HISTORY.

Following upon the great popularity of the original Ping-Pong in the early part of the present century, the Ping-Pong Association was formed in 1902, to organise championships and tournaments, chiefly in London. The "boom" year was 1904, but it was only a temporary craze, as, although the P.P.A. was still in existence in 1905, it appears to have collapsed during the season. Whilst the game seems to have died out in the home counties, it was apparently still being played in the provinces, but without any governing body.

In 1921-22, the P.P.A. was resuscitated by Messrs. P. Bromfield and J. J. Payne, who were joined by the Hon. Ivor Montagu, Mr. J. M. Rose and Mr. A. F. Carris. The National Championships were run that season, and entries received from all parts of the country. Difficulties soon arose, however, not only in regard to the title, when it was discovered that Ping-Pong was a registered trade name, but also through the Association being unrepresentative of the provincial centres. The old Ping-Pong Association therefore dissolved and re-formed under the title of "The Table Tennis Association." The new body was hampered by difficulties, and as their energies were devoted to formulating standard rules, popularising the game, etc., no attempt to form a democratic governing body could be made.

At the Annual Meeting in 1925, an emergency committee, with Mr. Montagu as President, and Mr. W. J. Pope as Secretary, was authorised to redraft the constitution. In 1926, revised regulations were circularised in the provinces and a National Delegate Conference was held in London, on April 24th, 1927. The new constitution, which confirmed the provisional appointments and provided for the new title, "The English Table Tennis Association," was adopted.

The first Chairman and Secretary were, of course, Mr. Montagu and Mr. Pope respectively. They stayed in office for some years, and were together primarily responsible for establishing the new national body on sound foundations. They worked prodigiously hard until Mr. H. M. Bunbury, of Manchester, assumed the Chairmanship in 1929, Mr. Montagu being appointed President. Mr. D. W. Poupard became Secretary one year later, after Mr. B. L. Hookins, of Portefract,

had had a brief term. Mr. H. Oldroyd, also of Manchester, was elected President in 1931, and still retains very worthily the dignity of his office. Mr. Montagu returned to the chair in 1932, with Mr. G. W. Decker as Secretary; these two being succeeded in September, 1933, by Mr. C. Corti Woodcock, of London, and Mr. J. Siddron, of Manchester, respectively. The last-mentioned appointments were renewed in April, 1934, together with that of Mr. A. K. Vint, of Hastings, Hon. Treasurer since 1931. In April, 1935, Mr. Woodcock and Mr. Vint were re-elected and Mr. W. J. Pope displaced Mr. J. Siddron as Secretary, and in 1936, Mr. Woodcock resigned and was replaced by Mr. Montagu. Interesting names appearing on the list of Vice-Presidents include Messrs. Bunbury, Bromfield and Perry (father of our ex-world champion, Fred J. Perry), the Dowager Lady Swaythling, Mrs. A. F. Carris and Mr. P. E. Warden. Mr. A. T. Finney who was the donor of the Boys and Girls Singles Cups was also added in 1951, together with Mr. H. R. McDonald, and Miss A. Stevens.

The progress of the E.T.T.A. since 1927 is shewn by the following figures of the numbers of Leagues in membership then and in succeeding seasons: 19; 21; 23; 32; 38; 55; 71; 102; 121; 158; 206. In 1938-39, there were 219 Leagues affiliated, embracing 4,008 Clubs and 75,000 individual members.

After the War when normal activities were resumed the Association started in 1945/46 with 110 Leagues, in 1946/47 the number was 178. By 1949/50 the figure was 256 Leagues, whilst in the Season 1950/51 the figure increased to 305, which included 6,800 clubs and approximately 130,000 members. Season 1951/52 showed a further increase—324 Leagues, covering 7,200 clubs and 145,00 members.

In 1935, after an interval of eight years, the World Championships returned to England, and the great crowds which thronged the London University and Imperial Institute and the 8,000 people who packed the Empire Pool and Sports Arena, Wembley, proved that the game had won its place in public favour as a thrilling spectacle.

In 1936, the Empress Stadium at Earls Court housed a crowd of 7,000 people for the finals of the National Champion-

ships, and in 1937 the Wembley Arena was again filled. In 1938, once again the World Championships came to London, and the preliminaries packed the Albert Hall every night. Excursions from all over England made up another 9,000 attendance on Finals night at Wembley, and the E.T.T.A. maintained its high standard of organisation and conditions.

In 1938, the English Championships were held at Blackpool, returning to the Albert Hall and Wembley the following season, with play, crowds and enthusiasm scarcely below the previous year's World Championship level.

On the outbreak of war, it was decided at a special General Meeting to give the National Executive full power to carry on the work of the Association, which they did until September, 1945, when the normal constitution was resumed. During the war the office, records and equipment were completely destroyed by bombs, but in spite of this added difficulty in carrying on, a sum of over £10,000 was raised for the Red Cross and other war charities, and nearly 200 exhibitions were arranged for H.M. Forces, Civil Defence organisations, etc.

The first post-war year produced a clear indication that a quick revival in the game could be expected. The National Open Championships were held in March, 1946, when the Wembley Arena was again filled by a 9,000 crowd for the finals.

The season 1946/47 can be said to be the first season of the post-war boom. There was a large increase in Leagues, and the National Championships, the Finals of which, again played at Wembley, were characterised by a tremendous rush for tickets from affiliated players and the general public. The 9,000 tickets available were early sold out and it was obvious that the demand for spectacular Table Tennis was as great as ever. In the first year of the Europe Cup competition, the Women's event was won by our players. The American players who came from the World Championships to London to take part in our National Championships, took part in a tour throughout the provinces. Another outstanding feature was the winning of the Marcel Corbillon Cup Competition by our women's team.

The World Championships returned to England in 1947-1948 and were played at the Empire Pool and Sports Arena, Wembley, taking 8 days to complete. There was a record

entry and the Championships were a great success. Richard Bergmann and Victor Barna, now naturalised British subjects, were selected to play for England in the Swaythling Cup competition but we were defeated by U.S.A. Bergmann won the Men's Singles, defeating Vana in the final, and Mrs. Vera Thomas lost in the Women's Singles Final to Miss G. Farkas of Hungary. The Championships were a great organisational success and added further prestige to the game in England. England again won the Corbillon Cup and the Women's Europe Cup.

In 1948/49, the World Championships were played in Stockholm, and, for the first time since 1929, when Fred Perry won, the Men's Singles came to England by the victory of Johnny Leach, who beat Vana in the Final. In the Europe Cup Matches England beat the Slovakia "B" team in the Men's Competition, and our Women lost to Hungary after holding this trophy for two years. Hungary won the Swaythling Cup and the U.S.A. won the Corbillon Cup. In the English Championships, the Finals were again played at Wembley. M. Reisman (U.S.A.) won the Men's Singles, beating Victor Barna in the Final, Miss McLean (U.S.A.) won the Women's event and on this occasion the semi-finals were also played at the Empire Pool, Wembley. Mrs. Vera Thomas (Vera Dace) and Mrs. Devenny (Dora Beregi) were unable to play during this season and our Women's team was much weakened by their absence.

In 1949/50 in Budapest the English teams came within a few points of winning both the Swaythling and Marcel Corbillon Cups, leading 4/1 and 2/1, respectively, against the eventual winners, Czechoslovakia and Rumania. Richard Bergmann won the Men's Singles and Dora Beregi (with the Scottish girl Helen Elliot—Mrs. Dykes) the Women's Doubles. The English Championships were again played on two nights at Wembley, Bergmann taking the Men's Singles and Miss Shahian (U.S.A.) the Women's. The Women's Doubles was won by two juniors, the Misses D. and R. Rowe.

In 1950/51 an experiment was made in playing the English Championships throughout at Wembley, with the usual two nights at the Empire Pool. The Singles Titles were both taken by players of old days: A. Ehrlich (France) who had

won the Men's Title in 1935/36, and G. Pritzi, who had gained a world success in the same hall many years ago. The Rowe Twins held their English Doubles title and in Vienna became the youngest players to win a world crown since Barna and Szabados twenty-three years before. Johnny Leach, beating Andreadis in the Final, scored his second World Singles Championship win. The Men's Team went down narrowly to Yugoslavia, and the Women's, more easily, to Austria after beating Hungary and U.S.A.

The 1951/52 English Championships saw an all-English Singles Final, with Richard Bergmann recovering his title against Johnny Leach. The Rowe Twins won the Doubles for the third season running, but in the Women's Singles both lost to an even younger opponent in the Austrian, Linde Werthl. At the World Championships in Bombay, English players reached five seconds out of the seven events, but without, this year, bringing home a title, apart from the Jubilee Cup, won for the second time by Victor Barna. In the Swaythling Cup they once more suffered disappointment by the narrowest of margins, losing 4/5 to Hungary in the inter-group final, after A. W. C. Simons had suffered an accident in his opening contest. The Women's team came equal second to Japan after beating Rumania, the holders.

The grievous loss experienced at the end of season 1949/50 by the death of Mr. W. J. Pope, architect of the Association and chief contributor to its success for so many years, following closely on that of Mr. A. J. Wilmott, donor of the Men's Team Cup, was added to in season 1951/52 by that of Mr. J. M. Rose, another staunch pioneer in the work of the Association, referee of many Championships and donor of the Cup for Women's teams.

Mr. Vint, the Hon. Treasurer, gave invaluable guidance as provisional secretary, since confirmed by election, and with the unflagging industry of Mrs. K. Pegg as Administrative Secretary, and co-operation generally from all members, the Association has consolidated its position.

The Office is functioning well at 214, Grand Buildings, Trafalgar Square, London, W.C.2. The County form of organisation, with its splendid feature, the County Championships, is proving a great success in all parts of the Country. The

twenty-fifth anniversary of the Association was celebrated by a luncheon at the St. Ermins Hotel, and a subsequent social and dance at the Caxton Hall, attended by the National press, also many old and current enthusiasts. At the luncheon a much appreciated speech of fraternal tribute was made by Mr. S. B. Reay, the Secretary of the Lawn Tennis Association.

Her Majesty the Queen has graciously consented to assume Patronage of the Association in succession to her late Father H.M. Majesty King George VI, who was Patron of the Association from October, 1937.

The International Table Tennis Federation has granted the Association the right to hold the World Championships for season 1953/54.

A nation-wide fund has been launched in its support, contributions to which will be welcomed at the office of the Association. With the support which followers of the game in this country will surely be proud to give, it may be hoped the event will prove worthy of its predecessors.

(a) No payment, other than expenses, shall be made to or received by any affiliated member for playing, coaching and umpiring, writing, filming, broadcasting, televising, or for exhibitions or in relation to equipment, unless he has been duly registered or has received specific permission from the National Executive Committee of the English Table Tennis Association to receive it.

(b) No affiliated Organisation or Club shall make any payment, other than expenses, to a member for any of the above activities unless the member has been registered or has received specific permission as above. Any affiliated Organisation or Club making a payment, in excess of expenses, must report the payment to the County Secretary concerned (or if there is no County Secretary of that area then direct to the Secretary of the English Table Tennis Association) specifying the amount and the service rendered, within fourteen days of the payment. The County Secretary in turn will inform the Secretary of the English Table Tennis Association.

(c) No registered player shall be paid or receive any reward or remuneration other than expenses (return fare, hotel accommodation, meals) for playing in a representative match or Open Tournament, except as (d) below. A representative match is one in which a player is playing for his club, league, county or Country against another team, league, county or Country. Proper Trial matches organised by clubs, leagues, counties or the National Association for the purpose of selecting representative teams shall rank as participation in representative matches.

