## HISTORY

Following upon the great popularity of the original Ping-Pong in the early part of the present century, the Ping-Pong Association was formed in 1902, to organise championships and tournaments, chiefly in London. The "boom" year was 1904, but it was only a temporary craze, as, although the P.P.A. was still in existence in 1905, it appears to have collapsed during that season. Whilst the game seems to have died out in the home counties, it was apparently still being played in the provinces, but without any governing body.

In 1921-22, the P.P.A. was resuscitated by Messrs. P. Bromfield and J. J. Payne, who were joined by Hon. Ivor Montagu, Mr. J. M. Rose and Mr. A. F. Carris. The National Championships were run that season, and entries received from all parts of the country. Difficulties soon arose, however, not only in regard to the title, when it was discovered that Ping-Pong was a registered trade name, but also through the Association being unrepresentative of the provincial centres. The old Ping-Pong Association therefore dissolved and re-formed under the title of "The Table Tennis Association." The new body was hampered by difficulties, and as their energies were devoted to formulating standard rules, popularising the game, etc., no attempt to form a democratic governing body could be made.

At the Annual Meeting in 1925, an emergency committee, with Mr. Montagu as President, and Mr. W. J. Pope as Secretary, was authorised to redraft the constitution. In 1926, revised regulations were circularised in the provinces and a National Delegate Conference was held in London, on April 24th, 1927. The new constitution, which confirmed the provisional appointments and provided for the new title, "The English Table Tennis Association," was adopted.

The first Chairman and Secretary were, of course, Mr. Montagu and Mr. Pope respectively. They stayed in office for some years, and were together primarily responsible for establishing the new national body on sound foundations. They worked prodigiously hard until Mr. H. M. Bunbury, of Manchester, assumed the Chairmanship in 1929, Mr. Montagu being appointed President. Mr. D. W. Poupard became Secretary one year later, after Mr. B. L. Hookins, of

Pontefract, had had a brief term. Mr. H. Oldroyd, also of Manchester, was elected President in 1931, and still retains very worthily the dignity of his office. Mr. Montagu returned to the chair in 1932, with Mr. G. W. Decker as Secretary; these two being succeeded in September, 1933, by Mr. C. Corti Woodcock, of London, and Mr. J. Siddron, of Manchester, respectively. The last-mentioned appointments were renewed in April, 1934, together with that of Mr. A. K. Vint, of Hastings, Hon. Treasurer since 1931. In April, 1935, Mr. Woodcock and Mr. Vint were re-elected and Mr. W. J. Pope displaced Mr. J. Siddron as Secretary, and in 1936 Mr. Woodcock resigned and was replaced by Mr. Montagu. Interesting names appearing on the list of Vice-Presidents include Messrs. Bunbury, Bromfield and Perry (father of our ex-world champion, Fred J. Perry). In the last groups elected were further valuable additions in the persons of the Dowager Lady Swaythling, Mr. A. F. Carris and Mr. P. E. Warden.

The progress of the E.T.T.A. since 1927 is shewn by the following figures of the numbers of Leagues in membership then and in succeeding seasons: 19; 21; 23; 32; 38; 52; 71; 102; 121; 158; 206. In 1938-39, there were 230 Leagues affiliated, embracing 4,100 Clubs and 75,000 individual members.

After the war, when normal activities were resumed, the Association started, in 1945/46, with 110 Leagues affiliated, in 1946/47 the number was 178, and in 1947/48 236 Leagues with approximately 75,000 members. In 1948/49 the figure was 256 Leagues.

In 1935, after an interval of eight years, the World Championships returned to England, and the great crowds which thronged the London University and Imperial Institute and the 8,000 people who packed the Empire Pool and Sports Arena, Wembley, proved that the game had won its place in public favour as a thrilling spectacle.

In 1936, the Empress Stadium at Earls Court housed a crowd of 7,000 people for the finals of the National Championships, and in 1937 the Wembley Arena was again filled. In 1938, once again the World Championships came to London, and the preliminaries packed the Albert Hall every night. Excursions from all over England made up another 9,000

attendance on Finals night at Wembley, and the E.T.T.A. maintained its high standard of organisation and conditions.

In 1938, the English Championships were held at Blackpool, returning to the Albert Hall and Wembley the following season, with play, crowds and enthusiasm scarcely below the previous year's World Championship level.

On the outbreak of war, it was decided at a special General Meeting to give the National Executive full power to carry on the work of the Association, which they did until September, 1945, when the normal constitution was resumed. During the war the office, records and equipment were completely destroyed by bombs, but in spite of this added difficulty in carrying on, a sum of over £10,000 was raised for the Red Cross and other war charities, and nearly 200 exhibitions were arranged for H.M. Forces, Civil Defence organisations, etc.

The first post-war year produced a clear indication that a quick revival in the game could be expected. The National Open Championships were held in March, 1946, when the Wembley Arena was again filled by a 9,000 crowd for the finals.

The season 1946/47 can be said to be the first season of the post-war boom. There was a large increase in Leagues, and the National Championships, the Finals of which, again played at Wembley, were characterised by a tremendous rush for tickets from affiliated players and the general public. The 9,000 tickets available were early sold out and it was obvious that the demand for spectacular Table Tennis was as great as ever. In the first year of the Europe Cup competition, the Women's event was won by our players. The American players who came from the World Championships to London to take part in our National Championships, took part in a tour throughout the provinces. Another outstanding feature was the winning of the Marcel Corbillion Cup Competition by our women's team.

The World Championships returned to England in 1947-1948 and were played at the Empire Pool and Sports Arena, Wembley, taking 8 days to complete. There was a record entry and the Championships were a great success. Richard Bergmann and Viktor Barna, now naturalised British subjects, were selected to play for England in the Swaythling Cup com-

petition but we were defeated by U.S.A. Bergmann won the Men's Singles defeating Vana in the final and Mrs. Vera Thomas lost in the Women's Singles Final to Miss G. Farkas of Hungary. The Championships were a great organisational success and added further prestige to the game in England. England again won the Corbillon Cup and the Women's Europe Cup.

In 1948/49, the World Championships were played in Stockholm, and, for the first time since 1929, when Fred Perry won, the Men's Singles came to England by the victory of Johnny Leach, who beat Vana in the Final. In the Europe Cup Matches England beat the Slovakia "B" team in the Men's Competition, and our Women lost to Hungary after holding this trophy for two years. Hungary won the Swaythling Cup and the U.S.A. won the Corbillon Cup. In the English Championships, the Finals were again played at Wembley. M. Reisman (U.S.A.) won the Men's Singles, beating Victor Barna in the Final, Miss McLean (U.S.A.) won the Women's event and on this occasion the semi-finals were also played at the Empire Pool, Wembley. Mrs. Vera Thomas (Vera Dace) and Mrs. Devenny (Dora Beregi) were unable to play during this season and our Women's team was much weakened by their absence.

During this season the legal position of the Association came under consideration. With the growth of the game and the affiliated membership, the increase in its income and its expenditure presented certain problems. The rent of Headquarters, the employment of Staff and the incurring of financial liabilities in all directions brought to light the fact that the officers of the Association were legally responsible as we were an unincorporated organisation. After discussing the matter for a considerable time the National Executive Committee consulted Counsel on the matter, and as a result of legal advice decided to recommend to the Annual General Meeting that we should become an incorporated body. This necessitated alterations to our Rules and Constitution, which were accepted at a Special General Meeting, and the matter is now in the hands of the Association's Solicitors in order that the Company should be formed.

(b) No affiliated Organisation or Club shall make any payment, other than expenses, to a member for any of the above activities unless the member has been registered or has received specific permission as above. Any affiliated Organisation or Club making a payment, in excess of expenses, must report the payment to the County Secretary concerned (or if there is no County Secretary of that area then direct to the Secretary of the English Table Tennis Association) specifying the amount and the service rendered, within fourteen days of the payment. The County Secretary in turn will inform the Secretary of the English Table Tennis Association.

(c) No registered player shall be paid or receive any reward or remuneration other than expenses (return fare, hotel accommodation, meals) for playing in a representative match or Open Tournament, except as (d) below. A representative Match is one in which a player is playing for his club, league, county or Country against another team, league, county or Country. Proper Trial matches organised by clubs, leagues, counties or the National Association for the purpose of selecting representative teams shall rank as representative matches.

(d) Prizes of £3 or less in value may be awarded or accepted without special permission other than the general sanction granted for the holding of Open Championships. No prize may exceed £3 in value. Badges and colours may be awarded and accepted for participation in Representative matches.

(e) No registered player may receive payment, other than expenses, for playing in any form of competition (even if of a closed or invitation character) without specific permission of the National Executive Committee of the English Table Tennis Association except as provided in (d) above.

(f) Betting in any shape or form on players or matches is strictly prohibited.

