HISTORY

Following upon the great popularity of the original Ping-Pong in the early part of the present century, the Ping-Pong Association was formed in 1902, to organise championships and tournaments, chiefly in London. The "boom" year was 1904, but it was only a temporary craze, as, although the P.P.A. was still in existence in 1905, it appears to have collapsed during that season. Whilst the game seems to have died out in the home counties, it was apparently still being played in the provinces, but without any governing body.

In 1921-22, the P.P.A. was resuscitated by Messrs. P. Bromfield and J. J. Payne, who were joined by the Hon. Mr. Ivor Montagu, Mr. J. M. Rose and Mr. A. F. Carris. The National Championships were run that season, and entries received from all parts of the country. Difficulties soon arose, however, not only in regard to the title, when it was discovered that Ping-Pong was a registered trade name, but also through the Association being unrepresentative of the provincial centres. The old Ping-Pong Association therefore dissolved and re-formed under the title of "The Table Tennis Association." The new body was hampered by difficulties, and as their energies were devoted to formulating standard rules, popularising the game, etc., no attempt to form a democratic governing body could be made.

At the Annual Meeting in 1925, an emergency committee, with Mr. Montagu as President, and Mr. W. J. Pope as Secretary, was authorised to redraft the constitution. In 1926, revised regulations were circularised in the provinces and a National Delegate Conference was held in London, on April 24th, 1927. The new constitution, which confirmed the provisional appointments and provided for the new title, "The English Table Tennis Association," was adopted.

The first Chairman and Secretary were, of course, Mr. Montagu and Mr. Pope respectively. They stayed in office for some years, and were together primarily responsible for establishing the new national body on sound foundations. They worked prodigiously hard until Mr. H. M. Bunbury, of Manchester, assumed the Chairmanship in 1929, Mr. Montagu being appointed President. Mr. D. W. Poupard became Secretary one year later, after Mr. B. L. Hookins, of

Pontefract, had had a brief term. Mr. H. Oldroyd, also of Manchester, was elected President in 1931, and still retains very worthily the dignity of his office. Mr. Montagu returned to the chair in 1932, with Mr. G. W. Decker as Secretary; these two being succeeded in September, 1933, by Mr. C. Corti Woodcock, of London, and Mr. J. Siddron, of Manchester, respectively. The last-mentioned appointments were renewed in April, 1934, together with that of Mr. A. K. Vint, of Hastings, Hon. Treasurer since 1931. In April, 1935, Mr. Woodcock and Mr. Vint were re-elected and Mr. W. J. Pope displaced Mr. J. Siddron as Secretary, and in 1936 Mr. Woodcock resigned and was replaced by Mr. Montagu. Interesting names appearing on the list of Vice-Presidents include Messrs. Bunbury, Bromfield and Perry (father of our ex-world champion, Fred J. Perry). In the last groups elected were further valuable additions in the persons of the Dowager Lady Swaythling, Mr. A. F. Carris and Mr. P. E. Warden.

The progress of the E.T.T.A. since 1927 is shewn by the following figures of the numbers of Leagues in membership then and in succeeding seasons: 19; 21; 23; 32; 38; 52; 71; 102; 121; 158; 206. In 1938-39, there were 230 Leagues affiliated, embracing 4,100 Clubs and 75,000 individual members.

After the war, when normal activities were resumed, the Association started, in 1945/46, with 110 Leagues affiliated, in 1946/47 the number was 178, and in 1947/48 236 Leagues with approximately 75,000 members. In 1948/49 the figure was 256 Leagues, whilst in season 1949/50 the figure increased to 299.

In 1935, after an interval of eight years, the World Championships returned to England, and the great crowds which thronged the London University and Imperial Institute and the 8,000 people who packed the Empire Pool and Sports Arena, Wembley, proved that the game had won its place in public favour as a thrilling spectacle.

In 1936, the Empress Stadium at Earls Court housed a crowd of 7,000 people for the finals of the National Championships, and in 1937 the Wembley Arena was again filled. In 1938, once again the World Championships came to London, and the preliminaries packed the Albert Hall every night.

Excursions from all over England made up another 9,000 attendance on Finals night at Wembley, and the E.T.T.A. maintained its high standard of organisation and conditions.

In 1938, the English Championships were held at Blackpool, returning to the Albert Hall and Wembley the following season, with play, crowds and enthusiasm scarcely below the previous year's World Championship level.

On the outbreak of war, it was decided at a special General Meeting to give the National Executive full power to carry on the work of the Association, which they did until September, 1945, when the normal constitution was resumed. During the war the office, records and equipment were completely destroyed by bombs, but in spite of this added difficulty in carrying on, a sum of over £10,000 was raised for the Red Cross and other war charities, and nearly 200 exhibitions were arranged for H.M. Forces, Civil Defence organisations, etc.

The first post-war year produced a clear indication that a quick revival in the game could be expected. The National Open Championships were held in March, 1946, when the Wembley Arena was again filled by a 9,000 crowd for the finals.

The season 1946/47 can be said to be the first season of the post-war boom. There was a large increase in Leagues, and the National Championships, the Finals of which, again played at Wembley, were characterised by a tremendous rush for tickets from affiliated players and the general public. The 9,000 tickets available were early sold out and it was obvious that the demand for spectacular Table Tennis was as great as ever. In the first year of the Europe Cup competition, the Women's event was won by our players. The American players who came from the World Championships to London to take part in our National Championships, took part in a tour throughout the provinces. Another outstanding feature was the winning of the Marcel Corbillon Cup Competition by our women's team.

The World Championships returned to England in 1947-1948 and were played at the Empire Pool and Sports Arena, Wembley, taking 8 days to complete. There was a record entry and the Championships were a great success. Richard

Bergmann and Victor Barna, now naturalised British subjects, were selected to play for England in the Swaythling Cup competition but we were defeated by U.S.A. Bergmann won the Men's Singles defeating Vana in the final and Mrs. Vera Thomas lost in the Women's Singles Final to Miss G. Farkas of Hungary. The Championships were a great organisational success and added further prestige to the game in England. England again won the Corbillon Cup and the Women's Europe Cup.

In 1948/49, the World Championships were played in Stockholm, and, for the first time since 1929, when Fred Perry won, the Men's Singles came to England by the victory of Johnny Leach, who beat Vana in the Final. In the Europe Cup Matches England beat the Slovakia "B" team in the Men's Competition, and our Women lost to Hungary after holding this trophy for two years. Hungary won the Swaythling Cup and the U.S.A. won the Corbillon Cup. In the English Championships, the Finals were again played at Wembley. M. Reisman (U.S.A.) won the Men's Singles, beating Victor Barna in the Final, Miss McLean (U.S.A.) won the Women's event and on this occasion the semi-finals were also played at the Empire Pool, Wembley. Mrs. Vera Thomas (Vera Dace) and Mrs. Devenny (Dora Beregi) were unable to play during this season and our Women's team was much weakened by their absence.

In 1949/50 in Budapest the English teams came within a few points of winning both the Swaythling and Marcel Corbillon Cups, leading 4/1 and 2/1, respectively, against the eventual winners, Czechoslovakia and Rumania. Richard Bergmann won the Men's Singles and Dora Beregi (with the Scottish girl Helen Elliot—Mrs. Dykes) the Women's Doubles. The English Championships were again played on two nights at Wembley, Bergmann taking the Men's Singles and Miss Shahian (U.S.A.) the Women's. The Women's Doubles was won by two juniors, the Misses R. and D. Rowe.

During the past two seasons the legal position of the Association has been under consideration. With the growth of the game and the affiliated membership, the increase in its income and its expenditure presented certain problems. The rent of Headquarters, the employment of Staff and the incur-

ring of financial liabilities in all directions brought to light the fact that the officers of the Association were legally responsible as we were an unincorporated organisation. After discussing the matter for a considerable time the National Executive Committee consulted Counsel on the matter, and as a result of legal advice decided to recommend to the Annual General Meeting that we should become an incorporated body. This necessitated alteration to our Rules and Constitution, the principles of which were accepted at a Special General Meeting, but the whole development raises certain issues liable to affect other sports bodies besides ourselves and the matter is therefore still under negotiation.

During the course of the season the office was removed from Victoria Street to 214, Grand Buildings, Trafalgar Square, London, W.C.2.

An extremely grave event for the Association occurred at the end of last season in the loss of Mr. W. J. Pope (who died on the 9th June, 1950), the architect of the Association and chief contributor for so many years to its success.

1. Payment to Members

(a) No payments, other than expenses, shall be made to or received by any affiliated member for playing, coaching, writing, filming, broadcasting, or for exhibitions or in relation to equipment, unless he has been duly registered or has received specific permission from the National Executive Committee of the English Table Tennis Association to receive it.

(b) No affiliated Organisation or Club shall make any payment, other than expenses, to a member for any of the above activities unless the member has been registered or has received specific permission as above. Any affiliated Organisation or Club making a payment, in excess of expenses, must report the payment to the County Secretary concerned (or if there is no County Secretary of that area then direct to the Secretary of the English Table Tennis Association) specifying the amount and the service rendered, within fourteen days of the payment. The County Secretary in turn will inform the Secretary of the English Table Tennis Association.

(c) No registered player shall be paid or receive any reward or remuneration other than expenses (return fare, hotel accommodation, meals) for playing in a representative match or Open Tournament, except as (d) below. A representative match is one in which a player is playing for his club, league, county or Country against another team, league, county or Country. Proper Trial matches organised by clubs, leagues, counties or the National Association for the purpose of selecting representative teams shall rank as participation in representative matches.

(d) Prizes of £5 or less in value may be awarded or accepted without special permission other than the general sanction granted for the holding of Open Championships. No prize may exceed £5 in value. Badges and colours may be awarded and accepted for participation in Representative matches.

(e) No registered player may receive payment, other than expenses, for playing in any form of competition (even if of a closed or invitation character) without specific permission of the National Executive Committee of the English Table Tennis Association except as provided in (d) above.

(f) Betting in any shape or form on players or matches is strictly prohibited.

2. Method of Registration

(a) Application for registration shall be made to the Secretary of the English Table Tennis Association in writing and should be accompanied by the registration fee and, where the applicant is a member of a league, by a certificate of approval signed by the League secretary and where the League is a member of a County Association, countersigned by the County secretary. Where the applicant is not a member of a League the approval of the Secretary of the County in which the applicant resides must be obtained. Where the applicant

is not a member of a League and there is no County body concerned, direct application should be made to the Secretary of the English Table Tennis Association.

(b) Application shall be renewed with the fee and the requisite certificates for each year for which registration is desired.

(c) Applications for registration shall be reported to and dealt with by the National Executive Meeting next following the application provided that, where adequate grounds of emergency exist, the Secretary of the English Table Tennis Association may himself grant provisional registration, subject to review of the grant at the National Executive Committee meeting next following, always provided, where a League or County Association is concerned, that the appropriate signatures have been obtained.

