HISTORY

Following upon the great popularity of the original Ping-Pong in the early part of the present century, the Ping-Pong Association was formed in 1902, to organise championships and tournaments, chiefly in London. The "boom" year was 1904, but it was only a temporary craze, as, although the P.P.A. was still in existence in 1905, it appears to have collapsed during the season. Whilst the game seems to have died out in the home counties, it was apparently still being played in the provinces, but without any governing body.

In 1921-22, the P.P.A. was resuscitated by Mr. P. Bromfield and Mr. J. J. Payne, who were joined by the Hon. Ivor Montagu, Mr. J. M. Rose and Mr. A. F. Carris. The National Championships were run that season, and entries received from all parts of the country. Difficulties soon arose, however, not only in regard to the title, when it was discovered that Ping-Pong was a registered trade name, but also through the Association being unrepresentative of the provincial centres. The old Ping-Pong Association therefore dissolved and re-formed under the title of "The Table Tennis Association". The new body was hampered by difficulties, and as their energies were devoted to formulating standard rules, popularising the game, etc., no attempt to form a democratic governing body could be made.

At the Annual Meeting in 1925, an emergency committee, with Mr. Montagu as President, and Mr. W. J. Pope as Secretary, was authorised to redraft the constitution. In 1926, revised regulations were circularised in the provinces and a National Delegate Conference was held in London, on April 24th, 1927. The new constitution, which confirmed the provisional appointments and provided for the new title, "The English Table Tennis Association," was adopted.

The first Chairman and Secretary were, of course, Mr. Montagu and Mr. Pope respectively. They stayed in office for some years, and were together primarily responsible for establishing the new national body on sound foundations. They worked prodigiously hard until Mr. H. M. Bunbury, of Manchester, assumed the Chairmanship in 1929, Mr. Montagu being appointed President. Mr. D. W. Poupard

became Secretary one year later, after Mr. B. L. Hookins, of Pontefract, had had a brief term. Mr. H. Oldroyd, also of Manchester, elected President in 1931, worthily maintained the dignity of his office until his death in April, 1953. Mr. Montagu returned to the chair in 1932, with Mr. G. W. Decker as Secretary; these two being succeeded in September, 1933, by Mr. C. Corti Woodcock, of London, and Mr. J. Siddron, of Manchester, respectively. The last-mentioned appointments were renewed in April, 1934, together with that of Mr. A. K. Vint, of Hastings, Hon. Treasurer since 1931. In April, 1935, Mr. Woodcock and Mr. Vint were re-elected and Mr. W. J. Pope displaced Mr. J. Siddron as Secretary, and in 1936, Mr. Woodcock resigned and was replaced by Mr. Montagu. Interesting names appearing on the list of Vice-Presidents include Messrs. Bunbury and Perry (father of our ex-world champion, Fred J. Perry), Mr. A. F. Carris and Mr. P. E. Warden. Mr. A. T. Finney who was the donor of the Boys and Girls Singles Cups was also added in 1951, together with Mr. H. R. McDonald, and Miss A. Stevens.

The progress of the E.T.T.A. since 1927 is shewn by the following figures of the numbers of Leagues in membership then and in succeeding seasons: 19; 21; 23; 32; 38; 55; 71; 102; 121; 158; 206. In 1938-39, there were 219 Leagues affiliated, embracing 4,008 Clubs and 75,000 individual members.

After the War when normal activities were resumed the Association started in 1945/46 with 110 Leagues, in 1946/47 the number was 178. By 1949/50 the figure was 256 Leagues, whilst in the Season 1950/51 the figure increased to 305, which included 6,800 clubs and approximately 130,000 members. Season 1952/53 showed a further increase—341 Leagues, covering 8,000 clubs and 170,000 members.

In 1935, after an interval of eight years, the World Championships returned to England, and the great crowds which thronged the London University and Imperial Institute and the 8,000 people who packed the Empire Pool and Sports Arena, Wembley, proved that the game had won its place in public favour as a thrilling spectacle.

In 1936, the Empress Stadium at Earls Court housed a crowd of 7,000 people for the finals of the National Cham-

pionships, and in 1937 the Wembley Arena was again filled. In 1938, once again the World Championships came to London, and the preliminaries packed the Albert Hall every night. Excursions from all over England made up another 9000 attendance on Finals night at Wembley, and the E.T.T.A. maintained its high standard of organisation and conditions.

In 1938, the English Championships were held at Blackpool, returning to the Albert Hall and Wembley the following season, with play, crowds and enthusiasm scarcely below the previous year's World Championship level.

On the outbreak of war, it was decided at a special General Meeting to give the National Executive full power to carry on the work of the Association, which they did until September, 1945, when the normal constitution was resumed. During the war the office, records and equipment were completely destroyed by bombs, but in spite of this added difficulty in carrying on, a sum of over £10,000 was raised for the Red Cross and other war charities, and nearly 200 exhibitions were arranged for H.M. Forces, Civil Defence organisations, etc.

The first post-war year produced a clear indication that a quick revival in the game could be expected. The National Open Championships were held in March, 1946, when the Wembley Arena was again filled by a 9,000 crowd for the finals.

The season 1946/47 can be said to be the first season of the post-war boom. There was a large increase in Leagues, and the National Championships, the Finals of which, again played at Wembley, were characterised by a tremendous rush for tickets from affiliated players and the general public. The 9,000 tickets available were early sold out and it was obvious that the demand for spectacular Table Tennis was as great as ever. In the first year of the Europe Cup competition, the Women's event was won by our players. The American players who came from the World Championships to London to take part in our National Championships, took part in a tour throughout the provinces. Another outstanding feature was the winning of the Marcel Corbillon Cup Competition by our women's team.

The World Championships returned to England in 1947-1948 and were played at the Empire Pool and Sports Arena,

Wembley, taking 8 days to complete. There was a record entry and the Championships were a great success. Richard Bergmann and Victor Barna, now naturalised British subjects, were selected to play for England in the Swaythling Cup competition but we were defeated by U.S.A. Bergmann won the Men's Singles, defeating Vana in the final, and Mrs. Vera Thomas (Vera Dace) lost in the Women's Singles Final to Miss G. Farkas of Hungary.

In 1948/49, the World Championships were played in Stockholm, and, for the first time since 1929, when Fred Perry won, the Men's Singles came to England by the victory of Johnny Leach, who beat Vana in the Final. In the Europe Cup Matches England beat the Slovakia "B" team in the Men's Competition, and our Women lost to Hungary after holding this trophy for two years. Hungary won the Swaythling Cup and the U.S.A. won the Corbillon Cup. In the English Championships, the Finals were again played at Wembley. M. Reisman (U.S.A.) won the Men's Singles, beating Victor Barna in the Final, Miss McLean (U.S.A.) won the Women's event and on this occasion the semi-finals were also played at the Empire Pool, Wembley. Mrs. Vera Thomas (Vera Dace) and Mrs. Devenny (Dora Beregi) were unable to play during this season and our Women's team was much weakened by their absence.

