HISTORY

Following upon the great popularity of the original Ping-Pong in the early part of the present century, the Ping-Pong Association was formed in 1902, to organise championships and tournaments, chiefly in London. The "boom" year was 1904, but it was only a temporary craze, as, although the P.P.A. was still in existence in 1905, it appears to have collapsed during that season. Whilst the game seems to have died out in the home counties, it was apparently still being played in the provinces, but without any governing body.

In 1921-22, the P.P.A. was resuscitated by Messrs. P. Bromfield and J. J. Payne, who were joined by Hon. Ivor Montagu, Mr. J. M. Rose and Mr. A. F. Carris. The National Championships were run that season, and entries received from all parts of the country. Difficulties soon arose, however, not only in regard to the title, when it was discovered that Ping-Pong was a registered trade name, but also through the Association being unrepresentative of the provincial centres. The old Ping-Pong Association therefore dissolved and re-formed under the title of "The Table Tennis Association." The new body was hampered by difficulties, and as their energies were devoted to formulating standard rules, popularising the game, etc., no attempt to form a democratic governing body could be made.

At the Annual Meeting in 1925, an emergency committee, with Mr. Montagu as President, and Mr. W. J. Pope as Secretary, was authorised to redraft the constitution. In 1926, revised regulations were circularised in the provinces and a National Delegate Conference was held in London, on April 24th, 1927. The new constitution, which confirmed the provisional appointments and provided for the new title, "The English Table Tennis Association," was adopted.

The first Chairman and Secretary were, of course, Mr. Montagu and Mr. Pope respectively. They stayed in office for some years, and were together primarily responsible for establishing the new national body on sound foundations. They worked prodigiously hard until Mr. H. M. Bunbury of Manchester, assumed the Chairmanship in 1929. Mr. Montagu being appointed President. Mr. D. W. Poupard became Secretary one year later, after Mr. B. L. Hookins, of Pontefract, had had a brief term. Mr. H. Oldroyd, also of

Manchester, was elected President in 1931, and still retains very worthily the dignity of his office. Mr. Montagu returned to the chair in 1932, with Mr. G. W. Decker as Secretary; these two being succeeded in September, 1933, by Mr. C. Corti Woodcock, of London, and Mr. J. Siddron, of Manchester, respectively. The last-mentioned appointments were renewed in April, 1934, together with that of Mr. A. K. Vint, of Hastings, Hon. Treasurer since 1931. In April, 1935, Mr. Woodcock and Mr. Vint were re-elected and Mr. W. J. Pope displaced Mr. J. Siddron as Secretary, and in 1936 Mr. Woodcock resigned and was replaced by Mr. Montagu. Interesting names appearing on the list of Vice-Presidents include Messrs. Bunbury, Bromfield and Perry (father of our ex-world champion, Fred J. Perry). In the last groups elected were further valuable additions in the persons of the Dowager Lady Swaythling, Mr. A. F. Carris and Mr. P. E. Warden.

The progress of the E.T.T.A. since 1927 is shewn by the following figures of the numbers of Leagues in membership then and in succeeding seasons: 19; 21; 23; 32; 38; 52; 71; 102; 121; 158; 206. In 1938-39, there were 230 Leagues affiliated, embracing 4,100 Clubs and 75,000 individual members.

In 1935, after an interval of eight years, the World Championships returned to England, and the great crowds which thronged the London University and Imperial Institute and the 8,000 people who packed the Empire Pool and Sports Arena, Wembley, proved that the game had won its place in public favour as a thrilling spectacle.

In 1936, the Empress Stadium at Earls Court housed a crowd of 7,000 people for the finals of the National Championships, and in 1937 the Wembley Arena was again filled. In 1938, once again the World Championships came to London, and the preliminaries packed the Albert Hall every night. Excursions from all over England made up another 9,000 attendance on Finals night at Wembley, and the E.T.T.A. maintained its high standard of organisation and conditions.

In 1938, the English Championships were held at Blackpool, returning to the Albert Hall and Wembley the following season, with play, crowds and enthusiasm scarcely below the previous year's World Championship level.

On the outbreak of war, it was decided at a special General

Meeting to give the National Executive full power to carry on the work of the Association, which they did until September, 1945, when the normal constitution was resumed. During the war the office, records and equipment were completely destroyed by bombs, but in spite of this added difficulty in carrying on, a sum of over £10,000 was raised for the Red Cross and other war charities, and nearly 200 exhibitions were arranged for H.M. Forces, Civil Defence organisations, etc.

The first post-war year produced a clear indication that a quick revival in the game could be expected. The National Open Championships were held in March, 1946, when the Wembley Arena was again filled by a 9,000 crowd for the finals.

The season 1946/47 can be said to be the first season of the post-war boom. There was a large increase in Leagues, and the National Championships, the Finals of which, again played at Wembley, were characterised by a tremendous rush for tickets from affiliated players and the general public. The 9,000 tickets available were early sold out and it was obvious that the demand for spectacular Table Tennis was as great as ever. In the first year of the Europe Cup competition, the Women's event was won by our players. The American players who came from the World Championships to London to take part in our National Championships, took part in a tour throughout the provinces. Another outstanding feature was the winning of the Marcel Corbillon Cup Competition by our women's team.

The World Championships returned to England in 1947/1948 and were played at the Empire Pool and Sports Arena, Wembley, taking 8 days to complete. There was a record entry and the Championships were a great success. Richard Bergmann and Viktor Barna, now naturalised British subjects, were selected to play for England in the Swaythling Cup competition but we were defeated by U.S.A. Bergmann won the Men's Singles defeating Vana in the final and Mrs. Vera Thomas lost in the Women's Singles Final to Miss G. Farkas of Hungary. The Championships were a great organizational success and added further prestige to the game in England. England again won the Corbillon Cup and the Women's European Cup.

3. **Meetings.**—The Executive Committee has met on six occasions and the General Council once. The following members were co-opted to the National Executive Committee for the 1947/48 season in accordance with Rule 12 (a):—

Miss L. Ferguson (Southampton)
Mr. C. Richards (Scunthorpe)

and Mr. M. Goldstein (Birmingham) was co-opted to the Committee to fill the vacancy in the Midland Area brought about by the alteration of Rule 12 (b) made at the last Annual General Meeting.

The attendance of members of the Executive Committee at the five meetings between May 31st, 1947, and March 13th, 1948, was as follows:—

4. **Selection Committee**—A Selection Committee consisting of Messrs. I. Montagu (Chairman), G. R. Harrower (Secretary), E. Worsley, E. Reay, D. H. Thompson, A. A. Haydon, and Mrs. Knott was appointed and a trial was arranged principally for those players who qualified at area trials during season 1946/7. It was decided that further general trials were not necessary during the season as the form of all possible players was known and the play of all the Juniors competing for places was also known. A number of tests were arranged in London in January and the Selection Committee made every possible effort to give chances to those young players who had shown form to justify consideration.

5. **International Matches**—The following International matches were played during the season:—

Country	Result	Score
v. Hungary (Herne Bay) ...	Lost	2—5
v. Wales (Bath) ...	Won	9—2
v. Scotland (Glasgow) ...	Won	10—1
v. Sweden (Juniors) London ...	Won	7—2
v. Ireland (Dublin) ...	Won	9—2
v. Wales, Juniors (Cardiff) ...	Won	9—1

10

In the Europe Cup matches the results were as follows:—

Men.		
v. Ireland (Belfast)	Won 3—2
v. France (Birmingham)	Lost 2—3

Women.