(d) Registration is valid from the date of registration to the 30th June next following but may be cancelled by the National Executive Committee in the event of a breach of these rules and for other misdemeanours.

(e) The fee that must accompany each application is £1. Where registration is granted provisionally it shall not be returnable even if cancelled upon review. Nor shall it be returnable in the event of cancellation under (d) above.

(f) In the event of a refusal of signature by the appropriate League the would-be applicant may appeal to the County Association concerned who may, if they think fit, send forward the application without the League's approval. In the event of a refusal by both the League and the County the would-be applicant may appeal to the National Executive Committee of the English Table Tennis Association, accompanying the appeal with a fee of £1, which may be forfeited in the event of the appeal not being sustained.

3. Code for Registered Members

(a) They shall not enter into any contract for exclusive play under particular auspices or on particular premises, or for the exclusive use of particular equipment, that might prevent them from entering an Open Championship or from accepting the instructions of the duly appointed captain in a representative match.

(b) They shall not allow their names to be used on publications they have not themselves written.

(c) They shall not allow their names to be used on equipment not designed by them.

(d) Except with the permission of the Secretary of the English Table Tennis Association, they shall not enter into any contractual obligation liable to clash with participation in the World's Championships or Open National Championships.

NOTE. Registered players are expected to make themselves available whenever possible when invited to represent not only their country but their county as well, in representative matches and Open Championships. A persistent refusal to make reasonable contribution in this respect may affect the views entertained by the responsible authority towards subsequent applications for registration.

(e) When invited to represent their country in a representative match or competition, they shall not play in any clashing event, unless so obliged by previous contract, and shall, in any case, use their best endeavours to obtain release from such clashing contractual obligation, provided they can do so without financial penalty.

(f) They will not appear in any competition or exhibition, other than one organised by a duly affiliated County Association, League, Club or other body of the English Table Tennis Association without the sanction of the County Secretary concerned and a member of the National Executive Committee, which must be notified to the Secretary of the English Table Tennis Association in accordance with Rule 20, or with the consent of the County Secretary concerned and the Secretary of the English Table Tennis Association, in writing. This sanction may be granted for a single event or for a series; it shall be withheld only if the promoter of the event, the location of the proposed premises, the details and the nature of the proposed exhibition or the fact of clashing with an event locally organised by an affiliated body or with a co-ordinated County programme so as to be injurious to the latter, are such that the event is liable to be injurious to the best interests of Table Tennis.

(g) They may accept any engagement for an exhibition, for coaching or for participation in a closed or Invitation tournament with prizes not exceeding the scale fixed in 1(d) from any authorised club, league or Association affiliated to the English Table Tennis Association provided that the sponsoring Association, league or club, if within the area of a County Association, has obtained the consent of the County Secretary or, if not within the area of a County Association, has obtained the consent of the Secretary of the English Table Tennis Association. An appeal against the refusal of a County Association to allow an engagement may be made to the National Executive Committee of the English Table Tennis Association. They may accept, without formality other than Registration, any payments for broadcasting, filming, organising, writing and in relation to equipment.

4. Organisation of Registered Members

Registered members shall elect and shall be entitled to be represented by a committee of six (of whom at least one shall be a woman). All members registered at 30th June, shall be entitled to vote in the election. The committee thus elected shall function until the election in the following season. It shall be entitled to fill any vacancies by co-option and shall choose its own Chairman and Secretary, who may attend the Annual General Meeting of the English Table Tennis Association, with voice but no vote, and two of its number, one from the North and one from the South, shall serve on the panels commission. The National Executive Committee of the English Table Tennis Association may consult this committee on matters concerning registered members.

5. Panels Commission

(a) Any registered player desiring to be placed on the "Approved

coaches' panel" or on the "Approved Exhibition players' panel" shall apply to the Secretary of the English Table Tennis Association. The "Approved coaches' panel" shall consist of (i) E.T.T.A. coaches; (ii) county coaches; (iii) local coaches.

(b) The applicant shall specify name, address, telephone number, age (number of years playing, number of exhibitions played per year, with whom, etc., or names of players coached), League played for. He shall also enclose testimonials from individuals, pupils, Leagues, County authorities, also press cuttings, etc.

(c) Panels of approved applicants shall be drafted before the commencement of each season by a Panels Commission on which shall serve three members of the National Executive Committee of the English Table Tennis Association and two Registered members, elected as above. All decisions of this Panels Commission shall be endorsed by the National Executive Committee of the English Table Tennis Association, to whom all appeals against non-inclusion may be made. Applications to be added to the panels during the season shall be made to the Secretary of the English Table Tennis Association, who will submit names to the Panels Commission for decision.

(d) These panels shall be circulated to affiliated organisations and made available to the General Public on request. The complete current panels shall be published in the Handbook, and in the earliest possible edition of the Magazine and in the first edition of each year. Additions shall be published in the next succeeding issue of the Magazine.

6. Warnings

(a) The list of players registered on the 1st October in each season, and the bi-monthly additions thereto, shall be circulated to Secretaries of County Associations, affiliated Leagues and directly affiliated clubs, together with a warning that any payment, other than legitimate expenses, to players not appearing on the list or payments to Registered Members without the necessary permissions mentioned above, renders offending Organisations as well as players liable to disciplinary action.

(b) A copy of these regulations shall be furnished together with the notification of the grant of registration to every Registered Member and shall appear in the handbook.

NOTE. Players who play abroad under auspices affiliated to the International Federation are subject, as far as payment and other matters are concerned, to the regulations of the Association governing the country where they play. In addition to observing the Regulations of the English Table Tennis Association, with which players are urged to familiarise themselves, every player is advised to ascertain that his Table Tennis abroad conforms to the Regulations of the Governing Body of the Country concerned.

Further, every player is advised to ascertain that the auspices under which he plays are properly affiliated to, and acting in accordance with, the decisions of an Association in membership with the International Table Tennis Federation. Finally, every player is advised not to enter into any contract in this country which will oblige him to be the participant in infringement of the Regulations of the Governing Body of any Nation in membership with the International Table Tennis Federation. Disregard of this warning may render a player liable to penalty of another Association, confirmed by the English Table Tennis Association at its request.

The closing rounds shall be between the zone winners, with the proviso that, if the zones exceed eight, the entrants shall be reduced to eight by a draw between the zones where the original entrants did not exceed eight.

9. The league first drawn in each tie shall have the right to play at home except (a) where a combination is drawn that has occurred previously in the competition, the right shall be that of the league not drawing that right on the last previous occasion of the combination, and (b) that, when the surviving entrants are reduced to four or fewer, the Committee may at its discretion cancel any right to play at home as drawn and order the match upon a neutral table.

11. The first of the preliminary rounds shall be played prior to such date as may be decided annually by the sub-committee and each succeeding round shall be played within 24 days thereafter.

Secretary must immediately be informed.

GOVERNMENT—

22. The competition shall be managed by a sub-committee duly appointed for that purpose by the E.T.T.A., and the decision of that sub-committee shall be final on all matters arising out of these rules.

23. The sub-committee shall have power to extend the intervals between playing of rounds laid down in Rule 11, according to the number of entries for the competition in each season. The dates for the later rounds decided by the Sub-Committee shall be circulated at the same time as the draw for the preliminary and first rounds. These dates may be altered thereafter only at the request of all captains concerned in the tie to be altered and by consent of the sub-committee.

24. These Rules may be altered only at an A.G.M. of the E.T.T.A., and by consent of a simple majority of a Trustee Committee consisting of the following persons or their nominees: H. M. Bunbury, Ivor Montagu, C. C. Woodcock.

The winner of the competition in each year to be the holder until the round preceding the final of the competition in the next succeeding year of the Cup presented for this purpose by the late A. J. Wilmott.

NOTE: As the original Wilmott Cup was lost in the bombing of the English Table Tennis Association's offices in 1940, the Cup now presented to the winners of the competition is a substitute.

REGULATIONS FOR THE J. M. ROSE BOWL COMPETITION

(FOR WOMEN'S TEAMS)

CHARACTER—

1. The competition shall be open to teams representing Leagues and Directly Affiliated Clubs and paying an entry fee of 2/6d. for each round in which they are drawn. The last date for entries shall be October 15th in each year.

2. Each League shall be represented in each tie by three players; each round shall consist of a tie of six singles and three doubles matches; each match shall be the best of three games 21-up; the league winning the majority of the matches to be the winner of the tie.

3. While each tie thus defined shall consist of nine matches, if all nine shall not be played owing to the lateness of time or other adequate cause agreed by the Referee, this shall not invalidate the match, provided the one league shall have won a majority.

4. The order of play in a J. M. Rose Bowl match shall be as follows (A, B and C being one team in order of merit and X, Y and Z the other team in order of merit):— a doubles (B/C v X/Z), four singles (A v Y, B v Z, C v Y, A v X), an interval, a doubles (A/B v X/Y), two singles (C v Z, B v X), and a doubles (A/C v Y/Z). The order of play may only be altered by mutual agreement between the captains and with consent of the referee.

5. Before the commencement of the tie, the captains shall toss for the right to be A, B, C or X, Y, Z, and, when decided, each captain shall then hand to the referee his (or her) team in order of merit. The referee shall then make out the order of play in accordance with Rule 4.

QUALIFICATIONS—

6. Any League or directly affiliated club affiliated with the E.T.T.A. may send in an entry to the Secretary of the E.T.T.A. within a date to be determined.

7. (a) Any woman shall be qualified to represent a league if she is a registered member of that league, ordinarily residing or having given notice to the E.T.T.A. Secretary before playing of her bona fide intention to reside (minimum period six months) in Great Britain and shall not previously have represented any other league in the Competition in that season.

7. (b) Any player representing a directly affiliated club must have been a bona fide member for at least a month before the date of the tie.

DRAW AND DATES—

8. The competition shall be on the knock-out system. The entrants shall be divided into geographical zones as determined by the Committee, with the proviso that not more than sixteen entrants shall be in any one zone. Preliminary rounds shall reduce the entrants in each zone to one. The closing rounds shall be between the zone winners, with the proviso that, if the zones exceed eight, the entrants shall be reduced to eight by a draw between the zones where the original entrants did not exceed eight.

9. The league first drawn in each tie shall have the right to play at home except (a) where a combination is drawn that has occurred previously in the competition, the right shall be that of the league not drawing that right on the last previous occasion of the combination, and (b) that, when the surviving entrants are reduced to four or fewer, the Committee may at its discretion cancel any right to play at home as drawn and order the match upon a neutral table.

10. The draw for each round shall be made separately, and shall be circulated immediately to each surviving entrant.

11. The first of the preliminary rounds shall be played prior to such date as may be decided annually by the sub-committee and each succeeding round shall be played within 24 days thereafter.

