## Jack Carrington PROGRESSIVE TABLE TENNIS

There is no reason why 'Progressive Table Tennis', a distillation of the life's work of one of the greatest coaches the game has ever produced, should not emulate its famous predecessor, 'Modern Table Tennis', and become an essential technical manual for all ambitious players. It is for players at every level—learners, improvers, advancers and match players. It is deep and wide-ranging, yet it never loses sight of its basic purpose, to create an interest in the game among beginners and to foster the enthusiasm and skill of developing players.

**APPENDIX 'F' TO RULES**  
REGULATIONS FOR NATIONAL TEAM COMPETITIONS  
WILMOTT CUP (Men), J. M. ROSE BOWL (Women)  
CARTER CUP (Boys) and BROMFIELD TROPHY (Girls)

- 1 (a) The Competitions shall be open to teams representing Local Leagues. All entries together with the appropriate entry fees must be received at the E.T.T.A. office not later than 15th September each season.
- (b) The entry fee shall be 15s. per team for Wilmott Cup and Rose Bowl and 10s. per team for Carter Cup and Bromfield Trophy.
- 2 (a) In each tie a League shall be represented by three players (in the Wilmott Cup, Men, in the Rose Bowl, Women, in the Carter Cup, Junior Boys, in the Bromfield Trophy, Junior Girls), each a member of that League, taking part in the League competition. **Note:** 'Junior' means under 17 years of age on the preceding 30th June.
- (b) No player may represent more than one league in the same competition in any one season.
- (c) In the Wilmott Cup and Rose Bowl each player must have played in at least four matches in the league competition of the league represented, during the current and/or immediately preceding seasons.
- 3 In each round teams shall play each other in a tie of nine matches, each match being the best of three games. The tie may be ended by mutual agreement of the captains and with the permission of the referee, when one team has won five matches.
- 4 Before each tie the two captains shall decide by lot the right of being A, B, C, or X, Y, Z, and each captain shall then name his team to the referee, allotting a letter to each of his players. The order of play shall then be as defined in Rule 5 and may be altered only by mutual agreement of the captains and consent of the referee.
- 5 The order of play shall be: A v. X, B v. Y, C v. Z, B v. X, A v. Z, C v. Y, B v. Z, C v. X, A v. Y. The interval, if any, should be taken after the fifth match.
- 6 The entrants shall be divided by the committee into two areas, which shall be further divided into groups, and sub-divided into zones, no zone containing more than eight entrants. The competitions shall be played on the knockout system to determine successively zone winners, group winners and area winners, the area winners being the finalists of the competitions.
- 7 The draw for each zone, group and area, shall be made by the committee and the result of each round shall be sent to all surviving entrants.

- 8 Except as provided in Regulation 12, the League drawn first in each tie except the final, shall play at home unless both leagues agree to reverse the fixture or unless a combination is drawn that has occurred previously in the same competition, when the league playing away on the previous occasion may claim the right to play at home. The league invoking this regulation shall write to the Hon. Secretary of the Committee and visiting league not later than two weeks before the date fixed for the round, confirming its acceptance of the responsibility for staging the tie.
- 9 The closing dates for all rounds shall be decided by the committee at the beginning of each season, and notified to all participating leagues. The committee shall have power to grant an extension of the date for a tie in any round provided application is made to the Hon. Secretary of the Committee by both leagues before the closing date for that round. Extensions will be granted only if road and rail conditions preclude travelling and permission must be obtained from the Secretary of the Committee.
- 10 The home league shall offer the visiting league the choice of three dates, giving not less than one week's notice. At least one of these dates shall be a Saturday and at least one shall be a mid-week date. Three consecutive dates must not be offered. The visiting league must accept one of these dates. Failure to reach agreement must be reported immediately to the Hon. Secretary of the Committee.
- 11 Except as provided in Regulation 12, in all rounds except the final, each league shall be responsible for all expenses of its own team. The home league shall be responsible for the cost of staging the match and for providing refreshments for the visiting team.
- 12 If not less than three-quarters of the entrants in a zone agree, all the matches in that zone may be played on one day at one venue, the expenses and receipts being shared equally among all the entrants agreeing to take part in the zone play-off.
- 13 The final of each Competition shall be played on a date and at a venue selected by the committee. The E.T.T.A. shall be responsible for the cost of staging the final and for the expenses incurred by the participating teams (three persons in each team) up to an amount not exceeding the combined cost of hotel accommodation and breakfast plus second-class rail fare or, when used, 4d. per mile for one car, whichever is the cheaper. Any profit made shall be divided 10 per cent to each of the participating leagues, 10 per cent to the league or affiliated body organising the staging of the tie, and the remainder to the E.T.T.A.
- 14 Ties must begin within 30 minutes of the previously appointed time. Any player not present when called upon by the referee to play, shall forfeit the match for which he is called. Any team playing with less than three players shall be liable to disciplinary action by the committee.

- 15 It is the responsibility of the winning league to return the official score card. The score card, signed by a representative of each team, must be posted or conveyed so that it is received by the Hon. Secretary of the Committee within three days of the final date of each round. Failure to do so shall render the league responsible liable to disciplinary action by the committee.
- 16 A referee for each tie or zone play-off shall be appointed by the person or body responsible for staging the tie or group play-off.
- 17 The playing conditions for each tie shall be as defined in the current E.T.T.A. regulations for Open Tournaments and the ball shall be any ball currently approved by the E.T.T.A.
- 18 The competitions shall be managed by a sub-committee, referred to in these regulations as the committee, who shall be appointed each year by the National Council. The committee's decision shall be final on all matters arising from these regulations.
- 19 The regulations of the competitions may only be altered at the beginning of the season and by consent of the National Council.
- 20 The winners of each competition shall be the holders, until the penultimate round of the competition in the following season, of the following trophies: Men: the Cup presented by the late A. J. Wilmott; Women: the Bowl presented by the late J. M. Rose; Junior Boys: the J. Carter Cup; Junior Girls: the L. M. Bromfield Trophy.  
**Note:** The original Wilmott Cup was lost in the bombing of the E.T.T.A. offices in 1940 and the cup now used is a substitute.