(d) Prizes of £5 or less in value may be awarded or accepted without special permission other than the general sanction granted for the holding of Open Championships. No prize may exceed £5 in value. Badges and colours may be awarded and accepted for participation in Representative matches.

(e) No registered member may receive payment, other than expenses, for playing or umpiring in any form of competition (even if of a closed or invitation character) without specific permission of the National Executive Committee of the English Table Tennis Association except as provided in (d) above.

(f) Betting in any shape or form on players or matches is strictly prohibited.

2. Method of Registration

(a) Application for registration shall be made to the Secretary of the English Table Tennis Association in writing and should be accompanied by the registration fee or, where the applicant is a member of a league, by a certificate of approval signed by the League secretary and where the league is a member of a County Association, countersigned by the County secretary. Where the applicant is not a member of a League the approval of the Secretary of the County in which the applicant resides must be obtained. Where the applicant

is not a member of a League and there is no County body concerned, direct application should be made to the Secretary of the English Table Tennis Association.

(b) Application shall be renewed with the fee and the requisite certificates for each year for which registration is desired.

(c) Applications for registration shall be reported to and dealt with by the National Executive Committee meeting next following the application provided that, where adequate grounds of emergency exist, the Secretary of the English Table Tennis Association may himself grant provisional registration, subject to review of the grant at the National Executive Committee meeting next following, always provided, where a League or County Association is concerned, that the appropriate signatures have been obtained.

(d) Registration is valid from the date of registration to the 30th June next following but may be cancelled by the National Executive Committee in the event of a breach of these rules and for other misdemeanours.

(e) The fee that must accompany each application is £1. Where registration is granted provisionally it shall not be returnable even if cancelled upon review. Nor shall it be returnable in the event of cancellation under (d) above.

(f) In the event of a refusal of signature by the appropriate League the would-be applicant may appeal to the County Association concerned who may, if they think fit, send forward the application without the League's approval. In the event of a refusal by both the League and the County the would-be applicant may appeal to the National Executive Committee of the English Table Tennis Association, accompanying the appeal with a fee of £1, which may be forfeited in the event of the appeal not being sustained.

3. Code for Registered Members

(a) They shall not enter into any contract for exclusive play under particular auspices or on particular premises, or for the exclusive use of particular equipment, that might prevent them from entering an Open Championship or from accepting the instructions of the duly appointed captain in a representative match.

(b) They shall not allow their names to be used on publications they have not themselves written.

(c) They shall not allow their names to be used on equipment not designed by them.

(d) Except with the permission of the Secretary of the English Table Tennis Association, they shall not enter into any contractual obligation liable to clash with participation in the World's Championships or Open National Championships.

NOTE. Registered players are expected to make themselves available whenever possible when invited to represent not only their country but their county as well, in representative matches and Open Championships. A persistent refusal to make reasonable contribution in this respect may affect the views entertained by the responsible authority towards subsequent applications for registration.

(e) When invited to represent their country in a representative match or competition, they shall not play in any clashing event, unless so obliged by previous contract, and shall, in any case, use their best endeavours to obtain release from such clashing contractual obligation, provided they can do so without financial penalty.

(f) They will not appear in any competition or exhibition, other than one organised by a duly affiliated County Association, League, Club or other body of the English Table Tennis Association without the sanction of the County Secretary concerned and a member of the National Executive Committee. This sanction may be granted for a single event or for a series; it shall be withheld only if the promoter of the event, the location of the proposed premises, the details and the nature of the proposed exhibition or the fact of clashing with an event locally organised by an affiliated body or with a co-ordinated County programme so as to be injurious to the latter, are such that the event is liable to be injurious to the best interests of Table Tennis.

(g) They may accept any engagement for an exhibition, for coaching or for participation in a closed or Invitation tournament with prizes not exceeding the scale fixed in 1(d) from any authorised club, league or Association affiliated to the English Table Tennis Association provided that the sponsoring Association, league or club, if within the area of a County Association, has obtained the consent of the County Secretary or, if not within the area of a County Association, has obtained the consent of the Secretary of the English Table Tennis Association. An appeal against the refusal of a County Association to allow an engagement may be made to the National Executive Committee of the English Table Tennis Association. They may accept, without formality other than Registration, any payments for broadcasting, filming, organising, writing and in relation to equipment.

4. Organisation of Registered Members

Registered members shall elect and shall be entitled to be represented by a committee of six (of whom at least one shall be a woman). All members registered at 30th June, shall be entitled to vote in the election. The committee thus elected shall function until the election in the following season. It shall be entitled to fill any vacancies by co-option and shall choose its own Chairman and Secretary, who may attend the Annual General Meeting of the English Table Tennis Association, with voice but no vote, and two of its number, one from the North and one from the South, shall serve on the panels commission. The National Executive Committee of the English Table Tennis Association may consult this committee on matters concerning registered members.

5. Panels Commission

(b) The applicant shall specify name, address, telephone number, age (number of years playing, number of exhibitions played per year, with whom, etc., or names of players coached), League played for. He shall also enclose testimonials from individuals, pupils, Leagues, County authorities, also press cuttings, etc.

(c) Panels of approved applicants shall be drafted before the commencement of each season by a Panels Commission on which shall serve three members of the National Executive Committee of the English Table Tennis Association and two Registered members, elected as above. All decisions of this Panels Commission shall be endorsed by the National Executive Committee of the English Table Tennis Association, to whom all appeals against non-inclusion may be made. Applications to be added to the panels during the season shall be made to the Secretary of the English Table Tennis Association, who will submit names to the Panels Commission for decision.

(d) These panels shall be circulated to affiliated organisations and made available to the general public on request. The complete current panels shall be published in the Handbook, and in the earliest possible edition of the Magazine and in the first edition of each year. Additions shall be published in the next succeeding issue of the Magazine.

6. Warnings

(a) The list of players registered on the 1st October in each season, and the bi-monthly additions thereto, shall be circulated to Secretaries of County Associations, affiliated Leagues and directly affiliated clubs, together with a warning that any payment, other than legitimate expenses, to players not appearing on the list or payments to Registered Members without the necessary permissions mentioned above, renders offending Organisations as well as players liable to disciplinary action.

(b) A copy of these regulations shall be furnished together with the notification of the grant of registration to every Registered Member and shall appear in the handbook.

NOTE. Players who play abroad under auspices affiliated to the International Federation are subject, as far as payment and other matters are concerned, to the regulations of the Association governing the country where they play. Further, every player is advised to ascertain that the auspices under which he plays are properly affiliated to, and acting in accordance with, the decisions of an Association in membership with the International Table Tennis Federation. Finally, every player is advised not to enter into any contract in this country which will oblige him to be the participant in infringement of the Regulations of the Governing Body of any Nation in membership with the International Table Tennis Federation. Disregard of this warning may render a player liable to penalty of another Association, confirmed by the English Table Tennis Association at its request.

Secretary of his bona fide intention to reside (minimum period 6 months) in Great Britain and shall not previously have represented any other League or directly affiliated club in the competition in that season. The League shall submit to the Secretary of the competition from the Zone Final onwards the names of the members of the team and the number of appearances they have made in League matches at the time of notifying the team.
- (b) Any player representing a directly affiliated club must have been a bona fide member for at least a month before the date of the tie.

DRAW AND DATES—

8. The competition shall be on the knock-out system. The entrants shall be divided into zones as determined by the Committee, with the proviso that not more than sixteen entrants shall be in any one zone. Preliminary rounds shall reduce the entrants in each zone to one. The closing rounds shall be between the zone winners, with the proviso that, if the zones exceed eight, the entrants shall be reduced to eight by a draw between the zones where the original entrants did not exceed eight.

9. The league first drawn in each tie shall have the right to play at home except (a) where a combination is drawn that has occurred previously in the competition, the right shall be that of the league not drawing that right on the last previous occasion of the combination, and (b) that, when the surviving entrants are reduced to four or fewer, the Committee may at its discretion cancel any right to play at home as drawn and order the match upon a neutral table.

10. The draw for each round shall be made separately, and shall be circulated immediately to each surviving entrant.

11. The first of the preliminary rounds shall be played prior to such date as may be decided annually by the sub-committee and each succeeding round shall be played within 24 days thereafter.

12. Ties must commence within 30 minutes of the time fixed for commencing the tie. Any player not present when called upon to play by the Referee shall forfeit the match for which he is called. Inability of regular players to play shall not be deemed a sufficient reason for the postponement of a match. In such cases reserves or other players must be played. Any entrant playing with less than the full number of players shall be held to have committed an offence and shall be reported to the Management Committee and shall furnish an explanation and may be barred from future participation in Championships.

13. The winning league shall be responsible for forwarding within 48 hours of the result, the scores countersigned by a representative of the losing league. Failure to fulfil this shall render the offending league liable to disqualification in the current and succeeding seasons.

REFEREE—

14. A referee for each tie shall be appointed by the Home team before its commencement, and by the Committee in the event of a match being played on a neutral table.

PLAYING CONDITIONS—

15. The ball may be any ball currently approved by the E.T.T.A.

16. The minimum playing space provided by the home team shall be thirty-six feet by eighteen feet.

17. All applicable regulations for the time being in force of the E.T.T.A. for Open Competitions shall be in force for the Wilmott Cup Competition.

FINANCE—

18. The expenses of each tie shall be defined in the following manner:—

- (a) **HOME EXPENSES**: cost of providing the hall, lighting, tables, net and balls, printing, postage and advertising up to £4; hospitality for party not exceeding four, including hotel accommodation and breakfast, if it is impossible for visiting team to return home at a reasonable hour.
- (b) **VISITORS' EXPENSES**: cost of travelling expenses or 3rd class rail fare, whichever is the less, for a party not exceeding four; or car hire, or taxi hire where it would be possible for the visiting team to return home the same night, provided the said car hire or taxi hire would be less than the combined cost of 3rd class return rail fare plus hotel accom-

modation if it would have to be provided in accordance with Regulation 18 (a).

(c) A match shall not be arranged unless a charge is made for admission or a guarantee given that a visiting team shall receive their travelling expenses.

(d) The gross receipts, less Entertainments Duty, shall be divided in the ratio of the Visitors' expenses as to the Home expenses, but the Home team shall in any case be responsible for 50% of the Visitors' expenses, whatever the receipts, unless the venue of the tie shall have been reversed in accordance with Regulation 21, when there may be a mutual agreement of guarantees on some other basis.

(e) Any profit shall be divided 75% to the Home team and 25% to the Visitors' team.

19. All expenses and profits as defined in Rule 18 that may be due to the Visitor League shall be forwarded to the Visitor League by the Home League within fourteen days of the playing of the tie, together with a copy of the Balance Sheet. The Visitor League shall report any failure to comply with this rule to the E.T.T.A. Secretary, who shall place the matter before the Management Sub-Committee, which may refer the case to the National Executive Committee for disciplinary action.

20. Provided that if the Committee exercise its power, as set out in Regulation 9b, to order all or any of the last three ties to be played upon a neutral table, the E.T.T.A. shall be responsible for the whole of the Visitors' Expenses and Home Expenses as defined in Regulation 18 above, and shall take the whole profits, less ten per cent. to each of the competing leagues.

21. A league having the right to play at home must play at home, and shall notify both the E.T.T.A. Secretary and the Visitor League Secretary of its acceptance of responsibility for the tie at home, unless both leagues are in agreement to reverse the venue of the tie, in which case the E.T.T.A. Secretary must immediately be informed.