12. Ties must commence within 30 minutes of the time fixed for commencing the tie. Any player not present when called upon to play by the Referee shall forfeit the match for which she is called. Inability of regular players to play shall not be deemed a sufficient reason for the postponement of a match. In such cases reserves or other players must be played. Any entrant playing with less than the full number of players shall be held to have committed an offence and shall be reported to the Management Committee and shall furnish an explanation and may be barred from future participation in Championships.

13. The winning league shall be responsible for forwarding within 48 hours of the result, the scores countersigned by a representative of the losing league and the entry fee for the succeeding round. Failure to fulfil this shall render the offending league liable to disqualification in the current and succeeding seasons.

PLAYING CONDITIONS—

14. The ball may be any ball currently approved by the E.T.T.A.

15. The minimum playing space provided by the home team shall be thirty-six feet by eighteen feet.

16. A referee for each tie shall be appointed by the Home team before its commencement.

17. All applicable regulations for the time being in force of the E.T.T.A. for Open Competitions shall be in force for the J. M. Rose Bowl competition.

18. The expenses of each tie shall be defined in the following manner: Visitors' expenses (cost of fares for party not exceeding four); Home expenses (cost of provision for the occasion, hall lighting, tables, nets, balls, printing, postage and advertising up to £4, hospitality for party not exceeding four).

The home team shall in any case be responsible for 50 per cent. of the visitors' expenses, whatever the receipts, unless the venue of the tie shall have been reversed in accordance with rule 21. The first charge upon the gross receipts after deduction of Entertainment Tax shall be 75 per cent. of visitors' expenses and the whole of the home expenses in proportion, and the second charge shall be 25 per cent. of visitors' expenses and the whole of the home expenses in proportion. Any profit shall be divided 75 per cent. to the Home League and 25 per cent. to the Visitor League.

19. All expenses and profits as defined in Rule 18 that may be due to the Visitor League shall be forwarded to the Visitor League by the Home League within fourteen days of the playing of the tie, together with a copy of the Balance Sheet. The Visitor League shall report any failure to comply with this rule to the E.T.T.A. Secretary, who shall place the matter before the Management Sub-Committee, which may refer the case to the National Executive Committee for disciplinary action.

20. Provided that if the Committee exercise its power, as set out in Regulation 9b to order all or any of the last three ties to be played upon a neutral table, the E.T.T.A. shall be responsible for the whole of the Visitors' Expenses and Home Expenses as defined in Regulation 18 above, and shall take the whole profits, less ten per cent. to each of the competing leagues.

21. A league having the right to play at home must play at home, and shall notify both the E.T.T.A. Secretary and the Visitor League Secretary of its acceptance of responsibility for the tie at home, unless both leagues are in agreement to reverse the venue of the tie, in which case the E.T.T.A. Secretary must immediately be informed.

GOVERNMENT—

22. The competition shall be managed by a sub-committee duly appointed for that purpose by the E.T.T.A., and the decision of that sub-committee shall be final on all matters arising out of these rules.

23. The sub-committee shall have power to extend the intervals between playing of rounds laid down in Rule 11, according to the number of entries for the competition in each season. The dates for the later rounds decided by the Sub-Committee shall be circulated at the same time as the draw for the preliminary and first rounds. These dates may be altered thereafter only at the request of all captains concerned in the tie to be altered and by consent of the sub-committee.

24. These Rules may be altered only at an A.G.M. of the E.T.T.A., and by consent of a simple majority of a Trustee Committee consisting of the following persons or their nominees: I. Montagu, H. Oldroyd, J. M. Rose, A. K. Vint.

The winner of the competition in each year to be the holder until the round preceding the final of the competition in the next succeeding year of the Bowl presented for this purpose by J. M. Rose.

REPORT OF THE EXECUTIVE COMMITTEE FOR THE 1949-50 SEASON

THREE SEASONS ago the National County Table Tennis Championships made an auspicious start, 19 teams competing from 15 counties in three divisions. The following season saw a considerable advance in membership; 27 teams competing from 22 counties in five divisions, and it is gratifying to report that during the 1949/50 season no less than 35 teams competed from 24 counties in seven divisions, 29 of these teams being in the six senior divisions, whilst six teams played in the first Junior Division.

It was not only numerically that the Championships increased in stature; in the space of three years the National County Championships has firmly established itself as one of the major factors in English Table Tennis. This opinion is shared by many outside the organised game, and the Sports Editor of a National Newspaper, writing during the season in a journal in no way connected with the County Championships, said: "The County Championships have jumped in two years from obscurity to headline news."

Middlesex continued as Champions, winning the Premier Division title for the third successive year, and they were presented, on the occasion of the Champion County versus The Rest match, with the Challenge Trophy specially purchased at the beginning of the season. Middlesex were also successful in winning the new Junior Division, and their second team won the East Anglian Division. In the other four sections, however, successes were recorded for the first time by the four winners, Essex 2nds winning the Home Counties Division, Northumberland the Northern Division, Lincolnshire the North Midland Division and Devonshire the Southern Division. At the conclusion of the season, three counties, Cambridgeshire, Devonshire and Lincolnshire challenged for a place in the Premier Division, but Yorkshire were again successful in withstanding the challenge from the eventual challengers, Cambridgeshire.

The experiment of playing the match, Champion County versus The Rest of England at the commencement of the following season was a great success. From an administrative point of view, police had to be called to disperse the crowd who were unable to obtain admission; and on the playing side, the players were not suffering from end-of-season staleness, and excitement was maintained by Middlesex leading 4-1 at the interval, and The Rest winning the final four ties to take the match by the closest of margins. It was, therefore, decided that the match should again be played at the commencement of the forthcoming season, and it is expected that it will take place during October in Middlesex, and again be televised.

The Executive Committee wish to add their congratulations to the Misses D. and R. Rowe on their performance in becoming the youngest players ever to win a senior title at the English Championships.

Once more the Executive Committee co-opted Mr. S. H. Kempster as Hon. Publicity Secretary, and yet further progress was made in publicising the Championships.

Applications are already being made from new counties to enter the Championships, and the incoming Executive Committee will have to face even greater difficulties in fitting these applicants into the structure of the Championships. Nearly 75 per cent. of the Counties of England are already in membership, with well over 75 per cent. of the total playing strength of the country available to play in the Championships, and the Executive look forward to the day when County Associations have been formed in every county in England, and 100 per cent. membership has been achieved in the Championships.

For the Executive Committee,
G. R. HARROWER,
(Hon. General Secretary).

ADDENDUM.

The Executive Committee wish to place on record their appreciation of the services rendered by the Hon. Secretary (Mr. G. R. Harrower). He is a tower of strength and the increasing membership and interest in the Championships is a tribute to the energy and zeal he has displayed during the past year.

A. K. VINT (Chairman).

RULES OF THE NATIONAL COUNTY TABLE TENNIS CHAMPIONSHIPS

1. Membership

The County Table Tennis Championships shall be organised annually and all County Table Tennis Associations in membership with the English Table Tennis Association, or other similar bodies under the auspices of the Table Tennis Association of Wales, shall be eligible to take part in these Championships.

2. Divisions

The Championships shall consist of one or more premier divisions (in which not less than four nor more than seven counties shall take part in any one division) and one or more regional divisions of similar composition, but in the regional divisions the second teams of counties in the premier divisions may take part. Where there are four or five teams in a division, they shall each play each, home and away in the same season, but where there are more than five teams, they shall play each other once only per season, home and away in alternate seasons. It shall be within the discretion of the Executive Committee to admit more than one team from any County. The closing date for entries shall be 15th June.

3. Relegation and Promotion

The highest team in each regional division, not being second

teams, shall play off, if it is the wish of all or any to play in the Premier division during the following season. In the event of more than one county challenging for a place a draw shall be made and the county drawn at home must play at home unless mutually agreed otherwise. For the purpose of finance Rule 8 shall operate as for the Premier Division, but in the final settlement after all expenses have been paid, the home side shall be entitled to retain 75 per cent. of the nett profit. The winner of the play off shall have the right of promotion to the Premier Division, but in the event of there being no challenger for a place then the Championships Council in the month of June shall elect a team. The lowest county in the Premier Division shall automatically be debarred from playing in this Division in the following season, but shall have the right to play in an appropriate regional division.

4. Championships Council

The affairs of the Championships shall be managed by a Championships Council consisting of two members of each County Association, one being the County Secretary, with the addition of two members of the National Executive Committee of the English Table Tennis Association who are not County Secretaries.

5. Council Meetings

The Championships Council shall meet twice annually: (a) An Annual General Meeting in June of each year to appoint officers and an executive committee to be responsible for carrying out the Championships and to make arrangements for fixtures and any other competent business. At this meeting the Hon. Secretary shall present the Annual Report of the Executive Committee, and the Hon. Treasurer shall present an Audited Statement of Accounts. (b) In February or March of each year to decide any alterations to the Rules of the Championships.

6. Executive Committee

The Executive Committee shall consist of the Officers of the Championships and one representative from each division, together with one member of the National Executive Committee of the English Table Tennis Association.

7. Officers

The Officers of the Championships shall be a Chairman, Secretary and/or Treasurer who shall be elected from those members of the Championships Council who represent County Associations. A Publicity Secretary may also be appointed at the discretion of the Executive Committee, but not to be a voting member.

8. Finance

(a) Each County Association, on admission, shall deposit with the Treasurer £1 per team, and at the conclusion of the season shall contribute to the funds, for each of its teams, an amount equal to the past year's expenses (less any income) divided by the number of teams participating.

(b) (i) The first charge against the admission receipts in every match played shall be Entertainments Duty, the second charge 2½ per cent. of the nett receipts (i.e., after deduction of Entertainments Duty) to the funds of the Championships.

(ii) In all other divisions other than the premier division, the home county shall receive 97½ per cent. of the nett receipts. In the premier division the home county shall receive 60 per cent. of the nett receipts, and the visiting county 37½ per cent. of the nett receipts. Should 75 per cent. of the visiting county's expenses exceed their 37½ per cent. share of the nett receipts, the home county shall in addition pay to the visiting county the difference between the two figures. A match shall not be arranged unless a charge is made for admission or a guarantee given that a visiting county shall receive their travelling expenses.

(iii) For the purpose of determining the Visiting County's expenses, the following scale shall be observed: travelling expenses, or third-class rail fare for a party not exceeding five; whichever is the less, plus hotel accommodation, including breakfast, at a cost of 15s. per head, if it is impossible for a visiting county to return to their homes at a reasonable hour; or car hire or taxi fare where it would be possible for the visiting county players to return to their homes the same night, providing the said car hire or taxi fare would be less than the combined cost of third-class return rail fare, plus hotel accommodation.