In 1949/50 in Budapest the English teams came within a few points of winning both the Swaythling and Marcel Corbillon Cups, leading 4/1 and 2/1, respectively, against the eventual winners, Czechoslovakia and Rumania. Richard Bergmann won the Men's Singles and Dora Beregi (with the Scottish girl Helen Elliot—Mrs. Dykes) the Women's Doubles. The English Championships were again played on two nights at Wembley, Bergmann taking the Men's Singles and Miss Shahian (U.S.A.) the Women's. The Women's Doubles was won by two juniors, the Misses D. and R. Rowe.

In 1950/51 an experiment was made in playing the English Championships throughout at Wembley, with the usual two nights at the Empire Pool. The Singles titles were both taken by players of old days: A. Ehrlich (France) who had won the Men's title in 1935/36, and G. Pritzi (Austria),

who had gained a world success in the same hall many years ago. The Rowe Twins held their English Doubles title and in Vienna became the youngest players to win a world crown since Barna and Szabados twenty-three years before. Johnny Leach, beating Andreadis in the Final, scored his second World Singles Championship win. The Men's Team went down narrowly to Yugoslavia, and the Women's, more easily, to Austria after beating Hungary and U.S.A.

The 1951/52 English Championships saw an all-English Singles Final, with Richard Bergmann recovering his title against Johnny Leach. The Rowe Twins won the Doubles for the third season running, but in the Women's Singles both lost to an even younger opponent in the Austrian, Linde Werthl. At the World Championships in Bombay, English players reached five seconds out of the seven events, but without, this year, bringing home a title, apart from the Jubilee Cup, won for the second time by Victor Barna. In the Swaythling Cup they once more suffered disappointment by the narrowest of margins, losing 4/5 to Hungary in the inter-group final, after A. W. C. Simons had suffered an accident in his opening contest. The Women's team came equal second to Japan after beating Rumania, the holders.

The 1952/53 season was notable above all for the first victory ever recorded by England in the Swaythling Cup—after competition extending over 26 years. The women's team came second to Rumania, and English pairs were finalists in Men's and Women's Doubles. In the English Championships Leach again reached the final, losing this time to M. Haguenauer (France), who first competed nearly 20 years before. Miss R. Rowe defeated the holder, L. Werthl, in the Women's Singles Final, with her sister D. Rowe won the doubles for the fourth time, and the mixed with Barna.

In 1953/54 the World Championships, once more at Wembley, were the greatest ever, 33 teams participating in the Men's Championship, 23 in the Women's, and 37 countries being represented at the I.T.T.F. General Meeting. More than 30,000 persons saw the matches. The Women's doubles title returned to Britain, the sisters Misses D. and R. Rowe recovering it in an All-English final against Miss C. K. Best and Miss Ann Haydon—the latter being the

youngest player ever to reach a World Championship final. The Men's team was ranked 3rd to Japan and Czechoslovakia. The Women's occupied the same position to Japan and Hungary, but had the satisfaction of registering a win against the now champions. The event was a tremendous and unqualified success, thanks to an immense number of efficient voluntary helpers headed by Geoffrey Harrower as Organising Secretary and Referee, with George White as Director of Play. The English Championships were played at Manchester, R. Bergmann winning the Men's Singles, Miss L. Werthl recovering the Women's singles from Miss R. Rowe, A. W. C. Simons and B. Kennedy taking the Men's Doubles, Leach and D. Rowe the Mixed, and the Rowe sisters scoring a fifth successive win in the Women's Doubles.

The grievous loss experienced at the end of season 1949/50 by the death of Mr. W. J. Pope, architect of the Association and chief contributor to its success for so many years, following closely on that of Mr. A. J. Wilmott, donor of the Men's Team Cup, was added to in season 1951/52 by that of Mr. J. M. Rose, another staunch pioneer in the work of the Association, referee of many Championships and donor of the Cup for Women's teams.

Mr. Vint has given invaluable guidance as joint Honorary Secretary and Treasurer, and with the unflagging industry of Mrs. K. Pegg as Administrative Secretary, and co-operation generally from all members, the Association has consolidated its position.

The twenty-fifth anniversary of the Association was celebrated on the 24th April, 1952, by a luncheon at the St. Ermins Hotel, and a subsequent social and dance at the Craxton Hall, attended by the National press, also many old and current enthusiasts.

Her Majesty the Queen graciously consented in 1952 to assume Patronage of the Association in succession to her late Father His Majesty King George VI, who was Patron of the Association from October, 1937.

The Dowager Lady Swaythling, O.B.E., was in February, 1954, unanimously elected President.

(c) A match shall not be arranged unless a charge is made for admission or a guarantee given that a visiting team shall receive their travelling expenses.

(d) The gross receipts, less Entertainments Duty, shall be divided in the ratio of the Visitors' expenses as to the Home expenses, but the Home team shall in any case be responsible for 50% of the Visitors' expenses, whatever the receipts, unless the venue of the tie shall have been reversed in accordance with Regulation 21, when there may be a mutual agreement of guarantees on some other basis.

THE ORGANISATION AND MANAGEMENT OF INTERNATIONAL MATCHES

1. EQUIPMENT AND PLAYING CONDITIONS:

(i) **Ball.** The English Table Tennis Association will advise organisers on the make of ball to be used for the match and the programme must specify the name of the ball adopted.

(ii) **Table.** The table surface should be of hard wood, and either sprayed (for preference) or painted, but not freshly painted, with a dull green solution of cellulose or paint. The table should be rigidly constructed and preferably should be one of a recognised standard make.

(iii) **Net.** The net should be of mesh and of dark shade of green. Law 2 of the Game should be particularly noted especially with regard to suspension of the net.

(iv) **Floor.** The floor should not be of stone or linoleum, but of hard, non-slippery rigid wood, not white or brightly reflecting.

NOTE: World Championship minimum playing space is 39' long and 19' 6" wide and 9' 9" high, and for lighting, measured at table height, there shall be a minimum of 40-ft. candles over the table, 20 to the edges of an area eight metres long by four metres wide, five to the edges of the playing area, and two by reflection from the near surface of the ball at table end. No light shall be suspended lower than three metres (nine feet nine inches) from the ground.