England, as the Holders, were exempted until the Challenge Round, when the challenging country, Czechoslovakia, was defeated by 5—0.

In the Swaythling Cup and Corbillon Cup matches the results were as follows:—

Swaythling Cup		Marcel Corbillon Cup	
v. Jersey	Won 5—0	v. Austria	Won 3—0
v. Hungary	Won 5—4	v. Belgium	Won 3—1
v. Sweden	Won 5—1	v. Jersey	Won 3—0
v. U.S.A.	Lost 2—5	v. Rumania	Won 3—1
		v. Scotland	Won 3—1
		v. U.S.A.	Won 3—1
		v. Wales	Won 3—0

(Inter group Final) v. Hungary ... Won 3—1

A summary of the results of all these International matches shows that of the 21 matches played, we won 18, lost 3, and scored 96 games against 33.

The players appearing in the Senior matches were:—

Men.—*G. V. Barna, *R. Bergmann, J. Carrington, *E. Bublely, B. Casofsky, G. R. Harrower, *J. Leach, B. Kennedy, R. Litten, H. Lurie, *R. Sharman, D. A. Miller, A. C. W. Simons, K. Stanley.

Women.—Miss L. R. Barnes, *Miss D. Beregi, *Miss M. Franks, *Miss E. M. Steventon, *Mrs. V. Thomas. (The players marked * composed the Swaythling Cup and Corbillon Cup Teams.)

The players appearing in the Junior matches were:—

K. Beamish (Essex), L. Devereux (Torquay), B. Kennedy (Yorkshire), R. Thompson (Yorkshire), M. Thornhill (Middlesex).

The following have acted as Captains of teams during the season:—

Mrs. Knott, G. V. Barna, J. H. Carrington, A. A. Haydon, J. Leach and T. E. Sears (Juniors).

11

In our report last season we congratulated our Women's team in winning the Corbillon Cup without losing a game. We would like again to place on record our congratulations to them for holding the Corbillon Cup and the Europe Cup. We think this is an especially good performance, as we had lost the services of one of the stalwarts of our 1946/1947 team—Miss E. Blackburn—who is in the U.S.A.

6. World Championships.—Twenty-five countries entered teams for the Swaythling Cup competition and sixteen countries entered teams for the Corbillon Cup. There were 212 entries for the Men's Singles, 74 pairs for the Men's Doubles, 73 entries for the Women's Singles, 32 pairs for the Women's Doubles, and 65 pairs for the Mixed Doubles. The playing conditions at the Empire Pool and Sports Arena proved to be ideal for the competition and eleven tables were in use for the whole of the time from February 4th to February 11th, 1948, except for the evening of February 5th when the Arena was not available, and for the evening sessions of February 7th and February 11th, when the Final of the Swaythling Cup and Corbillon Cup competitions and the Finals of the individual events were played on one table. The attendance at the Championships was disappointing except for the night of February 11th, and it was particularly unfortunate that the allowance of basic petrol was withdrawn, as this affected the large numbers of members of our Clubs, especially in the London suburbs. The results of the Championships were as follows:—

Swaythling Cup: Czechoslovakia; runner-up, France.
Corbillon Cup: England; runner-up, Hungary.
Men's Singles: R. Bergmann; runner-up, B. Vana.
Men's Doubles: B. Vana and L. Stipek; runners-up, A. A. Haydon and F. Soos.
Women's Singles: Miss G. Farkas; runner-up, Mrs. V. Thomas.
Women's Doubles: Mrs. V. Thomas and Miss M. Franks; runners-up, Miss D. Beregi and Miss H. Elliott.
Mixed Doubles: Miss T. Thall and R. Miles; runners-up, B. Vana and Mrs. V. Pokorna.

Men's Consolation Singles: J. Koczian; runner-up, R. Sharman.

Women's Consolation Singles: Miss L. R. Barnes; runner-up, Mrs. A. Abou Haif.

A "Jubilee" Cup competition, sanctioned by the I.T.T.F. and open to all players who competed in the first World Championships in 1926/27, attracted 16 entries and was won by B. Bernstein who defeated S. Stone, of Wales, in the Final, and who later lost a challenge match to Mrs. D. E. Eyans (Dolly Gubbins), who unfortunately missed the event proper. An interesting entry in this event was Mr. Z. Mechlovitz, of Hungary, who won the World Championships in 1927/8, and travelled specially from Budapest to take part.

To run the Championships the Committee appointed the London members of the Committee, Messrs. G. R. Harrower, R. C. Mortlake Mann and C. Corti Woodcock, with Mr. J. M. Rose as Referee, and the Officers. Administratively the Championships were a very great success and the thanks of the Association are due to all those who gave their time and energy to the work. Hundreds of table tennis "fans" volunteered to work as Stewards and Umpires, some spent the whole of the time on the job, sacrificing their holidays and business interests to work for the success of the Championships. The game is a very virile one (and it augurs well for its success in the future) which can call upon so many enthusiasts to render such devoted service.

It was a great disappointment to us to lose in the Swaythling Cup competition to the U.S.A., but this was compensated by the splendid success of our women players in the Corbillon Cup. In the eight matches in the competition they only lost five games, and our players—Mrs. V. Thomas, Miss D. Beregi, Miss M. Franks and Miss E. M. Steventon—as well as their non-playing Captain, Mrs. Knott, are to be congratulated on the result achieved. The victory of Richard Bergmann, now an English player, was a splendid result in the Men's Singles. His dour and determined fighting spirit brought him to the Final, and in the Final he played brilliantly to defeat his old opponent, B. Vana. Mrs. V. Thomas and Miss M. Franks are to be specially congratulated.

lated in winning the Women's Doubles event. They played magnificently in every round of the event.

A specially meritorious achievement was that of Adrian Haydon in the Men's Doubles. With Soos, of Hungary, as his partner he reached the final of the event, only to be beaten by Vana and Stipek. At his age, without much first-class practice, and in spite of the burdens of his captaincy, he played wonderfully all through the event, although handicapped by eye trouble which required medical attention, and came within an ace of winning a World title, twenty years after his first appearance in these Championship events. Mrs. Thomas reached the finals of the Women's Singles, only to fall again to Miss Farkas, and Miss Beregi reached the Final of the Women's Doubles, with Miss Helen Elliott, of Scotland. A special word of praise is due to Miss Beregi for her play in the Final Corbillon Cup match against Hungary. Playing inspired table tennis, she beat Miss Farkas, 21/19, 21/15, beat Miss Karpati, 21/10, 21/13, and with Mrs. Thomas beat the Farkas-Karpati combination, 18/21, 21/14, 21/13, a great display which assured victory for England.

7. The English Open Championships.—These were played this season at Manchester, from November 18th to November 21st, at Belle Vue. It is many years since these Championships were played outside London, and the Lancashire Committee, with Mr. Worsley as Secretary, and Mr. J. R. Thompson and Mr. Leslie Jones as his assistants, are to be congratulated on the great success achieved. The preliminary rounds were played in the Tudor Restaurant on six tables, and the Finals in the King's Hall (the famous boxing arena) before about 5,000 spectators. The results were as follows:—

Men's Singles: R. Bergmann; runner-up, B. Vana.

Women's Singles: Miss G. Farkas; runner-up, Mrs. V. Thomas.

Men's Doubles: R. Bergmann and T. Flisberg; runners-up, J. Koczian and F. Sido.