(iv) The home county shall furnish the visitors and the Treasurer of the Championships with a balance sheet within fourteen days of the match, and shall forward at the same time the amount to which each is entitled.

(c) No expenditure shall be incurred by the Executive Committee in excess of the amounts in the hands of the Treasurer without an authority from the Championships Council.

9. Date of Matches

The latest date for each match shall be decided by the Executive Committee, but the two counties concerned may play the match on any earlier date by mutual consent. Matches which are postponed beyond the fixed last date must be played by a second date fixed by the Secretary of the Championships and only with his prior consent, the application to come from both counties concerned together with a fee of 5s. from each county.

10. The Home County shall communicate with the Visiting County at least six weeks in advance of the date of playing a match, and the two counties shall mutually agree a date at least four weeks in advance, such date to be before the fixed last date. When the date has been fixed the Secretary of the Championships must be notified by both counties at least fourteen days before the match is to be played. Failure to comply with this rule will make the home county liable to pay a fee of 5s. In the event of a disagreement as to date,

the Executive Committee shall make a decision as to the date on which the match shall be played.

11. At least fourteen days prior to the match the counties shall supply each other, and the Secretary of the Championships, with the names of their players, and of not more than two reserves, in order of merit. Failure to observe this rule by a county will make them liable to a fee of 5s. Substitution, except for those already notified, shall only be allowed for good reason, which must be stated and agreed to by the Secretary of the Championships.

12. The home team shall send complete results to the Secretary within 48 hours after the match is played, on the form provided, and signed by both Captains, if they agree the result.

13. (a) A match shall consist of ten ties, each the best of three games, comprising six men's singles, one men's doubles, one ladies' singles, one ladies' doubles, and one mixed doubles. No man shall play more than three ties in a match, and no lady more than two ties.

(b) Two points shall be awarded for a win in each match, and one point awarded to both sides for a draw in each match, the positions in each division being determined by the number of points won. In the event of the number of points being equal, the number of ties won shall determine the position.

14. Subject to any arrangement mutually agreed upon, the order of play shall be as follows: (A, B and C being the home team in order of merit and X, Y and Z being the away team in order of merit). C v. Z, A v. Y, B v. X, ladies' doubles, men's doubles, ladies' singles, C v. Y, mixed doubles, B v. Z, A v. X.

15. Any tie not commenced within 15 minutes of the time fixed for the start of the match, or within five minutes of the end of the previous tie, owing to the absence of one player, shall be forfeited to the opposing team. If both players are absent the tie shall not be counted.

16. Default

Any failure to comply with these Rules or with those of the English Table Tennis Association shall not entitle the opposing county wilfully to refuse to play a match, but may be the ground of a complaint or, if the county is seriously prejudiced in its arrangements or in its play, of a claim that the match be forfeited. No complaint or claim with respect to the playing conditions shall be entertained unless a complaint was made to the home team captain before the commencement of the fourth rubber of the match.

17. Claims

A county may, within 48 hours after the time agreed for the playing of a match, send the Secretary a Claim (see Rules 25-27) that the match shall be forfeited to it.

18. The Secretary shall immediately forward a copy of any Claim received to the opposing county.

19. The opposing county, if it wishes to refute the Claim, shall send an Answer (see Rules 25-27) to the Secretary within 48 hours of receiving it.

20. The Secretary shall immediately send a copy of an Answer received to the claiming county, and copies of both Claim and Answer to the Referee (the Chairman of the English Table Tennis Association) with, if necessary, a short statement of the position.

21. The decision of the Referee on a Claim shall be final.

22. Forfeiture

If no result or Claim is received three clear days after the date on which a match is due to be played, the Secretary shall notify the two counties that the match will be forfeited by both unless either an application for an extension of time, accompanied by a fee of five shillings, or a claim, or the result accompanied by a fee of two shillings and sixpence, is received by him within three days. A claim received shall be treated as a claim under Rule 17.

23. If no Answer is received within three days of the sending of a copy of a Claim to a county the Secretary shall notify the county that its match has been forfeited to the claiming county.

24. Appeal

A county may appeal against any forfeiture of a match under Rule 22 or 23. An appeal (see Rules 25-27) must be received by the Secretary within three days of the dispatch of the notice of forfeiture, and shall be treated as a Claim or Answer as the case may be.

25. Form of Procedure

Every Claim, Answer and Appeal shall be in triplicate, and must state the full grounds on which it is made, including any Rule infringed, any game affected or claimed, and where necessary a proper reply to any alleged default.

26. No amendment of or addition to a Claim or Answer shall be allowed, but a county receiving a copy of an Answer may inform the Secretary by return of post if any statement therein is incorrect.

27. Any Claim, Answer or Appeal which is not in the proper form or which is out of time shall be ignored.

28. Penalties

Whatever its outcome, every claim, forfeiture and complaint shall be made the subject of a full report at the next meeting of the Committee which shall have the power in the case of any default described in Rule 16, non-arrival or undue lateness at a match, to impose on the delinquent county or player a fine not exceeding five pounds and/or suspension from participation in the County Championships. Any county or player failing to pay a fine imposed within seven days shall be automatically suspended from participation in the Championships until the fine is paid. The County Champion-

ships Committee may award all or any part of any fine imposed to the opponents and/or the body staging the match.

29. Qualification

(a) Players shall always be qualified to play for the county of their birth, but shall also be able to qualify to play for a county in which they take up residence, provided they shall notify the Secretary of the Championships, such qualification to date from one year from the date of taking up residence, any previous residential qualification remaining whilst qualifying for the new county. A player who wishes to play for any other county must apply to the Secretary of the Championships, giving reasons, and the Executive Committee may grant such application if they are satisfied that the player is a bona fide member of a league within that county, and that he or she lives within five miles of that county's boundary, and shall have represented their league in Wilmott Cup or J. M. Rose Bowl matches in the preceding and current seasons. No player may play for more than one county in the same season. (b) Notwithstanding anything appearing under Rule 29(a) a player who shall have appeared for his county in championship matches upon not less than six occasions, not necessarily in one season, shall thereafter always be qualified to represent that county, unless the player cancels the qualification by subsequently appearing for another county.

30. English Table Tennis Association tournament rules on playing conditions to be observed.

31. All players to be registered, in order of merit, at the commencement of the season, with the Secretary of the Championships. Additional players can be registered, and the order of merit altered, on the first of each month. The player's qualifications (see Rule 29) to be stated at the time of registration.

32. A player having played for his county side shall not thereafter in the same season play for his second team without the prior consent of the Secretary of the Championships.

33. The first three men and two ladies in each county's order of merit shall not be eligible to play for their second team.

34. Any proposed addition to, or alteration or rescission of, the Rules shall be submitted in writing to the Hon. Secretary of the Championships before the 31st December prior to the meeting of the Championships Council in the following February or March.

35. In the event of any question or matter arising which is not provided for in the foregoing Rules, such question or matter shall be dealt with by the Executive Committee, whose decision shall be final.

36. No addition to, or alteration or rescission of these Rules shall be effected unless approved by the National Executive Committee of the English Table Tennis Association.

COUNTY UMPIRE SCHEME.

A Committee has been examining the question of umpiring and as a result of their deliberations they have prepared as a first stage a County Umpires Scheme. It is the object of the Committee to provide ultimately for the qualification of two classes of umpires:—

- (a) those who measure up to minimum standards, and
- (b) those who reach a much higher standard.

The first step is to find the County Umpires—those who measure up to minimum standards. There will be a written test and a check on practical ability whilst actually umpiring. County bodies have received full details of the scheme and have been asked to appoint Committees with the following duties:—

- (a) to encourage individuals to qualify as umpires.
- (b) to issue and mark County Umpires Test papers.
- (c) to issue certificates to probationary umpires and
- (d) to issue badges to qualified County Umpires.

It is hoped that all County bodies, Leagues and clubs will give full co-operation to enable this scheme to be a success.

THE ORGANISATION OF AN OPEN TOURNAMENT

Most organisers are now well aware of the major pitfalls in running an open tournament and detailed recommendations have been given here only to ensure as full a coverage as possible of what are almost the major events of the table tennis season in England, for if certain basic principles are followed no vast organising ability is required but at the same time success is assured.

The most vital maxim is that a great deal of time must be spent in advance and never forget that even hours of work beforehand which will save say one minute on every match played, may well make the difference between a smooth-running tournament and one which leaves players disgruntled, officials worn out and the general public wondering whether table tennis really is a great national sport.

The first step is to form the tournament committee under the chairmanship of the referee. This committee should be as small as possible and contain officials all of whom are themselves chairmen of even smaller sub-committees each responsible for the various essential sides of the organisation. These are normally a Playing Committee which handles matters connected with the draw and the actual playing of the matches, while the others such as Umpires, Stewards, Box Office, Programmes, Press, Hospitality, etc., have obvious duties. This system generally ensures a fair division of the work and avoids vital matters being overlooked.

Entries would normally be received by the tournament secretary, who, working under the referee, arranges for their collation. It still seems impossible for every player to fill in an entry form correctly however simple, therefore the easiest way is to prepare a complete list of all competitors, as entries are received, on the following lines, immediately addressing to each entrant a notification card to be completed later by the playing committee:

No.	Name	Events Entered	Partners	Fees Paid	Owed or to be refunded	Remarks
1	J. Smith	M/S, M/D	J. Brown	4s.	-6d.	6 o'clock; not Wednesday
2	Miss J. Green	W/S, W/D, X/D	Miss L. Jones A. Robinson	7s.	+1s.	7 o'clock; only Monday

At the same time separate lists of competitors are built up—one for each event, containing only the entrant's name.

After entries have been closed the basis of the time schedule is worked out according to the number of matches to be played, with particular reference to days on which competitors will be

required to play in more than one event. Normally 15 minutes is the allowance for a three game set and without an experienced organisation it is unwise to try to reduce this.

We are now ready to go ahead with the draw. Here careful note must be made of the Association's new rules on seeding, details of which will be found earlier in the handbook under Rules for Open Tournaments. Most organisers are able to make a draw but as the calculation of the number of byes, which should occur only in the first round, still causes some confusion, perhaps the following method may assist. To give four semi-finalists and two finalists the number of competitors must be a power of two in the first round. If not, sufficient byes must be introduced in the first round to make the number in the second round a power of two i.e., either 2, 4, 8, 16, 32, 64, 128, 256, etc. This is done by subtracting the number of entrants from the next highest power of two. This figure is the number having byes into the second round.

Example: With 99 entries the next highest power of 2 = 128,
 $128 - 99 = 29$.

In the first round we have 29 byes with 70 actually playing, giving 35 winners + 29 byes = 64 for the second round.

The easiest way, then, of making the draw, after inserting the byes, if any, is to use numbered pieces of paper—one for each competitor or pair, divide these into halves or quarters according to the permitted number of seeds, insert the seeds in their appropriate sections and make a straight draw.