### 2. Method of Registration

(a) Application for registration shall be made to the Secretary of the English Table Tennis Association in writing and should be accompanied by the registration fee and, where the applicant is a member of a league, by a certificate of approval signed by the League secretary and where the League is a member of a County Association, countersigned by the County secretary. Where the applicant is not a member of a League the approval of the Secretary of the County in which the applicant resides must be obtained. Where the applicant

is not a member of a League and there is no County body concerned, direct application should be made to the Secretary of the English Table Tennis Association.

(b) Application shall be renewed with fee and the requisite certificates for each year for which registration is desired.

(c) Applications for registration shall be reported to and dealt with by the National Executive Meeting next following the application provided that, where adequate grounds of emergency exist, the Secretary of the English Table Tennis Association may himself grant provisional registration, subject to review of the grant at the National Executive Committee meeting next following, always provided, where a League or County Association is concerned, that the appropriate signatures have been obtained.

(d) Registration is valid from the date of registration to the 30th June next following but may be cancelled by the National Executive Committee in the event of a breach of these rules and for other misdemeanours.

(e) The fee that must accompany each application is £1. Where registration is granted provisionally it shall not be returnable even if cancelled upon review. Nor shall it be returnable in the event of cancellation under (d) above.

(f) In the event of a refusal of signature by the appropriate League the would-be applicant may appeal to the County Association concerned who may, if they think fit, send forward the application without the League's approval. In the event of a refusal by both the League and the County the would-be applicant may appeal to the National Executive Committee of the English Table Tennis Association, accompanying the appeal with a fee of £1, which may be forfeited in the event of the appeal not being sustained.

### 3. Code for Registered Members

(a) They shall not enter into any contract for exclusive play under particular auspices or on particular premises, or for the exclusive use of particular equipment, that might prevent them from entering an Open Championship or from accepting the instructions of the duly appointed captain in a representative match.

(b) They shall not allow their names to be used on publications they have not themselves written.

(c) They shall not allow their names to be used on equipment not designed by them.

(d) Except with the permission of the Secretary of the English Table Tennis Association, they shall not enter into any contractual obligation liable to clash with participation in the World's Championships or Open National Championships.

(e) When invited to represent their country in a representative match or competition, they shall not play in any clashing event, unless so obliged by previous contract, and shall, in any case, use their best endeavours to obtain release from such clashing contractual obligation, provided they can do so without financial penalty.

**NOTE.** Registered players are expected to make themselves available whenever possible when invited to represent not only their country but their county as well, in representative matches and Open Championships. A persistent refusal to make reasonable contribution in this respect may affect the views entertained by the responsible authority towards subsequent applications for registration.

(f) They will not appear in any competition or exhibition, other than one organised by a duly affiliated County Association, League, Club or other body of the English Table Tennis Association without the sanction of the County Secretary concerned and a member of the National Executive Committee, which must be notified to the Secretary of the English Table Tennis Association in accordance with Rule 20, or with the consent of the County Secretary concerned and the Secretary of the English Table Tennis Association, in writing. This sanction may be granted for a single event or for a series; it shall be withheld only if the promoter of the event, the location of the proposed premises, the details and the nature of the proposed exhibition or the fact of clashing with an event locally organised by an affiliated body or with a co-ordinated County programme so as to be injurious to the latter, are such that the event is liable to be injurious to the best interests of Table Tennis.

(g) They may accept any engagement for an exhibition, for coaching or for participation in a closed or Invitation tournament with prizes not exceeding the scale fixed in 1(d) from any authorised club, league or Association affiliated to the English Table Tennis Association provided that the sponsoring Association, league or club, if within the area of a County Association, has obtained the consent of the County Secretary or, if not within the area of a County Association, has obtained the consent of the Secretary of the English Table Tennis Association. An appeal against the refusal of a County Association to allow an engagement may be made to the National Executive Committee of the English Table Tennis Association. They may accept, without formality other than Registration, any payments for broadcasting, filming, organising, writing and in relation to equipment.

#### **4. Organisation of Registered Members**

Registered members shall elect and shall be entitled to be represented by a committee of six (of whom at least one shall be a woman). All members registered at 1st October shall be entitled to vote in the election. The committee thus elected shall function until the election in the following season. It shall be entitled to fill any vacancies by co-option and shall choose its own Chairman and Secretary, who may attend the Annual General Meeting of the English Table Tennis Association, with voice but no vote, and two of its number, one from the North and one from the South, shall serve on the panels commission. The National Executive Committee of the English Table Tennis Association may consult this committee on matters concerning registered members.

#### **5. Panels Commission**

(a) Any registered player desiring to be placed on the "Approved coaches' panel" or on the "Approved Exhibition players' panel"

shall apply to the Secretary of the English Table Tennis Association,

(b) The applicant shall specify name, address, telephone number, age (number of years playing, number of exhibitions played per year, with whom, etc., or names of players coached), League played for. He shall also enclose testimonials from individuals, pupils, Leagues, County authorities, also press cuttings, etc.

(c) Panels of approved applicants shall be drafted before the commencement of each season by a Panels Commission on which shall serve three members of the National Executive Committee of the English Table Tennis Association and two Registered members, elected as above. All decisions of this Panels Commission shall be endorsed by the National Executive Committee of the English Table Tennis Association, to whom all appeals against non-inclusion may be made. Applications to be added to the Panels during the season shall be made to the Secretary of the English Table Tennis Association, who will submit names to the Panels Commission for decision.

(d) These panels shall be circulated to affiliated organisations and made available to the General Public on request. The complete current panels shall be published in the Handbook, and in the earliest possible edition of the Magazine and in the first edition of each year. Additions shall be published in the next succeeding issue of the Magazine.

#### **6. Warnings**

(a) The list of players registered on the 1st October in each season, and the bi-monthly additions thereto, shall be circulated to Secretaries of County Associations, affiliated Leagues and directly affiliated clubs, together with a warning that any payment, other than legitimate expenses, to players not appearing on the list or payments to Registered Members without the necessary permissions mentioned above, renders offending Organisations as well as players liable to disciplinary action.

(b) A copy of these regulations shall be furnished together with the notification of the grant of registration to every Registered Member and shall appear in the handbook.

**NOTE.** Players who play abroad under auspices affiliated to the International Federation are subject, as far as payment and other matters are concerned, to the regulations of the Association governing the country where they play. In addition to observing the Regulations of the English Table Tennis Association, with which players are urged to familiarise themselves, every player is advised to ascertain that his Table Tennis abroad conforms to the Regulations of the Governing Body of the Country concerned.

Further, every player is advised to ascertain that the auspices under which he plays are properly affiliated to, and acting in accordance with, the decisions of an Association in membership with the International Table Tennis Federation. Finally, every player is advised not to enter into any contract in this country which will oblige him to be the participant in infringement of the Regulations of the Governing Body of any Nation in membership with the International Table Tennis Federation. Disregard of this warning may render a player liable to penalty of another Association, confirmed by the English Table Tennis Association at its request.

The closing rounds shall be between the zone winners, with the proviso that, if the zones exceed eight, the entrants shall be reduced to eight by a draw between the zones where the original entrants did not exceed eight.

9. The league first drawn in each tie shall have the right to play at home except (a) where a combination is drawn that has occurred previously in the competition, the right shall be that of the league not drawing that right on the last previous occasion of the combination, and (b) that, when the surviving entrants are reduced to four or fewer, the Committee may at its discretion cancel any right to play at home as drawn and order the match upon a neutral table.

10. The draw for each round shall be made separately, and shall be circulated immediately to each surviving entrant.

11. The first of the preliminary rounds shall be played prior to such date as may be decided annually by the sub-committee and each succeeding round shall be played within 24 days thereafter.

12. Ties must commence within 30 minutes of the time fixed for commencing the tie. Any player not present when called upon to play by the Referee shall forfeit the match for which he is called. Inability of regular players to play shall not be deemed a sufficient reason for the postponement of a match. In such cases reserves or other players must be played. Any entrant playing with less than the full number of players shall be held to have committed an offence and shall be reported to the Management Committee and shall furnish an explanation and may be barred from future participation in Championships.

13. The winning league shall be responsible for forwarding within 48 hours of the result, the scores countersigned by a representative of the losing league and the entry fee for the succeeding round. Failure to fulfil this shall render the offending league liable to disqualification in the current and succeeding seasons.

#### PLAYING CONDITIONS—

14. The ball may be any ball currently approved by the E.T.T.A.

15. The minimum playing space provided by the home team shall be thirty-six feet by eighteen feet.

16. A referee for each tie shall be appointed by the Home team before its commencement.

17. All applicable regulations for the time being in force of the E.T.T.A. for Open Competitions shall be in force for the J. M. Rose Bowl competition.