Women's Doubles: Miss G. Farkas and Miss L. R. Barnes; runners-up, Mrs. V. Thomas and Miss M. Franks.

Mixed Doubles: Miss G. Farkas and F. Sido; runners-up, J. Leach and Mrs. V. Thomas.

Junior Singles (Men's): M. Thornhill; runner-up, A. Costello.

Junior Singles (Women's): Miss A. Wood; runner-up, Miss D. Banks.

Veterans: E. Reay; runner-up, T. Harrison.

Men's Consolation: E. Marsh; runner-up, W. Davies.

Women's Consolation: Miss J. Mackay; runner-up, Miss H. Egerton.

8. Mr. W. J. Pope, Hon. Gen. Secy.—At our meeting on December 6th, 1947, Mr. Pope informed us that, having regard to the state of his health, and in accordance with the advice of his doctor, he had decided not to stand for election for the position as Honorary General Secretary at the next election. Mr. Pope has held this position since 1935, and was the first Secretary when the Association was formed in 1927, and this decision was a matter of regret to all the members of the Committee. The position created was considered informally by members of the Committee and by the Officers, and it was agreed that Mr. Pope's decision brought forward many points which called for attention. In the first place the question of the employment of a full-time paid Secretary has been in the minds of members of the Committee for some considerable time. The growth of the game and the Association and its very wide activities has long made it difficult for a part-time official to cope with, and it is thought that with further development the position will become worse. It was thought it would be very difficult to find another person to devote the time and energy necessary to carry out the duties of the post in his spare time—if we did, it would soon be with the same result—that a breakdown in health would follow. Secondly, the question of the incorporation of the Association is raised by any change. As the Association has no legal standing at present, all the liabilities of the Association are contracted in the names of the Officers. All agreements are signed by them in their individual capacities, they are responsible for the rent of the office, and for all questions of income and expenditure in a legal sense. This

question will be very sharply raised if it becomes necessary to employ a paid full-time Secretary. As a result of careful consideration of all the issues involved, the Officers put to the last meeting of the Committee the advisability of an appeal to Mr. Pope to reconsider his decision so as to give the Association time to consider these problems. This was agreed to, and we are pleased to say that Mr. Pope agreed to allow his name to go forward again at the election, so as to give the membership time to decide what is best to be done in the future to meet the problems in administration with which we are now faced.

9. Office Administration.—The work in the London Office has again been enormous. It is not possible to give in a report of this character a complete picture of the hive of activity which the two rooms comprising our offices has been during the past season, but it is true to say that never has so much been carried out by so few. The daily post bag is bigger than ever; an additional telephone had to be installed to cope with the demand; and the number of personal callers at the office is one constant stream.

The Organising Secretary (Mr. C. H. Evans) resigned to take up another post on January 2nd, 1948. The Committee decided not to fill this post, but to engage additional clerical assistants. Two part-time shorthand-typists were engaged during the year in addition to Mrs. Pegg, who has been a most loyal and devoted servant since August 12th, 1946. The Committee has authorised the engagement of another full-time shorthand-typist to assist with the ever increasing work.

We are most grateful to the staff for the efficient and loyal manner in which they have carried out their duties under most trying conditions.

We would also like to express our thanks to Mr. G. R. Harrower, who undertook the secretarial work in connection with the International Selection Committee, and the Management Committee for the J. M. Rose Bowl and Wilmott Cup competitions.

10. Incorporation.—In view of the general position, the Committee has taken steps to once more review the legal position of the Association. It may very well be that the

Association could run along some years without any particular difficulty in its present form, but on the other hand, as the Association expands, the liability thrown on the Officers, who have to contract for it, becomes more and more onerous, and the Committee feel the Association should consider very seriously whether it would not be better to turn into a body corporate. To take this step will involve preparation of a Memorandum and Articles of Association for submission to the Board of Trade. Our present rules would be used as a basis for the Articles, but these will require certain alterations. It will be necessary to convene a special general meeting of the Association to consider the alterations and to adopt the requisite resolutions.

11. Open Tournaments.—Thirty-one Open Tournaments were sanctioned by the Executive Committee during the season. A special effort was made to avoid the clashing of dates of the most important and generally popular events, but this was not quite possible in all cases.

12. The Welsh Open Championships.—R. Bergmann won the Men's Singles, with Leach, runner-up; Miss Beregi won the Women's Singles, defeating Miss L. R. Barnes in the Final; Leach and Carrington won the Men's Doubles, with R. Bergmann and G. R. Harrower, runners-up; Bergmann and Miss Beregi won the Mixed Doubles; and Miss Beregi and Miss Barnes won the Ladies' Doubles.

13. The Irish Open Championships.—J. Leach won the Men's Singles, with A. C. W. Simons, runner-up; Leach and B. Kennedy won the Men's Doubles, with R. Sharman and Simons, runners-up; Miss Beregi won the Women's Singles; J. Leach and Miss Beregi won the Mixed Doubles, with Simons and Miss Barnes, runners-up; Miss Beregi and Miss Barnes won the Ladies' Doubles; and Kennedy won the Junior Singles.

14. The "Junior" Game.—There has been a considerable development in the "Juniors" game in England during the season, and the Selection Committee has followed a policy of encouraging the development in every way possible. We

accepted an offer of the Swedish Association to send a team to tour this country to precede the World Championships, and a party of players, accompanied by a non-playing Captain, visited West Bromwich, Wolverhampton, Nottingham, Hastings and places in Surrey before taking part in the World Championships. The visit was a very great success in every way, and at an International match played at Wimbledon on Feb. 2nd, we defeated our visitors by 7 games to 2, in a very fine match. Our team consisted of M. Thornhill (Middlesex), B. Kennedy (Yorkshire), and R. Thompson (Yorkshire), with T. E. Sears as non-playing Captain. It is hoped that a reciprocal visit by our Juniors to Sweden will take place next season at a date just preceding the World Championships there. The Committee wishes to thank and congratulate the League officials who undertook the responsibility of inviting our Swedish guests, and we have received a very cordial letter from the Treasurer of the Swedish T.T.A., thanking them for their kindness and hospitality to their players.

Following the success of this experiment a Junior International match was arranged with Wales, and this took place at Cardiff on April 17th. Our selected team was M. Thornhill (Middlesex), B. Kennedy (Yorkshire), L. Deveroux (Torquay) and K. Beamish (Essex), with T. E. Sears as non-playing captain. The result was 9-1 in our favour. We should like to thank Mr. T. E. Sears for his encouraging and helpful captaincy, and to express the hope that these will be first of many Junior International matches with a great development of the standard of our younger players.

15. The Wilmott Cup and J.M. Rose Bowl Competitions.—Following the decision of the last Annual General Meeting, the National Executive Committee reconsidered the Rules of these competitions and adopted alterations to bring them more into line with modern developments. The suggestions were submitted to the Trustees, and circulated to the affiliated leagues, and the competitions were run this season under the new regulations. A Sub-Committee of the Executive Committee, consisting of Messrs. C. R. Harrower (Secretary), R. C. Mortlake Mann, J. M. Rose and C. Corti Woodcock, was appointed to organise the competitions, the

size of the entry was maintained, and the altered rules resulted in more time being available to stage each round. The Committee has decided to revert to the pre-war practice of organising the semi-finals and finals of both the competitions on one day, and they will be played at the Rotex Club, Chandos Road, Willesden Junction, London, on Saturday, May 8th, 1948, the semi-finals commencing at 3 p.m. and the finals at 7.15 p.m. An appeal is made to all officials of Leagues in the London area to support these events and to encourage their members to attend.