GOVERNMENT—

22. The competition shall be managed by a sub-committee duly appointed for that purpose by the E.T.T.A., and the decision of that sub-committee shall be final on all matters arising out of these rules.

23. The sub-committee shall have power to extend the intervals between playing of rounds laid down in Rule 11, according to the number of entries for the competition in each season. The dates for the later rounds decided by the Sub-Committee shall be circulated at the same time as the draw for the preliminary and first rounds. These dates may be altered thereafter only at the request of all captains concerned in the tie to be altered and by consent of the sub-committee.

24. These Rules may be altered only by consent of a simple majority of a Trustee Committee consisting of the following persons or their nominees: H. M. Bunbury, Ivor Montagu, C. C. Woodcock.

25. The winner of the competition in each year to be the holder until the round preceding the final of the competition in the next succeeding year of the Cup presented for this purpose by the late A. J. Wilmott. (As the original Wilmott Cup was lost in the bombing of the English Table Tennis Association's offices in 1940, the Cup now presented to the winners of the competition is a substitute.)

The order of play may only be altered by mutual agreement between the captains and with consent of the referee.

5. Before the commencement of the tie, the captains shall toss for the right to be A, B, C or X, Y, Z, and, when decided, each captain shall then hand to the referee his (or her) team in order of merit. The referee shall then make out the order of play in accordance with Rule 4.

NATIONAL COUNTY TABLE TENNIS CHAMPIONSHIPS REPORT OF THE EXECUTIVE COMMITTEE— SEASON 1951/52

The completion of the fifth season of the National County Table Tennis Championships shows a further increase in membership and importance. Great interest has been shown in the progress of the various divisions during the season. Membership figures since the inception of the Championships are:—

	SENIOR			JUNIOR		
	Counties	Divisions	Teams	Counties	Divisions	Teams
1947-48	15	3	19	—	—	—
1948-49	22	5	27	—	—	—
1949-50	24	6	29	6	1	6
1950-51	27	7	34	9	2	9
1951-52	29	7	41	8	1	8

Middlesex won the Championships for the fifth successive season after the most exciting fight in our history, the issue being in doubt until the final match. Middlesex 2nds were also involved in a close fight, their winning margin over Surrey 2nds in the Second Division being no points and one set, the smallest possible. A similar narrow margin enabled Buckinghamshire to win the Eastern Division, at the expense of Norfolk, whilst Lancashire 2nds had only two sets to spare over Lincolnshire in the Second Division North. There is no doubt that such exciting finishes help to stimulate interest in the Championships and show a general levelling up of standard. Other divisions were won by Sussex (Southern), Yorkshire 3rds (Northern), Warwickshire 2nds (Midland) and Kent (Junior).

For the first time the Champion County versus The Rest of England fixture was played outside Middlesex, and was ably staged by the Aylesford Paper Mills. The Rest were successful by 6-4, and a record profit was made.

Mr. S. H. Kempster was again co-opted as Hon. Publicity Secretary, and further progress was made in getting our results printed in the National Press.

For the first time two Official Complaints were received regarding playing conditions, but the Executive are happy to report that in both cases the matter was settled "out of court" in an amicable manner.

The work of the Hon. Treasurer is not eased by Counties who still ignore the provisions of the Finance Rules, and although there was a welcome reduction in the number of offenders, this problem still remains and must be tightened up still further in the future.

With the application from Worcestershire for membership next season the area of the Country not covered by the National County Championships has shrunk still further, but the aim of the Executive is still 100% membership, and it is hoped that financial considerations, which are not eased by the crushing increase proposed in Entertainment Duty, will not preclude still further entrants into membership.

RULES OF THE NATIONAL COUNTY TABLE TENNIS CHAMPIONSHIPS

1. Membership

The County Table Tennis Championships shall be organised annually and all County Table Tennis Associations in membership with the English Table Tennis Association, or other similar bodies under the auspices of the Table Tennis Association of Wales, shall be eligible to take part in these Championships.

2. Divisions

The Championships shall consist of a Premier Division, which shall comprise eight counties, two second divisions, regional and junior divisions. The second divisions shall comprise a North and a South section, in which not less than four nor more than eight teams shall take part in each division. The second teams of counties in the Premier Division may be admitted to membership of the second division North or South.

The Regional Divisions shall each consist of not less than four nor more than seven teams. In the Regional Divisions the second (or third) teams of counties participating in either the Premier or Second Divisions may take part. Where there are four or five teams in either the Second Divisions or in any of the Regional Divisions, they shall each play each, home and away in the same season, but where there are more than five teams they shall play each other once only per season home and away in alternate seasons.

It shall be within the discretion of the Executive Committee to admit more than one team from any county. The closing date for entries shall be June 15th.

3. Relegation and Promotion

The two bottom teams in the Premier Division shall be automatically relegated to the Second Divisions in accordance with their geographical position. The top team in both the Second Division North and the Second Division South (not being a second team) shall be promoted to the Premier Division. Second teams competing in either the Second Division North or South shall not be eligible for promotion to the Premier Division. In the event of a county being relegated from the Premier Division to either the Second Division North or South and that county having a second team in a Second Division then that second team shall be allocated to a Regional Division. The highest team in each regional division, not being second teams, shall play off, if it is the wish of all or any to play in the Second Division North or South during the following season.

In the event of more than two counties challenging for places in either the Second Division North or South, a draw shall be made and the County drawn at home must play at home unless mutually agreed otherwise. For the purpose of finance Rule 8 shall operate as for the Premier Division, except that the home side shall be entitled to retain 75 per cent. of the nett profit. The winner(s) of the play-off(s) shall have the right of promotion to either the second

division North or South. A team losing its place as a result of a Challenge match shall be relegated to an appropriate Regional Division. The bottom team in both the Second Division North and South may be relegated to an appropriate Regional Division.

4. Championships Council

The affairs of the Championships shall be managed by a Championships Council consisting of two members of each County Association, one being the County Secretary, with the addition of two members of the National Executive Committee of the English Table Tennis Association who are not County Secretaries.

5. Council Meetings

The Championships Council shall meet twice annually: (a) An Annual General Meeting in June of each year to appoint officers and an executive committee to be responsible for carrying out the Championships and to make arrangements for fixtures and any other competent business. At this meeting the Hon. Secretary shall present the Annual report of the Executive Committee, and the Hon. Treasurer shall present an Audited Statement of Accounts. (b) In February or March of each year to decide any alterations to the Rules of the Championships.

No alteration to the Rules shall be declared carried unless (a) 75 per cent. or more of the counties present vote in favour of the alteration, or (b) if more than 50 per cent. of the counties present but less than 75 per cent. vote in favour of the alteration, then such alteration shall be submitted to all counties in membership for a postal ballot. In the event of a postal ballot, 50 per cent. or more of the member counties must vote in favour of the alteration before it be declared carried.

6. Executive Committee

The Executive Committee shall consist of the Officers of the Championships and one representative from each division, together with one member of the National Executive Committee of the English Table Tennis Association.

7. Officers

The Officers of the Championships shall be a Chairman, Secretary and/or Treasurer who shall be elected from those members of the Championships Council who represent County Associations. A Publicity Secretary may also be appointed at the discretion of the Executive Committee, but not to be a voting member.

8. Finance

(a) Each County Association, on admission, shall deposit with the Treasurer £1 per team, and at the conclusion of the season shall contribute to the funds, for each of its teams, an amount equal to the past year's expenses (less any income) divided by the number of teams participating.

(b) (i) The first charge against the admission receipts in every match played shall be Entertainments Duty, the second charge 2½ per cent. of the nett receipts (i.e., after deduction of Entertainments Duty) to the funds of the Championships.

(ii) In all other divisions other than the premier division, the home county shall receive 97½ per cent. of the nett receipts. In the premier division the home county shall receive 60 per cent. of the nett receipts, and the visiting county 37½ per cent. of the nett receipts. Should 75 per cent. of the visiting county's expenses exceed their 37½ per cent. share of the nett receipts, the home county shall in addition pay to the visiting county the difference between the two figures. A match shall not be arranged unless a charge is made for admission or a guarantee given that a visiting county shall receive their travelling expenses.

(iii) For the purpose of determining the Visiting County's expenses, the following scale shall be observed: travelling expenses, or third-class rail fare for a party not exceeding five, whichever is less, plus hotel accommodation, including breakfast, at a cost of 15s. per head, if it is impossible for a visiting county to return to their homes at a reasonable hour; or car hire or taxi fare where it would be possible for the visiting county players to return to their homes the same night, providing the said car hire or taxi fare would be less than the combined cost of third-class return rail fares, plus hotel accommodation.

(iv) The home county shall furnish the visitors and the Treasurer of the Championships with a balance sheet within fourteen days of the match, and shall forward at the same time the amount to which each is entitled.

(c) No expenditure shall be incurred by the Executive Committee in excess of the amounts in the hands of the Treasurer without an authority from the Championships Council.

9. Date of Matches

The latest date for each match shall be decided by the Executive Committee, but the two counties concerned may play the match on any earlier date by mutual consent. Matches which are postponed beyond the fixed last date must be played by a second date fixed by the Secretary of the Championships and only with his prior consent, the application to come from both counties concerned together with a fee of 5s. from each county.

10. The Home County shall communicate with the Visiting County at least six weeks in advance of the date of playing a match, and the two counties shall mutually agree a date at least four weeks in advance, such date to be before the fixed last date. When the date has been fixed the Secretary of the Championships must be notified by both counties at least fourteen days before the match is to be played. Failure to comply with this rule will make the home county liable to pay a fee of 5s. In the event of a disagreement as to date, the Executive Committee shall make a decision as to the date on which the match shall be played.

11. At least fourteen days prior to the match the counties shall supply each other, and the Secretary of the Championships, with the names of their players, including doubles pairings, and of not more

than two reserves, in order of merit. Failure to observe this rule by a county will make them liable to a fee of 5s. Substitution, except for those already notified, shall only be allowed for good reason, which must be stated and agreed to by the Secretary of the Championships.

12. The home team shall send complete results to the Secretary within 48 hours after the match is played, on the form provided, and signed by both Captains, if they agree the result.

13. (a) A match shall consist of ten ties, each the best of three games, comprising six men's singles, one men's doubles, one ladies' singles, one ladies' doubles, and one mixed doubles. No man shall play more than three ties in a match, and no lady more than two ties.

(b) Two points shall be awarded for a win in each match, and one point awarded to both sides for a draw in each match, the positions in each division being determined by the number of points won. In the event of the number of points being equal, the number of ties won shall determine the position.

14. Subject to any arrangement mutually agreed upon, the order of play shall be as follows: (A, B and C being the home team in order of merit and X, Y and Z being the away team in order of merit). C v. Z, A v. Y, B v. X, ladies' doubles, men's doubles, ladies' singles, C v. Y, mixed doubles, B v. Z, A v. X.

15. Any tie not commenced within 15 minutes of the time fixed for the start of the match, or within five minutes of the end of the previous tie, owing to the absence of one player, shall be forfeited to the opposing team. If both players are absent the tie shall not be counted.

16. Default

Any failure to comply with these Rules or with those of the English Table Tennis Association shall not entitle the opposing county wilfully to refuse to play a match, but may be the ground of a complaint or, if the county is seriously prejudiced in its arrangements or in its play, of a claim that the match be forfeited. No complaint or claim with respect to the playing conditions shall be entertained unless a complaint was made to the home team captain before the commencement of the fourth rubber of the match.