Having completed the draw the next stage is to schedule each match, i.e., allow one match per table for each period of 15 minutes. This is a fairly straightforward matter so long as care is taken in endeavouring to even out players' rest periods between each round. A point to remember here is, that as your final will presumably not be played until all preliminary rounds of other events are completed, you can play one half of an event at a time, i.e. if you have 64 first round matches you do not have to play more than 32 of them before beginning the second round. In this way, if you have say only six tables you can play the first half of the draw down to the third round before commencing the first round of the second half of the draw. Thus players' waiting time between rounds is evened out and all your tables are kept in play for a longer period with a corresponding lessening of wasted tables.

If more than one event is being played in the same session it is best to select non-clashing events to follow each other, e.g., Men's singles, Ladies' singles, Men's doubles, Ladies' doubles, Junior singles, Mixed doubles. Here you have only to arrange that your better Juniors are excluded from the first round Mixed doubles matches

which are scheduled to be played at the same time as the last Junior matches.

Now, notification cards have to be filled in giving players the times of their first matches in each event. This is really essential as it always seems pointless to insist on a large number of players being available at the commencement of each session when an examination of the schedule shows that many of them can be given but one match in two hours.

We now come to preparations for the actual operation of play. Draw sheets are already completed and each match shown thereon should have its time and number stated beside it. Every match should of course be numbered, both for checking purposes and for easy reference when Umpires' scorecards are returned. These numbers should never be duplicated but should follow on from event to event, e.g., if there are 127 matches in the Men's singles and 63 in the Ladies' singles the former will be numbered 1 to 127 and the latter 128 to 191 and so on.

It is far simpler to work from a schedule and use the actual draw sheets only for entering up results. This sheet should have sufficient columns of two inch width to permit one for each table, while lines are ruled across to denote the 15 minute periods. Each oblong thus formed has the number and competitors for each match entered into it (later rounds will, of course, have only a number—the names being filled in as they become available). In this way your matches are played as scheduled with no overlapping, so long as matches are announced for play only in their correct time sequences. Naturally, unless you have unlimited time, there is no need to tie matches down to table numbers denoted by the column heading on the schedule. They can be put on any available table but must be in their time sequence.

At long last we have reached the commencement stage of play itself. Competitors should report to the Referee with their notification cards. From this their names are easily found on the schedule and play is ready to begin. If sufficient time can be found beforehand it is advisable to have match cards already written out for the first round matches. The appropriate matches are then taken, crossed off the schedule and handed to the announcer who allocates them to tables, announces them, and hands the match cards to the Chief Umpire who immediately despatches Umpires to the tables with the cards and balls. The cards, of course, return by the same process.

So your tournament will continue until the final stages which should naturally be on one table only in some sort of staged manner. Nothing, surely, is more unfair to both players and spectators for a final to be put on with a Junior quarter final on one side of it

and a Consolation singles battle on the other. Also your finals are your greatest opportunity of drawing a "gate" and thus would be your greatest source of revenue as well as really being a duty of yours to the players who have patronised your tournament. They should at least be given the kudos of winning a title before an audience unhampered by the diversions of play on other tables.

Two further points to watch at your finals—never play Consolation singles finals with your major finals. They are seldom popular with either players or spectators and only detract from public interest. Secondly, always present your prizes after each final. If these are left to the end they are but a source of embarrassment to the dignitary who has to dispense them amid a diminishing audience and to the accompaniment of the muffled conversation and clattering chairs of the departing.

In conclusion, keep your officials at the Committee table to the absolute minimum—four is ample; pick your officials carefully—an Umpires' Committee which fails to get Umpires is just as useless as a Press Committee which does not obtain Press publicity—and be prepared to work hard in advance. If these are done there is no reason why the whole tournament should not run successfully and be a credit to the organisers.

THE CHART SYSTEM FOR ARRANGING LEAGUE FIXTURES.

The Chart System has now become a necessity to all Table Tennis Organisers. In order that clubs can compete in leagues, they must be able, if they enter more than one team, to be *certain* that two teams from the same club will not be called upon to play at home in the same week. This can always be *guaranteed*, providing the divisions making up a league have the same number of teams in each, irrespective of whether the two teams are in one division, or separate, and irrespective of how many clubs enter with two teams.

Most leagues to-day publish their own handbook, and the amount of space taken up by printing fixtures is considerable. This can be cut down to a maximum of two pages (including explaining the chart) by using the chart system. Even if you decide to print your fixtures in full, you will find that, to obtain satisfactory fixtures, you must prepare them with the aid of a chart.

The following charts can be used for divisions from 6 to 12 teams: if an odd number of teams, say 7, you give a blank week to the team due to play No. 8 in each case. Use of these charts guarantees that no team is ever called upon to play three consecutive home or away matches, and that they get the maximum possible number of alternate home and away games. Furthermore, by using the combinations shown underneath each chart, you safeguard your clubs and their few match nights. For example, if you have a club with two teams, one in the premier division and one in the third division, with only one home night, allot the first team to position No. 1 in the premier division, and the second team to position No. 5 (for divisions of eight) in the third division. It should be noted that although only four combinations are listed as alternates for divisions of eight, these combinations can be reversed; i.e., 5 and 1, 6 and 2, giving eight combinations for eight places, covering every possibility.

The tables used cover the first half of the season, and the letter "a" denotes an away match. For example, again quot-

ing from divisions of eight, Team No. 1 plays Team No. 8 at home in the first week, and then meets Team No. 7 away in the second week. Obviously, for the second half of the season, the homes and aways are reversed.

Shortage of space precludes giving all details, but further information can be supplied and queries answered if a communication is sent to the Association.

There is a way in which EACH team can play alternate home and away matches, providing that two extra weeks can be devoted to the league programme. Obviously, this is more satisfactory if time permits, and you are recommended to use the charts numbered 4, 5, 6 and 7.

REPORT OF THE NATIONAL EXECUTIVE COMMITTEE FOR THE YEAR ENDED April 28th, 1950.

Submitted at the Annual General Meeting of the Association held in the Tudor Room, Caxton Hall, London, on Saturday, April 29th, 1950.

Ladies and Gentlemen,

1. The National Executive Committee has pleasure in presenting the following report on the work undertaken on behalf of the Association since the last Annual General Meeting held on the 30th April, 1949.

2. **Membership.**—The present membership of the Association is as under :—

3. **The Late A. J. Wilmott.**—Not only the Association, but Table Tennis generally throughout all countries, suffered a severe loss in January by the death of A. J. Wilmott, Vice-president of the E.T.T.A., and secretary of the Equipment Committee of the I.T.T.F. An old player, English international, and winner of the Veteran's Championship, Mr. A. J. Wilmott's enthusiasm for Table Tennis and active services never flagged, despite grave ill-health. Founder of the knock-out team Championship for the Cup known by his name, and patient and exact examiner of equipment for the

highest class of the sport, his influence will remain indelibly for many years to come, and both E.T.T.A. and I.T.T.F. will find it impossible to replace him. Sympathy is extended by the Association and his many friends to his family and to his colleagues of the British Museum (Natural History) Staff.

4. **Meetings.**—The National Executive Committee has met on six occasions, and the General Council once. Mr. C. Corti Woodcock was co-opted to the National Executive Committee for the 1949/50 season in accordance with Rule 12(a).

A Special General Meeting was held in June, 1949.

The attendance of the Officers and the members of the National Executive Committee at the six meetings between 28th May, 1949, and the 22nd April, 1950, was as follows:—

	Possible	Actual		Possible	Actual
I. Montagu ...	6	5	W. Stamp ...	6	6
A. K. Vint ...	6	6	E. Worsley ...	6	1
W. J. Pope ...	6	5	F. G. ...	6	5

5. **Selection Committee.**—A Selection Committee was appointed, consisting of Messrs. I. Montagu (Chairman), G. R. Harrower (Secretary), H. J. Amery, S. Proffitt and T. E. Sears. Mrs. M. Knott was not available for the season as Women's captain. Mr. A. A. Haydon was again co-opted, this time as captain of both men's and women's teams, whilst Mr. T. E. Sears was again captain of the Juniors. Three trials were held, the Corbillon Cup trials on the afternoon of the 15th December being followed by the Swaythling Cup trials on the morning of the 16th December. Junior trials were held at the beginning of February. A protest was received from the Bristol League, asking why Area Trials were not held, and it was explained

that the holding of Area Trials was not a usual practice, but that they were held only in seasons when the necessary information was not otherwise available. With the large number of Open Tournaments and regular matches in the County Championships, it was felt that the performances of all likely players were known, but it was, of course, open to any area to bring to the notice of the Selection Committee any players whom they thought should come under consideration, and, in fact, such information was always welcomed.

The Committee wish to place on record their appreciation of the action of the Central League in providing facilities for the Trials in December during the running of the Central Open Championships, without any charge to the Association.

6. **World Championships at Budapest.**—As well as the English Swaythling Cup and Corbillon Cup teams, a party of enthusiasts and players visited the World Championships at Budapest in February. The full results were as follows:—

	Winners	Runners-up
Swaythling Cup ...	Czechoslovakia ...	Hungary
Corbillon Cup ...	Rumania ...	Hungary
Men's Singles ...	R. Bergmann ...	F. Soos
Men's Doubles ...	F. Sido & F. Soos ...	I. Andreadis & F. Tokar

Men's Consolation Singles	Turnovsky (Czechoslovakia)	
Women's Consolation Singles	Beolet (France)	
Jubilee Cup ...	V. Barna ...	A. A. Haydon

The English Men's and Women's teams came near to winning their respective trophies, the Men losing by 4—5, and the Women by 2—3 to the respective Champion teams.

Richard Bergmann is to be congratulated on his fourth victory in the World's Singles, a triumph of determination. D. Beregi's performance in helping H. Elliot to retain the

World's Doubles title, which she had won the previous year with Farkas, was a brilliant close to this excellent sports-woman's career, and she will carry the good wishes of all members of the Association with her on her emigration with her family to Australia. Two E.T.T.A. players, Barna and Haydon, fought out the Final of the Jubilee Cup.

In the Swaythling Cup and Corbillon Cup matches, the results were as follows:—

Swaythling Cup.		Marcel Corbillon Cup.	
v. Sweden	won 5—0	v. Scotland	won 3—2
v. Austria	won 5—1	v. Italy	won 3—0
v. Poland	won 5—1	v. Wales	won 3—0

v. Brazil	won 5—0		
v. Ireland	won 5—1		
v. New Zealand	won 5—1		
v. Czechoslovakia	lost 4—5		

7. **English Open Championships.**—London was again the venue for the English Open Championships in March. All the preliminary rounds of the Junior events and certain of the Senior events were played at the Paddington Baths, Queensway, W.2. An innovation was the playing of certain rounds at Wembley on the Thursday, Friday and Saturday, with the Semi-Finals on the Friday night and the Finals on the Saturday night. Nearly 15,000 people paid to see the games at Wembley. In the Junior Championships the Committee introduced the Junior Doubles as an additional event, which was much appreciated.