(ix) **Table and Chairs.** A small table and two chairs should be placed on one side of the table for the Umpire and Timekeeper. On the table should be time clock, gong, copy of programme, score pad, pencils, balls and a water jug and glass. The general advice given by the National Umpires Committee is that the Umpire, unless provided with a raised chair, should stand for doubles. It may not be possible for this arrangement in some halls if it interferes with the view of the spectators.

(x) **Scoring Device.** If possible a scoring device to display the points score should be provided for the benefit of the players and the public. If necessary this can be obtained by communicating with the E.T.T.A.

- (xi) **Practice.** Facilities should be available for teams to practice before the match.

2. **REFEREE:** The English Table Tennis Association will appoint a Referee who will be responsible for the general conduct of the contest and the carrying out of the Regulations governing International competitions. The decision of the Referee shall be final on any question of interpretation of the Laws of the Game arising in the course of the match. An appeal to the Committee responsible for organising the match from a ruling of the Referee may be made on a question of match conduct not covered in the Laws of the Game, such as time or conditions of play, etc., but in no circumstances shall it be made on a question of interpretation of rules. Any appeal can only be made by the Captain of a team.

3. **UMPIRES:** The local organising Committee shall arrange for Umpires who should where possible be qualified County Umpires. The Referee will be entitled to change Umpires if he thinks this is necessary. 7. **SEEDING:** Seeding of competitors is authorised, provided the following points are observed:—

- (a) Not more than four players in the Singles and two pairs in the Doubles.
- (b) Seeded players to be indicated in any published programme and in all lists posted up for the benefit of competitors or spectators.
- (c) The players seeded in the Singles must be chosen from the highest-ranked players entered. The International Selection Committee will provide a Ranking list for use for seeding purposes.
- (d) No seeding in groups (other than for (a)) but players from the same club may be placed in separate groups.
- (e) At the conclusion of the Tournament full details of any seeding made shall be sent to the E.T.T.A.

8. **DRAW:** In all cases seeds shall be drawn. In Singles the first two ranked players and in Doubles the first two ranked pairs shall be drawn into the top place of the top half and the bottom place of the bottom half. In Singles the next two ranked players shall be drawn into the bottom place of the top half and in the top place of the bottom half. Having first inserted the permitted number of seeds, if any, in their appropriate sections, make a straight draw. Sufficient byes must be introduced in the 1st round to make up a total to the power of two, i.e., 4, 8, 16, and so on; and the number of byes is obtained by subtracting the total entry from the next highest power of 2, e.g. 13 entries means 3 byes (16-13); 49 entries means 15 byes (64-49). Byes are placed equally at the top and bottom of the draw, and if they are an odd number (as above) the extra one goes into the bottom half.

9. **FINALS AND ROUNDS:** Finals of all events must be staged to commence at a reasonable time, and in any case on not more than two tables simultaneously. Finals of Junior events should be included in the first part of the programme where they are held on the same occasion as Senior events. Where rounds are played during an evening, every effort should be made to conclude at a reasonable hour. Players must be given an adequate rest period between rounds and events.

10. **GRADING:** If a Tournament Committee finds at the closing date of entries they have more entries than they can deal with then exclusion must be on the basis as laid down by the National Open Tournaments Committee. In any event entries should *not* be refused

without reference to the National Open Tournaments Committee. All entries should be kept in strict order of date received.

11. **PRIZES:** No prizes for an Open Tournament may be given other than medals or trophies except where the value of each is less than £5.

12. **PLAYING CONDITIONS: Recommendations:—**

- (a) **Table.** The tables shall be of hard wood and either sprayed (for preference) or painted, but not freshly painted, with a dull green solution of cellulose or paint. The tables shall be rigidly constructed.
- (b) **Nets.** The nets shall be of mesh and of dark shade of green. (Law 2 of the Game should be noted).
- (c) **Floor.** The floor not of stone or linoleum but of hard, non-slippery rigid wood not white or brightly reflecting.
- (d) **Background.** The background should, for preference, be of a uniform dark green or other uniform dark colour, not light (or patchy) as this tends to mislead the players.
- (e) **Playing Space.** For Finals and other staged rounds the minimum playing space shall be 39 feet long by 19½ feet wide. During the rounds the minimum distance of run back from ends of table shall be 12 feet and 8 feet (Doubles 9 feet) between each table where the tables are side by side and 6 feet between an obstacle and the edge of the table.
- (f) **Lighting.** Measured at table height there shall be a minimum of 40 foot candles over the table, 20 to the edges of an area 26 feet long by 5 feet wide, 5 to the edges of the playing area and 2 by reflection from the near surface of the ball at table end. No light shall be suspended lower than 9 feet 9 inches from the ground.

13. **REFEREE:** The local Tournament Committee shall appoint as Referee a person to be approved by the National Open Tournaments Committee. It shall be competent for the local Tournament Committee to appoint an assistant Referee. The duties of the Referee shall be in accordance with the Regulations of the I.T.T.F.

14. **E.T.T.A. OFFICIAL PASS:** Every officer and member of the National Executive Committee, the National Open Tournaments Committee and the International Selection Committee shall be entitled to free admission to a Tournament on production of the official pass issued by the E.T.T.A.

15. **RIGHT OF APPEAL:** Any competitor wishing to appeal against a decision of the local Tournament Committee must send a written application to the National Open Tournaments Committee within 7 days of the last date of the Open Tournament concerned.

16. **PROGRAMME:** In the event of a programme being provided it is recommended the following particulars should be included:—
(i) The full title of the Tournament.

- (ii) The name of the promoting Association, League or Club.
 - (iii) That the Tournament is sanctioned by the E.T.T.A. and is being conducted in accordance with the Rules and Regulations of the I.T.T.F. and the E.T.T.A.
 - (iv) The names of the Referee, the Committee organising the Tournament, and the Tournament Secretary.
 - (v) Names of Umpires for the Final events. If they are E.T.T.A. County Umpires to be designated "C.U."
- Two copies of the Programme should be forwarded to the E.T.T.A.

17. **ENTRY FEES:** 12½% of all entry fees (including consolation and minor singles) must be sent by the local Tournaments Committee to the E.T.T.A. together with a record of the number of entries in each event, the results of each event including details of the final and semi-final matches and particulars of graded players (if required) and their results within 14 days of the completion of the Tournament.