17. Claims

A county may, within 48 hours after the time agreed for the playing of a match, send the Secretary a Claim (see Rules 25-27) that the match shall be forfeited to it.

18. The Secretary shall immediately forward a copy of any Claim received to the opposing county.

19. The opposing county, if it wishes to refute the Claim, shall send an Answer (see Rules 25-27) to the Secretary within 48 hours of receiving it.

20. The Secretary shall immediately send a copy of an Answer received to the claiming county, and copies of both Claim and

Answer to the Referee (the Chairman of the English Table Tennis Association) with, if necessary, a short statement of the position.

21. The decision of the Referee on a Claim shall be final.

22. Forfeiture

If no result or Claim is received three clear days after the date on which a match is due to be played, the Secretary shall notify the two counties that the match will be forfeited by both unless either an application for an extension of time, accompanied by a fee of five shillings, or a claim, or the result accompanied by a fee of two shillings and sixpence, is received by him within three days. A Claim received shall be treated as a Claim under Rule 17.

23. If no Answer is received within three days of the sending of a copy of a Claim to a county the Secretary shall notify the county that its match has been forfeited to the claiming county.

24. Appeal

A county may appeal against any forfeiture of a match under Rule 22 or 23. An Appeal (see Rules 25-27) must be received by the Secretary within three days of the dispatch of the notice of forfeiture, and shall be treated as a Claim or Answer as the case may be.

25. Form of Procedure

Every Claim, Answer and Appeal shall be in triplicate, and must state the full grounds on which it is made, including any Rule infringed, any game affected or claimed, and where necessary a proper reply to any alleged default.

26. No amendment of or addition to a Claim or Answer shall be allowed, but a county receiving a copy of an Answer may inform the Secretary by return of post if any statement therein is incorrect.

27. Any Claim, Answer or Appeal which is not in the proper form or which is out of time shall be ignored.

28. Penalties

Whatever its outcome, every Claim, Forfeiture and Complaint shall be made the subject of a full report at the next meeting of the Committee which shall have the power in the case of any default described in Rule 16, non-arrival or undue lateness at a match, to impose on the delinquent county or player a fine not exceeding five pounds and/or suspension from participating in the County Championships. Any county or player failing to pay a fine imposed within seven days shall be automatically suspended from participation in the Championships until the fine is paid. The County Championships Committee may award all or any part of any fine imposed to the opponents and/or the Body staging the match.

29. Qualification

(a) Players shall always be qualified to play for the county of their birth, but shall also be able to qualify to play for a county in which they take up residence, provided they shall notify the Secretary of the Championships, such qualification to date from one year from

the date of taking up residence, any previous residential qualification remaining whilst qualifying for the new county. A player who wishes to play for any other county must apply to the Secretary of the Championships, giving reasons, and the Executive Committee may grant such application if they are satisfied that the player is a bona fide member of a league within that county, and that he or she lives within five miles of that county's boundary, and shall have represented their league in Wilmott Cup or J. M. Rose Bowl matches in the preceding and current seasons. No player may play for more than one county in the same season. (b) Notwithstanding anything appearing under Rule 29 (a) a player who shall have appeared for his county in championship matches upon not less than six occasions, not necessarily in one season, shall thereafter always be qualified to represent that county, unless the player cancels the qualification by subsequently appearing for another county.

30. English Table Tennis Association tournament rules on playing conditions to be observed.

31. All players to be registered, in order of merit, at the commencement of the season, with the Secretary of the Championships. Additional players can be registered, and the order of merit altered, on the first of each month. The player's qualifications (see Rule 29) to be stated at the time of registration.

32. The first three men and two ladies in each county's order of merit shall not be eligible to play for their second team.

33. Any other player having played for his county side twice shall not thereafter in the same season play for his second team without the prior consent of the Secretary of the Championships.

34. Any proposed addition to, or alteration or rescission of, the Rules shall be submitted in writing to the Hon. Secretary of the Championships before the 31st December prior to the meeting of the Championships Council in the following February or March.

35. In the event of any question or matter arising which is not provided for in the foregoing Rules, such question or matter shall be dealt with by the Executive Committee, whose decision shall be final.

36. No addition to, or alteration or rescission of these Rules shall be effected unless approved by the National Executive Committee of the English Table Tennis Association.

ADDENDUM TO REPORT OF EXECUTIVE COMMITTEE
(See page 7)

We are once more indebted to Mr. G. R. Harrower for undertaking the duties of Hon. Secretary for the fifth year in succession. His keenness and enthusiasm for the National County Championships is a major factor in the undoubted success of the Championships, and the Executive Committee desire to place on record their warm thanks for his work during the past year.

THE COUNTY UMPIRE SCHEME

The aims of the County Umpire Scheme are to set a standard of good umpiring and to provide recognition for those of proved ability. This is at once an acknowledgment of the efficient service which the Umpire gives and a help to organisers who have to ensure that matches are controlled by capable people.

The Qualities of a Good Umpire

The Umpire must, first and foremost, know and understand the Laws of the Game. But this is not all; he must have practical ability as well. He must be able to apply those laws promptly and correctly whilst a match is in progress; he must be able to keep the score correctly and to announce it clearly and audibly to both players and spectators; he must have the faculty of controlling a match firmly but tactfully; and he must have an understanding of the importance of the part he has to play in presenting a Table Tennis match before a public audience.

The Qualified Umpire.

Those who have this theoretical knowledge and practical ability are invited to qualify as County Umpires. To do this, it is necessary first to answer in writing a set of questions designed to satisfy the County Association Umpires Committee about knowledge and understanding of the Laws of the Game (and the Knotty Point interpretations that go with them). The question paper is not intended as a test of memory—the candidate may spend as long as he likes in answering the questions, and may consult the rule book. The one thing he must not do is to copy out someone else's answers.

Test papers may be obtained from the Secretary of the County Association Umpire Committee, Miss L. Ferguson, 20, Atherley Road, Southampton (or where there is no County Association from the E.T.T.A. Office, 214, Grand Buildings, Trafalgar Square, W.C.2).

Those whose written test papers are satisfactory become probationary County Umpires, and may be appointed by local organisers to Umpire any match. As soon as the County Association Umpire Committee representatives are satisfied from actual umpiring at matches played before a public audience, that the probationary umpire possesses a satisfactory standard of practical ability, he is accepted as a full County Umpire, and becomes entitled to hold a County Umpire's badge.

The names and addresses of the present secretaries of County Association Umpires Committees are given below:—

Richard Bergmann tells why...

"Why these unusual shoulders on the Bergmann bat? Because they encourage the production of strokes. True stroke play is the basis of consistent accuracy and these bat-shoulders have helped me to develop the strokes which have already won four World Singles Championships. Try a Bergmann bat yourself and see how your own strokes — and accuracy — develop."
(Signed)

Richard Bergmann
UNDEFEATED
WORLD CHAMPION 1950

Such advice is not to be taken lightly especially as the Bergmann bat costs only 10/7 including P.T., so why not try one and improve your play.

THE ORGANISATION OF AN OPEN TOURNAMENT

Most organisers are now well aware of the major pitfalls in running an open tournament and detailed recommendations have been given here only to ensure as full a coverage as possible of what are almost the major events of the table tennis season in England, for if certain basic principles are followed no vast organising ability is required but at the same time success is assured.

The most vital maxim is that a great deal of time must be spent in advance and never forget that even hours of work beforehand which will save say one minute on every match played, may well make the difference between a smooth-running tournament and one which leaves players disgruntled, officials worn out and the general public wondering whether table tennis really is a great national sport.

The first step is to form the tournament committee under the chairmanship of the referee. This committee should be as small as possible and contain officials all of whom are themselves chairmen of even smaller sub-committees each responsible for the various essential sides of the organisation. These are normally a Playing Committee which handles matters connected with the draw and the actual playing of the matches, while the others such as Umpires, Stewards, B.C. Office, Programmes, Press, Hospitality, etc., have obvious duties. This system generally ensures a fair division of the work and avoids vital matters being overlooked.

Entries would normally be received by the tournament secretary, who, working under the referee, arranges for their collation. It still seems impossible for every player to fill in an entry form correctly however simple, therefore the easiest way is to prepare a complete list of all competitors, as entries are received, on the following lines, immediately addressing to each entrant a notification card to be completed later by the playing committee:

No.	Name	Events Entered	Partners	Fees Paid	Owed or to be refunded	Remarks
1	J. Smith	M/S, M/D	J. Brown	4s.	—6d.	6 o'clock not Wednesday
2	Miss J. Green	W/S, W/D, X/D	Miss L. Jones A. Robinson	7s.	+1s.	7 o'clock only Monday

At the same time separate lists of competitors are built up—one for each event, containing only the entrant's name.

After entries have been closed the basis of the time schedule is worked out according to the number of matches to be played, with particular reference to days on which competitors will be required to play in more than one event. Normally 15 minutes is the allowance for a three game set and without an experienced organisation it is unwise to try to reduce this.

We are now ready to go ahead with the draw. Here careful note must be made of the Association's new rules on seeding, details

of which will be found earlier in the Handbook under Rules for Open Tournaments. Most organisers are able to make a draw but as the calculation of the number of byes, which should occur only in the first round, still causes some confusion, perhaps the following method may assist. To give four semi-finalists and two finalists the number of competitors must be a power of two in the first round. If not, sufficient byes must be introduced in the first round to make the number in the second round a power of two, i.e., either 2, 4, 8, 16, 32, 64, 128, 256, etc. This is done by subtracting the number of entrants from the next highest power of two. This figure is the number having byes into the second round.

Example: With 99 entries the next highest power of 2 = 128, 128 — 99 = 29. In the first round we have 29 byes with 70 actually playing, giving 35 winners + 29 byes = 64 for the second round.

These byes are then inserted on alternate lines of the draw sheet—half in the top half of the draw and half in the bottom half. Where the number of byes is not exactly divisible by 2, the extra bye should go in the bottom half. To illustrate this the following table shows the number of byes for up to 64 competitors:—

Byes Top half ...	—	—	1	1	2	2	3	3	4	4	5	5	6	6	7	7
Bottom half ...	—	1	1	2	2	3	3	4	4	5	5	6	6	7	7	8
Number of Competitors	8	7	6	5	—	—	—	—	—	—	—	—	—	—	—	—
	16	15	14	13	12	11	10	9	—	—	—	—	—	—	—	—
	32	31	30	29	28	27	26	25	24	23	22	21	20	19	18	17
	64	63	62	61	60	59	58	57	56	55	54	53	52	51	50	49

Byes Top half ...	8	8	9	9	10	10	11	11	12	12	13	13	14	14	15	15
Bottom half ...	8	9	9	10	10	11	11	12	12	13	13	14	14	15	15	16
Number of Competitors	48	47	46	45	44	43	42	41	40	39	38	37	36	35	34	33

while a draw for 5 players called A, B, C, D and E would appear thus:—

A
Bye
B
C
D
Bye
E
Bye

The easiest way, then, of making the draw, after inserting the byes, if any, is to use numbered pieces of paper—one for each competitor or pair, divide these into halves or quarters according to the permitted number of seeds, insert the seeds in their appropriate sections and make a straight draw.

Having completed the draw the next stage is to schedule each match, i.e., allow one match per table for each period of 15 minutes. This is a fairly straightforward matter so long as care is taken in endeavouring to even out players' rest periods between each round.