The results were as follows:—

	Winner	Runners-up.
Men's Singles	R. Bergmann	M. Haguenauer.
Women's Singles	Miss M. Shahian	Mrs. R. Monness.
Men's Doubles	Z. Dolinar & V. Harangozo	J. Leach & J. Carrington.

The Organising Committee consisted of the National Officers and E. G. White (Referee), G. R. Harrower (Tournament Organiser), C. Corti Woodcock (Press and Hospitality), S. H. Kempster (Press), G. W. Decker (Equipment), G. James (Stewards and Umpires), W. Luff (Trophies), and P. Hyde and A. H. Lewis (Tournament Schedule).

8. **International Matches.**—The following ordinary International Matches were played during the season:—

Country	Result.	Score.
v. Czechoslovakia (Hradec Kralove)	Won	5—4
v. Ireland (Belfast)	Won	8—1
v. France (Wolverhampton)	Won	7—2
v. Scotland (Glasgow)	Won	8—1
v. Sweden (Juniors) (Aylesford)	Won	5—4
v. Wales (Cheltenham)	Won	9—0
v. U.S.A. (Luton)	Won	9—0
v. Wales (Juniors) (Newport)	Won	8—2

It will be seen that, to date, we have won every match played, and a summary of results including Swaythling Cup and Corbillon Cup matches shows that we have had probably the most successful season in our history. The summary shows that we have played 18 matches, won 16, and lost only two, to the eventual winners in each case of the Swaythling and Corbillon Cups.

We scored 109 ties for and only 28 against.

The players selected for the Senior matches were:—

Men

*R. Bergmann	*H. T. Venner	*J. Leach
*A. W. C. Simons	K. Craigie	R. Allcock
B. Brumwell	D. A. Miller	R. Crayden
L. Devereux	M. Thornhill	W. Poole
*B. Crouch		

Women

*Miss L. R. Barnes	Mrs. J. Crosby	*Miss N. Franks
*Mrs. V. Thomas	Miss D. Rowe	Miss M. Jones
Miss J. Roberts	Miss A. Wood	Miss R. Rowe
*Miss D. Beregi		

(The players marked * composed our Swaythling Cup and Corbillon Cup teams).

The players appearing in Junior matches were:—

S. Brocklebank, D. C. Burrige, J. Lowe, P. F. Smith.

The following have acted as Captains of teams during the season:—

A. A. Haydon, J. Leach, A. W. C. Simons, A. K. Vint and T. E. Sears (Juniors).

The Committee wish to place on record their thanks to the centres for organising the various International matches, and for the efficient way in which they were carried out.

9. Open National Championships in Other Countries.

—Our players met with considerable success in the six (Austrian, French, Dutch, Irish, American and Welsh) in which they competed. In the Austrian Championships, Bergmann won the singles, Mrs. Thomas the ladies' singles, Bergmann and Mrs. Thomas the mixed doubles, and Mrs. Thomas also shared in the Ladies' doubles success. In the French Championships, Bergmann beat Leach in the Final, Mrs. Thomas won the ladies' singles, Leach and Simons the men's doubles, and Leach and Mrs. Thomas the mixed doubles. In the Dutch Open, Bergmann reached the final of the men's singles, Bergmann and Miss Barnes won the mixed doubles, whilst Miss Barnes also shared in the ladies' doubles title. In the Irish Open, Leach reached the final of

all three events, winning the mixed doubles, and the men's in partnership with Crayden, losing in the final of the singles. Leach and Carrington visited the U.S.A. and participated in the U.S.A. Championships, and Leach won all three events, the men's doubles in partnership with Carrington. In the Welsh Championships Leach once more reached three finals, winning the men's doubles in partnership with Carrington, and the mixed doubles in partnership with Miss Franks. Simons beat Leach in the men's singles final, Miss Franks beat Miss Steventon in the ladies' singles final. Miss Steventon formed one of the winning pair in the ladies' doubles final, whilst M. Leach reached the Junior Singles Final.

The performances of our players in other countries helped to confirm our high place in table tennis.

10. The Juniors.—Once again two Junior matches were played during the season—against Sweden we won 5—4, and against Wales, which we won 8—2, thus maintaining our unbroken run of successes in this form of competition. Three additional Junior events were added to the English Championships, and our juniors were successful in withstanding a strong overseas challenge from Sweden. For the first time, two junior players, the Misses Diane and Rosalind Rowe, won a senior title at the English Open—the Ladies' Doubles, and it should be noted that only their outstanding brilliance kept several other young girls, well above the average standard, from sharing in junior titles. In fact, the junior standard of both sexes showed a further welcome improvement, and Mr. T. E. Sears, as in previous years, was an inspiration to our younger players.

In the Senior match, England v. France, to be played in Paris on the 9th May, it is proposed to include a junior tie as part of the fixture.

11. National County Championships.—The County Championships once again showed another large increase in membership, 24 counties entering 35 teams, as compared with 19 counties and 24 teams in the preceding season. Middlesex became Champion County for the third successive season, whilst their Junior side won the Junior Championship

in the first season of its inception. Lincolnshire and Northumberland won their respective divisions for the first time, whilst the second teams of Essex and Middlesex were successful in two other sections. The competition between Devon and Surrey was so close in the Southern Division that the Executive Committee have to meet to decide the champions of this division.

12. Wilmott Cup and J. M. Rose Bowl.—An organising Committee was appointed to handle these two competitions, consisting of Messrs. W. J. Pope and C. Corti Woodcock. Entries reached a new peak—93 in the Men's event and 60 in the Women's—29 more than last year. Apart from a short delay in fixing dates and venue of the Semi-finals and Finals, all arrangements worked smoothly, and no major difficulties were encountered.

Birmingham staged the Wilmott Cup Finals on April 8th in conjunction with the "Sporting Record" Schools' Finals. The home team, who had the distinction of knocking out Manchester, the holders, in a Zone Final, beat Woolwich in the Semi-final, but lost in the Final round to South London, who had previously disposed of Central. The South London team consisted of J. Head, R. Crayden and H. Venner.

The closing matches of the J. M. Rose Bowl took place at Southampton on April 15th, West London opposing Bristol, and Liverpool opposing Brighton. The first-named won comfortably 7—2 in each case, West London going on to win the Bowl 8—1 against Liverpool. By a curious coincidence in this competition too, the losing Finalists were responsible for the defeat of the holders—Manchester—in an earlier round. The winning team were represented by the Rowe twins—Rosalind and Diane—and D. Ellis.

The Committee wish to express their grateful thanks to Birmingham and Southampton for the excellent way in which both these events were staged.

13. Tour of Czechoslovakia.—Six players and the Hon. Treasurer (A. K. Vint) and Mrs. Vint were invited to tour Czechoslovakia from 31st October to 14th November, 1949,

as guests of the Czechoslovakian T.T.A. In all 14 matches were played (we won 13 and lost 1), including an International match, which we are pleased to report resulted in a win for the E.T.T.A. by 5 matches to 4. This was the first win against Czechoslovakia since 1929. The tour was well planned and organised, and our thanks are due to the Czechoslovak T.T.A. for making such successful arrangements. At the conclusion of the tour, a personal message was received from the President of the Sokol Organisation congratulating the team on their sportsmanlike conduct, which was described as a model for general emulation.

14. English Players Abroad.—During the summer and autumn of 1949, V. Barna and R. Bergmann were granted permission for an exhibition tour in New Zealand, Australia and India, and at the request of the Associations of these countries approval was given also to the two players representing England (under the captaincy of Barna) in a series of International matches, all of which were won 5—0. The Association has received reports that their play and visit generally were much appreciated, and extremely beneficial to the sport. Mr. C. Corti Woodcock is to be thanked for his helpfulness to all concerned in promoting the arrangements. Leach and Crayden were permitted to undertake team matches and exhibitions in Sweden against local, U.S. and French players, and also obtained good results. Leach and Carrington received permission for exhibitions in U.S.A. at the time of their successful participation in the U.S. Championships, and Bergmann, at the request of the Austrian T.T.A., was permitted to represent Austria v. U.S.A. as a guest player in a friendly match.

15. Swedish Juniors' Tour.—A team of three Junior players—Pettersson, Gustafsson and Hellgren—with non-playing Captain K. Raben arrived in this country in February on a reciprocal visit. They toured the country for three weeks, playing in 7 counties and 14 centres, including an International match at Aylesford, which our team, consisting of J. Lowe, P. Smith, D. C. Burridge, with S. Brocklebank as Reserve, and T. Sears as non-playing Captain, won 5—4.

The Swedish boys concluded their trip by taking part in the English Open Championships.

16. Open Tournaments.—Thirty-one Open Tournaments have been sanctioned this season.

17. Newspaper Tournaments.—The "Sporting Record" Schools' Championships attracted an entry of 56 schools. Last year's finalists, Borden Grammar School, Sittingbourne, and Bournemouth School, met in the play-off for the Trophy. The Hampshire boys, N. Wilding and S. Davies, this time turned the tables on the holders, D. Eagles and D. Ainge, by three matches to nil. The losing Semi-finalists were Whitley Bay Grammar School and Northampton Grammar School.

"Daily Mirror" National Tournament.—The "Daily Mirror" organised a Tournament for players who had not won an Open Tournament or become an International player at the time of their entry. Over 10,000 entries were received, and the Tournament was conducted on a Zonal basis. The Finals were played at the Royal Albert Hall, London, on Tuesday, 25th April, and the results were as follows:—

	Winner.	Runners-up
Girls' Singles ...	D. Rowe (W. Ealing)	A. Jones (Wallasey)
Boys' Singles ...	J. Lowe (Ashford) ...	C. Booth (Bolton)
Women's Singles	D. Rowe (W. Ealing)	Mrs. P. Lammin (Grimsby)
Men's Singles ...	L. Adams (W. Ealing)	P. Skerratt (Scunthorpe)

In addition to the Finals of the Tournament, there were matches between Leach, Haguenauer, Barna and Bergmann, for an International Invitation Trophy, which was won by Haguenauer, who beat Bergmann in the Final.

"Evening Chronicle."—For many years the Kemsley Newspapers have organised an "Invitation Tournament" in connection with the "Manchester Evening Chronicle." The Finals were held at Belle Vue on March 13th, and the Tournament was won by J. Leach. Winners of the Open Events were as follows:—

Ladies' Singles —Miss Eileen Grimstone (Marple).
Runner-up —Miss Gladys Holmes (Macclesfield).