General Secretary of the Association, together with a summary of the number of entrants in each event and a record of the results of each event including details of the final and semi-final matches, within fourteen days of the completion of the tournament. A County Association shall be entitled to a refund of a sum equivalent to one-fifth of the 12½% of the entry fees paid to the Association in respect of Open Tournaments played in the area of the County concerned.
- (d) No seeding shall be permitted in any Open Tournament run on the knockout or group system, except in accordance with conditions which the National Executive Committee may lay down from time to time.
- (e) At all tournaments and matches the decision of the referee appointed by the Committee in charge shall be final on the question of law, the decision of the umpire shall be final on a question of fact, and the decision of the end umpire, if appointed, shall be final on a question of fact relating to the purpose for which he was appointed.
- (f) The make and class of the ball to be used, number and make of tables, distance (in feet) of run-back from ends of tables and between each table where the tables are side by side, to be clearly stated on all entry forms in accordance with conditions laid down by the National Executive Committee.
- (g) The age for Juniors shall be that a player under 17 on July 1st shall be entitled to compete in Junior events of the subsequent season.

E.T.T.A. Rule 23:

In all tournaments and matches sanctioned by the National Executive Committee, players are prohibited from wearing white or light coloured clothes that might, in the opinion of the duly appointed referee, tend to unsight an opponent.

Recommendation adopted at A.G.M. April, 1952:—All competitors are strongly recommended to wear a sports shirt or other top of single colour (except for badge, of reasonable size), trousers, skirts or shorts of single colour and rubber shoes. All counties, leagues, local associations

and clubs are requested to use their best endeavours to secure compliance with this recommendation.

Players representing the Association in an International or other representative match must wear the regulation dress as instructed by the National Executive Committee.

E.T.T.A. Registered Members' Regulations 1 (c), (d) and (e):

- (c) No registered player shall be paid or receive any award or remuneration other than expenses (return fare, hotel accommodation, meals) for playing in a representative match or Open Tournament, except as (d) below. A representative match is one in which a player is playing for his club, league, county or Country against another team, league, county or Country. Proper Trial matches organised by clubs, leagues, counties or the National Association for the purpose of selecting representative teams shall rank as participation in representative matches.
- (d) Prizes of £5 or less in value may be awarded or accepted without special permission other than the general sanction granted for the holding of Open Championships. No prize may exceed £5 in value. Badges and colours may be awarded and accepted for participation in Representative matches.
- (e) No registered member may receive payment, other than expenses, for playing or umpiring in any form of competition (even if of a closed or invitation character) without specific permission of the National Executive Committee of the English Table Tennis Association except as provided in (d) above.

APPENDIX

**I.T.T.F. RULES AND REGULATIONS
FOR INTERNATIONAL COMPETITIONS
AND OPEN TOURNAMENTS**

I.T.T.F. Constitution Rule 21. OPEN TOURNAMENTS. An open tournament is one open for entry to the players of all Associations in membership with the Federation. The regulations to be observed at all Open Tournaments, International Matches and Competitions shall be those laid down for the time being by the Federation for international competition.

I.T.T.F. Disciplinary Regulations 4. INTERNATIONAL PRIZES. No prizes for International Table Tennis competitions may be given other than medals or trophies, except where the value of each is less than 61.25 Swiss Francs. Except at World Championships the maximum value of any medal or trophy, other than a permanent trophy, shall not exceed 428.75 Swiss Francs.

I.T.T.F. Disciplinary Regulations 6. PAYMENTS: GENERAL. A Table Tennis player may accept compensation in any form, travelling

and hotel expenses, for playing the game in a tournament, match or competition other than those named in 5*, or in an exhibition, only provided that:—

- (a) Permission to pay such expenses shall have been previously obtained by the player from the Association, or such payment shall be by the Association, in whose territorial jurisdiction the event may take place.
- (b) Permission to receive such expenses shall have been previously obtained by the player from the Association or Associations having jurisdiction over him.

* (5. World Championships, Swaythling Cup and Marcel Corbillon Cup Competitions).

**I.T.T.F. REGULATIONS FOR INTERNATIONAL
COMPETITIONS (vii)**

1. EQUIPMENT AND CONDITIONS. The prospectus, notice or entry form announcing any event shall specify the name of the ball adopted for use in that event.

Recommendations:

- (a) The table surface should be of hard wood and either sprayed (for preference) or painted, but not freshly painted, with a dull green solution of cellulose or paint. The table shall be rigidly constructed.
- (b) The net shall be of mesh and of dark shade of green.
- (c) Floors not of stone or linoleum but of hard, non-slippery wood not white or brightly reflecting.
- (d) The background should for preference be of a uniform dark green or another uniform dark colour, not light (or patchy) as this tends to unsight the players.
- (e) The nearest possible approximation to the space and lighting requirements for World Championships.

Note: World Championship minimum playing space is 39 feet long and 19 feet 6 inches wide and 9 feet 9 inches high, and for lighting, measured at table height, there shall be a minimum of 40 foot candles over the table, 20 to the edges of an area eight metres long by four metres wide, five to the edges of the playing area, and two by reflection from the near surface of the ball at table end. No light shall be suspended lower than three metres (nine feet nine inches) from the ground).

2. CLOTHES. White or light coloured clothing may not be worn at World Championships, or in International matches, unless both sides agree.

Associations may, however, make white clothing optional or obligatory on their own players, at other events within their jurisdiction.

Otherwise, players shall not wear white or light coloured clothing which might tend to unsight an opponent. The decision as to an offence under this rule shall be with the referee.

NOTE: Every Association is asked to see that, except where white is specially permitted, all players and especially its own, observe this law in letter and spirit. Further every Association is requested to encourage uniform or otherwise suitable wear of a type complying with the regulations.

3. **SCORING:** Immediately the ball is out of play and a point has been completed, or as soon as practicable thereafter, having regard to the necessity to be audible above any noise that may then be made, the umpire shall call the score.

The umpire shall call the score, naming firstly, the figure of the score of the server (and partner), and secondly, the figure of the score of the receiver (and partner).

When a service change is due—until 20-all after each group of five services; after 20-all, after each point—the umpire shall mark the change by calling the score in the order appropriate to the group of services or service about to begin, followed by the name of the server.

The server is recommended not to serve until he has heard the service called correctly and distinctly, and if he should make a practice of doing so and the umpire be of opinion that the receiver is being inconvenienced thereby, the umpire is recommended to warn the server to delay his service and to recall to the receiver his right to declare himself unready.