16. County Administration.—There has been a great development in the formation of County Associations during the season and the total now in existence is 21, with others in the course of formation. The County Championships, completely revised on a National scale, received entries from 19 teams, covering 15 counties, and they competed in three divisions, Middlesex being successful in the Premier Division, Hampshire in the Southern Division, and Lancashire II in the Northern Division.

17. Registered Players.—Thirty-eight players have been recorded as registered players during the season in accordance with the regulations. At the last Annual General Meeting we reported that a Sub-Committee had been set up to reconsider the regulations regarding registered players, and the matter has been considered at many meetings of the Committee during the season. The subject, however, has proved to be a very controversial one, and an agreed report has not yet been decided upon. The opinion of the registered players themselves has been sought, and it is hoped that an agreed report, satisfactory to the players, the Association, and the game, will shortly be arrived at.

18. The Official Magazine "Table Tennis."—At the last meeting we reported that an arrangement had been made with the Walthamstow Press to republish the official Magazine on a profit-sharing basis, that Mr. J. Carrington had been appointed Editor, and an Advisory Committee had been appointed to direct policy. We then said that our chief object was to get the publication again on the market, but,

of course, we have been handicapped by the general difficulties in industry at the present time. The limitation in the supply of paper, the difficulty of obtaining advertisements, general high costs, etc., have made the task of refloating the publication a particularly hard one, and we think that the experiment has now passed its most difficult stage, and that now it is established we can look forward to far greater success in this section of our activities in future. The circulation is approximately 6,000 per month, but we are not able at the present moment to give a complete account of the finances of the season's working.

19. **International Table Tennis Federation.**—Meetings of the International Table Tennis Federation were held in London at the time of the World Championships. The Executive Committee appointed your Chairman and Secretary as their representatives, and a separate report of the proceedings will be given by your Chairman. We report, however, that the following members of the E.T.T.A. were elected to office in the Federation:

Ivor Montagu, President.
W. J. Pope, Secretary.
A. K. Vint, Treasurer (without vote).
A. J. Wilmott, Equipment Committee (Secretary).

20. **Supply of Balls.**—At the beginning of the season the Board of Trade decided again to restrict the supply of table tennis balls and made the Association the authority for the issue of permits. Our allocation, however, was still much less than our affiliated clubs required and it was only possible to issue permits for each club to have six dozen balls. It is expected that the same restriction will apply next season.

Three types of ball—the "Villa," the "Dunlop (Barna)" and the "Hallex" were, after examination and full tests, adopted for play by the Committee, the "Villa" was adopted for play in the English Championships, and the "Dunlop (Barna)" for the World Championships. Complaints were received from leagues during the season of the quality of the balls supplied, and after taking this question up with the retailers an interview was arranged between the representatives of the British Xylonite Company (the ball manufac-

turers) and the officers of the Association, who were accompanied by Mr. Wilmott of the I.T.T.F. Equipment Committee. A very full and frank discussion took place, and your representatives were satisfied that the makers were working under difficulties at the present time, and that they were as anxious as we are to supply a satisfactory ball. The representatives of the company accepted the advice and criticism expressed by your representatives, and we hope that as a result of the meeting there will be considerable improvement in the standard of the balls produced in future.

On behalf of the National Executive Committee,

I. G. S. Montagu (Chairman),
W. J. Pope (Hon. General Secretary),
A. K. Vint (Hon. Treasurer).

April 23rd, 1948.

ADDENDUM TO THE REPORT

Year after year an addendum to this report has appeared over our signatures paying tribute to the services of our Hon. General Secretary (Mr. W. J. Pope). This year is our 21st Anniversary. In 1927 Mr. Pope was appointed the first Secretary and, apart from a break during the period 1929-35, has been our Secretary ever since. We have no words sufficient to express our thanks for the great work which he has done in those years, but the status of the organisation in the sporting world is an indication of the fruits of his labour, which has been unceasing and given regardless of time and health. This year Mr. Pope retired from business. We pay our warm thanks to our Founder-Secretary for his unremitting service to the Association, and wish him well in retirement.

I. G. S. Montagu (Chairman),
A. K. Vint (Hon. Treasurer).

THE INTERNATIONAL TABLE TENNIS FEDERATION.

The Fifteenth ("Jubilee"; Twenty-first Anniversary) Congress of the International Table Tennis Federation was held in London in March, 1948.

The I.T.T.F. now includes 38 countries, as follows:—England, Ireland, Jersey, Scotland, Wales, Belgium, France, Italy, Luxembourg, Netherlands, Portugal, Switzerland, Denmark, Finland, Norway, Sweden, Austria, Czechoslovakia, Greece, Hungary, Poland, Rumania, Yugoslavia, Bermuda, Canada, Mexico, Trinidad, U.S.A., Argentina, Brazil, Uruguay, Australia, Egypt, India, Iran, New Zealand, Palestine, Singapore.

The membership of Germany and Japan remains currently in abeyance.

Among important decisions of the Congress were: a change of rule making it necessary for only the ball, and not as heretofore ball and racket to be behind the table end and within the imaginary continuation of the sidelines at the moment of impact in service; the ineligibility for affiliation, under Article 2 of the Constitution, of the South African Table Tennis Union; a uniform "Junior" age—players under 17 on July 1st in any year may play as "Juniors" throughout the subsequent playing season.

Matters of continuing study include: lighting, expenses, standard regulations for Open National Championships, improvement of the ("time limit") rule against pushing.

Member Associations are requested to hold at least one Tournament during season 1948-9 with competitors wearing white clothes, and to report to the Federation on the experiment.

GENERAL REGULATIONS.

21. No registered player may permit a cinematographic record of himself or herself to be taken on standard stock in connection with Table Tennis unless sanction has first been obtained from one of the Officers of the Association.

opinion of the duly appointed referee, tend to unsight an opponent, and all competitors under the control of the Association must wear a sports shirt of single colour (except for a badge of reasonable size) and rubber shoes. Men must wear grey flannel trousers or shorts, and women grey flannel skirts, trousers or shorts. If a cardigan is worn while playing it must be the same shade of colour as the shirt.

OPEN TOURNAMENTS.

(b) No affiliated Organisation or Club shall make any payment, other than expenses, to a member for any of the above activities unless the member has been registered or has received specific permission as above. Any affiliated Organisation or Club making a payment, in excess of expenses, must report the payment to the County Secretary concerned (or if there is no County Secretary of that area then direct to the Secretary of the English Table Tennis Association) specifying the amount and the service rendered, within fourteen days of the payment. The County Secretary in turn will inform the Secretary of the English Table Tennis Association.

A representative Match is one in which a player is playing for his club, league, county or Country against another team, league, county or Country. Proper Trial matches organised by clubs, leagues, counties or the National Association for the purpose of selecting representative teams shall rank as representative matches.

(d) Prizes of £3 or less in value may be awarded or accepted without special permission other than the general sanction granted for the holding of Open Championships. No prize may exceed £3 in value. Badges and colours may be awarded and accepted for participation in Representative matches.

(e) No registered player may receive payment, other than expenses, for playing in any form of competition (even if of a closed or invitation character) without specific permission of the National Executive Committee of the English Table Tennis Association except as provided in (d) above.

(f) Betting in any shape or form on players or matches is strictly prohibited.

