HISTORY.

Following upon the great popularity of the original Ping-Pong in the early part of the present century, the Ping-Pong Association was formed in 1902, to organise championships and tournaments, chiefly in London. The "boom" year was 1904 but it was only a temporary craze, as, although the P.P.A. was still in existence in 1905, it appears to have collapsed during that season. Whilst the game seems to have died out in the home counties, it was apparently still being played in the provinces but without any governing body.

In 1921-22, the P.P.A. was resuscitated by Messrs. P. Bromfield and J. J. Payne, who were joined by Hon. Ivor Montagu, Mr. J. M. Rose and Mr. A. F. Carris. The National Championships were run that season, and entries received from all parts of the country. Difficulties soon arose, however, not only in regard to the title, when it was discovered that Ping-Pong was a registered trade name, but also through the Association being unrepresentative of the provincial centres. The old Ping-Pong Association therefore dissolved and re-formed under the title of "The Table Tennis Association." The new body was hampered by difficulties, and as their energies were devoted to formulating standard rules, popularising the game, etc., no attempt to form a democratic governing body could be made.

At the Annual Meeting in 1925, an emergency committee, with Mr. Montagu as President, and Mr. W. J. Pope as Secretary, were authorised to redraft the constitution. In 1926, revised regulations were circularised in the provinces and a National Delegate Conference was held in London, on April 24th, 1927. The new constitution, which confirmed the provisional appointments, and provided for the new title, "The English Table Tennis Association," was adopted.

The first Chairman and Secretary were, of course, Mr. Montagu and Mr. Pope, respectively. They stayed in office for some years, and were together primarily responsible for establishing the new national body on sound foundations. They worked prodigiously hard until Mr. H. M. Bunbury, of Manchester, assumed the Chairmanship in 1929, Mr. Montagu being appointed President. Mr. D. W. Poupard became Secretary one year later, after Mr. B. L. Hookins, of Pontefract, had had a brief term. Mr. H. Oldroyd, also of Manchester, was elected President in 1931, and still retains very worthily the dignity of his office. Mr. Montagu returned to the chair in 1932, with Mr. G. W. Decker as Secretary; these two being succeeded in September, 1933, by Mr. C. Corti Woodcock, of London, and Mr. J. Siddron, of Manchester, respectively. The last-mentioned appointments were renewed in April, 1934, together with that of Mr. A. K. Vint, of Hastings, Hon Treasurer since 1931. In April, 1935, Mr. Woodcock and Mr. Vint were re-elected and Mr. W. J. Pope displaced Mr. J. Siddron as Secretary, and in 1936 Mr. Woodcock resigned and was replaced by Mr. Montagu. Interesting names appearing on the list of Vice-Presidents include Messrs. Bunbury, Bromfield and Perry (father of our ex-world champion, Fred J. Perry). In the last groups recently elected, were further valuable additions in the persons of the Dowager Lady Swaythling, Mr. A. F. Carris and Mr. P. E. Warden.

The progress of the E.T.T.A. dating from the inaugural congress has been very rapid as the following figures reveal. 1927-28, 19 Leagues; 1928-29, 21; 1929-30, 23; 1930-31, 32; 1931-32, 38; 1932-33, 52; 1933-34, 71. In the season 1934-35, we jumped to 99 Leagues, 1,654 Clubs, and approximately 30,000 individual registered members, and in 1936, 121

League Clubs with approximately 40,000 members. Of the 22 National Table Tennis Associations comprising the International Federation, ours is by far the largest, as indeed it is also the biggest of all indoor sports organisations in this country at the present time. The game is now part and parcel of the life, interest and exercise of English men and women of all ages.

In 1935, after an interval of eight years, the World Championships Congress returned to England. The E.T.T.A. was faced not only with a gigantic task, but with a vital responsibility to the visiting foreigners, the players and the public. The result is now history, and the great crowds which thronged the London University and Imperial Institute and the huge assembly of over 8,000 people which packed the Empire Pool & Sports Arena, Wembley, proved that the game had won its place in public favour as a thrilling spectacle.

In 1936, the Empress Stadium at Earl's Court housed a crowd of 7,000 people for the Finals of our National Championships and in February, 1937, the Empire Pool and Sports Arena was again filled. The fact that during that season there was an increased affiliation of 52 Leagues, with approximately 500 Clubs shows that the appeal is permanent and progressive and Season 1937-38 witnessed the affiliation of another 48 Leagues, to bring the total to 206 Leagues with approximately 80,000 members. Once again the World Championships came to London and the preliminaries packed the Albert Hall every night. Excursions from all over England made up another great 9,000 attendance on Finals night at the Wembley Arena, and the E.T.T.A. set up the highest standard for organisation and conditions. Prospects of development are just as bright for this season.