18. The expenses of each tie shall be defined in the following manner: Visitors' expenses (cost of fares for party not exceeding four); Home expenses (cost of provision for the occasion of hall, lighting, tables, nets, balls, printing, postage and advertising up to £4, hospitality for party not exceeding four).

The home team shall in any case be responsible for 50 per cent. of the visitors' expenses, whatever the receipts, unless the venue of the tie shall have been reversed in accordance with rule 21. The first charge upon the gross receipts after deduction of Entertainment Tax shall be 75 per cent. of visitors' expenses and the whole of the home expenses in proportion, and the second charge shall be 25 per cent. of visitors' expenses and the whole of the home expenses in proportion. Any profit shall be divided 75 per cent. to the Home League and 25 per cent. to the Visitor League.

19. All expenses and profits as defined in Rule 18 that may be due to the Visitor League shall be forwarded to the Visitor League by the Home League within fourteen days of the playing of the tie, together with a copy of the Balance Sheet. The Visitor League shall report any failure to comply with this rule to the E.T.T.A. Secretary, who shall place the matter before the Management Sub-Committee, which may refer the case to the National Executive Committee for disciplinary action.

20. Provided that if the Committee exercise its power, as set out in Regulation 9b, to order all or any of the last four ties to be played upon a neutral table, the E.T.T.A. shall be responsible for the whole of the Visitors' Expenses and Home Expenses as defined in Regulation 18 above, and shall take the whole profits, less ten per cent. to each of the competing leagues.

21. A league having the right to play at home must play at home, and shall notify both the E.T.T.A. Secretary and the Visitor League Secretary of its acceptance of responsibility for the tie at home, unless both leagues are in agreement to reverse the venue of the tie, in which case the E.T.T.A. Secretary must immediately be informed.

#### GOVERNMENT—

22. The competition shall be managed by a sub-committee duly appointed for that purpose by the E.T.T.A., and the decision of that sub-committee shall be final on all matters arising out of these rules.

23. The sub-committee shall have power to extend the intervals between playing of rounds laid down in Rule 11, according to the number of entries for the competition in each season. The dates for the later rounds decided by the Sub-Committee shall be circulated at the same time as the draw for the preliminary and first rounds. These dates may be altered thereafter only at the request of all captains concerned in the tie to be altered and by consent of the sub-committee.

24. These Rules may be altered only at an A.G.M. of the E.T.T.A., and by consent of a simple majority of a Trustee Committee consisting of the following persons or their nominees: I. Montagu, H. Oldroyd, W. J. Pope, J. M. Rose, A. K. Vint.

The winner of the competition in each year to be the holder until the round preceding the final of the competition in the next succeeding year of the Bowl presented for this purpose by J. M. Rose.

## REPORT OF THE EXECUTIVE COMMITTEE FOR THE 1948-49 SEASON

THE SEASON of 1948-49, the second in the history of the National County Table Tennis Championships, was successful from all points of view, 27 teams from 22 counties competing in 5 divisions, a substantial increase on the preceding season's figures of 19 teams, 15 counties and 3 divisions.

Middlesex were again successful in the Premier Division, as were Hampshire in the Southern Division. Cheshire became champions of the Northern Division, after a close fight with Yorkshire 2nds, whilst the two new divisions were won by Middlesex 2nds (Home Counties) and Nottinghamshire (Supplementary).

Cheshire exercised their right to challenge Yorkshire, who finished at the foot of the Premier Division, for a place in that division next season, but Yorkshire won by 7 ties to 2, and retained their position.

The Executive Committee decided to again stage the event, the Champion County versus The Rest of England, and the original arrangement was to play this match at Messrs. Handley Page's Canteen at Cricklewood on the 27th April, 1949. However, an unexpected development rendered this impossible, and in view of the late stage of the season, it was felt better to rearrange the match for the start of the 1949-50 season, and arrangements are now in hand for the playing of this match at the Paddington Baths on Friday, 21st October, 1949, and the B.B.C. are again to televise, as per last season.

The Executive Committee again co-opted Mr. S. H. Kempster as Hon. Publicity Secretary, and further progress was made in publicising the Championships.

The Executive would like to place on record their appreciation of Johnny Leach's magnificent performance in winning the World singles title at Stockholm this season.

With the growth of the Championships, many problems have to be faced for the coming season, not the least of which are the fitting of fresh applicants into the structure of the Championships, but the retiring Executive are confident that solutions will be found to all difficulties, and that the Championships will forge ahead to even greater triumphs.

For the Executive Committee.  
G. R. HARROWER,

(Hon. General Secretary).

### ADDENDUM

The Executive Committee wish to place on record their keen appreciation of the work carried out by the Hon. General Secretary during the past season. The work of the Championships of necessity must fall on Mr. Harrower, and the increase in membership of eight teams and seven counties has been largely brought about by his activities. We are more than grateful for all that he has done.

## RULES OF THE NATIONAL COUNTY TABLE TENNIS CHAMPIONSHIPS

### 1. Membership

The County Table Tennis Championships shall be organised annually and all County Table Tennis Associations in membership with the English Table Tennis Association shall be eligible to take part in these Championships.

### 2. Divisions

The Championships shall consist of one or more premier divisions (in which not less than four nor more than seven counties shall take part in any one division) and one or more regional divisions of similar composition, but in the regional divisions the second teams of counties in the premier divisions may take part. Where there are four teams in a division, they shall each play each, home and away in the same season, but where there are more than four teams, they shall play each other once only per season, home and away in alternate seasons. It shall be within the discretion of the Executive Committee to admit more than one team from any County. The closing date for entries shall be 15th June.

### 3. Relegation and Promotion

The highest team in each regional division, not being second teams, shall play off, if it is the wish of all or any to play in the Premier division during the following season. The winner of the play-off shall have the right to challenge the lowest county in the Premier division for its place for the following season.

### 4. Championships Council

The affairs of the Championships shall be managed by a Championships Council consisting of two members of each County Association, one being the County Secretary, with the addition of two members of the National Executive Committee of the English Table Tennis Association who are not County Secretaries.

### 5. Council Meetings

The Championships Council shall meet twice annually : (a) An Annual General Meeting in June of each year to appoint officers and an executive committee to be responsible for carrying out the Championships and to make arrangements for fixtures and any other competent business. At this meeting the Hon. Secretary shall present the Annual Report of the Executive Committee, and the Hon. Treasurer shall present an Audited Statement of Accounts. (b) In February or March of each year to decide any alterations to the Rules of the Championships.

#### 6. Executive Committee

The Executive Committee shall consist of the Officers of the Championships and one representative from each division, together with one member of the National Executive Committee of the English Table Tennis Association.

#### 7. Officers

The Officers of the Championships shall be a Chairman, Secretary and/or Treasurer who shall be elected from those members of the Championships Council who represent County Associations. A Publicity Secretary may also be appointed at the discretion of the Executive Committee, but not to be a voting member.

#### 8. Finance

(a) Each County Association, on admission, shall deposit with the Treasurer £1 per team and at the conclusion of the Season shall contribute to the funds, for each of its teams, an amount equal to the past year's expenses (less any income) divided by the number of teams participating. (b) The first charge against the admission receipts in every match played shall be Entertainments Duty, the second charge 2½ per cent. of the nett receipts (i.e., after deduction of Entertainments Duty) to the funds of the Championships. Where a division is made up of four teams, playing home and away matches in the same season, the Home County shall receive 97½ per cent. of the nett receipts. In all other divisions, the Home County shall receive 60 per cent. of the nett receipts, and the Visiting County 37½ per cent. of the nett receipts. Should 75 per cent. of the Visiting County's expenses exceed their 37½ per cent. share of the nett receipts, the Home County shall in addition pay to the Visiting County the difference between the two figures. A match shall not be arranged unless a charge is made for admission or a guarantee given that a Visiting County shall receive their travelling expenses. The Home County shall furnish the visitors and the Treasurer of the Championships with a balance sheet within fourteen days of the match and shall forward at the same time the amount to which each is entitled. (c) For the purpose of determining the Visiting County's expenses, the following scale shall be observed: travelling expenses, or third class rail fare for a party not exceeding five, whichever is the less, plus hotel accommodation including breakfast at a cost of 15s. per head if it is impossible for a Visiting County to return to their homes at a reasonable hour; or car hire or taxi fare where it would be possible for the Visiting County players to return to their homes the same night, providing the said car hire or taxi fare would be less than the combined cost of third class return rail fare plus hotel accommodation. (d) No expenditure shall be incurred by the Executive Committee in excess of the amounts in the hands of the Treasurer without an authority from the Championships Council.

#### 9. Date of Matches

The latest date for each match shall be decided by the Executive Committee, but the two counties concerned may play the match

on any earlier date by mutual consent. Matches which are postponed beyond the fixed last date must be played by a second date fixed by the Secretary of the Championships and only with his prior consent, the application to come from both counties concerned together with a fee of 5s. from each county.