4. **UMPIRE, REFEREE, COMMITTEE.** Jurisdiction and appeal:

- (a) The decision of the umpire appointed for each match shall be final on any question of fact occurring during the match.
- (b) The decision of the referee appointed for each tournament or meeting shall be final on any question of interpretation of rule arising in the course of that tournament or meeting.
- (c) Appeal to the Tournament or Management Committee from a ruling of the referee may be made on a question of tournament or match conduct not covered in the Laws, such as time or conditions of play, etc., but in no circumstances shall it be made on any question of interpretation of rule.
- (d) Appeal in an individual event can be made only by an individual, in a team event by the captain of a team, participating in the match in respect to which the matter appealed upon has arisen.
- (e) No agreement between players (in an individual event) or between captains (in a team event) can modify a decision on fact by the competent umpire, on rule by the competent referee, or on other questions of tournament or match conduct by the competent committee.
- (f) A question of Law arising out of the decision of a referee or of tournament or match conduct arising out of the decision of a tournament or management committee, and raised by the competent individual (in an individual event) or captain (in a team event), if forwarded and endorsed by the National Association of the individual or captain, shall be submitted to the Rules Committee of the I.T.T.F. which shall give a ruling as guide for future decisions and which may eventually be made the subject

of protest of an Association and decision by the appropriate organ of the I.T.T.F. but which shall not effect the finality of the referee's or competent committee's ruling for the event past.

5. **ADVICE TO PLAYERS DURING PLAY:**

- (a) During a team match a Captain may give advice to his players as they change ends after a game, so long as the continuity of play is not thereby unduly interrupted.
- (b) In individual events, competitors may receive advice from whom they please during the statutory rest period (i.e. after the third game).
- (c) Advice may, of course, be given also during any authorised suspension of play (i.e. interruption due to accident).
- (d) Otherwise attempts to advise or influence the play by those not actually playing in a match, after the match has started, are improper and must be discouraged.

NOTE: The purpose of this rule is to discourage distracting interruption and to place upon the players responsibility for their own strategy and tactics once they are "out in the ring." The advice referred to refers exclusively to advice on playing method. Nothing in this rule shall be construed to prevent a captain, or a player in an individual match, from making a juridical protest at any time as provided in 4 (b) (c) (d) above, or a consultation between a player and his authorised Association, representative, or interpreter in relation to elucidation of juridical decisions.

6. **REPOSE PERIOD:** Either opposing player or pair is entitled to claim a repose of five minutes duration between the third and fourth games of any match. Except for this statutory repose period play shall be continuous throughout the match. The referee may, at his discretion, scratch any player or pair unable or unwilling to play continuously, awarding the match to the opposing player or pair. In circumstances where a player is temporarily incapacitated owing to circumstances not under his or her control (i.e. an accident), and not obtaining at or to be anticipated from the beginning of the match (i.e. due to the player's current state of health), and where temporary delay for recovery is not likely to act unfairly to the disadvantage of the opposing player or pair, the referee may exercise his discretion to permit an emergency repose.

7. **PUSHING PLAY:** (a) Time Limit. In International matches and official Open National Championships, except where the alternative method set out below shall have been agreed or adopted by the Associations concerned, the following modification shall be added to the Laws of Table Tennis, Law 5:—

"Provided that, where a game is unfinished 20 minutes after its commencement, the Umpire shall award the game to the player (or pair) leading, unless the two players (or pairs) shall be at equality, when he shall interrupt play, announcing 'Five minutes more—the

next point wins', and award the game to the player (or pair) scoring the next point."

"If no further point shall have been scored, and the score thus remain at equality after the further five minutes period thus permitted, the Umpire shall terminate the game, awarding it to neither player (or pair)."

"Allowance shall be made for interruptions of play in reckoning these times."

"The determination of the appropriate time and allowances shall be the responsibility of the umpire, who shall be assisted for the purpose by a time-keeper. The interruption or termination of a game by time-limit, under instruction of the umpire, shall be effected by an abrupt sound, such as that of a gong."

"In the case of a game being terminated by the time-limit as above, where this is not a deciding game the match shall continue with the next game."

"In any match in which a game has been terminated by time-limit of 20 minutes, the limit that shall apply for subsequent games of that match, for termination if the score stand unequal or for interruption and announcement of a further maximum five minutes as in paragraph one above if the score stand at equality, shall be ten minutes instead of twenty. At any subsequent time in a match in which a game has been determined by time-limit, the referee shall have power to transfer further play in the match to another table, and should he so desire, to exclude spectators."

"The match shall be decided by the majority of games won, games awarded to neither player (or pair) being disregarded. In the case of the award of games to neither player (or pair) resulting in no majority of the allotted number of games for the match being won by either player (or pair), both players (or pairs) shall be disqualified in that event, if it be an individual event in that tie, if it be a team event; and shall further be liable individually to such penalties as may be decided by the Advisory Committee on appeal by any Association concerned."

"*Recommendation.*—Where the time-limit rule is in operation, umpires are recommended to display a clock, with its face toward the players indicating, so far as is practicable, the time as determined by the umpire; but the decisive measure of the time remains the sole responsibility of the umpire."

"*Note:* The exclusion of spectators should not preclude admission to accredited officials, I.T.T.F. Officers, captain and team members (in a team event), a representative of each Association concerned (in an individual event), interpreters, if needed, and anyone else whose presence is considered appropriate by the referee."

(b) *Alternative Method.* In International matches where the Associations concerned shall have so agreed, and in official Open National Championships where the Association holding them shall have so in advance decided, the following modification shall be added to the Laws of Table Tennis, Law 9:—

"Whenever in any game, in circumstances predefined or to be designated by an authority appointed for the purpose, both players or pairs shall be held to be solely and mainly concerned with keeping

the ball in play themselves and not attempting to render difficult, except by exhaustion, a return in play by the opposing player or pair, the authority designated shall cause the game to be interrupted by declaration of a "let" and the players shall be notified before the next service that the game in progress will proceed under the following rule:—

"The player shall be permitted to hit the ball 12 times excluding the service stroke, and if all such strokes are safely returned by the opponent, one point shall be scored by the opponent."

"The service shall alternate after each point when this rule is in force."

10. *JUNIOR QUALIFICATION:* Recommendation. A player who is under 17 on July 1st in any year should be eligible to play in Junior events at Open National Championships and in Junior International Matches during the subsequent season.

REPORT OF THE NATIONAL EXECUTIVE COMMITTEE

for the period ended 28th February, 1954

Submitted at the Annual General Meeting of the Association held in the Tudor Room, Caxton Hall, London, on the 24th April, 1954.

LADIES AND GENTLEMEN,

1. The National Executive Committee presents herewith the following report on the work undertaken on behalf of the Association since the last Annual General Meeting held on the 25th April, 1953.

To enable the report to be circulated with the Agenda for the Annual General Meeting and to include a copy with the voting papers for the election of the Officers and the National Executive Committee it is necessary to close the report at the 28th February, 1954.