2. Method of Registration

(a) Application for registration shall be made to the Secretary of the English Table Tennis Association in writing and should be accompanied by the registration fee and, where the applicant is a member of a league, by a certificate of approval signed by the League secretary and where the League is a member of a County Association, countersigned by the County secretary. Where the applicant is not a member of a League the approval of the Secretary of the County in which the applicant resides must be obtained. Where the applicant

is not a member of a League and there is no County body concerned, direct application should be made to the Secretary of the English Table Tennis Association.

(b) Application shall be renewed with fee and the requisite certificates for each year for which registration is desired.

(c) Applications for registration shall be reported to and dealt with by the National Executive Meeting next following the application provided that, where adequate grounds of emergency exist, the Secretary of the English Table Tennis Association may himself grant provisional registration, subject to review of the grant at the National Executive Committee meeting next following, always provided, where a League or County Association is concerned, that the appropriate signatures have been obtained.

(d) Registration is valid from the date of registration to the 30th June next following but may be cancelled by the National Executive Committee in the event of a breach of these rules and for other misdemeanours.

(e) The fee that must accompany each application is £1. Where registration is granted provisionally it shall not be returnable even if cancelled upon review. Nor shall it be returnable in the event of cancellation under (d) above.

(f) In the event of a refusal of signature by the appropriate League the would-be applicant may appeal to the County Association concerned who may, if they think fit, send forward the application without the League's approval. In the event of a refusal by both the League and the County the would-be applicant may appeal to the National Executive Committee of the English Table Tennis Association, accompanying the appeal with a fee of £1, which may be forfeited in the event of the appeal not being sustained.

3. Code for Registered Members

(a) They shall not enter into any contract for exclusive play under particular auspices or on particular premises, or for the exclusive use of particular equipment, that might prevent them from entering an Open Championship or from accepting the instructions of the duly appointed captain in a representative match.

(b) They shall not allow their names to be used on publications they have not themselves written.

(c) They shall not allow their names to be used on equipment not designed by them.

(d) Except with the permission of the Secretary of the English Table Tennis Association, they shall not enter into any contractual obligation liable to clash with participation in the World's Championships or Open National Championships.

(e) When invited to represent their country in a representative match or competition, they shall not play in any clashing event, unless so obliged by previous contract, and shall, in any case, use their best endeavours to obtain release from such clashing contractual obligation, provided they can do so without financial penalty.

NOTE. Registered players are expected to make themselves available whenever possible when invited to represent not only their country but their county as well, in representative matches and Open Championships. A persistent refusal to make reasonable contribution in this respect may affect the views entertained by the responsible authority towards subsequent applications for registration.

(f) They will not appear in any competition or exhibition, other than one organised by a duly affiliated County Association, League, Club or other body of the English Table Tennis Association without the sanction of the County Secretary concerned and a member of the National Executive Committee, which must be notified to the Secretary of the English Table Tennis Association in accordance with Rule 20, or with the consent of the County Secretary concerned and the Secretary of the English Table Tennis Association, in writing. This sanction may be granted for a single event or for a series; it shall be withheld only if the promoter of the event, the location of the proposed premises, the details and the nature of the proposed exhibition or the fact of clashing with an event locally organised by an affiliated body or with a co-ordinated County programme so as to be injurious to the latter, are such that the event is liable to be injurious to the best interests of Table Tennis.

(g) They may accept any engagement for an exhibition, for coaching or for participation in a closed or Invitation tournament with prizes not exceeding the scale fixed in 1(d) from any authorised club, league or Association affiliated to the English Table Tennis Association provided that the sponsoring Association, league or club, if within the area of a County Association, has obtained the consent of the County Secretary or, if not within the area of a County Association, has obtained the consent of the Secretary of the English Table Tennis Association. An appeal against the refusal of a County Association to allow an engagement may be made to the National Executive Committee of the English Table Tennis Association. They may accept, without formality other than Registration, any payments for broadcasting, filming, organising, writing and in relation to equipment.

4. Organisation of Registered Members

Registered members shall elect and shall be entitled to be represented by a committee of six (of whom at least one shall be a woman). All members registered at 1st October shall be entitled to vote in the election. The committee thus elected shall function until the election in the following season. It shall be entitled to fill any vacancies by co-option and shall choose its own Chairman and Secretary, who may attend the Annual General Meeting of the English Table Tennis Association, with voice but no vote, and two of its number, one from the North and one from the South, shall serve on the panels commission. The National Executive Committee of the English Table Tennis Association may consult this committee on matters concerning registered members.

He shall also enclose testimonials from individuals, pupils, Leagues, County authorities, also press cuttings, etc.

(c) Panels of approved applicants shall be drafted before the commencement of each season by a Panels Commission on which shall serve three members of the National Executive Committee of the English Table Tennis Association and two Registered members, elected as above. All decisions of this Panels Commission shall be endorsed by the National Executive Committee of the English Table Tennis Association, to whom all appeals against non-inclusion may be made. Applications to be added to the Panels during the season shall be made to the Secretary of the English Table Tennis Association, who will submit names to the Panels Commission for decision.

(d) These panels shall be circulated to affiliated organisations and made available to the General Public on request. The complete current panels shall be published in the Handbook, and in the earliest possible edition of the Magazine and in the first edition of each year. Additions shall be published in the next succeeding issue of the Magazine.

6. Warnings

(a) The list of players registered on the 1st October in each season, and the bi-monthly additions thereto, shall be circulated to Secretaries of County Associations, affiliated Leagues and directly affiliated clubs, together with a warning that any payment, other than legitimate expenses, to players not appearing on the list or payments to Registered Members without the necessary permissions mentioned above, renders offending Organisations as well as players liable to disciplinary action.

(b) A copy of these regulations shall be furnished together with the notification of the grant of registration to every Registered Member and shall appear in the handbook.

NOTE. Pending publication of the next handbook, a copy of these Regulations shall be furnished to every League Secretary with instructions to bring them to the notice of all club secretaries.

NOTE. Players who play abroad under auspices affiliated to the International Federation are subject, as far as payment and other matters are concerned, to the regulations of the Association governing the country where they play. In addition to observing the Regulations of the English Table Tennis Association, with which players are urged to familiarise themselves, every player is advised to ascertain that his Table Tennis abroad conforms to the Regulations of the Governing Body of the Country concerned.

Further, every player is advised to ascertain that the auspices under which he plays are properly affiliated to, and acting in accordance with, the decisions of an Association in membership with the International Table Tennis Federation. Finally, every player is advised not to enter into any contract in this country which will oblige him to be the participant in infringement of the Regulations of the Governing Body of any Nation in membership with the International Table Tennis Federation. Disregard of this warning may render a player liable to penalty of another Association, confirmed by the English Table Tennis Association at its request.

RULES OF THE NATIONAL COUNTY TABLE TENNIS CHAMPIONSHIPS

1. Membership

The County Table Tennis Championships shall be organised annually and all County Table Tennis Associations in membership with the English Table Tennis Association shall be eligible to take part in these Championships.

2. Divisions

The Championships shall consist of one or more premier divisions (in which not less than four nor more than seven counties shall take part in any one division) and one or more regional divisions of similar composition, but in the regional divisions the second teams of counties in the premier divisions may take part. Where there are four teams in a division, they shall each play each, home and away in the same season, but where there are more than four teams, they shall play each other once only per season, home and away in alternate seasons. It shall be within the discretion of the Executive Committee to admit more than one team from any County. The closing date for entries shall be 15th June.

