POINTS.

Decisions of the Rules Committee of the International Table Tennis Federation.

1. Edge Balls.—The phrase, "Table Surface" is to be interpreted as including the top edges and corners of the table-top, and a ball in play which strikes these latter is therefore good and still in play; though if it strikes evidently the side of the table-top below the edge, it becomes dead and counts against the last striker.

2. Ball Returned with Empty Hand.—If a player drop his racket, he cannot return the ball with empty hand. (See definition, "the racket hand is the hand carrying the racket.")

3. Racket Thrown at Ball.—If in returning the ball the racket leave the player's hand, it is a good return only if it were still in his hand at the moment of contact with the ball (see Law 11, "a ball . . . shall be struck"), and if it do not touch the net or move the table surface (Law 13 c, d) before the ball is out of play.

4. Finger-spin in Service.

(a) Finger-spin *may* be imparted to the ball in service by projecting it by hand into the air and then striking it (Law 10); it *may not* be imparted by holding the ball and rubbing the racket surface against it before it leaves the hand (Law 10, and double-hit, Law 15 c).

(b) No artificial aid must be worn on the fingers to increase finger-spin; a rubber thumb-stall or finger-stall violates Law 10 "projecting or dropping the ball by hand only," since more than the hand is used. (The umpire should however, of course use discretion respecting a merely technical violation caused by a stall or glove worn through injury, and not employed to increase service-spin).

(c) Distinction should be made between that measure of deformation physically inseparable from striking or pressing a resilient object, and a deliberate deformation executed to alter the shape of the surface to secure improved grip. The latter may invariably be distinguished by a sharp click of celluloid, audible as the surface resumes convexity on leaving the hand, and in no way resembling the finger snap sound of legitimate finger spin.

5. Missed Service.—If a player in attempting to serve miss the ball altogether, it is a lost point (Laws 10 and 15) because the ball was in play from the moment it left the server's hand, and a good service has not been made of the ball already in play.

6. Volleyed Net Service.—A net service is a let not only if otherwise good but also if it be volleyed by the striker-out. (See Laws 12 (a) and 14 (b).)

7. Ball Fractured in Play.—If the ball split or become otherwise fractured in play, *affecting a player's return*, the rest is a let (Law 12 c). It is the umpire's duty to stop play, recording a let, when he has reason to believe that the ball in play is fractured or imperfect; and to decide those cases in which the faulty ball is clearly fractured in actually going out of play, and in no way handicaps the player's return, when the point should be scored. In all cases of doubt, however, he should declare a let.

8. Fixtures.—A moving spectator, a neighbouring player, a sudden noise, i.e., any neighbouring object *in movement* (except a partner) should be regarded as an accident not under control (Law 12 c), interference from which implies a let. A stationary spectator, fixed seating, the umpire, the light, a nearby table, a continuous sound of even volume, i.e., any *relatively constant or motionless* hazard, should not be so regarded, and complaint against interference from it during play should be regarded as void.

PROVISIONAL AMENDMENTS FOR 1937/38 SEASON.

Law 2.—Delete "6½" in line 6 and substitute "6." After "upright post" in line 10 insert "6" or".

Law 10.—Delete "projecting or" in line 2 and substitute "releasing." Delete "deliberate deformation of the surface into the air" lines 3 and 4 and substitute "without imparting spin."

"Knotty Point" 4.—Delete all words after the title and substitute "Any form of spin in service imparted by any agency but the racket is prohibited. Umpires are instructed in any case of doubt in each match to warn the server in the first instance, declaring a "let," and in every subsequent case of doubt to give the decision against the server."