A point to remember here is, that as your final will presumably not be played until all preliminary rounds of other events are completed, you can play one half of an event at a time, i.e., if you have 64 first round matches you do not have to play more than 32 of them before beginning the second round. In this way, if you have say only six tables you can play the first half of the draw down to the third round before commencing the first round of the second half of the draw. Thus players' waiting time between rounds is evened out and all your tables are kept in play for a longer period with a corresponding lessening of wasted tables.

If more than one event is being played in the same session it is best to select non-clashing events to follow each other, e.g., Men's singles, Ladies' singles, Men's doubles, Ladies' doubles, Junior singles, Mixed doubles. Here you have only to arrange that your better Juniors are excluded from the first round Mixed doubles matches which are scheduled to be played at the same time as the last Junior matches.

Now, notification cards have to be filled in giving players the times of their first matches in each event. This is really essential as it always seems pointless to insist on a large number of players being available at the commencement of each session when an examination of the schedule shows that many of them can be given but one match in two hours.

We now come to preparations for the actual operation of play. Draw sheets are already completed and each match shown thereon should have its time and number stated beside it. Every match should, of course, be numbered, both for checking purposes and for easy reference when Umpires' scorecards are returned. These numbers should never be duplicated but should follow on from event to event, e.g., if there are 127 matches in the Men's singles and 63 in the Ladies' singles the former will be numbered 1 to 127 and the latter 128 to 191 and so on.

It is far simpler to work from a schedule and use the actual draw sheets only for entering up results. This sheet should have sufficient columns of two-inch width to permit one for each table, while lines are ruled across to denote the 15-minute periods. Each oblong thus formed has the number and competitors for each match entered into it (later rounds will, of course, have only a number—the names being filled in as they become available). In this way your matches are played as scheduled with no overlapping, so long as matches are announced for play only in their correct time sequences. Naturally, unless you have unlimited time, there is no need to tie matches down to table numbers denoted by the column heading on the schedule. They can be put on any available table but must be in their time sequence.

At long last we have reached the commencement stage of play itself. Competitors should report to the Referee with their notification cards. From this their names are easily found on the schedule

and play is ready to begin. If sufficient time can be found beforehand it is advisable to have match cards already written out for the first round matches. The appropriate matches are then taken, crossed off the schedule and handed to the announcer who allocates them to tables, announces them, and hands the match cards to the Chief Umpire who immediately despatches Umpires to the tables with the cards and balls. The cards, of course, return by the same process.

So your tournament will continue until the final stages which should naturally be on one table only in some sort of staged manner. Nothing, surely, is more unfair to both players and spectators for a final to be put on with a Junior quarter final on one side of it and a Consolation singles battle on the other. Also your finals are your greatest opportunity of drawing a "gate" and thus would be your greatest source of revenue as well as really being a duty of yours to the players who have patronised your tournament. They should at least be given the kudos of winning a title before an audience unhampered by the diversions of play on other tables.

Two further points to watch at your finals—never play Consolation singles finals with your major finals. They are seldom popular with either players or spectators and only detract from public interest. Secondly, always present your prizes after each final. If these are left to the end they are but a source of embarrassment to the dignitary who has to dispense them amid a diminishing audience and to the accompaniment of the muffled conversation and clattering chairs of the departing.

In conclusion, keep your officials at the Committee table to the absolute minimum—four is ample; pick your officials carefully—an Umpires' Committee which fails to get Umpires is just as useless as a Press Committee which does not obtain Press publicity—and be prepared to work hard in advance. If these are done there is no reason why the whole tournament should not run successfully and be a credit to the organisers.

HINTS ON PLAYING CONDITIONS

by

G. W. DECKER

FLOOR :

The table should rest on a solid stone or wood floor. A linoleum covered floor is not good and the bounce of the ball is affected. Linoleum is all right for footwork but pieces should be cut out for the legs of the table to rest on. The holes must be filled in with small pieces of wood the same thickness as the linoleum. If the cutting is done by an expert the linoleum pieces can be replaced when the table is not in use and the break in the linoleum is hardly noticeable. It has been found that the difficulty of a table on a soft surface where cutting is not possible can be overcome by heavily weighting the table say 56 lbs on each leg—4 cwt.

SURROUNDS :

For exhibitions or special occasions the court should be enclosed by a cloth-covered barrier 2 feet or 2 feet 6 inches high. This can easily be constructed and should be made up in frames 5 feet by 2 feet or 6 feet by 2 feet 6 inches, supported by wooden triangles nailed or screwed at the base of each upright. If the four corner sections of the arena are hinged this will obviate the triangles for eight of the sections. The frames can be covered with green cloth, muslin or sisalcraft which can be glued to each side and then sprayed with green paint. This latter method has been found very satisfactory.

LIGHTING :

The very minimum for club play and ordinary matches should consist of three 150 watt lamps in 20-inch circular billiard shades—one over the centre of the table and one over each end of the table. A very convenient method is to wire the whole outfit on to an 11 feet beam with a lead to the nearest lampholder and suspend the whole by two chains or cords from the ceiling and six feet apart. The distance from lamp to lamp should be 5 feet 6 inches and the maximum height from the floor 9 feet, measured from the bottom rim of the shade. No portion of the lamp should be visible to the eye, and as shades vary somewhat in depth and angle, the height should be adjusted as necessary. The centre light should be a foot lower than the two outside ones. Filament glare must be avoided at all costs and unless good lighting adequately shaded is provided in clubs eyestrain and nasty headaches will result.

FOR CLUB ROOM:

EXHIBITION AND REPRESENTATIVE MATCHES:

The playing space should be not less than 36 feet by 18 feet. At the first Championships at Wembley we had 60 feet by 40 feet. The following year it was reduced to 50 feet by 25 feet. Later it was reduced to 40 feet by 20 feet and has remained at this ever since and is ample. A large area gives the player much further to go when picking up the ball and also dwarfs the spectacle of a player retrieving boundary hits. The thrill of the game is felt much more in the smaller area.

Ten 150 watt lamps are used in 20 inch billiard shades spaced as shown. 200 watt lamps are not too much. Sometimes it is necessary to go much higher with the lights when they obscure the

view for spectators in a gallery. Three 1000 watt lamps on a 16 foot bar at a height of 16 feet will be found satisfactory and gives nearly as much light as the system shown in figure 2. It must be remembered that the light thrown on any given area of surface varies as the square of the distance. A 500 watt lamp at a height of 16 feet (13 feet 6 inches from the table) would not give as much light as a 150 watt lamp at a height of 9 feet (6 feet 6 inches from the table). For this reason the higher the lights are the more powerful they should be. Lamps with silvered reflecting surfaces, bright metal reflectors, or looking glass reflectors should never be used as their light distributions are very uneven.

On the Umpires table a jug of water and glasses should be provided, also towels.

For big international matches scoring machines should be used. It is also necessary to provide stop clocks in case the time limit rule has to be applied. Chess clocks have been used for the purpose but for real exactitude a stop watch or a clinical clock should be used.

Where a floor is slippery scrubbing is essential, but, in cases of emergency, powdered pumice makes a good surface. Its action is, however, abrasive and may do some damage to a highly polished floor. Rinso has been successfully used on many occasions. It has no abrasive action, but makes the floor sticky without doing any lasting harm.

THE CHART SYSTEM FOR ARRANGING LEAGUE FIXTURES.

Originally produced in the Handbook in 1938 by Leslie Bennett ;
revised and expanded by G. R. Harrower in 1948.

The Chart System has now become a necessity to all Table Tennis Organisers. In order that clubs can compete in leagues, they must be able, if they enter more than one team, to be *certain* that two teams from the same club will not be called upon to play at home in the same week. This can always be *guaranteed*, providing the divisions making up a league have the same number of teams in each, irrespective of whether the two teams are in one division, or separate, and irrespective of how many clubs enter with two teams.

Most leagues to-day publish their own handbook, and the amount of space taken up by printing fixtures is considerable. This can be cut down to a maximum of two pages (including explaining the chart) by using the chart system. Even if you decide to print your fixtures in full, you will find that, to obtain satisfactory fixtures, you must prepare them with the aid of a chart.

The following charts can be used for divisions from 6 to 16 teams : if an odd number of teams, say 7, you give a blank week to the team due to play No. 8 in each case. Use of these charts guarantees that no team is ever called upon to play three consecutive home or away matches, and that they get the maximum possible number of alternate home and away games. Furthermore, by using the combinations shown underneath each chart, you safeguard your clubs and their few match nights. For example, if you have a club with two teams, one in the premier division and one in the third division, with only one home night, allot the first team to position No. 1 in the premier division, and the second team to position No. 5 (for divisions of eight) in the third division. It should be noted that although only four combinations are listed as alternates for divisions of eight, these combinations can be reversed; i.e., 5 and 1, 6 and 2, giving eight combinations for eight places, covering every possibility.

The tables used cover the first half of the season, and the letter "a" denotes an away match. For example, again quot-

ing from divisions of eight, Team No. 1 plays Team No. 8 at home in the first week, and then meets Team No. 7 away in the second week. Obviously, for the second half of the season, the homes and aways are reversed.

Shortage of space precludes giving all details, but further information can be supplied and queries answered if a communication is sent to the Association.

There is a way in which EACH team can play alternate home and away matches, providing that two extra weeks can be devoted to the league programme. Obviously, this is more satisfactory if time permits, and you are recommended to use the charts numbered 6, 7, 8, 9, 10 and 11.

REPORT OF THE NATIONAL EXECUTIVE COMMITTEE FOR THE PERIOD ENDED 31st MARCH, 1952

Submitted at the Annual General Meeting of the Association held in the Kent Room, Caxton Hall, London, on the 26th April, 1952

Ladies and Gentlemen,

1. The National Executive Committee present herewith the following report on the work undertaken on behalf of the Association since the last Annual General Meeting held on the 28th April, 1951.

To enable the report to be circulated with the Agenda for the Annual General Meeting and to include a copy with the voting papers for the election of the Officers and the National Executive Committee it is necessary to close the report at the 31st March, 1952.

2. **Membership.** The present membership of the Association is as under :—

	1951-52	1950-51
Leagues and Associations	324	305
Directly affiliated Clubs	65	78
Special affiliations	38	23
Individuals affiliated direct	69	81

The International Table Tennis Federation attached Accra, Lagos and Sierra Leone to the Association for 1951/52, but at the Congress held in Bombay last February the Gold Coast Association (Accra) and the Nigerian Association (Lagos) were accepted as full members of the Federation.

3. **Patron.** The death of His Majesty King George VI has caused great sorrow to all our members. His Majesty graciously consented to accept the office of Patron of the Association in October, 1937, a gesture which was much appreciated not only in this country but throughout the Table Tennis world. The heartfelt sympathy of our members was conveyed to Her Majesty The Queen Mother by our President and Chairman.

4. **W. J. Pope Memorial Fund.** In accordance with the decision taken at the last Annual General Meeting, donations were invited for the W. J. Pope Memorial Fund. A carved chair with a suitable inscription and a framed portrait in oils have been purchased and it is hoped that members will have an opportunity at the Annual Meeting to view these mementoes which have been subscribed for by the numerous friends and admirers of our late Hon. General Secretary—Bill Pope.

5. **Meetings.** The National Executive Committee has met on five occasions and the General Council once. Mr. C. Corti Woodcock was co-opted in accordance with Rule 12 (a).