2. **Membership.** The present membership of the Association is as under:—

	1953-54	1952-53
Leagues and Associations ..	341	341
Directly Affiliated Clubs ..	65	67
Special affiliations ..	40	37
Individuals affiliated direct ..	53	59

The International Table Tennis Federation again approved attachment of Sierra Leone to the Association for 1953-54.

3. **President.** We are pleased to record that the Dowager Lady Swaythling, O.B.E., has kindly accepted our invitation to be the President of the Association.

4. **Vice-Presidents.** It is with deep regret we have to record the passing on the 31st October, 1953, of Mr. Frank Roberts of Watford, a Vice-President of the Association since 1934. Mr. Roberts has always been a keen supporter of the game and was the President of the Hertfordshire County Association.

We also learnt with regret that Mr. R. A. Driscoll, Vice-President since 1936, died on the 13th February, 1954.

5. **Meetings.** The National Executive Committee has met on four occasions and the General Council once. Messrs. J. H. Carrington and G. R. Harrower were elected after a ballot on a National basis in accordance with the decision made at the last Annual General Meeting authorising the appointment of two additional members of the Committee. The attendance of the officers and members of the National Executive Committee at the four meetings held between the 20th June, 1953 and the 13th February, 1954 was as follows:—

	Possible	Actual
I. Montagu (Chairman) ..	4	3
A. K. Vint (Secretary/Treasurer)	4	4

Meetings of various Sub-Committees elected by the National Executive Committee have been held. The members appointed to serve are set out in the Official Handbook for 1953-54, page 8. The number of meetings convened is as follows:

<i>Committee</i>	<i>No of meetings convened</i>

Open Tournaments	3
Registered Members Panels Commission	1
Rules	1
Selection and Ranking	4
Umpires	2
Wilmott Cup and J. M. Rose Bowl Competitions	2
World Championships, 1954	7

It should be appreciated that often formal meetings of Committees have not been held but many matters have been discussed by correspondence.

6. Selection Committee. The Selection Committee appointed by the National Executive Committee comprised I. Montagu (Chairman), H. J. Amery (Hon. Secretary), N. Cook, I. C. Eyles, A. A. Haydon, T. E. Sears and A. Thompson. The Committee has held four full meetings in London (twice), Manchester and at Lilleshall. Feeling that much benefit was derived therefrom, it was decided to continue the Training and Practice courses held at Lilleshall in previous seasons. The course was arranged for the week-end commencing 25th September, 1953, and was attended by 29 players including 15 juniors.

7. The World Championships, London. The 21st World Championships are to be held at the Empire Pool and Sports Arena, Wembley, from the 6th - 14th April, 1954, with a qualifying competition for the Swaythling Cup on the 5th April. As this report is being prepared before the Championships take place, it is not possible to give detailed results, but a supplementary report will be submitted to the Annual General Meeting. The Committee appointed to carry out the organisation of the Championships has met regularly. There is every indication that the number of entries from National Associations will break all records and the sale of tickets indicates there will be a good attendance from the public at all the main playing sessions.

The Guarantee Fund has been well supported and we wish to place on record our sincere gratitude to all who made contributions or organised events so as to ensure that we are free from financial worry in connection with the Championships.

8. English Open Championships. The English Open Championships were staged at the Belle Vue, Manchester, from 9th—13th November, 1953. The preliminary rounds were played in the Exhibition Hall, Belfast Arena, and the finals in the Kings Hall. Although the entry to the various events was smaller than normal it was much higher than when the Championships were previously held in Manchester in 1948.

There was good support from abroad—Austria, Belgium, France, Germany, Holland, Sweden and Yugoslavia were represented. The Rt. Hon. the Earl of Stamford, J.P., Deputy Lord Lieutenant of Cheshire, kindly presented the trophies and plaques to the winners and runners-up in each event other than the Junior Singles Trophies which were presented by our Vice-President, Mr. A. T. Finney. The Chairman (the Hon. Ivor Montagu) deputising for Victor Barna who was unfortunately ill, made the presentation to Aubrey Simons of the Victor Barna Award.

After acceptance of the offer of the Lancashire and Cheshire Table Tennis Associations to undertake responsibility for the organising and conduct of the Championships, initial planning was carried out by a committee consisting of T. Blunn (Chairman), N. Cook (Secretary), I. Montagu, A. K. Vint, L. E. Forrest, L. W. Jones, E. Reay, W. Stamp, E. G. White and G. Yates. All subsequent arrangements were in the hands of an organising committee in the North represented by Tom Blunn (Chairman), Norman Cook (Organising Secretary), L. W. Jones (Referee), G. R. Yates (Treasurer), C. H. Renshaw (Hospitality), W. Stamp (Programme Editor), F. Christopher (Umpires), A. Howcroft (Publicity).

The National Executive Committee would like to place on record their sincere appreciation of the excellent way in which this organising committee carried out their duties

and to congratulate them on the successful organisation of the Championships. The playing results of the Championships were:

The International Match at the Empire Pool and Sports Arena, Wembley, was the first occasion on which we had used this venue for an International Match and in spite of a very foggy night there was an audience of 4,700 persons. We were delighted to have with us on that evening, Mr. P. J. Noel-Baker, M.P. (Captain of the British Olympic Team at Helsinki), together with representatives of many leading sports and physical recreation associations.

The Committee are most grateful to the Gloucestershire, Birmingham and Hastings Associations for having organized the Provincial matches in their respective areas in a first-class and creditable manner.

A number of visits to places of interest were organised for the Hungarians and arrangements were made for our visitors and our own team to attend the England v. Hungary Football Match. Without question the visit was an unbounded success and we look forward to further visits, not only in this country, but by our players to Hungary.

13. English Players Abroad. The tour of Diane and Rosalind Rowe in Australia and New Zealand during the summer was much appreciated in these countries and a great success from the sporting point of view.

R. Bergmann and J. Leach have toured in France, Saarland and Scandinavia. B. Kennedy has spent the winter coaching in India. A "B" team tour (I. Montagu non-playing captain, D. Burridge, B. Merrett, A. Rhodes) was undertaken in Holland and proved a success. Matches were won against Rotterdam (9-0) and Amsterdam (7-2), the latter against virtually a Dutch International team; B. Merrett won the Men's Singles in a tournament at Tegelen, Burridge and Rhodes winning the Men's Doubles. Warm hospitality was received everywhere and much appreciated.

14. The Juniors. Junior International matches have been played against Germany, Sweden (at home) and France, Wales (away) all being won.