19. Provided that if the Committee exercise its power, as set out in Regulation 9b, to order ... of the last four ties to be played upon a neutral table, the E.T.T.A. shall be responsible for the whole of Visitors' Expenses and Home Expenses as defined in Regulation 18 above, and shall take the whole profits, less ten per cent. to each of the competing leagues.

In the event of non-acceptance, the right to play at Home shall then pass to the team originally drawn as Visitor, who shall notify its acceptance of responsibility for the tie at Home to the E.T.T.A. Secretary and the team originally drawn at Home, not later than one week following circulation of the draw for that round. In the event of neither team accepting responsibility for conducting the tie at Home, the tie shall be awarded to the team originally possessing the right to play at Home, on receipt of its claim by the E.T.T.A. Secretary.

These dates may be altered thereafter only at request of all captains concerned in the tie to be altered and by consent of the sub-committee.

REPORT OF THE EXECUTIVE COMMITTEE FOR THE YEAR ENDED 30th APRIL, 1938

Submitted at the Annual General Meeting of the Association held at the Friends' Meeting House, London, on Saturday, 30th April, 1938.

LADIES AND GENTLEMEN,

The Executive Committee have pleasure in presenting the following report on the work which has been undertaken on behalf of the Association since the last Annual General Meeting:—

1. MEMBERSHIP.—The present membership of the Association is as follows:—

	1937-38	1936-37
Leagues and Associations	... 206	... 158
Directly Affiliated Clubs	... 60	... 73
Special Affiliations	... 9	... 9
Individuals	... 26	... 26

2. MEETINGS.—The Executive Committee have met on six occasions and the General Council, once. The following members were co-opted to the Committee in accordance with Rule 12 (a):—

Mrs. D. L. BUNBURY (Manchester).
Miss R. SMITS (London).
Mr. L. BENNETT (Grimsby).

It is with regret that we record the death of Mr. J. W. Swann of Manchester on the 11th February, 1938. Mr. Swann who was an old and valued friend of the Association joined the Executive Committee on the formation of the Manchester League in 1927. We have lost a loyal colleague and fine worker.

3. SELECTION COMMITTEE.—A Selection Committee consisting of Messrs. Montagu, Pope, Hills, Emdin, Goldstein, Foulis and P. Bromfield was appointed at the commencement of the season.

In an endeavour to obtain the best players in the country for the Swaythling and Corbillon Cup teams, trials were held

for men and women. The country was divided into five areas and as a result of games played in these districts, final trials were held in London.

G. V. Barna offered his services to the Association to coach a number of players provided his expenses were met. The Committee accepted this generous offer and there is no doubt the training given by Barna has proved the importance of our players receiving a course of physical training.

4. INTERNATIONAL MATCHES. — The following International matches were played during the past year:—

Country.	Result.	Score.
v. France (Le Touquet) ...	Loss ...	3-4
v. Wales (London) ...	Win ...	8-1
v. Ireland (Dublin) ...	Win ...	9-0
v. Wales (Women—Cardiff) ...	Win ...	8-4

5. WORLD CHAMPIONSHIPS.—The World Championships were held in London from the 24th to the 31st January, 1938. The Swaythling and Corbillon Cup matches and the preliminary rounds of the Individual events were played at the Royal Albert Hall and the Finals at the Empire Pool and Sports Arena at Wembley.

A special committee was appointed to undertake the task of organising the Championships and without question the gigantic success of the event was due largely to the excellent work carried out by this committee.

A men's team and a women's team were entered by the Association for the Swaythling and Corbillon Cup Competitions. In the Swaythling Cup the men's team were concerned in a triple tie in Group 1 but in the play-off they were defeated by Austria and the U.S.A. The women's team were placed second out of ten teams in the Corbillon Cup Competition.

The Executive wishes to place on record their congratulations to Miss W. Woodhead on the occasion of becoming the first English Woman player to win, in partnership, a World title.