10. The Home County shall communicate with the Visiting County at least six weeks in advance of the date of playing a match, and the two counties shall mutually agree a date at least four weeks in advance, such date to be before the fixed last date. When the date has been fixed the Secretary of the Championships must be notified by both counties. In the event of failure to agree a date the Executive Committee shall make a decision as to the date on which the match shall be played.

11. At least fourteen days prior to the match the counties shall supply each other with the names of their players, and of not more than two reserves, in order of merit. Substitution, except for those already notified, shall only be allowed for good reason, which must be stated and agreed to by the Secretary of the Championships.

12. The home team shall send complete results to the Secretary within 48 hours after the match is played, on the form provided, and signed by both Captains, if they agree the result.

13. (a) A match shall consist of nine ties, each the best of three games, comprising six men's singles, one ladies' singles, one mixed doubles and one ladies' doubles, with the proviso that if both County Secretaries are in agreement a men's doubles may be substituted for the ladies' doubles. Should there be no agreement between the two Secretaries, the ladies' doubles must be played. No man shall play more than three ties in a match, and no lady more than two ties.

(b) Two points shall be awarded for a win in each match, the positions in each division being determined by the number of points won. In the event of the number of points being equal, the number of ties won shall determine the position.

14. Subject to any arrangement mutually agreed upon, the order of play shall be as follows:—(A, B and C being the home team in order of merit and X, Y and Z being the away team in order of merit). C v Z, A v Y, doubles (ladies' or men's), B v X, Ladies singles, C v Y, Mixed doubles, B v Z, A v X.

15. Any tie not commenced within 15 minutes of the time fixed for the start of the match, or within five minutes of the end of the previous tie, owing to the absence of one player, shall be forfeited to the opposing team. If both players are absent the tie shall not be counted.

#### 16. Default

Any failure to comply with these Rules or with those of the English Table Tennis Association shall not entitle the opposing

county wilfully to refuse to play a match, but may be the ground of a complaint or, if the county is seriously prejudiced in its arrangements or in its play, of a claim that the match be forfeited. No complaint or claim with respect to the playing conditions shall be entertained unless a complaint was made to the home team captain before the commencement of the fourth rubber of the match.

#### 17. Claims

A county may, within 48 hours after the time agreed for the playing of a match, send the Secretary a Claim (see Rules 25-27) that the match shall be forfeited to it.

18. The Secretary shall immediately forward a copy of any Claim received to the opposing county.

19. The opposing county, if it wishes to refute the Claim, shall send an Answer (see Rules 25-27) to the Secretary within 48 hours of receiving it.

20. The Secretary shall immediately send a copy of an Answer received to the claiming county, and copies of both Claim and Answer to the Referee (the Chairman of the English Table Tennis Association) with, if necessary, a short statement of the position.

21. The decision of the Referee on a Claim shall be final.

#### 22. Forfeiture

If no result or Claim is received three clear days after the date on which a match is due to be played, the Secretary shall notify the two counties that the match will be forfeited by both unless either an application for an extension of time, accompanied by a fee of five shillings, or a claim, or the result accompanied by a fee of two shillings and sixpence, is received by him within three days. A claim received shall be treated as a claim under Rule 17.

23. If no Answer is received within three days of the sending of a copy of a Claim to a county the Secretary shall notify the county that its match has been forfeited to the claiming county.

#### 24. Appeal

A county may appeal against any forfeiture of a match under Rule 22 or 23. An appeal (see Rules 25-27) must be received by the Secretary within three days of the dispatch of the notice of forfeiture, and shall be treated as a Claim or Answer as the case may be.

#### 25. Form of Procedure

Every Claim, Answer and Appeal shall be in triplicate, and must state the full grounds on which it is made, including any Rule infringed, any game affected or claimed, and where necessary a proper reply to any alleged default.

26. No amendment of or addition to a Claim or Answer shall be allowed, but a county receiving a copy of an Answer may inform the Secretary by return of post if any statement therein is incorrect.

27. Any Claim, Answer or Appeal which is not in the proper form or which is out of time shall be ignored.

#### 28. Penalties

Whatever its outcome, every claim, forfeiture and complaint shall be made the subject of a full report at the next meeting of the Committee which shall have the power in the case of any default described in Rule 16, non-arrival or undue lateness at a match, to impose on the delinquent county or player a fine not exceeding five pounds and/or suspension from participation in the County Championships. Any county or player failing to pay a fine imposed within seven days shall be automatically suspended from participation in the Championships until the fine is paid. The County Championships Committee may award all or any part of any fine imposed to the opponents and/or the body staging the match.

#### 29. Qualification

(a) Players shall always be qualified to play for the county of their birth, but shall also be able to qualify to play for a county in which they take up residence, provided they shall notify the Secretary of the Championships, such qualification to date from one year from the date of taking up residence, any previous residential qualification remaining whilst qualifying for the new county. A player who wishes to play for any other county must apply to the Secretary of the Championships, giving reasons, and the Executive Committee may grant such application if they are satisfied that the player is a bona-fide member of a league within that county, and that he or she lives within five miles of that county's boundary, and shall have represented their league in Wilmott Cup or J. M. Rose Bowl matches in the preceding and current seasons. No player may play for more than one county in the same season. (b) Notwithstanding anything appearing under Rule 29(a) a player who shall have appeared for his county in championship matches upon not less than six occasions, not necessarily in one season, shall thereafter always be qualified to represent that county, unless the player cancels the qualification by subsequently appearing for another county.

30. English Table Tennis Association tournament rules on playing conditions to be observed.

31. All players to be registered, in order of merit, at the commencement of the season, with the Secretary of the Championships. Additional players can be registered, and the order of merit altered, on the first of each month. The player's qualifications (see Rule 29) to be stated at the time of registration.

32. A player having played twice for his county side, shall not thereafter in the same season play for his second team without the prior consent of the Secretary of the Championships.

33. The first three men and two ladies in each county's order of merit shall not be eligible to play for their second team.

34. In the event of any question or matter arising which is not provided for in the foregoing Rules, such question or matter shall be dealt with by the Executive Committee, whose decision shall be final.

35. No addition to, or alteration or rescission of these Rules shall be effected unless approved by the National Executive Committee of the English Table Tennis Association.

### THE CHART SYSTEM FOR ARRANGING LEAGUE FIXTURES.

The Chart System has now become a necessity to all Table Tennis Organisers. In order that clubs can compete in leagues, they must be able, if they enter more than one team, to be *certain* that two teams from the same club will not be called upon to play at home in the same week. This can always be *guaranteed*, providing the divisions making up a league have the same number of teams in each, irrespective of whether the two teams are in one division, or separate, and irrespective of how many clubs enter with two teams.

Most leagues to-day publish their own handbook, and the amount of space taken up by printing fixtures is considerable. This can be cut down to a maximum of two pages (including explaining the chart) by using the chart system. Even if you decide to print your fixtures in full, you will find that, to obtain satisfactory fixtures, you must prepare them with the aid of a chart.

The following charts can be used for divisions from 6 to 12 teams: if an odd number of teams, say 7, you give a blank week to the team due to play No. 8 in each case. Use of these charts guarantees that no team is ever called upon to play three consecutive home or away matches, and that they get the maximum possible number of alternate home and away games. Furthermore, by using the combinations shown underneath each chart, you safeguard your clubs and their few match nights. For example, if you have a club with two teams, one in the premier division and one in the third division, with only one home night, allot the first team to position No. 1 in the premier division, and the second team to position No. 5 (for divisions of eight) in the third division. It should be noted that although only four combinations are listed as alternates for divisions of eight, these combinations can be reversed; i.e., 5 and 1, 6 and 2, giving eight combinations for eight places, covering every possibility.

The tables used cover the first half of the season, and the letter "a" denotes an away match. For example, again quot-

ing from divisions of eight, Team No. 1 plays Team No. 8 at home in the first week, and then meets Team No. 7 away in the second week. Obviously, for the second half of the season, the homes and aways are reversed.

Shortage of space precludes giving all details, but further information can be supplied and queries answered if a communication is sent to the Association.

There is a way in which EACH team can play alternate home and away matches, providing that two extra weeks can be devoted to the league programme. Obviously, this is more satisfactory if time permits, and you are recommended to use the charts numbered 4, 5, 6 and 7.

