Notes

Players in this booklet are eligible to play in England but are not necessarily eligible to represent England in International Competition.

If no nationality is specified on your Table Tennis England membership profile, your country will appear as England and you will be listed as a Foreign Player.

Foreign players are dummies calculated from the top 30% of the ITTF World List. If a foreign player does not appear within this criteria their dummy rating will be entered as zero apart from those players that regularly play in English tournaments.

Important Notice

Whilst every care is taken that the data inserted into the computer is accurate, the occasional error is inevitable. Table Tennis England accepts no responsibility of any kind for such errors and their consequences. Any mistake will be investigated and an audit trail sent to the player. The cost is £5 which will be refunded if the complaint is justified. Proven errors will be rectified in a subsequent list. Any queries from the list should arrive within three weeks of the list publication date and be sent to:-