Teams: Men—Hon. Ivor Montagu (non-playing Captain), M. B. W. Bergl, E. Buble, E. J. Filby, J. K. Hyde, H. Lurie. Women—Mrs. D. L. Bunbury (non-playing Captain), Miss D. M. Emdin, Miss P. Hodgkinson, Miss D. Jordan, Miss M. Osborne.

6. NATIONAL OPEN CHAMPIONSHIPS.—The National Open Championships were held at Blackpool on the 3rd, 4th and 5th February, 1938. The preliminary rounds were held at the Tower Ballroom and the finals played at the Tower Circus. The results of the Championships were as follows:—

Men's Singles ...	G. V. Barna.
Men's Doubles ...	G. V. Barna and L. Bellak.
Women's Singles ...	Miss D. Beregi.
Women's Doubles ...	Miss M. Osborne and Miss W. Woodhead.
Mixed Doubles ...	G. V. Barna and Miss M. Osborne.
Junior ...	K. Stanley.
Veteran ...	H. Knibbs.

The Executive wishes to thank Mr. E. Worsley and his helpers for the very fine way in which the National Championships were organised.

7. OPEN TOURNAMENTS.—Thirty-seven Open Tournaments were sanctioned by the Committee. The question of allocating Tournaments as between Major and Minor events was considered but owing to a better system of allocating dates being introduced this season, it was decided not to proceed with the proposal.

8. WILMOTT CUP COMPETITION.—Forty-nine entries were received for the Wilmott Cup Competition. The semi-finals and the final were played at Liverpool on the 9th April, 1938.

Manchester, who beat Liverpool in the final were presented with the Cup by Mr. A. J. Wilmott.

9. FOREIGN PLAYERS' TOUR.—A tour of Foreign players was arranged immediately following the National Championships. The players taking part were Barna, Bellak, Bergmann

Liebster and Vana and they visited 36 centres. It is estimated they played before 50,000 spectators. The Committee wish to place on record their appreciation of the sporting way in which the players have undertaken the tour. For nearly three months they have travelled up and down the country with hardly a break and it is to these players we owe a debt of gratitude for giving the centres the opportunity to witness the best players in the world.

10. PATRON OF THE ASSOCIATION.—The Committee record with great pleasure that during the year H.M. The King graciously consented to be the Patron of the Association.

11. REGISTERED PLAYERS.—As a result of an instruction at the last Annual General Meeting the Committee appointed a sub-Committee to consider the regulations governing the registered player. The regulations were revised and in future Leagues will recommend players for registration. Seventeen players have registered this season.

12. MAGAZINE "TABLE TENNIS."—The Magazine has had eight issues during the year. The Committee approved the publication of a full-sized Magazine with a suitable cover and as a result the circulation has increased from 3,000 to an average of 9,000 per month.

The Committee desire to express their thanks to Mr. Murphy, Mr. J. Conolly, Mr. W. C. Charlton, Miss R. Smits, Miss G. Capper and Miss B. Capper for the splendid work they have done in connection with the publication.

13. CENTRAL ADMINISTRATION.—Your Committee has given constant attention to the general development of the administrative side of the game and during the course of the year they have periodically engaged additional clerical assistance to cope with the extra pressure which is inevitable at certain periods of the season.

The Committee regret to report that Mr. L. E. Forrest has resigned his position as Assistant Secretary. Mr. Forrest who has obtained another appointment has served the Association faithfully during the past two years, and it is desired to

place on record keen appreciation of his service. Mrs. M. A. Carrington has also rendered loyal and efficient service to the Association and the Committee express their grateful thanks for her assistance.

14. FINANCE.—The Accounts for the year ended the 30th June, 1937, revealed a surplus of £101 15s. 8d. A sum of £30 9s. 4d. was transferred to the World Championship (1935) Loan Account.

A Receipts and Payments account for the period ended 25th April, 1938, will be submitted at the Annual General Meeting.

15. OFFICIAL HANDBOOK.—The Official Handbook was again published. The Committee have been concerned at the late production of the Handbook which is caused by the vast amount of detail supplied by the Leagues not being available until the season has commenced. As an indication of the general growth of the Handbook the following information is of interest:—

Year.	Number of Pages.	Net cost.	Number of Leagues.
1934	128	£ 25	71
1935	174	£ 49	99
1936	213	£ 64	121
1937	282	£134	158
1938	334	£182	206

16. CONFERENCES.—The Committee arranged that Conferences should be held in various parts of the country to enable the Leagues to meet the Officers of the Association. These meetings were held in Manchester, Lincoln, Exeter and London. Matters relating to the Magazine, Handbook, National League, Open Tournaments, County Associations, World Championships and many other administrative matters were discussed and it is felt that these conferences were of inestimable value not only to the Officers but to the Leagues and their Officials.