The attendance of the Officers and members of the National Executive Committee at the 5 meetings held between the 23rd June, 1951, and the 29th March, 1952, was as follows:—

	Pos.	Actual		Pos.	Actual
I. Montagu			M. Goldstein	5	4
(Chairman)	5	4	G. R. Harrower	5	5
A. K. Vint			F. G. Mannooch	5	5
Secretary/			E. Reay	5	4
Treasurer)	5	5	M. Scott	5	5
H. J. Amery	5	5	W. Stamp	5	4
N. Cook	5	5	E. G. White	5	5
Miss L. Ferguson	5	5	C. Corti Woodcock	4	4
L. E. Forrest	5	5	L. S. Woollard	5	5

6. **Selection Committee.** A Selection Committee was appointed consisting of Messrs. I. Montagu (Chairman), G. R. Harrower (Hon. Secretary), H. J. Amery, N. Cook, A. A. Haydon, T. Sears, and A. Thompson. Trials for men were held on the 11th December, 1951, for Women on the 15th December, 1951, and for Juniors (Mixed) on the 6th January, 1952. The Committee held three meetings during the season and arrangements were made for the Hon. Secretary of the Committee to collate the results of Open Tournaments, County matches, Wilmott Cup and J. M. Rose Bowl matches, etc., and circulate them to the members of the Committee. Members of the Committee also undertook to attend Open Tournaments where several candidates for selection were playing.

An innovation was the organisation of a practice and training course at the Lilleshall National Recreation Centre from the 7th to the 9th September, 1951, under the supervision of the Hon. Secretary (G. R. Harrower) who had assisting him as coaches, Adrian Haydon, Tommy Sears and Alan Thompson. Selection of those to take part was made by vote based upon the selectors' views as to the possibility of the potentialities of the players and not necessarily because they were considered to be the best players of the moment.

The Committee invited 8 boys and 6 girls to take part in the Course and it is felt that this occasion served a very useful purpose in not only giving current information as to the form of the players, but enabled those taking part to improve their general standard of play.

7. **World Championships—Bombay.** The World Championships were arranged in Bombay from the 1st to 10th February, 1952, by the Table Tennis Federation of India. A full Swaythling Cup team was taken and, thanks to the excellent efforts by the Yorkshire Association (who raised the magnificent sum of £104 towards the expense of sending Kathleen Best) a full Corbillon Cup team was enabled to make the trip.

The results of the events were as follows:—

	Winners	Runners-up
Swaythling Cup	Hungary	England
Corbillon Cup	Japan	England-Rumania tie for second place
Men's Singles	H. Satoh (Japan)	J. Koczian (Hungary)
Men's Doubles	N. Fujii/T. Hayashi (Japan)	R. Bergmann/J. Leach (England)
Women's Singles	A. Roseanu (Rumania)	G. Farkas (Hungary)

Women's Consola- tion Singles	S. Sultana (India)	Wong Bik Yiu (Hong Kong)
Jubilee Singles	G. V. Barna (England)	A. A. Haydon (England)

Apart from the Jubilee Cup, won for the second time by Victor Barna, we were not destined on this occasion to return

with any victories, but our players gave some creditable performances as will be seen by the final placings. There is little doubt that but for Aubrey Simons' regrettable accident in the final match with Hungary we should have been the winners of the Swaythling Cup for the first time in our history.

In the Swaythling Cup and Corbillon Cup matches the English results were as follows :—

8. **English Open Championships.** The English Open Championships were again held at Wembley, from the 25th to 29th March, 1952. The preliminary rounds were held in the Wembley Stadium Restaurant, and the concluding rounds, Semi-Finals and Finals were played in the Empire Pool and Sports Arena, Wembley. In past championships all the finals of the various events were staged on the last day of the Championships, but the experience of latter years has shown this usually caused a congestion of programme with a consequent late ending. To overcome the difficulty this year, two of the Finals were played on the Friday which gave added interest to the programme for that evening. Nearly 15,000 persons paid to see the games and we were honoured on the 29th March by

the presence of the Minister of Education (The Rt. Hon. Miss Florence Horsbrugh, M.P.) who kindly presented the trophies and plaques to the winners and runners-up of each event. The results were as follows :—

	Winners	Runners-up
Men's Singles	R. Bergmann	J. Leach
Women's Singles	Miss L. Werth	Miss R. Rowe
Men's Doubles	Z. Dolinar and J. Harangozo	M. Lansky and R. Roothoof

Women's Veteran Singles	Mrs. S. Betling	Mrs. D. Ball
Men's Consolation Singles	L. G. Adams	E. J. Filby
Women's Consolation Singles	Miss J. Roberts	Mrs. M. Cumberbatch

The Organising Committee consisted of I. Montagu (Chairman), A. K. Vint (Hon. Secretary/Treasurer), E. G. White (Referee), C. Corti Woodcock (Press and Hospitality), S. H. Kempster (Press), G. W. Decker (Equipment), L. S. Woollard (Programme Editor), W. Luff (Trophies), G. James (Stewards and Umpires), F. G. Mannooch, Miss Ann Stevens (Box Office) and Mrs. Kathleen Pegg (Administrative Secretary). Referee's Committee : A. E. H. Clewer, P. Hyde, A. Jewell, A. H. Lewis, and F. Milligan.

The allocation of reduced club price tickets was made this year direct to Leagues who were responsible for obtaining details of the requirements of the clubs. The full requirements of all Leagues applying before the closing date were met.

The players appearing in the Junior matches were :—

The following have acted as Captains of teams during the season :—

G. R. Harrower, A. A. Haydon, J. Leach, I. Montagu, T. E. Sears (Juniors).

The arrangements for the home matches were most efficiently organised and the Committee wish to place on record their thanks to the organising bodies not only for their valuable assistance in maintaining the prestige of the game, but for the excellent financial results accruing from their activities.

10. **Swedish Juniors Tour.** A team of 3 Junior players from Sweden visited England from 7th-31st March, 1952, on a reciprocal visit. They toured the country for just over two weeks playing at Tamworth, Wolverhampton, Bournemouth, Portsmouth, Winchester, Pontefract, Bolton, Hendon, and Sheerness, with an International Match at Hull. The Swedish boys concluded their trip by taking part in the English Open Championships.

11. **Open National Championships in Other Countries.** Official entries were made in the Austrian, Belgian and French Championships.

Austrian Open (November, 1951). M/S—R. Bergmann lost to Dolinar, the eventual winner; M/D—Finalist (with Amouretti); X/D Finalist (with Pritzi).

Belgian Open (November, 1951). M/S—J. Leach lost in final to Roothoof; M/D—Leach and A. W. C. Simons won; X/D—Leach and Franks won.

French Open (January, 1952). Miss R. Rowe was a triple winner, taking the W/S (Miss D. Rowe runner-up), W/D (with Miss D. Rowe), X/D with B. Kennedy (J. Leach and Miss D. Rowe runners-up). Miss M. Fry was also nominated.

R. Bergmann and V. Barna, as individual entries in the French Championships, respectively won the M/S and the M/D (with Haguener—this for the second year in succession).

In the **Welsh Open** (December, 1951) the following were successes of E.T.T.A. players, entered as individuals : M/D—Simons and Kennedy, winners; W/S—R. Rowe lost in the final to Elliot; W/D—D. Rowe and R. Rowe, winners; JB/S—B. Merrett; JG/S—Miss D. Spooner lost in the final.

12. **English Players Abroad.** J. Leach (Captain), M. Thornhill and Miss R. Rowe represented the E.T.T.A. in an invitation tournament at Liege in April, 1951. The team won the team event, Leach won the M/S, and R. Rowe the W/S.

Permission was given to Leach for a tour during the summer in Australasia and the Far East (with Haguenauer) of considerable benefit to the game in these areas.

Captained by I. Montagu, A. W. C. Simons, K. Craigie, M. Thornhill, Miss J. Roberts and Miss C. K. Best represented the E.T.T.A. abroad in a tour of Germany (Federal Republic and Democratic Republic) 14-25th September, 1951. Against the Federal Republic (in Hamburg) the men won 5/2 and the women lost 0/3, against All-Germany (in Berlin) the men won 5/0 and the women 3/1, against the Democratic Republic (in Leipzig) the men won 5/1 and the women 3/0. In all 12 matches were played, with a score of 11 events won, 1 lost, and the tour was much appreciated in both parts of Germany.

Captained by J. Leach and including also A. W. C. Simons and B. Kennedy an English team defeated Sweden 5/0 in Stockholm in October and toured successfully. Permission was given to the Misses Rowe for a tour in Sweden subsequently.

Following the World Championships R. Bergmann remained in India and competed in the East India Championships at Calcutta in February. M/S—he lost in the final to Hayashi; M/D—won (with Thiruvengadam); X/D—finalist (with Moses).

Bergmann, Leach and Kennedy participated in an invitation tournament in Paris held in celebration of the Silver Jubilee of the French Table Tennis Federation in March, 1952.

13. The Juniors. The first Junior International match to include girls in the team was played this year against Wales, England winning 10-0. Further Junior International matches were arranged with the Swedish Juniors touring England, against the German Juniors (Mixed) taking part in the English Championships and a Boys' match against France in April.

The Junior County Championships and Junior Tournaments are bearing fruit with a number of boys and girls showing real promise. The Junior trial which was held for boys and girls gave an opportunity of comparing the relative form of Juniors from different parts of the country.

It is disappointing to note that in the Junior County Championships, apart from Nottinghamshire, only Southern England is represented. Kent are to be congratulated on their

enterprise in organising an Open Junior Tournament which included all the Junior events as in the English Open Championships. At the Lilleshall Centre in September last in the practice and training course a number of junior players were given the opportunity of playing with better players and received encouragement from older players. B. Merrett of Gloucester whilst still a junior played for the England (Senior) team against Wales.

We would like to thank those counties and leagues whose coaching schemes have helped to raise the standard of junior play in this country to its present high level.

We are once more indebted to Mr. T. E. Sears for acting as Captain for the Junior Team and for the great interest he shows in this important side of the activities of the Association.

14. National County Championships. The membership continues to increase, 49 teams competing from 29 counties, as against 43 teams from 27 counties last season and 35 teams from 24 counties the preceding year. Middlesex became Champions for the fifth successive season after the most exciting fight in the history of the Championships. Lancashire were relegated, whilst Glamorgan and Warwickshire tied on both points and games in the last but one position, and are re-playing to decide who shall remain in the Premier Division. The two new Second Divisions were won by Middlesex 2nds and Lancashire 2nds, but, because of the Rule which prevents a second team playing in the Premier Division, Lincolnshire and (probably) Devon will be promoted to the higher sphere.

Winners of other sections were:—Sussex (Southern), Yorkshire 3rds (Northern), Buckinghamshire (Eastern—with a margin of only one game and no points, over Norfolk), Warwickshire 2nds (Midland) and Kent (Junior). Sussex and Buckinghamshire are, therefore, eligible to compete in the Second Division South next season.

15. Wilmott Cup and J. M. Rose Bowl. An Organising Committee was appointed to arrange these two Competitions consisting of Messrs. Mannooch, Montagu, Vint and Woodcock. There was a record entry in the Wilmott Cup Competition of 106 (94 in 1950-51) and 68 (59 in 1950-51) in the J. M. Rose Bowl Competition.

The Worthing Table Tennis League staged the J. M. Rose Bowl Semi-Finals and Final on the 8th March, 1952. In the Semi-Finals West London beat Bristol 7—2 and Birmingham beat Bedford by 9—0. In the Final, West London beat Birmingham by 6—3 and so won the J. M. Rose Bowl for the third year in succession.