Miss J. Rook and Miss A. Haydon have both received Senior International badges, the latter achieving the dis-

tion of being the youngest player ever to do so. Miss A. Haydon is the first Junior to be chosen for the Marcel Corbillion Cup team. Miss Rook won the English Junior Singles, Miss Haydon the French and Belgian Junior Singles and together they won the English Junior Doubles. R. Dorking and M. MacLaren won the Junior English Doubles (Boys), whilst R. Dorking and Miss Haydon won the Junior Mixed title.

In the Welsh Open, R. Dorking won the Junior Singles (Boys), beating MacLaren in the final; Miss A. Haydon won the Junior Singles (Girls), beating Miss J. Rook.

Despite the addition of Suffolk in the National Junior County Championships the overall total of Junior teams was one less by comparison with the previous season as two Counties had to withdraw.

No Junior trials were held this season but a number of Juniors attended the Lilleshall Practice and Training Course in September, 1953.

There is still scope in many areas for Junior Leagues to be started and greater encouragement to younger players could be stimulated through County or League coaching schemes in the "close" season.

The *Daily Mirror* are once again running their nationwide Tournament with the inclusion of Junior groups.

For the Juniors—although much remains to be done in this field—the present position shows a steady increase in activity and a general improvement in playing standards throughout the country.

15. National County Championships. There was a decrease in the total entry for the National County Championships this season due to increased travelling costs and the heavy rate of Entertainments Duty obtaining in the previous seasons which had a serious effect on the finances of many County Associations.

The following statement gives the comparative total entries for the various Divisions during the past five years:

	No. of Counties	No. of Teams
1953/54	29	41
1952/53	30	50

	No. of Counties	No. of Teams
1951/52	29	49
1950/51	27	43
1949/50	24	35

The Bristol Comity Cup competition inaugurated this season was restricted to county teams in the South West. Six teams entered including teams from four counties (Cornwall, Dorset, Somerset and Wilts.) not able to take part in the National County Championships. The competition for this season was on a knock-out basis and it is hoped that the introduction of this event will assist in the formation of a South West Division in the future.

When preparing this paragraph no decision had been reached as to the winners in all the Divisions so it is proposed to submit the final results at the Annual General Meeting in a supplementary report.

16. Wilmott Cup and J.M. Rose Bowl Competitions. The Management Committee appointed to arrange these two Competitions consisted of Ivor Montagu, A. K. Vint, M. Goldstein, G. James, F. G. Mannooch and C. Corti Woodcock. Comparative entries in both competitions are as follows:—

	1953/54	1952/53	1946/47	1938/39
Wilmott Cup	100	107	69	88
J.M. Rose Bowl	68	73	47	48

The results of the semi-finals and finals played on the 27th February, 1954, are as follows:

Competition	Venue	Events
Wilmott Cup, Romford:		
Semi-Final	Staines	5 v. Manchester 3
Semi-Final	South London 6	v. Birmingham 2
Final	South London 5	v. Staines 4
J.M. Rose Bowl, Southampton:		
Semi-Final	South London 5	v. Maidstone 1
Semi-Final	Wandsworth 6	v. Manchester 2
Final	South London 8	v. Wandsworth 1

The Committee's thanks are due to the Southampton Table Tennis Association and the Romford Y.M.C.A. for making excellent arrangements for the staging of the semi-finals and finals of these competitions.

17. Victor Barna Award. The Committee approved a proposal from the Victor Barna Award Committee that Aubrey Simons should be the first recipient of the Award. This trophy purchased from the Victor Barna Testimonial Fund is intended to mark each season the most notable performance by any English table tennis player.

18. Open Tournaments. Thirty-three Open Tournaments were sanctioned this season. The National Open Tournaments Sub-Committee consisting of Ivor Montagu, A. K. Vint, I. C. Eyles, M. Goldstein, G. R. Harrower, G. James, W. Stamp and C. Corti Woodcock, gave careful consideration to the revision and standardisation of the regulations governing Open Tournaments and as a result of their deliberations published a memorandum which was made available to all tournament organisers giving the full regulations and the appropriate recommendations and regulations of the I.T.T.F. concerning Open Tournaments. At the same time definitions of Closed and Invitation Tournaments and General Competitions were agreed.

19. Newspaper Tournaments. The Committee gave approval to the following newspaper tournaments:

Daily Mirror (National Tournament also open to non-affiliated players on payment of a composite affiliation fee).

Manchester Evening Chronicle (restricted to affiliated players in Lancashire and Cheshire).

Birmingham Evening Mail (restricted to affiliated players in Warwickshire, Worcestershire and Staffordshire).

20. Panels Commission. A Panels Commission in accordance with the Registered Members Regulations was appointed consisting of W. Stamp (Chairman), M. Scott, H. Walker, J. H. Carrington and K. Stanley. After examination of applications from Registered Members the Commission approved 60 players in the Approved Exhibition Players Panel and 11 Approved Senior Coaches, 12 Approved Coaches and 34 Approved Local Coaches in the Approved Coaches Panel.

21. Registered Members. Ninety-two members were recorded as Registered Members. A ballot of Registered Members took place in July, 1953, and Mrs. P. Allen, G. V. Barna, J. H. Carrington, A. A. Haydon, A. W. C. Simons and K. Stanley were elected members of the Registered Members Committee. G. V. Barna and J. H. Carrington are Chairman and Hon. Secretary respectively of this Committee.

22. Coaching. The National Coaching Committee arranged three concentrated Study Courses for Coaches and potential Coaches, at Harrogate, Bisham Abbey and Lilleshall. A fourth such Course planned for Exeter was postponed as the only dates available would have clashed with the World Championships.

These Courses were designed to assist students in the Theory and Teaching aspects of coaching.

Following considerable study of the standards to be required and the method of assessing students, machinery was set up for the Award of the E.T.T.A. Coaching Diploma to suitable candidates. This is the first official recognition of coaching ability or status by the Association and the standard of this Diploma represents the minimum to be expected of our Coaches. It is foreseen that at some future date it will become appropriate to provide also for recognition of a higher standard.

The two instructional films provided by Messrs. Halex and Dunlop were again circulated free of charge to many interested centres.

Advice and assistance were made available to the C.C.P.R. and other organisations staging instructional courses or lectures.

23. International Table Tennis Federation. The Congress will this year be held in London during the period of the World Championships (April) and a report must therefore be postponed until subsequent to that date. It will be forthcoming at the Annual General Meeting. The Chairman (Hon. Ivor Montagu) and Secretary (A. K. Vint) have been appointed as delegates.

24. County Administration. Since the last report the Shropshire County Association has been formed making a total of 36 County Associations. Apart from Herefordshire all areas where there are Leagues functioning are now covered by County Associations. Various amendments to their rules were made by County Associations and have been approved by the Committee in accordance with Rule 19(c.)