Men's Singles—Derek Ellison (Bolton).
Runner-up—Gordon Brown (Wigan).

This Tournament has been of great value to the Table Tennis Leagues in the North, and has helped to stimulate interest amongst players not attached to Leagues or Clubs.

18. Registered Players.—Seventy-nine members have been recorded as registered players during the season in accordance with the Regulations.

19. Coaching Scheme.—An application was made to the Ministry of Education for a grant towards the expense of providing a National coach. A scheme was drawn up, and a number of applicants for the post were interviewed, but it is with regret that we have to report that, owing to Government economy cuts, the Ministry of Education had to defer consideration of our application.

20. Victor Barna Testimonial Fund.—In October, 1949, County Associations, Leagues, Clubs and individuals were invited to contribute towards a Testimonial Fund as a tribute to Victor Barna. It was felt that a personal presentation in the form of a Souvenir should be given, and that the balance of the appeal should be utilized for a Trophy which would perpetuate his name. The closing date for subscriptions has been fixed for 30th April, 1950, and to date the sum collected is about £400, including a donation of £105 from the E.T.T.A. Support has been forthcoming from the Irish, New Zealand and Indian Associations, and letters of appreciation from other parts of the world have been received. It is proposed to consult with Victor Barna as to his wishes in the matter of the Souvenir and the Trophy.

21. International Table Tennis Federation.—I.T.T.F. Congress in Budapest.—26 Associations were represented directly or by proxy. The only playing law altered is in respect to the time limit rule: in a match where one game is terminated by the 20-minute limit, subsequent games in the same match shall be subject each to a ten-minute limit.

White Clothes: forbidden in World Championships; permitted by agreement in international matches; associa-

tions may make white optional, or obligatory on their own players, at their own events otherwise.

Associations are reminded to allow no break in 5-game matches except after the 3rd game; to see that umpires enforce the service law; to restrict the giving of advice to players during the match.

Balls approved for international play (1950/51): Barna 3 Crown, Halex 3 Star, Villa XXX.

The **maximum prize limit value** is to be raised to £5. **medal or cup value** to £35, for outright awards.

An I.T.T.F. News Bulletin is to be published regularly.

The Rules of **membership qualification for associations** have been modified. New members "in good standing" (i.e., without vote) South Vietnam, Korea South, Japan, South African T.T. Board (members of the S.A.T.T. Union permitted international play only with consent of the S.A.T.T.B. or the Advisory Committee of the I.T.T.F.). Applications from Western Germany and Eastern Germany under consideration. Accra and Lagos permitted to affiliate to E.T.F.A. next season. The Rules for **governing officerships and committees** were somewhat modified. Re-elected: Montagu, president; Pope, secretary, and Vint, treasurer, both the latter without vote.

Next World Championships—Vienna, 2/10th March, 1951. Options for 1952/3 (sequence to be determined) India and Czechoslovakia. Applicants (not in that sequence) for 1954/8, Belgium, France, Netherlands, Sweden, England, U.S.A.

Suspensions (to be observed by all countries) Reisman, Miles, Cartland, Al Neuberger, Fetbrod (U.S.A.), Davies, Morgan (Wales).

22. **County Administration.**—The number of County Associations has risen to 25, and the great majority of playing members in the country are now affiliated to Leagues in membership with County Associations.

23. **Work of Sub-Committees.**—Certain Sub-Commit-

tees were appointed to undertake specialised tasks during the course of the year:—

Umpires' Sub-Committee.—A Sub-Committee has considered the whole question of umpiring. A scheme for giving recognition to umpires reaching defined standards of competence has been approved in principle. Detailed proposals for implementing this scheme have been worked out, and will be considered by the incoming Executive Committee.

Open Tournaments.—The Sub-Committee set up to consider the question of Open Tournaments received a considerable number of replies to a questionnaire sent out at the beginning of the season, and are hoping, as a result of a further request for information just being circulated, to report on any necessary changes before the start of the new season.

County Boundaries.—A Sub-Committee was appointed to examine the revisions of the boundaries of Essex, Kent, Middlesex and Surrey, made necessary by the alteration to the Rules at the last Annual General Meeting. After hearing at length the views of the Associations concerned, it was eventually amicably agreed by all the counties that the boundaries that should operate in future should be those prior to the formation of the County of London in 1887 and 1889, with one or two small revisions, mainly the boundary between Kent and Surrey should follow postal districts, and that four postal districts in East London formerly belonging to Middlesex, should be regarded as being in Essex. It was decided that the Sub-Committee should be a permanent one, and that any county could, in the month of May in any year, raise the question of a revision of new boundaries.

24. **Official Magazine.**—Considerable attention has been paid to the improvement of the Official Magazine during the past year. The page-size was increased at the beginning of the season, so as to provide a more attractive publication containing more reading matter.

Mr. Leslie Woollard joined the Editorial Board, and

gave valuable help in the constant efforts made to keep the Magazine full of interest. Thanks are also due to a number of voluntary contributors who have given regular or occasional assistance.

The distribution of the Magazine has also been given special care. Although sales have not yet reached a level which can be regarded as entirely satisfactory, there has been a gratifying increase of over 1,500 copies per month, due largely to Mr. G. R. Harrower's efforts as Circulation Manager. Much assistance has also been given by locally-appointed Magazine Secretaries who have improved sales in their own Leagues and Counties.

25. Incorporation.—On the 25th June, 1949, a Special General Meeting of the Association was held, when a draft of the Memorandum and Articles of Association were submitted for consideration covering the proposals to register the Association as a Company. In accordance with the instructions of the meeting, an application was made of the Registrar of Companies for permission to use the title "English Table Tennis Association," and this was granted. An application of the E.T.T.A. to the Board of Trade for a licence to omit the word "Limited" from the title of the Association on registration of the Association has been refused. Subsequent interviews have taken place with the Board of Trade, and we have also had the benefit of consultations with Sports Bodies who have become Companies. There is widespread reluctance to register the Company as "English Table Tennis Association Limited," and it is felt by the National Executive Committee that every possible step should be taken to obtain the necessary licence to omit the word "Limited."

26. Brighter Sunday Association.—This Association was formed throughout the country following the action of the Lord's Day Observance Society in warning the Hastings Association that charging for admission to the Finals of the Sussex Open Championships, which were held on a Sunday in 1948, was illegal. One of the objects of this Society is to alter the law relating to sporting events being held on a Sunday and, after consideration, the National Executive

Committee decided to be represented on this Association. Mr. C. Corti Woodcock and the Hon. Secretary (W. J. Pope) were appointed as delegates to attend meetings, which have been held at frequent intervals since the formation of the Association. A number of influential Associations and M.P.s have joined the Association, and it is hoped to introduce a Bill into Parliament to regularise the anomalies which now exist. A Bill is being drafted in conjunction with the Society's legal advisers, and the National Executive Committee are keeping in close touch with the position.

27. Festival of Britain.—We have been invited to attend one or two meetings in connection with the Festival of Britain, and no doubt we shall identify ourselves with this project at the appropriate time.

28. Office Administration.—Once more we have to report a year full of intense activity so far as the office is concerned. Mrs. Pegg has rendered a great service to the Association in a most efficient and business-like manner, and we must consider ourselves fortunate in having such an excellent employee in the way in which she has carried out her duties. Miss J. Finnimore was appointed as Junior Short-hand Typist on the 13th May, 1949, and during the course of the past ten months has contributed to the smooth running of the office.

It will be remembered that in a previous report reference was made to the A.B.A. requiring us to terminate our tenancy of the office at 69, Victoria Street. After a great deal of searching, an office was found at 214, Grand Buildings, Trafalgar Square, London, W.C.2. This is a very pleasant room, and centrally situated. It has many advantages, especially from the point of view of the standing of the Association.

On behalf of the National Executive Committee,

I. G. S. MONTAGU (Chairman).
W. J. POPE (Hon. Gen. Secy.).
A. K. VINT (Hon. Treasurer).

27th April, 1950.

ADDENDUM TO THE REPORT

The heat and burden of the day has once more been borne by the Honorary General Secretary of the Association (Mr. W. J. Pope), and the National Executive Committee wish to place on record their keen appreciation of the valuable work he has rendered to the Association during the course of the past year.

Once more he has sacrificed his health for the game, and it is with distress we report that he is at present dangerously ill, and it is our earnest hope that he will soon make a full recovery.

I. G. S. MONTAGU (Chairman).
A. K. VINT (Hon. Treasurer).

INTERNATIONAL TABLE TENNIS FEDERATION

The Seventeenth Congress of the International Table Tennis Federation took place at Budapest. The sad news was received on its opening day of the death of Mr. A. I. Wilmott, for so long Secretary of the Equipment Committee.

Certain changes were made in the Constitution, principally providing that election of an association *de facto* governing the sport in a certain area should be possible without implying recognition of that area as an independent state, and election should also be possible of an association conforming to the constitution even where its position as a national governing body is as yet complex or unclear. For this purpose the category of membership "in good standing," without the vote available to full membership and susceptible to annual review, was reintroduced. New members accepted in good standing, or provisionally, include: South Vietnam, Korea South, Japan, Germany (Joint Board co-ordinating the Federal Republic and the Democratic Republic), South Africa (National Table Tennis Board), Bulgaria. Players attached to the South African T.T. Union may participate with those of the I.T.T.F. by agreement with the S.A.N.T.T.B. or, on appeal, with assent of the Advisory Committee.

Accra and Lagos have been permitted attachment to the E.T.T.A. for the coming season.

The E.T.T.A. Chairman, Hon. Secretary, and Treasurer were respectively elected President, Secretary, and Treasurer of the I.T.T.F. The Chairman serves also on the Rules, Equipment and Ranking Committees.

The Time Limit rule has been modified to provide that, where a game has been terminated at 20 minutes, the time limit in any subsequent game of that match shall be reduced to 10 minutes.

Options for 1952/1953 Championships are to be given to India and Czechoslovakia in a sequence to be determined by the practical proposals made. Applications for subsequent years have been received from Belgium, England, France, Netherlands, Sweden and U.S.A.

An official I.T.T.F. Magazine is now issued under the editorship of Monsieur Marcel Corbillon, E.T.T.A. correspondent, Mr. E. G. White. Subscription and particulars obtainable from head office.

THE LAWS OF TABLE TENNIS.

(As adopted by the International Table Tennis Federation.)

Singles.

1. The Table.—The table shall be in surface rectangular, 9ft. in length, 5ft. in width; it shall be supported in such a way that its upper surface shall be 2ft. 6ins. above the floor, and shall lie in a horizontal plane.

It shall be made of any material and shall yield a uniform bounce of not less than 8ins. and not more than 9 ins. when a standard ball is dropped from a height of 12ins. above its surface.

The upper surface of the table shall be termed the "playing surface"; it shall be non-reflecting, of a dark colour with a white line $\frac{1}{2}$ in. broad along each edge.