The Semi-Finals and Final of the Wilmott Cup Competition were staged at Birmingham on the 8th March. In the Semi-Finals Staines beat Huddersfield by 7—1 and South London beat Brighton by 5—1. For the third year running South London won the Wilmott Cup by defeating Staines by 6—3 in the Final.

The Committee wish to place on record their grateful thanks to the Worthing League and the Birmingham Association for organising the Finals in such an efficient manner.

16. **Open Tournaments.** Thirty-three Open Tournaments were sanctioned this season. A special Sub-Committee consisting of members who are players/organisers is examining the question of playing conditions and the general organisation of tournaments.

The revised Grading Scheme has been well received and it is hoped that very few amendments to the structure will be necessary in future years. The Committee wish to express their thanks to Messrs. Eyles and Harrower for their work during the past year on this scheme.

17. **Newspaper Tournaments.** The Committee gave approval to the following newspaper tournaments open to affiliated players only :—

“Manchester Evening Chronicle” (restricted to Lancashire and Cheshire).

“Birmingham Evening Mail” (restricted to Warwickshire and Staffordshire).

18. **Panels Commission.** In accordance with the provision made in the Registered Members Regulations a Panels Commission was set up consisting of W. Stamp (Chairman), H. J. Amery and E. G. White (representing the National Executive Committee) and Jack Carrington (South) and Stanley Proffitt (North) representing the Registered Members. On the recommendation of the Panel the National Executive

Committee amended the regulations to provide for three grades of coaches (i) Approved Senior Coach ; (ii) Approved Coach ; (iii) Approved Local Coach. The Commission included 50 players in the Approved Exhibition Players Panel, and 11 Approved Senior Coaches, 10 Approved Coaches and 26 Approved Local Coaches were accepted into the Approved Coaches Panel. The Panels Commission has under review the method of determining the qualification of coaches for the Panel.

19. **Registered Members.** 92 members have been recorded as Registered members during the season in accordance with the Regulations. In July, 1951, a ballot of Registered members took place and Mrs. Allen, Messrs. G. V. Barna, J. H. Carrington, A. A. Haydon, S. Proffitt and A. Simons were elected members of the Registered Members' Committee. Messrs. G. V. Barna and J. H. Carrington are Chairman and Hon. Secretary of this Committee.

20. **Coaching.** A Committee to deal with coaching was appointed consisting of E. G. White (Chairman), T. Sears, M. Scott and L. S. Woollard, and after an examination of various proposals, which included a further unsuccessful application to the Minister of Education for financial assistance towards the cost of providing a National Coach, a coaching scheme was prepared on the following lines :—

Objects

- (i) To disseminate as widely as possible a knowledge of the playing technique of table tennis.
- (ii) To interest people, and particularly young people, in the athletic and character-building possibilities of the modern game.
- (iii) To use the opportunity afforded by these activities to promote knowledge of the work of the Association.

Intention

To appoint a Director of Coaching (Honorary at the outset) whose task will be to build and assist a chain of instructors and instructional facilities throughout the country, and to co-ordinate coaching activities.

Method

The initial scheme to be based on a 3-year programme to ensure continuity. In the first phase the Coaching Director will be responsible for :—

- (i) Arranging a Conference to discuss to what extent instructional methods can be agreed by leading experts of the game to-day.
- (ii) Preparation of literature on coaching problems to support the Scheme and assist the local Coaches.
- (iii) Presentation to the Coaching Committee of a study of methods and standards for classification of coaches. Assistance with application of the Committee's decisions on such classification.
- (iv) Co-ordination of existing local Coaching Schemes, with practical help by suitable representative of the E.T.T.A. Scheme wherever possible.
- (v) Preparation of local basic training courses for Coaches who will be encouraged to work for E.T.T.A. Coaching Awards.
- (vi) Consultation with C.C.P.R. local representatives re local missionary work.
- (vii) Eventually considerable expansion of the literary and film type instructional aids should be aimed at and a more active "missionary" policy be pursued towards schools and youth organisations.

The National Executive Committee at their meeting on the 8th December, 1951, accepted the principle of appointing an Honorary Director of Coaching and gave instructions for a letter to be sent to all County Associations and Registered Members inviting nominations for the post by the 15th January, 1952. One nomination was received and to save time this was submitted by correspondence to the Coaching Committee who recommended the National Executive Committee to accept the nomination on a postal vote. Objection was raised on principle to the proposed appointment as the person nominated had been named in an editorial in the magazine "*Table Tennis*" published on the 1st January, 1952. In the circumstances the matter was held over for consideration at the meeting of the National Executive Committee on the 23rd February, when it

was decided to report the circumstances to the Annual General Meeting so as to avoid any misunderstanding on the matter.

21. **Richard Bergmann and Stephen Boros.** Following an appeal for the lifting of his suspension by Richard Bergmann and the receipt of assurances as to future conduct, this player was reinstated as from the 1st July, 1951. The suspension of Stephen Boros was also terminated from the 1st July, 1951, following an appeal.

22. **International Table Tennis Federation.** The Chairman (Ivor Montagu) and the Honorary Secretary and Treasurer (A. K. Vint) were delegates to the I.T.T.F. Congress held in Bombay, which was attended by representatives and proxies for 34 Associations. Mr. G. R. Harrower attended as Chairman of the I.T.T.F. Equipment Committee. Mr. Montagu was re-elected President of the I.T.T.F. and Mr. Vint Honorary Treasurer. In addition, Mr. Montagu was elected Chairman of the Rules Committee and South Africa Committee and a member of the Classification Committee, Mr. Harrower Chairman of the Equipment Committee, Mr. Vint Chairman of the Standing Orders Committee, and Mr. J. M. Rose a member of the South Africa Committee.

New members elected included Aden, Afghanistan, Burma, Cambodia, Lebanon, Nigeria, Pakistan and Philippines.

The E.T.T.A. was authorised to attach Sierra Leone for a further season. Tribute was paid to Z. Mechlovits, Dr. R. Jacobi and P. S. U. Ayyar deceased. No changes were made to the rules, but it was resolved to ask Associations to report on their experience of the present operation of the wording of the Service Rule. The draft Umpires' instructions furnished by the E.T.T.A. were accepted as basis of an I.T.T.F. document, and the E.T.T.A. undertook during the forthcoming season to furnish a further draft on tournament management. The official Handbook is to be published next season in French. World Championships, 1952/53, are to be held in Rumania and the option for 1953/54 accorded to England was prolonged to July 1st, 1952.

The following resolution, proposed by the E.T.T.A. as an amendment to a resolution from the Hungarian T.T.A. was adopted unanimously by the Congress :—

"Bearing in mind that true sport, conducted in a spirit of friendly emulation, on the one hand can make a powerful contribution to friendship and peace between the peoples and, on the other, can only flourish at its best in an atmosphere of peace—the annual General Meeting of the International Table Tennis Federation calls on all Table Tennis players and enthusiasts everywhere to :—

- (a) so conduct their sport that, by modesty, tolerance, keenness and understanding, they help to increase and strengthen friendship and peaceful sentiments among all peoples without exception ;
- (b) give support and encouragement to all those in every country, without distinction of race, religion, politics and philosophy, who work sincerely to reduce tension and mistrust throughout the world and to achieve peaceful and mutually agreed solutions to the problems of the day."

23. **County Administration.** During the year there were 3 further County Associations formed, making a total of 30 Associations. There are still four or five areas where it is possible for County Associations to be formed and it is hoped that the Leagues concerned will give active support to the regional representatives of the National Executive Committee in their efforts to complete 100% county membership in the Association. A thorough examination of all County Association rules was undertaken by the Committee and in some instances Associations were asked to make amendments to be in accord with National policy.

24. **Umpires.** The County Umpire Scheme, inaugurated during the previous season, continued. Of 28 counties participating, by 31st March, 1952, 16 were undertaking the marking of test papers and the qualification of County Umpires in their own counties, compared with 12 at the equivalent date in 1951, and more would have reached that stage but for a temporary shortage of test papers. The supply of 4,000 copies of the original test paper was exhausted in January, 1952, and a new test paper was introduced at the beginning of March. At the same time, a model practical test was recommended to counties with the object of securing a uniform standard and method of

testing the practical ability of umpires seeking the County Umpire badge. A code of instructions for umpires and other match officials was prepared and, after approval by the National Executive Committee, submitted to the I.T.T.F. Congress in Bombay. With some modifications, this code was accepted by the I.T.T.F. as a basis for use by its member Associations ; from it will be built up an E.T.T.A. Umpires' Handbook, the compilation of which will be an early task of the Umpires' Committee for the coming year.

25. **Official Magazine.** Arrangements were made with the Hendon Printing Works Ltd., to take over the publication of the Official Magazine *Table Tennis* for 1951-2 with very satisfactory results. At a time when publishing costs and conditions have been the worst in history, *Table Tennis* is one of the very few magazines which have not increased in price ; furthermore, it has actually increased its size by 25%. Reading and pictorial matter is now greater than it has ever been.

Mr. Leslie Woollard was again appointed Editor. Later news items and reports were included, and publication day brought forward to the 1st of each month. The general policy has been to present official news, accurate reports, and the most divergent opinions as a basis on which intelligent readers can form their own judgment.

Special thanks are due to Jack Carrington, Peter Madge, and the very many who have contributed in diverse ways, also to Geoff Harrower for facilitating the publication of late reports.

Mr. G. R. Harrower, as the Manager for Circulation and Advertising, has worked hard to increase both, and this is reflected in the achievement of new records in these two fields.

The Magazine Committee is pleased to report that similar arrangements have been made for next year's publication. The Committee also appreciates the interest and goodwill which Mr. I. Speck, Director of the Hendon Printing Works Ltd., has shown.

26. **Regional Representation.** Careful consideration has been given to the question of regional representation on the National Executive Committee, and proposals will be submitted to the Annual General Meeting to provide for an additional representative in the Eastern Region and for automatic variation

in representation based on the number of Leagues in a particular area. The National Executive Committee also made an alteration in the London Region which had always used the Metropolitan Police Area as the basis of representation. This area is now covered by the Middlesex and Surrey Leagues and the London Leagues which are not attached to any county association.

27. Incorporation During the course of the year a Vice-President of the Cheltenham Table Tennis Association (Major W. W. Hicks-Beach), who is a Member of Parliament, has given valuable time in assisting the Association to make further representations to the Board of Trade on the application for a licence to incorporate with omission from the title of the word "limited". In spite of very strong representations our application has again been rejected. This is the fourth time this matter has been submitted to the Board of Trade and twice it has been dealt with personally by the Secretaries to Overseas Trade. The National Executive Committee reports the situation with much regret and the Annual General Meeting will be asked to give a direction whether they wish action to be taken to register the Association as a company with the title "The English Table Tennis Association Limited".

28. Sunday Freedom Association. The Association which was founded in 1949 received a very severe set-back by the death of its Hon. Secretary, Mr. Kenneth F. Day (Director of Entertainments for Hastings) in July, 1951. At a recent meeting of this Association it was decided to continue its activities.

29. Central Council of Physical Recreation. In co-operation with the Central Council of Physical Recreation a feature known as "Focus on Table Tennis" was arranged from the 7th to 20th December, 1951. At the request of the Association the County Associations assisted the Central Council in arranging a number of centres where exhibitions and demonstrations of strokes were given by Victor Barna and Johnny Leach. The Chairman (Ivor Montagu) was appointed our representative on the Central Council of Physical Recreation and also a member of the Games Advisory Committee.