3. Relegation and Promotion

The highest team in each regional division, not being second teams, shall play off, if it is the wish of all or any to play in the Premier division during the following season. The winner of the play-off shall have the right to challenge the lowest county in the Premier division for its place for the following season.

4. Championships Council

The affairs of the Championships shall be managed by a Championships Council consisting of two members of each County Association, one being the County Secretary, with the addition of two members of the National Executive Committee of the English Table Tennis Association who are not County Secretaries.

5. Council Meetings

The Championships Council shall meet twice annually: (a) An Annual General Meeting in June of each year to appoint officers and an executive committee to be responsible for carrying out the Championships and to make arrangements for fixtures and any other competent business. At this meeting the Hon. Secretary shall present the Annual Report of the Executive Committee, and the Hon. Treasurer shall present an Audited Statement of Accounts. (b) In February or March of each year to decide any alterations to the Rules of the Championships.

6. Executive Committee

The Executive Committee shall consist of the Officers of the Championships and one representative from each division, together with one member of the National Executive Committee of the English Table Tennis Association.

7. Officers

The Officers of the Championships shall be a Chairman, Secretary and/or Treasurer who shall be elected from those members of the Championships Council who represent County Associations. A Publicity Secretary may also be appointed at the discretion of the Executive Committee, but not to be a voting member.

8. Finance

(a) Each County Association, on admission, shall deposit with the Treasurer £1 per team and at the conclusion of the Season shall contribute to the funds, for each of its teams, an amount equal to the past year's expenses (less any income) divided by the number of teams participating. (b) The first charge against the admission receipts in every match played shall be Entertainments Duty, the second charge 2½ per cent. of the nett receipts (i.e., after deduction of Entertainments Duty) to the funds of the Championships. The Home County shall receive 60 per cent. and the Visiting County 37½ per cent. of the nett receipts. A match shall not be arranged unless a charge is made for admission or a guarantee given that a visiting county shall receive their travelling expenses. The Home County shall furnish the visitors and the Treasurer of the Championships with a balance sheet within fourteen days of the match and shall forward at the same time the amount to which each is entitled. (c) No expenditure shall be incurred by the Executive Committee in excess of the amounts in the hands of the Treasurer without an authority from the Championships Council.

9. Date of Matches

The latest date for each match shall be decided by the Executive Committee, but the two counties concerned may play the match on any earlier date by mutual consent. Matches which are postponed beyond the fixed last date must be played by a second date fixed by the Secretary of the Championships and only with his prior consent, the application to come from both counties concerned together with a fee of 5s. from each county.

10. The Home County shall supply three dates, before the fixed last date, giving at least six weeks' notice, and within two weeks the visiting county shall choose one of the dates and state a time for starting the match. When the date has been fixed the Secretary of the Championships must be notified by both counties. In the event of failure to agree a date the Executive Committee shall make a decision as to the date on which the match shall be played.

11. At least fourteen days prior to the match the counties shall supply each other with the names of their players, and of not more than two reserves, in order of merit. Substitution, except for those already notified, shall only be allowed for good reason, which must be stated and agreed to by the Secretary of the Championships.

12. The winning team shall send complete results to the Secretary within 48 hours after the match is played, on the form provided, and signed by both Captains, if they agree the result.

13. (a) A match shall consist of nine ties, each the best of three games, comprising six men's singles, one ladies' singles, one mixed doubles and one ladies' doubles, with the proviso that if both County Secretaries are in agreement a men's doubles may be substituted for the ladies' doubles. Should there be no agreement between the two Secretaries, the ladies' doubles must be played. No man shall play more than three ties in a match, and no lady more than two ties.

(b) Two points shall be awarded for a win in each match, the positions in each division being determined by the number of points won. In the event of the number of points being equal, the number of ties won shall determine the position.

14. Subject to any arrangement mutually agreed upon, the order of play shall be as follows:—(A, B and C being the home team in order of merit and X, Y and Z being the away team in order of merit). C v Z, A v Y, doubles (ladies' or men's), B v X, Ladies singles, C v Y, Mixed doubles, B v Z, A v X.

15. Any tie not commenced within 15 minutes of the time fixed for the start of the match, or within five minutes of the end of the previous tie, owing to the absence of one player, shall be forfeited to the opposing team. If both players are absent the tie shall not be counted.

16. Default

Any failure to comply with these Rules or with those of the English Table Tennis Association shall not entitle the opposing county wilfully to refuse to play a match, but may be the ground of a complaint or, if the county is seriously prejudiced in its arrangements or in its play, of a claim that the match be forfeited. No complaint or claim with respect to the playing conditions shall be entertained unless a complaint was made to the home team captain before the commencement of the fourth rubber of the match.

17. Claims

A county may, within 48 hours after the time agreed for the playing of a match, send the Secretary a Claim (see Rules 25-27) that the match shall be forfeited to it.

18. The Secretary shall immediately forward a copy of any Claim received to the opposing county.

19. The opposing county, if it wishes to refute the Claim, shall send an Answer (see Rules 25-27) to the Secretary within 48 hours of receiving it.

20. The Secretary shall immediately send a copy of an Answer received to the claiming county, and copies of both Claim and Answer to the Referee (the Chairman of the English Table Tennis Association) with, if necessary, a short statement of the position.

21. The decision of the Referee on a Claim shall be final.

22. Forfeiture

If no result or Claim is received three clear days after the date on which a match is due to be played, the Secretary shall notify the two counties that the match will be forfeited by both unless either an application for an extension of time, accompanied by a fee of five shillings, or a claim, or the result accompanied by a fee of two shillings and sixpence, is received by him within three days. A claim received shall be treated as a claim under Rule 17.

23. If no Answer is received within three days of the sending of a copy of a Claim to a county the Secretary shall notify the county that its match has been forfeited to the claiming county.

24. Appeal

A county may appeal against any forfeiture of a match under Rule 22 or 23. An appeal (see Rules 25-27) must be received by the Secretary within three days of the dispatch of the notice of forfeiture, and shall be treated as a Claim or Answer as the case may be.

25. Form of Procedure

Every Claim, Answer and Appeal shall be in triplicate, and must state the full grounds on which it is made, including any Rule infringed, any game affected or claimed, and where necessary a proper reply to any alleged default.

26. No amendment of or addition to a Claim or Answer shall be allowed, but a county receiving a copy of an Answer may inform the Secretary by return of post if any statement therein is incorrect.

27. Any Claim, Answer or Appeal which is not in the proper form or which is out of time shall be ignored.

28. Penalties

Whatever its outcome, every claim, forfeiture and complaint shall be made the subject of a full report at the next meeting of the Committee which shall have the power in the case of any default described in Rule 16, non-arrival or undue lateness at a match, to impose on the delinquent county or player a fine not exceeding

five pounds and/or suspension from participation in the County Championships. Any county or player failing to pay a fine imposed within seven days shall be automatically suspended from participation in the Championships until the fine is paid. The County Championships Committee may award all or any part of any fine imposed to the opponents and/or the body staging the match.

29. Qualification

Players shall always be qualified to play for the county of their birth, but shall also be able to qualify to play for a county in which they take up residence, provided they shall notify the Secretary of the Championships, such qualification to date from one year from the date of taking up residence, any previous residential qualification remaining whilst qualifying for the new county. A player who wishes to play for any other county must apply to the Secretary of the Championships, giving reasons, and the Executive Committee may grant such application if they are satisfied that the player is a bona-fide member of a league within that county, and that he or she lives within five miles of that county's boundary, and shall have represented their league in Wilmott Cup or J. M. Rose Bowl matches in the preceding and current seasons. No player may play for more than one county in the same season.