18. OFFICIAL SHIRT.—After very careful enquiry the Committee approved a shirt for men and women manufactured by Messrs. Humphreys Bros. Ltd., of Manchester. An official clothing tab is placed on each shirt indicating the Association's approval and in recognition of this arrangement a rebate of 10% on all sales is made to the Association.

19. **PHYSICAL FITNESS.**—In connection with the Government's Physical Fitness campaign the Committee have offered to co-operate with the National Advisory Committee for Physical Fitness and they have also affiliated to the Central Council for Recreative Physical Training.

On behalf of the Committee,
 IVOR MONTAGU, Chairman.
 W. J. POPE, Hon. General Secretary.

HON. GENERAL SECRETARY.—The Executive Committee wish to place on record their continued appreciation of the excellent work performed by Mr. W. J. Pope as Hon. General Secretary. His work of self-sacrifice in connection with the game is well known and it is beyond words to express the gratitude of all concerned for this labour of love. Mr. Pope has an inspiring personality and the tremendous success of the past year's work is due to his constant drive and energy.

To the Manufacturers of Umbro Sportswear.

Dear Sirs,

I have been instructed to inform you that my Committee have appointed you the Sole Official Makers of Table Tennis Sports Shirts as standardised by our Association. You are, therefore, solely entitled to use the Official Clothing Tabs as, of course, no garment is genuine without these.

I may say that all International Teams during the coming season will wear E.T.T.A. Umbro Sports Shirts, and my Association hope that all members throughout the country will support this effort to standardise the designs and colours approved by the E.T.T.A.

Yours faithfully,

Hon. General Secretary.

RESURFACING TABLE TENNIS TABLES

BY

J. M. J A Q U E S .

After some years of activity T.T. Secretaries are often faced with a minor problem in regard to the Club Table. If, as most Clubs are now doing, a good table was originally purchased, the problem is how to recondition it, rather than the purchase of a new table, but in the case of clubs who originally tried to save money by purchasing a "cheap" table, the only real solution to their problem is to buy a really good one, manufactured by a firm with a reputation to maintain.

Most good tables can be reconditioned, and provided the playing surfaces or the under-carriages are not too badly knocked about, this is worth doing, the change varying from £2 to £3 according to the work involved.

Club Secretaries possessing amateur painters among their members want to be very chary of accepting offers of assistance. The suggestion, "You get the paint and we'll put it on ourselves," sounds very attractive, and helpful, but the result will probably not meet with the same degree of satisfaction from the more enthusiastic playing members of the Club.

All modern surfaces of T.T. Tables are attained through the application of many coats of cellulose paint, "fillers," "boders," "matters," etc., all spread over the wood surface by means of compressed air spray guns, so that the paint almost "drifts" on to the table.

It is quite impossible to obtain the same result with ordinary brush work, as cellulose paint dries almost as soon as it is put on the table and there is no time to "work" it as with ordinary oil paint.

I strongly recommend those clubs who are within easy access of London to arrange for their tables to be returned to one of the manufacturers who make a speciality of resurfacing tables, so that they are assured of a satisfactory result.

With Provincial clubs the position is more difficult as the amount of rail carriage incurred in returning the table to London makes the cost prohibitive. In these cases, the Secretary would be well advised to get in touch with coach builders, shop fitters or other firms who are likely to have a cellulose spray plant available. Approached in the right way no doubt a firm could be found who would be willing to undertake the work. Although the result will probably not be as good as if the table had been returned to the manufacturers, it certainly should be considerably better than it was, and be fit for a few more seasons.

When a table is returned to the makers the surface is entirely scraped down to the white wood, which is then treated exactly as a new table, thus naturally producing a much finer surface than by just rubbing down with sandpaper, but scraping is a highly technical job, which I do not recommend anyone to tackle unless they have really expert knowledge.

SUGGESTIONS FOR CLUB ACTIVITIES

BY

LESLIE BENNETT.

1. CLUB LADDERS.—The game of table tennis would certainly benefit considerably if club-ladders were to be introduced into more clubs than before, for the competition created makes members very keen to improve their play. Below are some hints for the guidance of those officials who may be instituting such a competition at their club.

