

Memo to National Council

Dear National Councillor,

At the last meeting we formed a National Council Sub-Committee to review the Competition Review so that Council could have a report from this committee when this item is discussed at the next meeting, 22nd October 2022.

The members who were appointed at the last meeting were myself, Chair, Karen Tonge OBE and Jos Kelly. I had approval to add members who were not necessarily Council members and I have recruited Richard Scruton and Liam McTiernan.

Richard Scruton because of his extensive experience of competitions being one of the ITTF senior referees, Secretary General of the ETTU who's main task is the organisation of European competitions as well as Competition Manager for London 2012.

Liam McTiernan has been invited to bring in a players perspective and Liam is a MAG member and is also a top player.

The Committee will be reviewing the information that we have received to date and attending the seminar on either the 18th or 19th October. We have a meeting on Thursday 20th October in order to provide some feedback to National Council at our meeting.

The new members have been approved in principle by Estyn Williams before a final confirmation at our meeting.

Alan Ransome OBE
Chair
Competition Review Sub-Committee