4. **Selection Committee.**—A Selection Committee was appointed consisting of Messrs. I. Montagu (Chairman), G. R. Harrower (Secretary), E. Reay, E. Worsley, L. E. Forrest, D. H. Thompson and T. E. Sears. The subsequently appointed Captains, A. A. Haydon and Mrs. M. Knott, were co-opted, and T. E. Sears was appointed Captain of the Juniors. Mr. L. E. Forrest resigned his membership of the Committee in December and Mr. S. Proffitt was appointed in his place. The following trial matches were held: Women's match, North v. South, at Newcastle. Juniors' Trial in London, and on the next day Juniors and non-international young players. Final Men's and Women's trials for the Swaythling and Corbillion cup teams. A women's trial for the team for the challenge round of the Europe Cup is under consideration. Following the Women's Final Trial for the Corbillion Cup team a protest at her non-inclusion was received by the Selection Committee from Miss M. Jones. The Selection Committee considered the complaint and decided to take no action. A further protest on the same subject was received by the Executive Committee from the Gloucestershire County Association, and they resolved unanimously to affirm their confidence in the Selection Committee.

5. **International Matches.**—The following International matches were played during the season:—

\* Europe Cup matches.

England has thus won the inter-zone final in the Europe Cup competition (Men) and qualify to meet Slovakia—the holders. This will take place on May 9th at Bratislava and may be preceded by a match v. Czechoslovakia in Prague on May 7th. Europe Ctp (Women) England, as the holders, were exempted until the Challenge Round and the challenging country—Hungary—asked that the match should be played at Budapest on May 12th. Arrangements have been made to play the match on this date at Budapest.

A summary of the results of all International matches to date shows that of the 28 matches played we won 23, lost 5 and scored 121 games against 40 (this includes the Swaythling Cup and Corbillon Cup matches).

The players selected for the Senior matches were:—

**Men.**—\*G. V. Barna, \*R. Bergmann, \*J. Leach, \*R. Sharman, \*A. W. Simons, K. Craigie, B. Casofsky, J. Carrington, R. Crayden, E. J. Filby, B. Kennedy, D. Miller, A. W. Shepherd, K. Stanley.

**Women.**—\*Miss L. R. Barnes, \*Mrs. J. Crosby, \*Miss M. Franks, \*Miss A. Wood, Mrs. I. Lentle, Miss E. Steventon, Miss M. Jones.

(The players marked \* composed our Swaythling Cup and Corbillon Cup teams.)

The players appearing in Junior matches were:—

L. H. Devereux, D. G. Ellison, W. H. Pierce, R. Baker.

The following have acted as Captains of teams during the season:—

Mrs. M. Knott, A. A. Haydon, J. Carrington, J. Leach, B. Casofsky, E. J. Filby, and T. E. Sears (Juniors).

6. **The World Championships at Stockholm.**—As well as the English Swaythling Cup and the Corbillon Cup teams, a party of enthusiasts and English players visited the World Championships at Stockholm. The full results were as follows:—

*Swaythling Cup:* Hungary; runners-up, Czechoslovakia.

*Corbillon Cup:* U.S.A.; runners-up, England.

*Men's Singles:* J. Leach; runner-up, B. Vana.

*Men's Doubles:* F. Tokar and I. Andreadis; runners-up, B. Vana and L. Stipek.

*Women's Singles:* G. Farkas; runner-up K. Hruskova.

*Women's Doubles:* H. E. Elliott and G. Farkas; runners-up, L. R. Barnes and J. Crosby.

*Mixed Doubles:* G. Farkas and F. Sido; runners-up, K. Hruskova and B. Vana.

*Men's Consolation Singles:* L. Stipek.

*Women's Consolation Singles:* Miss P. McLean.

As well as the Men's Single Championships the following are the places we won:—

*Men's Doubles:* Half one semi-final pair (Bergmann).

*Women's Doubles:* Runners-up pair (Miss L. R. Barnes and Mrs. Crosby).

*Mixed Doubles:* One semi-final pair (Leach and Miss Franks).

*Men's Consolation Singles:* One semi-finalist (K. Hurlock).

*Men's team (Swaythling Cup):* Group runners-up.

*Women's Team (Corbillon Cup):* Runners-up (i.e., group winners).

We are very proud to record the fact that after many years of effort England has produced another World's Singles Champion in Johnny Leach. He played remarkably well all through the Championships and his victory is popular

not only with every member of our Association, but among those of many Associations abroad. Johnny Leach has always been a "trier," a good sportsman, and his victory over Vana, whom he had never beaten before, was the result of very brilliant play, an iron nerve and intelligent tactics. He is a World Champion of whom the Association can be very proud and we look forward to the prospect of him bringing many more triumphs to this country in our sport.

In the Swaythling Cup and Corbillon Cup matches the results were as follows:—

Swaythling Cup			Marcel Corbillon Cup		
v. Brazil	Won	5—0	v. Finland	Won	3—0
v. Denmark	Won	5—0	v. France	Won	3—2
v. Netherlands	Won	5—0	v. Italy	Won	3—1
v. Italy	Won	5—1	v. Sweden	Won	3—0
v. Switzerland	Won	5—0	v. Wales	Won	3—0
v. Scotland	Won	5—0	v. Austria	Won	3—2
v. Sweden	Won	5—0	v. U.S.A.	Lost	1—3
v. Austria	Won	5—0			
v. Czechoslovakia	Lost	1—5			

In our Group in the Swaythling Cup competition Czechoslovakia won to meet Hungary, the winner in the other Group, in the Final. Hungary won by 5—4, and thus again hold the Cup which they last won in 1938. In the Corbillon Cup, after winning our Group we met U.S.A., the winner of the other Group. U.S.A. won by 3—1, and thus again hold the Cup which they last won in 1937.

In the absence of two leading members of our previous winning Women's team, those upon whom the responsibility of carrying our colours now fell are to be congratulated on their effort.

**7. The English Open Championships.**—These Championships were again played in London, the preliminary rounds at the Paddington Baths Hall and the semi-finals and finals at the Empire Pool and Sports Arena, Wembley, on the Friday and Saturday nights. This was the first time the Championships had been played on two nights at Wembley and the innovation proved to be a great success, the Stadium being nearly full

on the Friday night and completely full on the Saturday. The preliminary rounds at Paddington were also a great success, but unfortunately the capacity of the Hall is not suitable for a large number of spectators.

The results were as follows:—

**Men's Singles:** M. Reisman; runner-up, G. V. Barna.

**Women's Singles:** Miss P. McLean; runner-up, Miss H. Elliott.

**Men's Doubles:** R. Bergmann and G. V. Barna; runners-up, J. Leach and J. Carrington.

**Women's Doubles:** Miss P. McLean and Miss Thall; runners-up, Miss M. Franks and Miss A. Wood.

**Mixed Doubles:** Miss T. Thall and R. Miles; runners-up, Miss P. McLean and M. Reisman.

**Boys' Junior Singles:** D. G. Ellison; runner-up L. Devereux.

**Girls' Junior Singles:** Miss A. Wood; runner-up, Miss D. Rowe.

**Veterans' Singles:** S. Sugarhood; runner-up, L. Kerslake.

**Men's Consolation Singles:** R. Crayden; runner-up, B. Kennedy.

**Women's Consolation Singles:** Miss E. Steventon; runner-up Mrs. K. George.

In spite of the fact that there were fewer foreign stars participating than is usual the play in the Semi-final and Finals was of a very high standard and most spectacular, the "high spot" being the fight put up by Victor Barna in the Finals. Playing with something of his old fire, he reached the Final to put up a great fight against Reisman, of U.S.A., only being beaten in the fifth game, 14—21. When it is remembered that Victor Barna won this Championship as far back as 1933, his achievement is seen in its proper perspective.

The arrangements for the Championships were very successful and tribute has already been paid by the Committee to the Referee and the members of the Committee responsible. Mr. L. A. Preston, who took over the work as Referee at the last moment when Mr. J. M. Rose was taken ill, was very successful in carrying on the Championships and the Committee think the Association owes him special thanks for the efficient work he put in. The Committee consisted of Messrs. G. R.

Harrower, W. Luff, L. A. Preston, J. M. Rose, C. Corti Woodcock and the National Officers, with Messrs. S. H. Kempster, E. G. White and G. W. Decker co-opted for the special work on Publicity, the Souvenir Programme and Equipment respectively.

**8. Open National Championships.**—English players have been nominated for four of these (English, French, Welsh, Dutch). Invitations had regretfully to be refused for the Czechoslovak and Hungarian. In the four in which they participated E.T.T.A. representatives have collected: Men's Singles—three firsts, two seconds; Men's Doubles—two firsts, one second; Women's Singles—two firsts, two seconds; Women's Doubles—two and a half firsts, two seconds, Mixed Doubles—two firsts, one and a half seconds. That is—a total of eleven and a half firsts and eight and a half seconds out of 20 titles.

These have not been the achievement of one or two players only, but shared among Barna, Bergmann, Carrington, Casofsky, Leach, Sharman, Simons, Barnes, Crosby, Franks and Wood. Particularly to be commended are: Bergmann's wins of the French, Welsh and Dutch Men's Singles titles. Barna's splendid effort in the English Men's Singles; Franks' performance in Paris; Barnes' performance in Holland; Crosby's two doubles titles in Holland; and Wood's Open title win while still a Junior in partnership with Franks in the Welsh.