Entrance fees need not be charged and the club secretary can be made the official responsible for the administration and settlement of any queries. The names of the entrants are written out on cards which are pinned, hooked or slotted in order down a long board, with the weakest competitor at the top and the strongest at the foot. If the ladies play with the men, then they should start on top but it may be found better to have separate ladders.

Any competitor may be challenged for his or her place by either of the two immediately below. The challenge cannot be declined without a valid excuse and must be played at the first opportunity, umpire optional. The rubber should be to the best of three or five rubbers, though where time restricts it to two games, the challenger must win both to supplant the other. A player may issue not more than one challenge at a time nor having accepted a challenge, take on another before the first match is decided. If two challenges are made at the same time against the same member, that of the person senior on the ladder will be the only one acceptable.

When a challenge rubber has been completed, the name of the winner will be placed above that of the loser. If the

challenger has issued a challenge to a player two places above and won, then the two names will be interchanged, and the name of the member in between them will remain untouched. A loser can be restricted from challenging again that day or that week or he may be allowed a maximum of two or three per day. Permanent individual handicaps can be fixed or the person take an automatic handicap according to the position on the ladder he or she occupies.

It should always be borne in mind that the scheme of a club-ladder is a means of intensifying practice and particularly of cultivating the stern will to win. It is not the best medium for practising particular strokes nor should any ladder matches be given precedence over league matches or normal events; they should be fitted in without much trouble.

2. AMERICAN TOURNAMENTS.—Another method of providing more interest during club practice time is to provide American Tournament charts, separately for the ladies and the men. Each player meets each other player in the competition once or twice in a rubber the best of three or five games and the result is passed on to the responsible official, generally the club secretary. From time to time he pins up on the notice board the relative positions of the contestants according to their results and when all matches have been played off in due course, the competition is completed.

Entrance fees can be charged and the stronger players can be handicapped. The league can be spread over the season or twice over the season. These American Tournaments are of special value to new comers to the game, who can gauge their progress by comparison with previous results.

4. HOW TO CONDUCT KNOCK-OUT DRAWS.—Where in a knock-out tournament the number of entries is a Power of Two (4, 8, 16, 32 or 64) there are no byes and players meet in pairs. Otherwise there are byes in the first round only, which are distributed as follows:—

[illegible]

This scheme can be carried on in a like manner for a larger number.

EXAMPLE :—With 5, 13, 29 or 61 players entered there shall be 1 bye at the top of the draw ; then the names are drawn and 2 byes at the bottom. With 23 or 55 entries there are 4 byes at top then the players are drawn and this leaves 5 byes at the bottom and so on as above, or in a like manner for larger numbers.

6. ORDER OF PRACTICE PLAY.—While individual clubs will formulate appropriate rules for order of practice play, an occasional night or part of night can be devoted to the system of the winner's having the right to remain on the table to play the next comer. In this way temperament can be improved, unstable shots discovered, tactics made better and the determination to win and not to throw away points strengthened.

In Vienna, Wales returned and Belgium was represented for the first time, at the seventh Congress (February, 1933). Lithuania was absent. Poland was elected (18 members).

The eighth Congress was held in Paris (December, 1933). Wales was absent, Roumania resumed, and not only Switzerland and Poland were present for the first time, but also the new members elected—Holland and the U.S. Table Tennis Association. Northern Ireland was raised from good standing to membership (21 members).

The ninth Congress was in London (February, 1935). All the nations in membership were represented, including Jersey—taken into good standing, except Japan, Roumania, Sweden, Canada—newly elected, and Egypt—re-elected (23 members).

At the tenth Congress in Prague (March, 1936), Roumania was represented again, but All-India, Irish Free State, Jersey, Northern Ireland, Switzerland, Wales were absent, in addition to Japan, Sweden, Canada and Egypt. Palestine was elected (24 members).

At the eleventh Congress in Vienna (February, 1937), Egypt was present for the first time; Holland and Latvia of those represented the previous year were absent. Australia was elected and Scotland taken into good standing (25 members).

The twelfth Congress was in London (January, 1938). With the exceptions of All-India, Australia, Canada, Japan, Jersey, Northern Ireland, Palestine, Roumania and Sweden, all the nations in membership were present, including U.S.A., re-elected. Luxembourg and New Zealand, absent, were elected and also Ireland as the amalgamation of Northern Ireland and Irish Free State (26 members).

The thirteenth Congress is fixed for Egypt, 1939.