25. Umpires. The County Umpire Scheme continued under the control of a Committee of N. Cook (Chairman), Miss L. Ferguson (Hon. Secretary), G. James, F. G. Mannooch, H. Walker, E. G. White and C. Corti Woodcock. Thirty-three Counties (two more than last season) with 437 registered Umpires participate in the scheme. The Umpires' Handbook published in November, 1953, was well received.

26. Official Magazine. Arrangements for the publication of the official magazine "*Table Tennis*" for 1953/54 were continued with Hendon Printing Works Ltd., Leslie S. Woollard was re-appointed Editor and G. R. Harrower Advertisement Manager. Mr. Harrower resigned as Circulation Manager and this work was distributed between the Editor and the Publishers.

Editorially, progress has been maintained and reputation considerably enhanced throughout the world of table tennis and other influential spheres. Advertisement revenue has increased. A complex combination of circumstances resulting in late publication and distribution in the forepart of the season severely handicapped optimum expansion which has caused the Committee much concern.

Special editions were again produced in co-operation with the Table Tennis Association of Wales, the Birmingham and Sussex Associations, but Yorkshire returned to a separate publication.

The voluntary and honorary nature of the magazine work creates its own biggest problems. This involves not only the tardy contributors but also the distributive arrangements with counties and leagues. In recent years, the

Magazine Committee has striven to encourage circulation development through county and league channels offering attractive opportunities of earning on a sale or return basis substantial profits for the local organisations. A few organisations have been very good. Regrettably, many have not co-operated and too many have been most unbusinesslike; and the consequent difficulties will necessitate the Magazine Committee considering alternative systems of distribution for the future.

A special binder which has been made available at cost price has been well received. Pages of this season's issues have been consecutively numbered and it is proposed to provide an index at the end of the current volume.

The Editor has gratefully to acknowledge the good will and help of many in various ways, notably Peter Madge. Staines, Liverpool and Hastings have been regular contributors; unfortunately regular news promised by many others has not been forthcoming.

27. Sunday Freedom Association. Progress made since the last Report has been steady, if unspectacular. Relations with affiliated organisations have been closely maintained, and negotiations with others of influence are showing promise. Press and public reaction to the aims and objects of the Association has become increasingly cordial, and membership has now been extended to include individuals, for a contribution of 2/6d. and Clubs, for an annual fee of not less than 10/6d.

During the year, Mr. Jack Warner was appointed President of the Sunday Freedom Association, C. Corti Woodcock (the E.T.T.A. representative) Deputy Chairman of the Executive Committee, and the Chairman, Ed. W. Jones, M.B.E., J.P., very kindly donated the Ed. W. Jones Cup to the E.T.T.A. for the National Men's Doubles Championship.

At the time of preparing this report, arrangements were being made to present a concert at the 4,000 seat State Theatre, Kilburn, London, at which over 20 famous stage and sports personalities have promised to appear, including Diane and Rosalind Rowe.

28. Central Council of Physical Recreation. The Chairman (the Hon. Ivor Montagu), was again appointed our representative on the Central Council of Physical Recreation and the Games and Sports Advisory Committee of the Central Council. The Central Council has co-operated with the Association in many ways and also gave good service in various parts of the country through their Regional representatives. The report of the Coaching Committee gives details of courses which have taken place at Lilleshall Hall and Bisham Abbey, owned by the Central Council; both these centres have excellent facilities for coaching and training activities.

29. Official Handbook. It is indeed with regret that we report the Official Handbook was not published until mid-January, 1954. Adequate time was given for the preparation of the material for the Handbook and the bulk of the copy was completed by the 30th September, 1953. Unfortunately the Printers were not able to keep to the promised time-table they made which allowed for distribution in the early part of November. The Committee received the sincere regrets of the Printers who claimed that they had not been able to print earlier owing to changes in machinery at their works.

The Handbook which contains 224 pages, includes some new features—an umpires section, open tournament regulations, I.T.T.F. recommendations and regulations on Open Tournaments and a memorandum on the organisation and management of international matches.

30. Office Administration. The office work of the Association since the last report which has included preparations for the World Championships and the arrangements for the Hungarian visit, has been one of unceasing activity. The policy decisions made by the National Executive Committee have automatically reflected in the administrative machine of the Association and we once again record our sincere appreciation of the excellent way in which our Administrative Secretary, Mrs. Kathleen Pegg, has so cheerfully and ably served the Association. We

are also extremely fortunate in having two such able assistants as Mrs. G. Tower and Miss F. Imboden who have worked loyally and well during the past year.

On behalf of the National Executive Committee,

IVOR MONTAGU (*Chairman*).

A. K. VINT (*Hon. Secretary/Treasurer*).

1st March, 1954.

NATIONAL EXECUTIVE COMMITTEE'S REPORT, 1954

Supplementary Items to certain Paragraphs

7. The World Championships, London. The 21st World Table Tennis Championships staged at the Empire Pool and Sports Arena, Wembley, from the 5th to the 14th April, 1954, were a great organisational success. 33 teams competed in the Swaythling Cup competition (6 competing in a consolation pool), and 23 teams in the Marcel Corbillon Cup competition. England were winners of their groups in both competitions, but in the Inter-group Final were placed third in the Swaythling Cup and third in the Marcel Corbillon Cup. Our warmest congratulations are extended to Miss D. and R. Rowe for re-gaining the Women's Doubles title, and to Miss C. K. Best and Miss A. Haydon, who were runners-up in the same event.

Nearly 30,000 spectators watched play during the Championships. On Saturday, 10th April, a parade of the players took place in the arena, when His Worship the Mayor of Wembley, Alderman Cyril H. Smith, O.B.E., D.L., J.P., gave an official welcome. The players and officials were invited to attend a social evening on the eve of the Championships, a Civic Reception at the Wembley Town Hall, a tour of London, and a farewell dance at the conclusion of the Championships. Special souvenir gifts were also made to all our guests.

Besides first class playing arrangements, facilities at the Empire Pool included a temporary Post Office, and bank, and the postal authorities also arranged for all correspondence posted in the Pool to be stamped with a special World Championships date stamp. There have been literally hundreds of helpers during the Championships, and the Committee are greatly indebted to all those who have so freely given their time to work during the Championships. It was most gratifying to find so many people prepared to sacrifice their leisure hours in the preparation for the Championships, and to give up their annual leave to work literally day and night. The Committee place on record their warmest and sincere thanks to all those who contributed to the undoubted success of the Championships.
