TABLE TENNIS

OFFICIAL HANDBOOK Part II — 1972/73
Cumulative Supplement to Part I published 1968/69

HANDBOOK

PART II

1972/73

Part I of the Handbook was published in the 1968-69 season. Part II is issued each year and contains current details of leagues, counties, tournaments etc. up to the time of going to press.

A new style of presentation has been introduced in that the early pages contain only the names of all officials and the addresses can be found by reference to the alphabetical section on the last few pages.

Published by

EDWARDS SPORTS NETS

— built to professional standards

The name of Edwards is synonymous with sports nets the world over. Manufactured with skill by patient craftsmen, Edwards nets are specified in every field of sport, from Wembley to Wimbledon. They're strong, reliable, and made to conform to strict sporting standards. Edwards manufacture nets for football, tennis, cricket, hockey, lacrosse, volleyball, badminton, basket ball, water polo, table tennis, snooker and billiards.

E.T.T.A. FUND-RAISING SCHEMES

Does your County and League take advantage of the schemes for Fund Raising run by the E.T.T.A.?

EXAMPLE:

Lincoln Handicap, £400 in prize money

The E.T.T.A. provides the prize money and pays administrative costs. 50 per cent of the cash taken by each County or League is returned to them.

MASTER POINTS SCHEME

Attractive certificates and badges awarded for results achieved at all levels of play. For a whole season's League programme the cost is only 2p per player.

For details of TABLE TENNIS NEWS and Fund Raising Schemes write to: E.T.T.A., 21 Claremont, Hastings, Sussex.

Telephone: Hastings 33121

INTRODUCING TIBHAR THE NEW REVOLUTIONARY TABLE TENNIS BATS

In the opinion of many great champions TIBHAR INDIVIDUAL is the most advanced range of table tennis bats on the market today.

After more than three years theoretical and practical research by TIBHAR HARANGOZO, a world renowned professor of table tennis, in close collaboration with leading Japanese manufacturers a completely new development in table tennis bats has been perfected. It has been discovered that each type of game requires a sponge rubber playing surface of a special texture - the right thickness and the correct wood. Under the brand name TIBHAR - INDIVIDUAL we have available six models, each one designed for a particular style of play.

SPARE TABLE TENNIS BAT RUBBERS

CATA SPIN £3.10 PR. SUGGESTED RETAIL
CONTROL SPIN £3.00 PR. SUGGESTED RETAIL
SPEEDY SPIN £3.20 PR. SUGGESTED RETAIL

SUPPLIES ARE LIMITED DUE TO
WORLD WIDE DISTRIBUTION
ORDER NOW

SPECIAL FEATURES

1. Light in weight - nicely balanced - attractively finished.
2. Completely new specially developed sponge rubber playing surfaces and wooden blades.
3. Unsurpassed adherence qualities, which enables instant control even with the fastest type of sponge rubber playing surfaces.

1. LEARN-BEG:

The playing surface on this bat has been specially developed for beginners. It blends a little of all table tennis sheet characteristics - speed - spin - control without allowing any one of these features to dominate. Reverse 1.5mm sponge rubber - colour black only.

SUGGESTED RETAIL - £1.50 EACH

2. LEARN-SPIN TOMI:

Extremely fast - has excellent ball control with special qualities for loop drive and counter looping drive. Reverse 1.8mm sponge rubber base - red only - individually boxed.

SUGGESTED RETAIL - £3.25 EACH

3. DEFENSE:

Specially developed sponge rubber playing surface - with correct speed of wood for defensive play. Perfect for backspin strokes countering the loop drive and defensive counter attack. Reverse 1mm red and green - individually boxed. This bat was used by CHRISTIAN MARTIN of France who was undefeated in the recent team event of the European Youth Championships - as a result France are now the reigning European Champions.

SUGGESTED RETAIL - £4.50 EACH

4. CATA-SPIN TIBOR HA:

Specially developed sponge rubber to give catapult effect with a completely new type of fast single wood. Reverse 1.5mm red and green - individually boxed.

SUGGESTED RETAIL - £7.50 EACH

5. CONTROL-SPIN TIBOR:

This specially developed sponge rubber has an unsurpassable surface adherence, due to special dueling procedure and rubber combination. It is perfect for the looping drive and counter looping drive and also promotes excellent ball control. To secure these special characteristics the sponge rubber sheet is produced in 1.8mm thickness only. To produce the best possible playing qualities completely new 3-ply 9mm wood is used. Red only individually boxed.

SUGGESTED RETAIL - £9.00 EACH

6. SPEEDY SPIN TIBOR:

Possibly the fastest sponge rubber capable of imparting intricate spin which is available on the world markets, and because of its special adherence qualities one can acquire control very quickly. Completely new one ply 9mm wood. Reverse 1.5mm - red only. Individually boxed.

SUGGESTED RETAIL - £9.00 EACH
