

National Council

14 January 2023

Meeting Dates for 2023/24

At its meeting in October 2022, the National Council asked that proposed dates for the coming year be provided at the next meeting to ensure as many Councillors as possible could attend.

The dates below have been discussed with Estyn Williams and Alan Ransome, in order to ascertain the best dates for the CEO and Chairs diaries, together with any tournaments that may be taking place.

When looking at the dates, it was recognised that with the AGM taking place on 8 July, there would be a five week space between the meetings in April and June and then four weeks between the June meeting and the AGM. An alternative might be to combine the two meetings and hold a meeting in May 2023.

Options

A – Combined April and June meetings to a May meeting

- 13 May or 27 May (although bank holiday weekend)
- 14 or 21 October
- 20 or 27 January 2024

B – April and June meetings stand

- 15 or 22 April
- 3 June
- 14 or 21 October
- 20 or 27 January 2024

The National Council are asked to consider the options and give their preference.