30. Festival of Britain. The Association co-operated with the Festival of Britain authorities in providing demonstrations

of Table Tennis as part of the programme of games and sports during the Festival at the South Bank Exhibition. Jack Carrington was responsible for organising the demonstrations on behalf of the Association which took place during May and September, and although they were required to be organised out of doors there is no question that the general public were keenly interested. Sir Gerald Barry, the Director General of the Festival, conveyed his warm thanks to the Association for their co-operation in helping to make the Sports Arena such an outstanding success. The National Executive Committee expresses its warm thanks to Jack Carrington, Geoff. James, Godfrey Decker and to all those players and officials who took part.

31. Official Handbook. The Official Handbook was published in January and copies sent to all members. Every effort was made to obtain the material for the Handbook in time for publication in the early part of December, but, unfortunately, owing to great delay by many Leagues and the amount of time required by the printers for binding and dispatching, it left no option but to expect a late date for issue. The National Executive Committee is firmly of the opinion that a closing date for the material from Leagues will have to be by the 31st August and it is possible that an amended style of information relating to the Leagues will have to be used. It is evident from an examination of the problem that one of the factors which militates against early publication is the lateness in which Leagues have their Annual General Meetings. If annual meetings of all County Associations and Leagues could take place not later than 30th June this would ease the situation and members are urged to give consideration to this matter as it would make table tennis administration much easier.

32. World Championships, 1954. A general appeal to all clubs has been sent to ascertain if they will support a Guarantee Fund of £4,000 which it is estimated is the likely loss in the event of the World Championships being staged in England in April, 1954. The I.T.T.F. at the Congress in Bombay this year gave the English Association until the 1st July, 1952, to give a final decision if it wished to accept the option to stage the Championships in 1954. It is hoped that members will have taken serious notice of the appeal made by the National

Executive Committee and that a favourable report can be given to the Annual General Meeting as to the attitude of the members with regard to this very important project.

33. **Jubilee Celebrations.** The 24th April, 1952, is a red-letter day in the history of the Association as this marks the Silver Jubilee of the Association, and arrangements are in hand for a luncheon and a "get-together" dance after the Annual General Meeting on the 26th April, 1952, to celebrate the occasion. Mr. Leslie Forrest, together with Messrs. Montagu, Woollard and Woodcock, are hoping to arrange a display on the day of some interesting charts and photographs showing the general progress made by the Association during the past 25 years.

34. **Office Administration.** This report speaks for itself on the activities of the Association but it is not possible to include in a report of this nature behind-the-scenes details of the thousand and one things that require to be dealt with to enable the work of the Association to be carried on smoothly and efficiently. At certain times of the year correspondence, reports and telephone calls come at an alarming rate but in spite of an ever increasing membership and the general development of the game our administrative machine has stood up to the test in a very satisfactory manner.

Mrs. Kathleen Pegg, the Administrative Secretary, has carried out her duties during the year with marked ability and the Committee once again desire to place on record their very sincere appreciation of the valuable services she has rendered to the Association. Mrs. G. Tower and Miss M. Imboden, the other members of our staff, have given loyal and ungrudging service and, together with Mrs. Pegg, have maintained the prestige of the Association with our members and the sporting world.

On behalf of the National Executive Committee,

IVOR MONTAGU (Chairman).

A. K. VINT (Hon. Secretary/Treasurer).

29th March, 1952.

INTERNATIONAL TABLE TENNIS FEDERATION

The Nineteenth Congress of the International Table Tennis Federation took place in Bombay. The E.T.T.A. Chairman and Treasurer were re-elected President and Treasurer of the I.T.T.F. respectively. The Chairman is also Chairman of the Rules Committee and a member of the Classification Committee. The Treasurer was appointed Chairman of the Standing Orders Committee and Mr. G. R. Harrower Chairman of the Equipment Committee. The Honorary Secretary is Mr. H. Roy Evans, 1, Llwyn-y-Grant Road, Penylan, Cardiff, Glam.

Aden, Afghanistan, Burma, Cambodia, Gold Coast, Lebanon, Nigeria, Pakistan and the Philippines were accepted into membership.

The following resolution was adopted unanimously as an amendment proposed by the E.T.T.A. and accepted by Hungary, original mover of an analogous resolution:—

"Bearing in mind that true sport, conducted in a spirit of friendly emulation, on the one hand can make a powerful contribution to friendship and peace between the peoples and, on the other, can only flourish at its best in an atmosphere of peace—the annual General Meeting of the International Table Tennis Federation calls on all Table Tennis players and enthusiasts everywhere to:—

- (a) so conduct their sport that, by modesty, tolerance, keenness and understanding, they help to increase and strengthen friendship and peaceful sentiments among all peoples without exception;
- (b) give support and encouragement to all those in every country, without distinction of race, religion, politics and philosophy, who work sincerely to reduce tension and mistrust throughout the world and to achieve peaceful and mutually agreed solutions to the problems of the day."

A code for referees and umpires, modified from a draft prepared by the E.T.T.A. was adopted for guidance for such Associations as desire to make use of it.

Copies of this, and of a monthly bulletin, are available from Mr. H. Roy Evans, Honorary Secretary of the I.T.T.F.

The World Championships 1952/53 are to be in Rumania, 1953/54 in England.

It shall be made of any material and shall yield a uniform bounce of not less than 8ins. and not more than 9ins. when a standard ball is dropped from a height of 12ins. above its surface.

The upper surface of the table shall be termed the "playing surface"; it shall be non-reflecting, of a dark colour with a white line $\frac{3}{4}$ in. broad along each edge.

The lines at the 5ft. edges or ends of the playing surface shall be termed "end lines." The lines at the 9ft. edges or sides of the playing surface shall be termed "side lines."

2. **The Net and its Supports.**—The playing surface shall be divided into two courts of equal size by a net running parallel to the end lines and 4ft. 6ins. from each. The net, with its suspension, shall be 6ft. in length; its upper part along its whole length shall be 6ins. above the playing surface; its lower part along the whole length shall be close to the playing surface. The net shall be suspended by a cord and attached at each end to an upright post 6ins. high; the outside limits of each post shall be 6ins. outside the side line on the same side.

3. **The Ball.**—The ball shall be spherical. It shall be made of celluloid, white, but not brightly reflecting; it shall not be less than $4\frac{1}{2}$ ins. nor more than $4\frac{3}{4}$ ins. in circumference; it shall not be less than 37 grains (2.40 grammes) nor more than 39 grains (2.53 grammes) in weight.

4. **The Racket.**—The racket may be any material, size, shape, or weight, provided it is not white, light coloured or reflecting.

5. **The Scoring of Points.**—A game shall be won by the player who first wins 21 points, unless both players shall have

scored 20 points, when the winner of the game shall be he who first wins two points more than his opponent.

6. **The Choice of Ends and Service.**—The choice of ends and the right to be server or striker-out in every match shall be decided by toss, provided that, if the winner of the toss chooses the right to be server or striker-out, the other player shall have the choice of ends, and vice versa, and provided that the winner of the toss may, if he prefer it, require the other player to make the first choice.

7. **The Change of Ends and Service.**—After five points the striker-out shall become the server, and the server the striker-out, and so on after each five points until the end of the game or the score 20-all. At the score 20-all the striker-out shall become the server, and the server the striker-out, and so on after each point until the end of the game. The player who served first in a game shall be striker-out first in the immediately subsequent game, and so on until the end of a match.

The player who started at one end in a game shall start at the other in the immediately subsequent game, and so on until the end of the match. This line shall be termed the service-line. The part of the table surface on the nearer side of the net and the right of the service-line in respect of the server, shall be called the server's right half-court, that on the left in respect to him the server's left half-court. The part of the table surface on the farther side of the net, and the left of the service-line in respect to the server, shall be called the striker-out's right half-court, that on the right in respect to the server the striker-out's left half-court.

21. **The Order of Service.**—The first five services shall be delivered by the selected partner of the pair who have the

right to do so, and shall be received by the selected partner of the opposing pair. The second five services shall be delivered by the striker-out of the first five services and received by the partner of the server of the first five services. The third five services shall be delivered by the partner of the server of the first five services and received by the partner of the striker-out of the first five services. The fourth five services shall be delivered by the partner of the striker-out of the first five services and received by the server of the first five services. The fifth five services shall be delivered as the first five services. And so on, in sequence, until the end of the game or score of 20-all, when the sequence of serving and striking-out shall be uninterrupted, but each player shall serve only one service in turn until the end of the game.

In a one-game match, or in the deciding game of a match of more than one game, the pair that served the first five services has the right to alter their order of striking-out or that of their opponents at the score 10.

22. **Out of Order of Striking-out.**—If a player act as striker-out out of his turn, the player who ought to have acted as striker-out shall be striker-out as soon as the mistake is discovered, unless a group of five services shall have been completed before such discovery, when the sequence of serving and striking-out shall continue as originally established, the discontinuity being ignored. In any circumstances, all points scored before the discovery shall be reckoned.

23. **The Order of Play.**—The server shall first make a good service, the striker-out shall then make a good return, the partner of the server shall then make a good return, the partner of the striker-out shall then make a good return, the server shall then make a good return, and thereafter each player alternately in that sequence shall make a good return.

APPENDIX TO LAWS: KNOTTY POINTS

Decisions of the Rules Committee of the International Table Tennis Federation

1. **Edge Balls.**—The phrase, "Table Surface" is to be interpreted as including the top edges and corners of the table-top, and a ball in play which strikes these latter is therefore good and still in play; though if it strikes evidently the side of the table-top below the edge, it becomes dead and counts against the last striker.

2. **Ball Returned with Empty Hand.**—If a player drop his racket, he cannot return the ball with empty hand. (See definition, "the racket hand is the hand carrying the racket.")

3. **Racket Thrown at Ball.**—If in returning the ball the racket leave the player's hand, it is a good return only if it were still in his hand at the moment of contact with the ball (see Law 11, "a ball . . . shall be struck"), and if it does not touch the net or move the table surface (Law 13 c, d) before the ball is out of play.

4. **Missed Service.**—If a player in attempting to serve miss the ball altogether, it is a lost point (Laws 10 and 15) because the ball was in play from the moment it left the server's hand, and a good service has not been made of the ball already in play.

5. **Volleyed Net Service.**—A net service is a let not only if otherwise good, but also if it be volleyed by the striker-out. (See Laws 12 (a) and 14 (b).)

6. **"Flat Hand" in Service: Interpretation.**—Umpires will remember that Law 10 is not intended to impose on the server an exact geometrical pattern, but to prevent attempts to secure advantage by either evasion of the rule or general careless disregard. The free hand must not turn over or move sideways.

7. **Ball Fractured in Play.**—If the ball split or becomes otherwise fractured in play, affecting a player's return, the rest is a let (Law 12c). It is the umpire's duty to stop play, recording a let, when he has reason to believe that the ball

in play is fractured or imperfect ; and to decide those cases in which the faulty ball is clearly fractured in actually going out of play, and in no way handicaps the player's return, when the point should be scored. In all cases of doubt, however, he should declare a let.

8. **Fixtures.**—A moving spectator, a neighbouring player, a sudden noise, i.e., any neighbouring object in movement (except a partner) should be regarded as an accident not under control (Law 12 c), interference from which implies a let. A stationary spectator, fixed seating, the umpire, the light, a nearby table, a continuous sound of even volume, i.e., any relatively constant or motionless hazard, should not be so regarded, and complaint against interference from it during play should be regarded as void.