THE TWELFTH CONGRESS OF THE INTERNATIONAL TABLE TENNIS FEDERATION HELD IN LONDON, JANUARY, 1938.

Under the Chairmanship of Mr. I. Montagu, the following members were represented: Austria, Belgium, Czechoslovakia, Egypt, England, France, Germany, Holland, Hungary, Ireland, Jugoslavia, Latvia, Lithuania, Poland, Switzerland, Wales and U.S.A., while individuals attending were Messrs. Pope, Corbillon, Wilmott and Rose.

Luxembourg and New Zealand were unanimously admitted as members. Complete agreement having been reached between England and U.S.A., England proposed the re-election of U.S.A., seconded by France, unanimously carried. The amalgamation of the Irish Free State and Northern Ireland Associations was ratified and the affiliation agreed of the new All-India T.T.A. in India, with London representation.

The wording of the new Rules as set out in the Handbook was confirmed. Secretaries were instructed to write immediately to the Japan T.T.A., to urge the inclusion of Table Tennis in the Olympic Games. The alteration of the Laws in connection with Pushing, the lower net, and finger-spin, which had been adopted provisionally for season 1937-38, were adopted as permanent with the time limit rule to be compulsory for World Championships, International Matches, and International National Championships.

Due to suggestions by England and U.S.A., a Sub-Committee had been formed to report to Congress on the Constitution and this comprised Messrs. Corbillon (France), Steffenhagen (Germany) and Bassford (U.S.A.). In an analysis of the situation Mr. Corbillon defined the proposals as falling into four groups:—

- (a) Those referring to penalties inflicted by Associations and overlapping jurisdictions.
- (b) The defining of powers and duties of the President and Advisory Committee, Secretaries' duties, postal votes, etc.

- (c) Question of differential subscription, voting power and representation for associates, amount of subscription, etc.
- (d) The question of rights of nomination of proxy representation.

The following decisions were eventually arrived at:—

- (1) Appointment of Sub-Committee—Messrs. Steffenhagen, Corbillon, Bassford and Montagu were elected.
- (2) This Sub-Committee have power to circulate proposals to all countries.
- (3) The alterations to Constitution can be put into operation if approved by a majority of three-fourths of those voting within two months of circularisation.
- (4) Otherwise, the suggestions to come up for consideration at the next Congress.

As England and U.S.A. considered the present method of deciding the World Championships as unfair to the remoter countries, it was agreed that this Sub-Committee should consider and report on the general future of the Championships.

Mr. Wilmott submitted his report on Equipment and was thanked for his work in connection with the Equipment Committee. Methods were approved for selecting balls for International Competitions. It was unanimously agreed that Net Posts should be lowered to match the lowered Net and that this alteration should be incorporated in the Rules. After close voting and a recount it was agreed that the wire sounder of edge balls on tables should be abandoned.

The following Officers and Committees were elected for season 1938-39:—

President: Hon. Ivor Montagu.
 English Language Secretary: Mr. W. J. Pope.
 French Language Secretary: Mr. M. Corbillon.
 German Language Secretary: Mr. F. Lobl.

ADVISORY COMMITTEE: Montagu (recommended as Chairman); Nattan (Hungary); Heydusek (Czechoslovakia); Steffenhagen (Germany); Wardeszkiewicz (Poland); Bassford (U.S.A.); Aly Sadek (Egypt).

RULES, SUB-COMMITTEE: Corbillon, Heydusek, Montagu, Degryse, Pick (Austria), Kittermaster (U.S.A.).

EQUIPMENT COMMITTEE: Messrs. Bassford, Corbillon, Heim (Germany), Heydusek, Montagu, Wilczek (Hungary), and Secretary, A. J. Wilmott, 17, Melrose Road, London, S.W. 19.

The Championships for 1938-39 were assigned to Egypt and after a ballot the options for 1939-40 were assigned, the first to Hungary, and the second to Germany. It was agreed that these options were conditional upon acceptance by the holding Association of whatever new regulations for the Championships that might be approved by the next Congress.

The Minutes of 1936-37 were approved.

The part of the table surface on the farther side of the net, and the left of the service-line in respect to the server, shall be called the striker-out's right half-court, that on the right in respect to the server the striker-out's left half-court.

19. A Good Service.—The service shall be delivered as otherwise provided in Law 10, and so that it touch first the server's right half-court or the centre line on his side of the net, and then, passing directly over or round the net, touch the striker-out's right half-court or the centre line on his side of the net.