30. English Table Tennis Association tournament rules on playing conditions to be observed.

31. All players to be registered, in order of merit, at the commencement of the season, with the Secretary of the Championships. Additional players can be registered, and the order of merit altered, on the first of each month. The player's qualifications (see Rule 29) to be stated at the time of registration.

32. A player having played twice for his county side, shall not thereafter in the same season play for his second team without the prior consent of the Secretary of the Championships.

33. The first three men and two ladies in each county's order of merit shall not be eligible to play for their second team.

34. In the event of any question or matter arising which is not provided for in the foregoing Rules, such question or matter shall be dealt with by the Executive Committee, whose decision shall be final.

35. No addition to, or alteration or rescission of these Rules shall be effected unless approved by the National Executive Committee of the English Table Tennis Association.

NOTES ON THE CHART SYSTEM

The Chart System, little used before the war, has now become a prime necessity to all Table Tennis Organisers, owing (a) to the shortage of halls and equipment due to war causes, and (b) to increased costs and paper shortage due to the same cause.

In all parts of the country, clubs are playing in improvised premises, or in club rooms which they can only use once or twice a week. Therefore, in order that clubs with these difficulties can compete in leagues, they must be able, if they enter more than one team, to be *certain* that two teams from the same club will not be called upon to play at home in the same week. This can always be *guaranteed*, providing the divisions making up a league have the same number of teams in each, irrespective of whether the two teams are in one division, or separate, and irrespective of how many clubs enter with two teams. Sufficient to say that a league, with 160 teams in 20 divisions uses the chart system without difficulty.

Most leagues to-day publish their own handbook, and the amount of space taken up by printing fixtures is considerable. This can be cut down to a maximum of two pages (including explaining the chart) by using the chart system. Even if you decide to print your fixtures in full, you will find that, to obtain satisfactory fixtures, you must prepare them with the aid of a chart.

The following three charts can be used for divisions from 7 to 12 teams: if an odd number of teams, say 7, you give a blank week to the team due to play No. 8 in each case. Use of these charts guarantees that no team is ever called upon to play three consecutive home or away matches, and that they get the maximum possible number of alternate home and away games. Furthermore, by using the combinations shown underneath each chart, you safeguard your clubs and their few match nights. For example, if you have a club with two teams, one in the premier division and one in the third division, with only one home night, allot the first team to position No. 1

in the premier division, and the second team to position No. 5 (for divisions of eight) in the third division. It should be noted that although only four combinations are listed as alternates for divisions of eight, these combinations can be reversed; i.e., 5 and 1, 6 and 2, giving eight combinations for eight places, covering every possibility.

The tables used cover the first half of the season, and the letter "a" denotes an away match. For example, again quoting from divisions of eight, Team No. 1 plays Team No. 8 at home in the first week, and then meets Team No. 7 away in the second week. Obviously, for the second half of the season, the homes and aways are reversed.

Shortage of space precludes giving all details, but further information can be supplied and queries answered if a communication is sent to the Association.

IMPORTANT—RECOMMENDED ALTERNATIVE CHARTS

The foregoing notes and charts are substantially the same as appeared in the Handbook last season. There is a way, however, in which EACH team can play alternate home and away matches, providing that two extra weeks can be devoted to the league programme. Obviously, this is more satisfactory if time permits, and you are recommended to use the following charts if possible.

THE LAWS OF TABLE TENNIS.

(As adopted by the International Table Tennis Federation.)

Singles.

1. The Table.—The table shall be in surface rectangular, 9ft. in length, 5ft. in width; it shall be supported in such a way that its upper surface shall be 2ft. 6ins. above the floor, and shall lie in a horizontal plane.

It shall be made of any material and shall yield a uniform bounce of not less than 8ins. and not more than 9 ins. when a standard ball is dropped from a height of 12ins. above its surface.

The upper surface of the table shall be termed the "playing surface"; it shall be non-reflecting, of a dark colour with a white line $\frac{1}{4}$ in. broad along each edge.

The lines at the 5ft. edges or ends of the playing surface shall be termed "end lines." The lines at the 9ft. edges or sides of the playing surface shall be termed "side lines."

2. The Net and its Supports.—The playing surface shall be divided into two courts of equal size by a net running parallel to the end lines and 4ft. 6ins. from each. The net, with its suspension, shall be 6ft. in length; its upper part along its whole length shall be 6ins. above the playing surface; its lower part along the whole length shall be close to the playing surface. The net shall be attached at each end to an upright post 6ins. high; the outside limits of each post shall be 6ins. outside the side line on the same side.

3. The Ball.—The ball shall be spherical. It shall be made of celluloid, white, but not brightly reflecting; it shall not be less than 4 $\frac{1}{4}$ ins. nor more than 4 $\frac{1}{2}$ ins. in circumference; it shall not be less than 37 grains (2.40 grammes) nor more than 39 grains (2.53 grammes) in weight.

4. The Racket.—The racket may be any material, size, shape, or weight, provided it is not white, light coloured or reflecting.

5. The Scoring of Points.—A game shall be won by the player who first wins 21 points, unless both players shall have

scored 20 points, when the winner of the game shall be he who first wins two points more than his opponent.

6. The Choice of Ends and Service.—The choice of ends and the right to be server or striker-out in every match shall be decided by toss, provided that, if the winner of the toss chooses the right to be server or striker-out, the other player shall have the choice of ends, and vice versa, and provided that the winner of the toss may, if he prefer it, require the other player to make the first choice.

7. The Change of Ends and Service.—After five points the striker-out shall become the server, and the server the striker-out, and so on after each five points until the end of the game or the score 20-all. At the score 20-all the striker-out shall become the server, and the server the striker-out, and so on after each point until the end of the game. The player who served first in a game shall be striker-out first in the immediately subsequent game, and so on until the end of a match.

The player who started at one end in a game shall start at the other in the immediately subsequent game, and so on until the end of the match. Where the match consists of only one game, or, where it consists of more than one game, in the deciding game of the match the players shall change ends at the score 10.

8. Out of Order of Ends or Service.—If a player serve out of his turn, the player who ought to have served shall serve as soon as the mistake is discovered, unless a group of five services shall have been completed before such discovery, when the service in the subsequent groups of services shall continue in the same order as if the sequence had not been discontinued. In any circumstances, all points scored before the discovery shall be reckoned.

If the players shall not have changed ends when ends should have been changed, the players shall change ends as soon as the mistake is discovered, unless a game shall have been completed since the error, when the error shall be ignored. In any circumstances, all points scored before the discovery shall be reckoned.

9. The Order of Play.—The server shall first make a good service, the striker-out shall then make a good return, and

thereafter server and striker-out shall each alternately make a good return.

10. A Good Service.—The service shall be delivered by the server releasing the ball by hand only, without imparting spin, into the air. The ball shall then be struck so that it touch first the server's court and then, passing directly over or round the net, touch the striker-out's court.

In the delivery of the service the free hand of any two-handed player shall be open and flat, with the fingers straight and together, thumb free and the ball resting on the palm without being cupped or pinched in any way by the fingers. The ball shall be released by the free hand either lifting upward or dropping away.

At the moment of the impact of the racket on the ball in service, the latter shall be behind the end line of the server's court and between an imaginary continuation of the side lines.