The lines at the 5ft. edges or ends of the playing surface shall be termed "end lines." The lines at the 9ft. edges or sides of the playing surface shall be termed "side lines."

2. The Net and its Supports.—The playing surface shall be divided into two courts of equal size by a net running parallel to the end lines and 4ft. 6ins. from each. The net, with its suspension, shall be 6ft. in length; its upper part along its whole length shall be 6ins. above the playing surface; its lower part along the whole length shall be close to the playing surface. The net shall be suspended by a cord and attached at each end to an upright post 6ins. high; the outside limits of each post shall be 6ins. outside the side line on the same side.

3. The Ball.—The ball shall be spherical. It shall be made of celluloid, white, but not brightly reflecting; it shall not be less than $4\frac{1}{2}$ ins. nor more than $4\frac{3}{4}$ ins. in circumference; it shall not be less than 37 grains (2.40 grammes) nor more than 39 grains (2.53 grammes) in weight.

4. The Racket.—The racket may be any material, size, shape, or weight, provided it is not white, light coloured or reflecting.

5. The Scoring of Points.—A game shall be won by the player who first wins 21 points, unless both players shall have

scored 20 points, when the winner of the game shall be he who first wins two points more than his opponent.

6. The Choice of Ends and Service.—The choice of ends and the right to be server or striker-out in every match shall be decided by toss, provided that, if the winner of the toss chooses the right to be server or striker-out, the other player shall have the choice of ends, and vice versa, and provided that the winner of the toss may, if he prefer it, require the other player to make the first choice.

7. The Change of Ends and Service.—After five points the striker-out shall become the server, and the server the striker-out, and so on after each five points until the end of the game or the score 20-all. At the score 20-all the striker-out shall become the server, and the server the striker-out, and so on after each point until the end of the game. The player who served first in a game shall be striker-out first in the immediately subsequent game, and so on until the end of a match.

The player who started at one end in a game shall start at the other in the immediately subsequent game, and so on until the end of the match. Where the match consists of only one game, or, where it consists of more than one game, in the deciding game of the match, the players shall change ends at the score 10.

8. Out of Order of Ends or Service.—If a player serve out of his turn, the player who ought to have served shall serve as soon as the mistake is discovered, unless a group of five services shall have been completed before such discovery, when the service in the subsequent groups of services shall continue in the same order as if the sequence had not been discontinuous. In any circumstances, all points scored before the discovery shall be reckoned.

If the players shall not have changed ends when ends should have been changed, the players shall change ends as soon as the mistake is discovered, unless a game shall have been completed since the error, when the error shall be ignored. In any circumstances, all points scored before the discovery shall be reckoned.

9. The Order of Play.—The server shall first make a good service, the striker-out shall then make a good return, and

thereafter server and striker-out shall each alternately make a good return.

10. A Good Service.—The service shall be delivered by the server releasing the ball by hand only, without imparting spin, into the air. The ball shall then be struck so that it touch first the server's court and then, passing directly over or round the net, touch the striker-out's court.

In the delivery of the service the free hand of any two-handed player shall be open and flat, with the fingers straight and together, thumb free and the ball resting on the palm without being cupped or pinched in any way by the fingers. The ball shall be released by the free hand lifting upward.

At the moment of the impact of the racket on the ball in service, the latter shall be behind the end line of the server's court and between an imaginary continuation of the side lines.

11. A Good Return.—A ball having been served or returned in play shall be struck by the player so that it pass directly over the net or round the net and touch directly the opponent's court; provided that, if the ball, having been served or returned in play, returns with its own impetus over the net or round the net, it may be struck, while still in play, by the player so that it touch directly the opponent's court.

12. A Let.—The rest is a let:

(a) If the ball served in passing over the net touch it or its supports, provided the service either be otherwise good or be volleyed by the striker-out.

(b) If a service be delivered when the striker-out is not ready, provided always that he may not be deemed to be unready if he attempt to strike at the ball.

(c) If either player be prevented by an accident, not under his control, from serving a good service or making a good return.

(d) If either player lose the point, as provided in Law 13 (c), (d), (e), or Law 14, owing to an accident not within his control.

13. A Point.—Either player shall lose a point:

(a) If he fail to make a good service, except as provided in Law 12.

(b) If a good service or a good return having been made by his opponent, he fail to make a good return, except as provided in Law 12.

(c) If he, or his racket, or anything that he wears or carries, touch the net or its supports while the ball is in play.

(d) If he, or his racket, or anything that he wears or carries, move the playing surface while the ball is in play.

(e) If his free hand touch the playing surface while the ball is in play.

14. A Point.—Either player shall lose the point:

(a) If, before the ball in play shall have passed over the end lines or side lines not yet having touched the playing surface on his side of the table since being struck by his opponent, it come in contact with him or anything that he wears or carries.

(b) If at any time he volley the ball, except as provided in Law 12 (a).

15. In Play.—The ball is in play from the moment at which it is projected from the hand in service until:—

(a) It has touched one court twice consecutively.

(b) It has, except in service, touched each court alternately without having been struck by the racket intermediately.

(c) It has been struck by either player more than once consecutively.

(d) It has touched either player or anything that he wears or carries, except his racket or his racket hand below the wrist.

(e) On the volley it come in contact with the racket or the racket hand below the wrist.

(f) It has touched any object other than the net, supports, or those referred to above.

16. Further Definitions.—The period during which the ball is in play shall be termed a rest.

A rest the result of which is scored shall be termed a point.

A rest the result of which is not scored shall be termed a let.

The player who first strikes the ball during a rest shall be termed the server.

The player who next strikes the ball during a rest shall be termed the striker-out.

If the ball, in passing over the net, or round the net, touch it or its supports, it shall, nevertheless, be considered to have passed directly, except as referred to in Law 12 (a).

If the ball in play come into contact with the racket or racket hand, not yet having touched the playing surface on one side of the net since last being struck on the other side, it shall be said to have been volleyed.

The racket hand is the hand carrying the racket: the free open hand is the hand not carrying the racket.

Doubles.

17.—The above Laws shall apply in the Doubles Game except as below.

18. **The Table.**—The surface of the table shall be divided into two parts by a white line $\frac{1}{2}$ in. broad, running parallel with the side lines and distant equally from each of them. This line shall be termed the service-line. The part of the table surface on the nearer side of the net and the right of the service-line in respect of the server, shall be called the server's right half-court, that on the left in respect to him the server's left half-court. The part of the table surface on the farther side of the net, and the left of the service-line in respect to the server, shall be called the striker-out's right half-court, that on the right in respect to the server the striker-out's left half-court.

19. **A Good Service.**—The service shall be delivered as otherwise provided in Law 10, and so that it touch first the server's right half-court or the centre line on his side of the net, and then, passing directly over or round the net, touch the striker-out's right half-court or the centre line on his side of the net.

20. **The Choice of Order of Play.**—The pair who have the right to serve the first five services in any game shall decide which partner shall do so, and the opposing pair shall then decide similarly which shall first be striker-out.

21. **The Order of Service.**—The first five services shall be delivered by the selected partner of the pair who have the

right to do so, and shall be received by the selected partner of the opposing pair. The second five services shall be delivered by the striker-out of the first five services and received by the partner of the server of the first five services. The third five services shall be delivered by the partner of the server of the first five services and received by the partner of the striker-out of the first five services. The fourth five services shall be delivered by the partner of the striker-out of the first five services and received by the server of the first five services. The fifth five services shall be delivered as the first five services. And so on, in sequence, until the end of the game or score of 20 all, when the sequence of serving and striking-out shall be uninterrupted, but each player shall serve only one service in turn until the end of the game.

In a one-game match, or in the deciding game of a match of more than one game, the pair that served the first five services has the right to alter their order of striking-out or that of their opponents at the score 10.

22. **Out of Order of Striking-out.**—If a player act as striker-out out of his turn, the player who ought to have acted as striker-out shall be striker-out as soon as the mistake is discovered, unless a group of five services shall have been completed before such discovery, when the order of striking-out shall continue in the subsequent groups of services as if the sequence had not been discontinuous. In any circumstances, all points scored before the discovery shall be reckoned.

23. **The Order of Play.**—The server shall first make a good service, the striker-out shall then make a good return, the partner of the server shall then make a good return, the partner of the striker-out shall then make a good return, the server shall then make a good return, and thereafter each player alternately in that sequence shall make a good return.

APPENDIX TO LAWS: KNOTTY POINTS.

Decisions of the Rules Committee of the International Table Tennis Federation.

1. Edge Balls.—The phrase, "Table Surface" is to be interpreted as including the top edges and corners of the table-top, and a ball in play which strikes these latter is therefore good and still in play; though if it strikes evidently the side of the table-top below the edge, it becomes dead and counts against the last striker.

2. Ball Returned with Empty Hand.—If a player drop his racket, he cannot return the ball with empty hand. (See definition, "the racket hand is the hand carrying the racket.")

3. Racket Thrown at Ball.—If in returning the ball the racket leave the player's hand, it is a good return only if it were still in his hand at the moment of contact with the ball (see Law 11, "a ball . . . shall be struck"), and if it does not touch the net or move the table surface (Law 13 c, d) before the ball is out of play.

4. Missed Service.—If a player in attempting to serve miss the ball altogether, it is a lost point (Laws 10 and 15) because the ball was in play from the moment it left the server's hand, and a good service has not been made of the ball already in play.

5. Volleyed Net Service.—A net service is a let not only if otherwise good, but also if it be volleyed by the striker-out. (See Laws 12 (a) and 14 (b).)

6. "Flat Hand" in Service: Interpretation.—The free hand, maintained *flat in a horizontal plane* throughout the service, must release the ball by being lifted up *in a vertical plane*. The hand must not turn over or move sideways. Umpires will, of course, remember that the object of this strict interpretation is not to impose on the server an exact geometrical pattern, but to prevent attempts to secure advantage by either evasion of the rule or general careless disregard.

7. Ball Fractured in Play.—If the ball split or becomes otherwise fractured in play, *affecting a player's return*, the rest is a let (Law 12c). It is the umpire's duty to stop play, recording a let, when he has reason to believe that the ball in play is fractured or imperfect; and to decide those cases in which the faulty ball is clearly fractured in actually going out of play, and in no way handicaps the player's return, when the point should be scored. In all cases of doubt, however, he should declare a let.

8. Fixtures.—A moving spectator, a neighbouring player, a sudden noise, i.e., any neighbouring object *in movement* (except a partner) should be regarded as an accident not under control (Law 12 c), interference from which implies a let. A stationary spectator, fixed seating, the umpire, the light, a nearby table, a continuous sound of even volume, i.e., any *relatively constant or motionless* hazard, should not be so regarded, and complaint against interference from it during play should be regarded as void.