**9. Open Tournaments.**—Twenty-six Open Tournaments were sanctioned by the Executive Committee during the season. An effort was again made to avoid the clashing of dates of the most important and generally popular events, but this is getting more and more difficult with the increasing numbers of applications and the increasing number of National events. Complaints having been received from players, a Sub-Committee has been appointed to examine the present position regarding Open Tournaments, as it seems most difficulties are caused by the increased numbers of players entering, and also to consider how best to maintain the standard of playing conditions, whether entries can be restricted and whether a ranking scheme can assist in this. In this connection there is also a criticism of the standard of

umpiring at Tournaments and a Sub-Committee has been set up to consider this.

**10. The Juniors.**—Two Junior matches have been played during the season—against Sweden which we won 5—1, and against Wales which we won 6—4. Our Juniors—L. H. Devereux, D. G. Ellison and W. H. Pierce—were selected to take part in the tour of Sweden (with R. Baker as reserve), which reciprocated the visit of the Swedish Juniors to England last season. They played 15 matches during the tour, winning 14 and losing 1, and took part in the World Championships at Stockholm. Two of our Juniors—Ellison and Miss A. Wood—won the English Open Junior titles, and Devereux won the Welsh Open Boys title. England remains unbeaten in this field, and boys and girls both of Junior age and even younger show great promise for the future. T. E. Sears, as last year, was an inspiration to the junior teams, and the thanks of the Association are due to him for his captaincy of the Junior team in Sweden.

**11. Registered Players.**—Sixty-three members have been recorded as registered players during the season in accordance with the regulations. The new regulations, published in the Handbook, were adopted by the Committee during the summer, but the Registered Players Committee which these regulations proposed was not set up for the 1948 season. The Committee wish to call the attention of registered players to the fact that only players registered on October 1st in each season are entitled to take part in the election of the Registered Players Committee and that a Panels Commission must be set up before the commencement of each season.

**12. The Retirement of Victor Barna.**—When it was reported to the meeting of the General Council on February 26th, 1949, that Victor Barna would probably retire from serious Singles competition at the end of the season, it was suggested that, in view of his wonderful performance at Wembley in the English Championships, and having regard to his long connection with the Association and the services he had rendered to the game in this country, the time was appropriate for us to consider giving him some sort of testimonial. The matter was placed before the delegates for discussion when

the idea received unanimous and enthusiastic support, and it was eventually decided to refer the matter to the Executive Committee for consideration. The Committee duly considered the matter, when it was thought that a National Appeal should be made, with a suggestion that half the proceeds should be presented personally and half to be paid for a trophy for a Tournament which would perpetuate his name. It was agreed that the appeal should be made between now and December, that individuals, leagues and county organisations and the Press should be asked to assist, and that the whole matter should be referred to the Annual General Meeting for delegates to take responsibility for the form of the presentation and for the campaign to obtain the necessary funds.

**13. The Official Magazine.**—The official Magazine, "Table Tennis," has again been published in conjunction with the Walthamstow Press, and with Jack Carrington as the Editor. The circulation is approximately 5,000 per month, and as the season's publications have not yet been completed, it is not possible to give a complete financial statement. An interim report received of the position, including the March issue, shows a net profit of £31 to date. As the result of a report given to the Committee by the Editor and his Assistant, Mr. George White, a Sub-Committee was appointed to consider the position, but has not yet been able to meet to go into the question. An examination of the position will be an early task of the new Committee.

**14. County Administration.**—There has been a further development in the formation of County Associations during the season and the total now in existence is 23, with others in the course of formation. The County Championships were run very successfully during the season, 19 counties entering 24 teams, and Middlesex and Hampshire were again successful in the Premier and Southern Divisions respectively. Other divisional winners were Cheshire (Northern), Middlesex 2nds (Home Counties), and Nottinghamshire (Supplementary). Cheshire have challenged Yorkshire for a place in next season's Premier Division.

**15. The Wilmott Cup and J. M. Rose Bowl Competitions.**—The Committee appointed a Sub-Committee con-

sisting of Messrs W. R. Luff, L. A. Preston and C. Corti Woodcock, with Mr. G. R. Harrower as Secretary, to run these competitions. There was an entry of 73 Leagues—a record—in the Men's event and 51 in the Women's. The Manchester League created a record when they became the first League to win both competitions in the same season. In the Wilmott Cup they defeated the Southampton Civil Service Club in the Semi-Finals, and Bristol League in the Final, Bristol having beaten South London in the other Semi-final, whilst in the J. M. Rose Bowl Manchester were successful in the Semi-final against Wembley and Harrow and went on to beat Croydon in the Final, Croydon's success in the other Semi-final being gained over the Central League.

**16. "Sporting Record" Schoolboys' Tournament.**—It was decided to give the blessing of the Association to a Tournament held for School teams organised by the newspaper, "Sporting Record." This paper is to be congratulated on its initiative in holding this competition, which, although starting late in the season, included entries from 59 schools, and the Semi-finals and Finals were held at the same time and place as the Semi-finals and Finals of the Wilmott Cup competition. In the Semi-finals Borden Grammar School, Sittingbourne, beat Rhondda Technical School 3—2, and Bournemouth School beat Oldham High School 4—1. In the Finals Borden Grammar School beat Bournemouth School 3—1.

**17. Tour of Czechoslovakian Players.**—Six Czech players—I. Andreadis, F. Tokar, Miss Hruskova, B. Vana, L. Stipek and Miss Furstova—with a non-playing Captain, Jan Sedivy, visited this country in October, this being a reciprocation of the visit to their country by our team in 1946. The party was divided into two sections and played in 14 centres, an International match being played in Liverpool on October 23rd, 1948. An effort was made to give our women players and our Juniors experience against these foreign Internationals and, as well as this being good for the game in the districts visited, it is hoped that there will be financial advantage to the local organisations and to the Association.

**18. South Africa.**—Following the visit of a South African representative to England last year, an invitation was

received from the South African T.T. Union to send a touring team. The viewpoint of the Association on the colour bar having been made plain, this invitation has been withdrawn. Correspondence disclosed that the touring team would not only be expected to observe the colour bar over there in fixtures, but that the E.T.T.A. would be expected to operate the colour bar in its own team selection.

19. **U.S.A.**—Certain matters connected with the conduct of members of the U.S.A. touring team in this country this season have been the subject of correspondence between the U.S.A.T.T.A. and ourselves. It is hoped that this correspondence will obviate recurrence of the difficulties that arose.

20. **I.T.T.F.**—Financial position satisfactory. New affiliations accepted: Chile, Spain, Israel (in place of Palestine). Austria to be permitted to play with neighbouring German Clubs. Anyone who wishes to be permitted to play with Japanese players; application from Japan to be reviewed after one year. All I.T.T.F. Officers to have a card of identity designed to admit them to Table Tennis events everywhere. Handbook next year to be in German; supplements only to be published in English and French. I.T.T.F. journal with International results to be investigated as a possibility. Europe Cup competitions to be abandoned after this season. Lighting—recommendation for 40 foot-candles over table, 20 up to edges of an area 8 metres long by 4 metres wide, 5 outside that up to full World Championship size of court, and 2 by reflection from nearest surface of ball at table end (all foot-candle power measurements at table height). Research to be undertaken on variations of bounce with various table surfaces, materials, floors, etc. Roll call showed great increases in membership of many countries, the largest recorded now being: England, 110,000; France, Sweden, 20,000; Hungary, 15,000; New Zealand, 11,500; Ireland, Czechoslovakia, 10,000; Wales, 9,000. World Championships next year Budapest, January 29th-February 5th. 1950-51 option to Austria. 1951-52 to Netherlands. Thereafter requests (in this order) from Czechoslovakia, England, Ireland, France. Resolutions passed deploring failure of countries generally to try out U.S. "expedite" instead of

time-limit rule to stop slow play, and U.S. proposal for white clothes. Strong request repeated to all countries to try these out. All countries now permitted to allow white in everything except World Championships, and International matches where both sides are not agreed.

Modification of wording simplifying service rule and Knotty Point to match (deleting "or dropped away" and "up or down") page 14 of the I.T.T.F. Handbook. Mr. Montagu re-elected President and Chairman of Advisory Committee, Chairman of Rules and Equipment Committees, and member of Ranking Committee, Mr. Pope Secretary, Mr. Vint Treasurer (without vote) and Mr. Wilmott Secretary of the Equipment Committee.

Permission was granted to the E.T.T.A. to attach to itself the Accra T.T.A. for 12 months with a view to encouraging an application for I.T.T.F. membership later.