11. A Good Return.—A ball having been served or returned in play shall be struck by the player so that it pass directly over the net or round the net and touch directly the opponent's court; provided that, if the ball, having been served or returned in play, returns with its own impetus over the net or round the net, it may be struck, while still in play, by the player so that it touch directly the opponent's court.

12. A Let.—The rest is a let:

(a) If the ball served in passing over the net touch it or its supports, provided the service either be otherwise good or be volleyed by the striker-out.

(b) If a service be delivered when the striker-out is not ready, provided always that he may not be deemed to be unready if he attempt to strike at the ball.

(c) If either player be prevented by an accident, not under his control, from serving a good service or making a good return.

(d) If either player lose the point, as provided in Law 13 (c), (d), (e), or Law 14, owing to an accident not within his control.

13. A Point.—Either player shall lose a point:

(a) If he fail to make a good service, except as provided in Law 12.

(b) If a good service or a good return having been made by his opponent, he fail to make a good return, except as provided in Law 12.

(c) If he, or his racket, or anything that he wears or carries, touch the net or its supports while the ball is in play.

(d) If he, or his racket, or anything that he wears or carries, move the playing surface while the ball is in play.

(e) If his free hand touch the playing surface while the ball is in play.

14. A Point.—Either player shall lose the point:

(a) If, before the ball in play shall have passed over the end lines or side lines not yet having touched the playing surface on his side of the table since being struck by his opponent, it come in contact with him or anything that he wears or carries.

(b) If at any time he volley the ball, except as provided in Law 12 (a).

15. In Play.—The ball is in play from the moment at which it is projected or dropped from the hand in service until:—

(a) It has touched one court twice consecutively.

(b) It has, except in service, touched each court alternately without having been struck by the racket intermediately.

(c) It has been struck by either player more than once consecutively.

(d) It has touched either player or anything that he wears or carries, except his racket or his racket hand below the wrist.

(e) On the volley it come in contact with the racket or the racket hand below the wrist.

(f) It has touched any object other than the net, supports, or those referred to above.

16. Further Definitions.—The period during which the ball is in play shall be termed a rest.

A rest the result of which is scored shall be termed a point.

A rest the result of which is not scored shall be termed a let.

The player who first strikes the ball during a rest shall be termed the server.

The player who next strikes the ball during a rest shall be termed the striker-out.

If the ball, in passing over the net, or round the net, touch it or its supports, it shall, nevertheless, be considered to have passed directly, except as referred to in Law 12 (a).

If the ball in play come into contact with the racket or racket hand, not yet having touched the playing surface on one side of the net since last being struck on the other side, it shall be said to have been volleyed.

The racket hand is the hand carrying the racket; the free open hand is the hand not carrying the racket.

Doubles.

17.—The above Laws shall apply in the Doubles Game except as below.

18. The Table.—The surface of the table shall be divided into two parts by a white line $\frac{1}{2}$ in. broad, running parallel with the side lines and distant equally from each of them. This line shall be termed the service-line. The part of the table surface on the nearer side of the net and the right of the service-line in respect of the server, shall be called the server's right half-court, that on the left in respect to him the server's left half-court. The part of the table surface on the farther side of the net, and the left of the service-line in respect to the server, shall be called the striker-out's right half-court, that on the right in respect to the server the striker-out's left half-court.

19. A Good Service.—The service shall be delivered as otherwise provided in Law 10, and so that it touch first the server's right half-court or the centre line on his side of the net, and then, passing directly over or round the net, touch the striker-out's right half-court or the centre line on his side of the net.

20. The Choice of Order of Play.—The pair who have the right to serve the first five services in any game shall decide which partner shall do so, and the opposing pair shall then decide similarly which shall first be striker-out.

21. The Order of Service.—The first five services shall be delivered by the selected partner of the pair who have the

right to do so, and shall be received by the selected partner of the opposing pair. The second five services shall be delivered by the striker-out of the first five services and received by the partner of the server of the first five services. The third five services shall be delivered by the partner of the server of the first five services and received by the partner of the striker-out of the first five services. The fourth five services shall be delivered by the partner of the striker-out of the first five services and received by the server of the first five services. The fifth five services shall be delivered as the first five services. And so on, in sequence, until the end of the game or score of 20 all, when the sequence of serving and striking-out shall be uninterrupted, but each player shall serve only one service in turn until the end of the game.

In a one-game match, or in the deciding game of a match of more than one game, the pair that served the first five services has the right to alter their order of striking-out or that of their opponents at the score 10.

22. Out of Order of Striking-out.—If a player act as striker-out out of his turn, the player who ought to have acted as striker-out shall be striker-out as soon as the mistake is discovered, unless a group of five services shall have been completed before such discovery, when the order of striking-out shall continue in the subsequent groups of services as if the sequence had not been discontinuous. In any circumstances, all points scored before the discovery shall be reckoned.

23. The Order of Play.—The server shall first make a good service, the striker-out shall then make a good return, the partner of the server shall then make a good return, the partner of the striker-out shall then make a good return, the server shall then make a good return, and thereafter each player alternately in that sequence shall make a good return.

APPENDIX TO LAWS: KNOTTY POINTS.

Decisions of the Rules Committee of the International Table Tennis Federation.

1. Edge Balls.—The phrase, "Table Surface" is to be interpreted as including the top edges and corners of the table-top, and a ball in play which strikes these latter is therefore good and still in play; though if it strikes evidently the side of the table-top below the edge, it becomes dead and counts against the last striker.

2. Ball Returned with Empty Hand.—If a player drop his racket, he cannot return the ball with empty hand. (See definition, "the racket hand is the hand carrying the racket.")

3. Racket Thrown at Ball.—If in returning the ball the racket leave the player's hand, it is a good return only if it were still in his hand at the moment of contact with the ball (see Law 11, "a ball . . . shall be struck"), and if it do not touch the net or move the table surface (Law 13 c, d) before the ball is out of play.

4. Missed Service.—If a player in attempting to serve miss the ball altogether, it is a lost point (Laws 10 and 15) because the ball was in play from the moment it left the server's hand, and a good service has not been made of the ball already in play.

5. Volleyed Net Service.—A net service is a let not only if otherwise good, but also if it be volleyed by the striker-out. (See Laws 12 (a) and 14 (b).)

6. "Flat Hand" in Service: Interpretation.—The free hand, maintained *flat in a horizontal plane* throughout the service, must release the ball by being lifted up or dropped away *in a vertical plane* (up or down). The hand must not turn over or move sideways. Umpires will, of course, remember that the object of this strict interpretation is not to impose on the server an exact geometrical pattern, but to prevent attempts to secure advantage by either evasion of the rule or general careless disregard.

7. Ball Fractured in Play.—If the ball split or becomes otherwise fractured in play, *affecting a player's return*, the rest is a let (Law 12 c). It is the umpire's duty to stop play, recording a let, when he has reason to believe that the ball in play is fractured or imperfect; and to decide those cases in which the faulty ball is clearly fractured in actually going out of play, and in no way handicaps the player's return, when the point should be scored. In all cases of doubt, however, he should declare a let.

8. Fixtures.—A moving spectator, a neighbouring player, a sudden noise, i.e., any neighbouring object *in movement* (except a partner) should be regarded as an accident not under control (Law 12 c), interference from which implies a let. A stationary spectator, fixed seating, the umpire, the light, a nearby table, a continuous sound of even volume, i.e., any *relatively constant or motionless* hazard, should not be so regarded, and complaint against interference from it during play should be regarded as void.