20. The Choice of Order of Play.—The pair who have the right to serve the first five services in any game shall decide which partner shall do so, and the opposing pair shall then decide similarly which shall first be striker-out.

21. The Order of Service.—The first five services shall be delivered by the selected partner of the pair who have the right to do so, and shall be received by the selected partner of the opposing pair. The second five services shall be

delivered by the striker-out of the first five services and received by the partner of the server of the first five services. The third five services shall be delivered by the partner of the server of the first five services and received by the partner of the striker-out of the first five services. The fourth five services shall be delivered by the partner of the striker-out of the first five services and received by the server of the first five services. The fifth five services shall be delivered as the first five services. And so on, in sequence, until the end of the game or the score 20 all, when the sequence of serving and striking-out shall be uninterrupted, but each player shall serve only one service in turn until the end of the game.

In a one game match, or the deciding game of the match of more than one game, the pair that served the first five services has the right to alter their order of striking out or that of their opponents at the score 10.

22. Out of Order of Striking-out.—If a player act as striker-out out of his turn, the player who ought to have acted as striker-out shall be striker-out as soon as the mistake is discovered, unless a group of five services shall have been completed before such discovery, when the order of striking-out shall continue in the subsequent groups of services as if the sequence had not been discontinuous. In any circumstances, all points scored before the discovery shall be reckoned.

23. The Order of Play.—The server shall first make a good service, the striker-out shall then make a good return, the partner of the server shall then make a good return, the partner of the striker-out shall then make a good return, the server shall then make a good return, and thereafter each player alternately in that sequence shall make a good return.

APPENDIX TO LAWS. KNOTTY POINTS.

Decisions of the Rules Committee of the International Table Tennis Federation.

1. Edge Balls.—The phrase, "Table Surface" is to be interpreted as including the top edges and corners of the table-top, and a ball in play which strikes these latter is therefore good and still in play; though if it strikes evidently the side of the table-top below the edge, it becomes dead and counts against the last striker.

2. Ball Returned with Empty Hand.—If a player drop his racket, he cannot return the ball with empty hand. (See definition, "the racket hand is the hand carrying the racket.")

3. Racket Thrown at Ball.—If in returning the ball the racket leave the player's hand, it is a good return only if it were still in his hand at the moment of contact with the ball (see Law 11, "a ball . . . shall be struck"), and if it do not touch the net or move the table surface (Law 13 c, d) before the ball is out of play.

4. Hand-spin in Service.—Any form of spin in service imparted by any agency but the racket is prohibited. The umpire shall, in any case of doubt, in the first instance in each match, warn the server, declaring a "let" and recommend him to serve with serving hand open and flat, fingers straight and together, thumb free. In any subsequent case of doubt, arising through failure of the server to do so, the umpire shall award the point to the striker-out.

5. Missed Service.—If a player in attempting to serve miss the ball altogether, it is a lost point (Laws 10 and 15) because the ball was in play from the moment it left the server's hand, and a good service has not been made of the ball already in play.

6. Volleyed Net Service.—A net service is a let not only if otherwise good but also if it be volleyed by the striker-out. (See Laws 12 (a) and 14 (b).)

7. Ball Fractured in Play.—If the ball split or become otherwise fractured in play, *affecting a player's return*, the rest is a let (Law 12 c). It is the umpire's duty to stop play, recording a let, when he has reason to believe that the ball in play is fractured or imperfect; and to decide those cases in which the faulty ball is clearly fractured in actually going out of play, and in no way handicaps the player's return, when the point should be scored. In all cases of doubt, however, he should declare a let.

8. Fixtures.—A moving spectator, a neighbouring player, a sudden noise, i.e., any neighbouring object *in movement* (except a partner) should be regarded as an accident not under control (Law 12 c), interference from which implies a let. A stationary spectator, fixed seating, the umpire, the light, a nearby table, a continuous sound of even volume, i.e., any *relatively constant or motionless* hazard, should not be so regarded, and complaint against interference from it during play should be regarded as void.

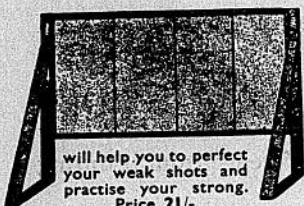

9. Estimated Times for Rubbers.

- (a) Best of three games—minimum time 15 minutes;
maximum time 20 minutes.
- (b) Best of five games—30 minutes.