21. **The Central Council of Physical Recreation.**—We are one of the constituent members of the Central Council, a part of whose functions is the popularising of all sport in England. As the result of their Table Tennis activities in some districts the Officers of the Council asked the Officers of the Association to meet them, when they explained that they were anxious to work in conjunction with the Association and did not wish their representatives in the country to work in any way which might run counter to our plans. Following this Conference the Council issued a circular to their local representatives pointing out that good relations should be established with the Secretaries of our County Associations and our Leagues, and that before they undertook developmental work on Table Tennis they should meet our officials concerned and explain their plan so that the method of implementing it can be agreed. They suggest to their local people that the programme and staffing of any event should be jointly agreed, that the name of the E.T.T.A. should be given prominence on all advertising material and, where possible publicity should be undertaken by both parties. They want, in any Table Tennis work they undertake, to make it a real partnership with our local representatives. As our members probably know, the C.C.P.R. are setting up offices in nearly every district. It is probable that in many districts they will

be covering a field which is not touched by our organised game and we think it will be good for the game if anything they do in developing Table Tennis is done in conjunction with our representatives. Permanent offices are established at the moment in the following regions:—

N.E. Region, Durham. Yorkshire, Leeds. North Midlands, Nottingham. East, Bedford. South, Reading. South West, Crewkerne, Somerset. West Midlands, Birmingham. North West, Manchester.

**22. Coaching Schemes.**—As the result of correspondence which had taken place with the Ministry of Education on the question of coaching, the Officers of the Association were invited to meet their representatives on the matter. This took place on March 31st, when the Ministry of Education representative explained the conditions under which it was possible for them to consider a grant being made to the Association. The scheme under which it was possible for them to help was nothing to do with the grants made to assist Youth, but had for its object the popularisation of Sport generally. If they were satisfied with the concrete scheme which it was necessary for them to receive, they could make a grant of 80 per cent. of the salary with a maximum of £640 *per annum* paid to a National Coach and could grant £50 *per annum* for administration. The work of the National Coach would be definitely to train local coaches, whose duty it would be to coach the local players and it was not the idea that the National Coach should be used to train individual players. The interview was reported to the meeting of the National Executive Committee on April 24th, when it was decided that the matter should be referred to the new Executive Committee.

**23. Office Administration.**—In November the assistant engaged in the office, Miss S. Upston, left the service of the Association on the grounds that the work in the office was too much for her. In December Mrs. Harcourt was engaged, but in February she left because she decided to live outside London. The vacancy was then advertised in the Press, but owing to the fact that there was a six weeks delay before the advertisement could appear, part-time assistance was

obtained. A full-time Shorthand-typist will be commencing on May 13th. Mrs. K. Pegg has continued her employment and has rendered very valuable and efficient service. She has gained a considerable amount of experience in the administrative work and we are lucky to have such a satisfactory employee.

Our agreement with A.B.A. regarding the tenancy of the office expired last August, but we had an option for renewal for a further 3 years. The A.B.A., however, whilst admitting our rights under the option clause, expressed a very keen desire that we should vacate the premises as quickly as possible. In their Association there is a very big development which necessitates them having extra rooms and they have asked us if possible to vacate in September. Since our tenancy began we have had very cordial relations with them as landlords, and it is difficult for us to resist such an appeal as they have made. It is, therefore, proposed to make every endeavour to find alternative accommodation in order to meet them.

On behalf of the National Executive Committee,

I. G. S. Montagu (Chairman),  
W. J. Pope (Hon. General Secretary),  
A. K. Vint (Hon. Treasurer).

April 30th, 1949.

#### ADDENDUM TO THE REPORT

It is the wish of the National Executive Committee that we should record once more our appreciation of the excellent service rendered to the Association by Mr. W. J. Pope, our esteemed Honorary General Secretary, during the past 12 months. The phenomenal progress of the past few years is due in no small measure to his untiring energy and devotion to our interests and as each year goes by, we add to the debt we owe him for the unselfish way in which he works for the good of the game.

I. G. S. Montagu (Chairman),  
A. K. Vint (Hon. Treasurer).

## INTERNATIONAL TABLE TENNIS FEDERATION

The Sixteenth Congress of the International Table Tennis Federation at Stockholm was the first at which players from South America were represented, Brazil taking part in the Swaythling Cup and Chilean entrants in the individual events.

The addition of Spain, by the bare two-thirds majority necessary, and Chile, brings the total of member countries to 40. Countries that desire to do so are to be permitted to play with Japanese players. Austrian villages on the German frontier may play with neighbouring Germans. All players of the South African T.T. Board may compete with I.T.T.F. players, but players of the South African T.T. Union—which has been declared ineligible for I.T.T.F. membership under Article 2 of the Constitution—may not, except under special conditions to be laid down by the Advisory Committee. Any I.T.T.F. Vice-President may sanction play between I.T.T.F. members and any other non-members.

The E.T.T.A. Chairman, Hon. Secretary and Treasurer were respectively elected President, Secretary and Treasurer of the I.T.T.F. The Chairman serves also on the Rules, Equipment and Ranking Committees and Mr. A. J. Wilmott is Secretary of the Equipment Committee.

The Provisional Ranking list sets England No. 4 among the men's teams and No. 3 among the women's teams; J. Leach No. 1 and R. Bergmann No. 9 among the men and Miss M. Franks No. 7 among the women.

The Europe Cup competitions are discontinued.

The Service Rule has been clarified by providing that the ball must be lifted upward, the hand may no longer drop away.

Any country may now allow white clothes on its own territory. They may not be used at the World Championships, or in International matches unless both sides agree.

Everyone is asked to try out the American "expedite" rule, whereby, in case of pushing, the service changes every point,

and each time the server is obliged to win in 12 strokes or forfeit the points.

Lighting strength of forty foot-candles over the table and 20 to the edge of an area 8 metres long and 4 metres wide is recommended as a minimum.

The option for the 1950-51 World Championships has been given to Austria, and for 1951-52 to Netherlands. Czechoslovakia, England, Ireland and France—in that order—have applied for subsequent years, and Uruguay has applied for 1969.

## THE LAWS OF TABLE TENNIS.

(As adopted by the International Table Tennis Federation.)

### Singles.

**1. The Table.**—The table shall be in surface rectangular, 9ft. in length, 5ft. in width; it shall be supported in such a way that its upper surface shall be 2ft. 6ins. above the floor, and shall lie in a horizontal plane.

It shall be made of any material and shall yield a uniform bounce of not less than 8ins. and not more than 9 ins. when a standard ball is dropped from a height of 12ins. above its surface.

The upper surface of the table shall be termed the "playing surface"; it shall be non-reflecting, of a dark colour with a white line  $\frac{1}{2}$ in. broad along each edge.

The lines at the 5ft. edges or ends of the playing surface shall be termed "end lines." The lines at the 9ft. edges or sides of the playing surface shall be termed "side lines."

**2. The Net and its Supports.**—The playing surface shall be divided into two courts of equal size by a net running parallel to the end lines and 4ft. 6ins. from each. The net, with its suspension, shall be 6ft. in length; its upper part along its whole length shall be 6ins. above the playing surface; its lower part along the whole length shall be close to the playing surface. The net shall be attached at each end to an upright post 6ins. high; the outside limits of each post shall be 6ins. outside the side line on the same side.

**3. The Ball.**—The ball shall be spherical. It shall be made of celluloid, white, but not brightly reflecting; it shall not be less than 4 $\frac{1}{2}$ ins. nor more than 4 $\frac{3}{4}$ ins. in circumference; it shall not be less than 37 grains (2.40 grammes) nor more than 39 grains (2.53 grammes) in weight.

**4. The Racket.**—The racket may be any material, size, shape, or weight, provided it is not white, light coloured or reflecting.

**5. The Scoring of Points.**—A game shall be won by the player who first wins 21 points, unless both players shall have

scored 20 points, when the winner of the game shall be he who first wins two points more than his opponent.

**6. The Choice of Ends and Service.**—The choice of ends and the right to be server or striker-out in every match shall be decided by toss, provided that, if the winner of the toss chooses the right to be server or striker-out, the other player shall have the choice of ends, and vice versa, and provided that the winner of the toss may, if he prefer it, require the other player to make the first choice.

**7. The Change of Ends and Service.**—After five points the striker-out shall become the server, and the server the striker-out, and so on after each five points until the end of the game or the score 20-all. At the score 20-all the striker-out shall become the server, and the server the striker-out, and so on after each point until the end of the game. The player who served first in a game shall be striker-out first in the immediately subsequent game, and so on until the end of a match.

The player who started at one end in a game shall start at the other in the immediately subsequent game, and so on until the end of the match. Where the match consists of only one game, or, where it consists of more than one game, in the deciding game of the match, the players shall change ends at the score 10.

**8. Out of Order of Ends or Service.**—If a player serve out of his turn, the player who ought to have served shall serve as soon as the mistake is discovered, unless a group of five services shall have been completed before such discovery, when the service in the subsequent groups of services shall continue in the same order as if the sequence had not been discontinuous. In any circumstances, all points scored before the discovery shall be reckoned.

If the players shall not have changed ends when ends should have been changed, the players shall change ends as soon as the mistake is discovered, unless a game shall have been completed since the error, when the error shall be ignored. In any circumstances, all points scored before the discovery shall be reckoned.

**9. The Order of Play.**—The server shall first make a good service, the striker-out shall then make a good return, and

thereafter server and striker-out shall each alternately make a good return.

**10. A Good Service.**—The service shall be delivered by the server releasing the ball by hand only, without imparting spin, into the air. The ball shall then be struck so that it touch first the server's court and then, passing directly over or round the net, touch the striker-out's court.

In the delivery of the service the free hand of any two-handed player shall be open and flat, with the fingers straight and together, thumb free and the ball resting on the palm without being cupped or pinched in any way by the fingers. The ball shall be released by the free hand lifting upward.

At the moment of the impact of the racket on the ball in service, the latter shall be behind the end line of the server's court and between an imaginary continuation of the side lines.

**11. A Good Return.**—A ball having been served or returned in play shall be struck by the player so that it pass directly over the net or round the net and touch directly the opponent's court; provided that, if the ball, having been served or returned in play, returns with its own impetus over the net or round the net, it may be struck, while still in play, by the player so that it touch directly the opponent's court.

**12. A Let.**—The rest is a let:

(a) If the ball served in passing over the net touch it or its supports, provided the service either be otherwise good or be volleyed by the striker-out.

(b) If a service be delivered when the striker-out is not ready, provided always that he may not be deemed to be unready if he attempt to strike at the ball.

(c) If either player be prevented by an accident, not under his control, from serving a good service or making a good return.

(d) If either player lose the point, as provided in Law 13 (c), (d), (e), or Law 14, owing to an accident not within his control.

**13. A Point.**—Either player shall lose a point:

(a) If he fail to make a good service, except as provided in Law 12.

(b) If a good service or a good return having been made by his opponent, he fail to make a good return, except as provided in Law 12.

(c) If he, or his racket, or anything that he wears or carries, touch the net or its supports while the ball is in play.

(d) If he, or his racket, or anything that he wears or carries, move the playing surface while the ball is in play.

(e) If his free hand touch the playing surface while the ball is in play.

**14. A Point.**—Either player shall lose the point:

(a) If, before the ball in play shall have passed over the end lines or side lines not yet having touched the playing surface on his side of the table since being struck by his opponent, it come in contact with him or anything that he wears or carries.

(b) If at any time he volley the ball, except as provided in Law 12 (a).

**15. In Play.**—The ball is in play from the moment at which it is projected from the hand in service until:—

(a) It has touched one court twice consecutively.

(b) It has, except in service, touched each court alternately without having been struck by the racket intermediately.

(c) It has been struck by either player more than once consecutively.

(d) It has touched either player or anything that he wears or carries, except his racket or his racket hand below the wrist.

(e) On the volley it come in contact with the racket or the racket hand below the wrist.

(f) It has touched any object other than the net, supports, or those referred to above.

**16. Further Definitions.**—The period during which the ball is in play shall be termed a rest.

A rest the result of which is scored shall be termed a point.

A rest the result of which is not scored shall be termed a let.

The player who first strikes the ball during a rest shall be termed the server.

The player who next strikes the ball during a rest shall be termed the striker-out.

If the ball, in passing over the net, or round the net, touch it or its supports, it shall, nevertheless, be considered to have passed directly, except as referred to in Law 12 (a).

If the ball in play come into contact with the racket or racket hand, not yet having touched the playing surface on one side of the net since last being struck on the other side, it shall be said to have been volleyed.

The racket hand is the hand carrying the racket; the free open hand is the hand not carrying the racket.

#### Doubles.

17.—The above Laws shall apply in the Doubles Game except as below.

18. **The Table.**—The surface of the table shall be divided into two parts by a white line  $\frac{1}{2}$  in. broad, running parallel with the side lines and distant equally from each of them. This line shall be termed the service-line. The part of the table surface on the nearer side of the net and the right of the service-line in respect of the server, shall be called the server's right half-court, that on the left in respect to him the server's left half-court. The part of the table surface on the farther side of the net, and the left of the service-line in respect to the server, shall be called the striker-out's right half-court, that on the right in respect to the server the striker-out's left half-court.

19. **A Good Service.**—The service shall be delivered as otherwise provided in Law 10, and so that it touch first the server's right half-court or the centre line on his side of the net, and then, passing directly over or round the net, touch the striker-out's right half-court or the centre line on his side of the net.

20. **The Choice of Order of Play.**—The pair who have the right to serve the first five services in any game shall decide which partner shall do so, and the opposing pair shall then decide similarly which shall first be striker-out.

21. **The Order of Service.**—The first five services shall be delivered by the selected partner of the pair who have the

right to do so, and shall be received by the selected partner of the opposing pair. The second five services shall be delivered by the striker-out of the first five services and received by the partner of the server of the first five services. The third five services shall be delivered by the partner of the server of the first five services and received by the partner of the striker-out of the first five services. The fourth five services shall be delivered by the partner of the striker-out of the first five services and received by the server of the first five services. The fifth five services shall be delivered as the first five services and received by the server of the first five services. And so on, in sequence, until the end of the game or score of 20 all, when the sequence of serving and striking-out shall be uninterrupted, but each player shall serve only one service in turn until the end of the game.

In a one-game match, or in the deciding game of a match of more than one game, the pair that served the first five services has the right to alter their order of striking-out or that of their opponents at the score 10.

22. **Out of Order of Striking-out.**—If a player act as striker-out out of his turn, the player who ought to have acted as striker-out shall be striker-out as soon as the mistake is discovered, unless a group of five services shall have been completed before such discovery, when the order of striking-out shall continue in the subsequent groups of services as if the sequence had not been discontinuous. In any circumstances, all points scored before the discovery shall be reckoned.

23. **The Order of Play.**—The server shall first make a good service, the striker-out shall then make a good return, the partner of the server shall then make a good return, the partner of the striker-out shall then make a good return, the server shall then make a good return, and thereafter each player alternately in that sequence shall make a good return.

#### APPENDIX TO LAWS: KNOTTY POINTS.

Decisions of the Rules Committee of the International Table Tennis Federation.

1. **Edge Balls.**—The phrase, "Table Surface" is to be interpreted as including the top edges and corners of the table-top, and a ball in play which strikes these latter is therefore good and still in play; though if it strikes evidently the side of the table-top below the edge, it becomes dead and counts against the last striker.

2. **Ball Returned with Empty Hand.**—If a player drop his racket, he cannot return the ball with empty hand. (See definition, "the racket hand is the hand carrying the racket.")

3. **Racket Thrown at Ball.**—If in returning the ball the racket leave the player's hand, it is a good return only if it were still in his hand at the moment of contact with the ball (see Law 11, "a ball . . . shall be struck"), and if it do not touch the net or move the table surface (Law 13 c, d) before the ball is out of play.

4. **Missed Service.**—If a player in attempting to serve miss the ball altogether, it is a lost point (Laws 10 and 15) because the ball was in play from the moment it left the server's hand, and a good service has not been made of the ball already in play.

5. **Volleyed Net Service.**—A net service is a let not only if otherwise good, but also if it be volleyed by the striker-out. (See Laws 12 (a) and 14 (b).)

6. **"Flat Hand" in Service: Interpretation.**—The free hand, maintained flat in a horizontal plane throughout the service, must release the ball by being lifted up in a vertical plane. The hand must not turn over or move sideways. Umpires will, of course, remember that the object of this strict interpretation is not to impose on the server an exact geometrical pattern, but to prevent attempts to secure advantage by either evasion of the rule or general careless disregard.

**7. Ball Fractured in Play.**—If the ball split or becomes otherwise fractured in play, affecting a player's return, the rest is a let (Law 12 c). It is the umpire's duty to stop play, recording a let, when he has reason to believe that the ball in play is fractured or imperfect; and to decide those cases in which the faulty ball is clearly fractured in actually going out of play, and in no way handicaps the player's return, when the point should be scored. In all cases of doubt, however, he should declare a let.

**8. Fixtures.**—A moving spectator, a neighbouring player, a sudden noise, i.e., any neighbouring object in movement (except a partner) should be regarded as an accident not under control (Law 12 c), interference from which implies a let. A stationary spectator, fixed seating, the umpire, the light, a nearby table, a continuous sound of even volume, i.e., any relatively constant or motionless hazard, should not be so regarded, and complaint against interference from it during play should be regarded as void.
